Acting Chairperson Patel convened the meeting at 11:00 AM. He introduced himself and made the following statement:

"I wish to announce that adequate notice of today's meeting of the New Jersey Transportation Trust Fund Authority has been provided in accordance with the Open Public Meetings Act. Notice was filed with the Secretary of State. This notice was also e-mailed and mailed to five [5] newspapers of general distribution (The Trentonian, Trenton Times, Courier Post, Star Ledger, and the Atlantic City Press); posted on the Authority's website, and posted in the main entrance of the New Jersey Department of Transportation's Headquarters."

Secretary Linda Davino called the roll. The following acknowledged their presence: Snehal Patel, Robert A. Briant, Jr., Nelson Ferreira, John J. Duthie, Michael Kanef and Gregory Lalevee.

After acknowledging that a quorum was present, Acting Chairperson Patel called the first order of business by requesting that Michael Kanef, Treasurer to the Authority, lead a discussion regarding the approval the Fifth Supplemental Transportation Program Bond Resolution. This Resolution authorizes the sale of new money, fixed rate bonds to finance State transportation costs in fiscal year 2019, and approves the form of the various financing documents and delegates to the Authorized Officers of the Authority the authority to take certain actions to issue these bonds.

Mr. Kanef stated to the members of the Board that they may be aware that he spoke briefly about the proposed bond issuance at the prior Board meeting and there have been no substantial changes since that time. He discussed the plan to issue new money bonds. This will be the first time in the fiscal year that they will be issuing new money bonds. The new money refinancing will provide additional moneys to fund TTFA transportation based projects. The current proposal is to issue fixed rate bonds not to exceed the interest rate of seven percent (7.00%). The exact amount of new money bonds will be determined based upon the market but the Authority will not issue more than \$750,000,000 of bonds.

As part of this discussion, Mr. Daidone called upon Bond Counsel, Tricia M. Gasparine, Esq., to discuss the Fifth Supplemental Transportation Program Bond Resolution and other documents being approved by the Authority.

Bond Counsel stated, that this Resolution authorizes the issuance of one or more Series of Transportation Program Bonds in an aggregate principal amount not to exceed \$750,000,000 to pay State Transportation System Costs. It provides that the true interest cost on each Series of

Bonds shall not exceed seven percent (7.00%) per annum. The Resolution authorizes a negotiated sale of the Bonds with Wells Fargo Bank, NA as Manager, and other matters in connection therewith, including the distribution of a Preliminary Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Contract, an Amended and Restated State Contract and a Continuing Disclosure Agreement. Drafts of these documents are also included in your package.

Acting Chairperson Patel asked if anyone had any questions or further discussion and, hearing none, then requested a motion to adopt the Resolution entitled: "Fifth Supplemental Transportation Program Bond Resolution," Mr. Briant moved to adopt the following Resolution (which is appended to these minutes).

The motion was seconded by Mr. Lalevee and adopted on a call of roll as follows:

2.11. Redemption.

Each Series of the 2019 Series Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the 2019 Series Bonds shall be, and the 2019 Series Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the 2019 Series Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such 2019 Series Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the 2019 Series Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The 2019 Series Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such 2019 Series Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to 2019 Series Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a 2019 Series Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a 2019 Series Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a 2019 Series Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a 2019 Series Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each 2019 Series Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such 2019 Series Bond, (ii) giving notices with respect to the 2019 Series Bond, (iii) registering transfers with respect to a 2019 Series Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each 2019 Series Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a 2019 Series Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Fifth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Fifth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the 2019 Series Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the 2019 Series Bonds, in which event certificates for such 2019 Series Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the 2019 Series Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding 2019 Series Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such 2019 Series Bonds or (B) a continuation of the requirement that all of the Outstanding 2019 Series Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the 2019 Series Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the 2019 Series Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the 2019 Series Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such 2019 Series Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such 2019 Series Bonds transferring or exchanging such 2019 Series Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the 2019 Series Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2019 Series Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Fifth Supplemental Resolution to the contrary, so long as any 2019 Series Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such 2019 Series Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of 2019 Series Bonds.

