Updated Statement by Governor Sherrill on Shooting in Union Township

Posted on 04/12/2026

"We now know that last night's shooting in Union Township tragically claimed one life and left six others injured.

"Our hearts go out to the victim's loved ones, and we are hoping for the full recovery of those who were injured.

"The preliminary investigation reveals this does not appear to be a random act of violence and that there is no immediate ongoing threat to general public.

"We encourage the community to remain vigilant and report any information to local law enforcement. Tips can also be submitted anonymously by phone at 908-654-TIPS (8477) or online at www.uctip.org.

"New Jersey stands with the Union Township community."