5. In connection with any notice or other communication to be provided to Holders of the 2019 Series Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action

and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

The proceeds of each Series of 2019 Series Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

BOND PURCHASE CONTRACT

January __, 2019

New Jersey Transportation Trust Fund Authority
1035 Parkway Avenue
Trenton, New Jersey 08625

Ladies and Gentlemen:

Wells Fargo Bank, National Association (the “Manager”) as representative acting for and on behalf of ourselves and the underwriters named on the list attached hereto and incorporated herein by this reference as **Schedule 1** (the Manager and said underwriters being hereinafter collectively referred to as the “Underwriters”) hereby offers to enter into this Bond Purchase Contract (this “Purchase Contract”) with you, the New Jersey Transportation Trust Fund Authority (the “Authority”), which, upon your acceptance of this offer, will be binding upon the Authority and the Underwriters. This offer is made subject to the acceptance by the Authority at or prior to 10:00 P.M., prevailing Eastern time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriters upon written notice delivered to the Authority at any time prior to acceptance hereof by the Authority.

1. Purchase and Sale of the 2019 Series Bonds and Payment of Underwriters’ Discount. On the basis of the representations, warranties, covenants and agreements set forth herein, the Underwriters jointly and severally hereby agree to purchase from the Authority for offering to the public, and the Authority hereby agrees to sell to the Underwriters, all (but not less than all) of its \$ _____ Transportation Program Bonds, 2019 Series AA (the (“2019 Series Bonds”), at an aggregate purchase price of \$ _____ (representing the principal amount of the 2019 Series Bonds, plus net original issue premium of \$ _____, less an Underwriters’ discount of \$ _____) (the “Purchase Price”), all as set forth in **Schedule 2**. The 2019 Series Bonds will be dated the date of delivery thereof, will be issued in the principal amounts, at the rates and yields, and will mature on the dates, and will be subject to redemption as provided in the Official Statement (as defined below) and in **Schedule 3** attached hereto.

The 2019 Series Bonds are being issued under and pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the "Act"), and the Authority's 2012 Transportation Program Bond Resolution, adopted on October 26, 2012 (the "2012 Transportation Program Bond Resolution"), as amended and supplemented, including by the Fifth Supplemental Transportation Program Bond Resolution adopted on December 11, 2018 (the "Fifth Supplemental Resolution"), and a certificate of the Authority, dated the date hereof and entitled "2019 Series AA Certificate" (the "Series Certificate"). The 2012 Transportation Program Bond Resolution, as amended and supplemented, including as supplemented by the Fifth Supplemental Resolution and the Series Certificate, are collectively referred to herein as the "Resolution." U.S. Bank National Association, Morristown, New Jersey, is acting as trustee (the "Trustee") under the Resolution. Certain capitalized terms not otherwise defined herein have the meanings ascribed thereto in the Resolution or in the Official Statement (as hereinafter defined).

The 2019 Series Bonds are being issued for the purposes of (i) paying State Transportation System Costs and (ii) paying costs of issuance of the 2019 Series Bonds.

The Act provides for certain payments to be made from the Transportation Trust Fund Account (as defined in the Act) in the State General Fund to the Authority subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature") for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated January __, 2019, which amends and restates in its entirety the "Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds" dated as of December 4, 2012 (as amended and restated, the "State Contract"), with the Treasurer (the "State Treasurer") of the State of New Jersey (the "State" or "New Jersey") and the Commissioner of the New Jersey Department of Transportation (the "Commissioner") to implement such payments and other arrangements provided for in the Act.

All amounts payable under the State Contract shall be subject to and dependent upon appropriations being made from time to time for such purposes by the State Legislature. The State Legislature has no legal obligation to make any such appropriations.

NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF IS OBLIGATED TO PAY, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION) IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2019 SERIES BONDS. THE 2019 SERIES BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE

SOLELY OUT OF PROPERTY PLEDGED UNDER THE RESOLUTION AND FROM ANY AMOUNTS OTHERWISE AVAILABLE UNDER THE RESOLUTION FOR PAYMENT OF THE 2019 SERIES BONDS. THE 2019 SERIES BONDS DO NOT NOW AND SHALL NEVER CONSTITUTE A CHARGE AGAINST THE GENERAL CREDIT OF THE AUTHORITY. THE AUTHORITY HAS NO TAXING POWER. NOTHING IN THE RESOLUTION SHALL BE CONSTRUED TO AUTHORIZE THE AUTHORITY TO INCUR INDEBTEDNESS ON BEHALF OF OR IN ANY WAY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION).

The Manager agrees to use its best efforts to assure that the State meets its objectives in the fair and reasonable allocation of 2019 Series Bonds to members of the underwriting syndicate, in accordance with the Agreement Among Underwriters dated _____, 2019 (the "AAU"). The Manager further agrees that the allocation of 2019 Series Bonds and fees received by each member of the underwriting syndicate shall be reported to the State Treasurer in writing within thirty (30) days after the Closing. The parties hereto agree and acknowledge that the failure by the Manager to comply with the provisions of this paragraph will not void the sale hereunder of the 2019 Series Bonds.

Executive Order No. 9 (Codey 2004) Compliance. Pursuant to Executive Order No. 9 (Codey 2004) ("Executive Order No. 9"), dated and effective as of December 6, 2004, it is the policy of the State that in all cases where bond underwriting services are or may be required by the State or any of its departments, agencies or independent authorities, such department, agency or independent authority shall deal directly with the principals of the underwriting firms or their registered lobbyists. The department, agency or independent authority shall not discuss, negotiate or otherwise interact with any third-party consultant, other than the principals of the underwriting firms and their registered lobbyists, with respect to the possible engagement of the firm to provide bond underwriting services. Compliance with Executive Order No. 9 is a material term and condition of this Purchase Contract and binding upon the parties hereto, including the Underwriters.

Compliance with L. 2005, c. 271. The Manager hereby acknowledges for itself, and, based upon the representations and warranties received by the Manager from the other Underwriters under the AAU, for the other Underwriters, that each Underwriter has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (the "ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (L. 2005, c. 271, section 3) if such Underwriter enters into agreements or contracts, such as this Purchase Contract, with a public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from public entities, such as the Authority, in a calendar year. It is the Underwriters' responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

2. Good Faith Deposit. The Manager has, on or prior to the date hereof, delivered to the Authority, as a good faith deposit, one or more corporate checks payable to the order of the Authority in the aggregate amount of \$_____ (the "Good Faith Deposit"). In the event the Authority does not accept this offer, the Good Faith Deposit checks shall be immediately returned to the Manager. Said checks shall be held uncashed by the Authority, subject to the provisions of the last paragraph of this Section 2. No interest shall be deemed earned by or payable to the Underwriters on the Good Faith Deposit. Concurrently with the delivery of and payment for the 2019 Series Bonds at the Closing, the Good Faith Deposit checks shall be returned uncashed to the Manager.

Upon the Authority's failure to deliver the 2019 Series Bonds at the Closing, or if the conditions to the obligations of the Underwriters contained in this Purchase Contract are not satisfied or waived by the Manager, or if such obligations shall be terminated for any reason permitted by this Purchase Contract, the Good Faith Deposit checks shall be immediately returned to the Manager, and such return shall constitute a full release and discharge of all claims and rights hereunder of the Underwriters against the Authority.

In the event that the Underwriters fail (other than for a reason permitted under this Purchase Contract) to accept and pay for the 2019 Series Bonds at the Closing, the Good Faith Deposit checks shall be retained by the Authority as and for full liquidated damages for such failure and as and for all defaults hereunder on the part of the Underwriters, and thereupon all the Authority's claims and rights hereunder against the Underwriters shall be fully released and discharged.

3. Offering and Delivery of the 2019 Series Bonds. The Underwriters hereby agree to make a bona fide public offering of all of the 2019 Series Bonds at prices no higher than, or yields no lower than, those shown in the Official Statement, but the Underwriters reserve the right to lower such initial prices or increase such yields as they shall deem necessary in connection with the marketing of the 2019 Series Bonds. The Underwriters may offer and sell the 2019 Series Bonds to certain dealers (including dealers depositing the 2019 Series Bonds into investment trusts) and others at prices lower than the initial public offering price or prices shown in the Official Statement. The Underwriters also reserve the right: (i) to over-allot or effect transactions which stabilize or maintain the market price of the 2019 Series Bonds at levels above those which might otherwise prevail in the open market, and (ii) to discontinue such stabilizing, if commenced, at any time without prior notice. The Manager, at or prior to the Closing (as defined herein), shall deliver to the Authority a certificate signed by an authorized representative of the Manager, substantially in the form set forth in **Exhibit F** hereto, in final form and substance satisfactory to Chiesa Shahinian & Giantomasi PC (the "Bond Counsel"), stating the "issue price" of the 2019 Series Bonds, as such term is defined in the Internal Revenue Code of 1986, as amended (the "Code"), and such other information reasonably requested by Bond Counsel. The Manager hereby acknowledges for itself, and based upon the representations and warranties received by the Manager from the other Underwriters in the AAU, for the other Underwriters, that

each such Underwriter understands and acknowledges that the Authority will rely on such certificate in issuing the 2019 Series Bonds.

Delivery of the 2019 Series Bonds in definitive registered form, duly executed and authenticated, bearing CUSIP numbers without coupons with one 2019 Series Bond for each interest rate within a stated maturity of each series registered in the name of The Depository Trust Company, New York, New York ("DTC"), or its nominee, Cede & Co., shall be made to the Trustee as custodian for DTC at the Closing. The delivery of related documentation shall be made at the Closing at the offices of Bond Counsel in West Orange, New Jersey.

Payment of the purchase price for the 2019 Series Bonds shall be made in Federal Reserve Funds or other immediately available funds by 10:00 a.m. prevailing Eastern time, on _____, 2018, or such other time or date as shall be mutually agreed upon by the Authority and the Manager. The delivery of and payment for the 2019 Series Bonds are herein called the "Closing." In addition, the Authority and the Underwriters agree that there shall be a preliminary closing held at the offices of Bond Counsel commencing at least one (1) day prior to the Closing.

The Authority has previously authorized the distribution of the Preliminary Official Statement, dated _____, 2019, relating to the 2019 Series Bonds (the "Preliminary Official Statement"), which, by execution of this Purchase Contract, it "deems final" within the meaning of Rule 15c2-12 promulgated under the provisions of the Securities Exchange Act of 1934, as amended (the "Rule"). The Authority will provide, within seven (7) business days after the date of this Purchase Contract (but in no event later than the date of the Closing), an electronic copy, subject to customary disclaimers regarding the transmission of electronic copies, of the final Official Statement (the "Official Statement") to the Underwriters in the currently required designated format stated in MSRB Rule G-32 and the EMMA Dataport Manual (as hereinafter defined). The Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Authority and the Underwriters and as are permitted by the Rule. By acceptance of this Purchase Contract, the Authority authorizes the use by the Underwriters of the Official Statement in connection with the public offering and sale of the 2019 Series Bonds. Within one (1) business day after the receipt of the Official Statement from the Authority, but in no event later than the date of the Closing, the Underwriters shall, at their own expense, submit the Official Statement to EMMA (as hereinafter defined). The Underwriters will comply with the provisions of MSRB Rule G-32 as in effect on the date hereof, including without limitation the submission of Form G-32 and the Official Statement and notify the Authority of the date on which the Official Statement has been filed with EMMA.

"EMMA" shall mean the MSRB's Electronic Municipal Market Access system, or any other electronic municipal securities information access system designated by the MSRB for collecting and disseminating primary offering documents and information.

“EMMA Dataport Manual” shall mean the document(s) designated as such published in the MSRB from time to time setting forth the processes and procedures with respect to submissions to be made to the primary market disclosure service of EMMA by underwriters under MSRB Rule G-32.

In addition, the Underwriters will provide to the Authority a copy of the notice sent to all purchasers of the 2019 Series Bonds from the Underwriters advising them as to the manner pursuant to which such purchasers can obtain a copy of the Official Statement from EMMA and indicating to them that a printed copy of the Official Statement will be provided to them upon their request. The Authority agrees to provide the Underwriters with an amount of printed Official Statements in such quantities that the Underwriters may reasonably request, provided, that the number of copies, the cost for which the Authority is responsible, will not exceed 200 copies. Should the Underwriters require additional copies of the Official Statement, the Authority agrees to cooperate with the Underwriters in obtaining such copies, the cost of such additional copies to be borne by the Underwriters.

4. Establishment of Issue Price.

(a) The Manager, on behalf of the Underwriters, agrees to assist the Authority in establishing the issue price of the 2019 Series Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit F**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Manager, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(a) [Except for the maturities set forth in **Schedule 4** attached hereto,] the Authority will treat the first price at which 10% of each maturity of the 2019 Series Bonds (the “10% test”) is sold to the public as the issue price of that maturity. [If, as of the date hereof, the 10% test has not been satisfied as to any maturity of the 2019 Series Bonds, the Manager agrees to promptly report to the Authority the prices at which 2019 Series Bonds of that maturity or maturities have been sold by the Underwriters to the public. That reporting obligation shall continue until either (i) all 2019 Series Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the Underwriters’ reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager, the Authority or bond counsel.] For purposes of this Section, if 2019 Series Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the 2019 Series Bonds.]

(b) The Manager confirms that the Underwriters have offered the 2019 Series Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule 4 attached hereto and in the final Official Statement. Schedule 4 also sets

forth, as of the date of this Purchase Contract, the maturities, if any, of the 2019 Series Bonds for which the 10% test has not been satisfied and for which the Authority and the Manager, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the 2019 Series Bonds, the Underwriters will neither offer nor sell unsold 2019 Series Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the 2019 Series Bonds to the public at a price that is no higher than the initial offering price to the public.

The Manager will advise the Authority promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the 2019 Series Bonds to the public at a price that is no higher than the initial offering price to the public.

(c) The Manager confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the Manager is a party) relating to the initial sale of the 2019 Series Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold 2019 Series Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all 2019 Series Bonds of that maturity allocated to it have been sold or it is notified by the Manager that the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Manager and as set forth in the related pricing wires, and

(B) to promptly notify the Manager of any sales of 2019 Series Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the 2019 Series Bonds to the public (each such term being used as defined below),

(C) to acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the Manager shall assume that each order

submitted by the Underwriter, dealer or broker-dealer is a sale to the public.

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the 2019 Series Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the 2019 Series Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold 2019 Series Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all 2019 Series Bonds of that maturity allocated to it have been sold or it is notified by the Manager or such Underwriter or dealer that the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager or such Underwriter or dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Manager or the Underwriter or the dealer and as set forth in the related pricing wires.

(d) The Authority acknowledges that, in making the representation set forth in this subsection, the Manager will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the 2019 Series Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2019 Series Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The Authority further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2019 Series Bonds.

(e) The Underwriters acknowledge that sales of any 2019 Series Bonds to any person that is a related party to an underwriter participating in the initial sale of the 2019 Series Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the 2019 Series Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the 2019 Series Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the 2019 Series Bonds to the public),
- (iii) a purchaser of any of the 2019 Series Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Purchase Contract by all parties.

5. Representations and Agreements of the Authority. By its acceptance hereof the Authority hereby represents to, and agrees with, the Underwriters that:

(a) The Authority is a public body corporate and politic, duly created and existing as an instrumentality of the State, with the power and authority set forth in the Act to: (i) adopt the Resolution and execute and deliver the Series Certificate; (ii) execute and deliver the State Contract; (iii) authorize and issue the 2019 Series Bonds under the Act; (iv) enter into this Purchase Contract, the Continuing Disclosure Agreement, dated as of the date of the Closing (the “Continuing Disclosure Agreement”), among the State Treasurer, the Authority and the Trustee, as Dissemination Agent; and (v) carry out the Authority's obligations required in connection with the consummation of the transactions contemplated by this Purchase Contract, the 2019 Series Bonds, the Official Statement, the State Contract and the Continuing Disclosure Agreement;

(c) The Authority concurrently with or prior to the acceptance hereof, has duly adopted the Resolution; has duly authorized and approved the Preliminary Official Statement and the Official Statement and the distribution thereof; has duly authorized and approved the adoption of the Resolution, the execution and delivery of the Series Certificate, the 2019 Series Bonds, the State Contract, the Continuing Disclosure Agreement and this Purchase Contract and the performance by the Authority of its obligations contained in the 2019 Series Bonds, the Resolution, the State Contract, the Continuing Disclosure Agreement and this Purchase Contract, and has duly authorized and approved the sale of the 2019 Series Bonds to the Underwriters, and the consummation by it of all other transactions contemplated by this Purchase Contract;

(d) The adoption of the Resolution and the execution and delivery of the State Contract, the Series Certificate, the 2019 Series Bonds, the Continuing Disclosure Agreement and this Purchase Contract, and compliance by the Authority with the provisions thereof and hereof, under the circumstances contemplated thereby and hereby, do not and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default by the Authority under any indenture, deed of trust, mortgage, agreement or other instrument to which the Authority is a party, or conflict with, violate or result in a breach of any existing applicable law, public administrative rule or regulation, judgment, court order or consent decree to which the Authority is subject;

(e) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Authority of its obligations hereunder and under the Resolution, the State Contract, the Continuing Disclosure Agreement and the 2019 Series Bonds have been obtained or will have been obtained as of the date of the Closing;

(f) The statements and information relating to the Authority contained in the Official Statement under the captions "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY," "THE TRANSPORTATION SYSTEM IMPROVEMENTS," "THE NEW JERSEY DEPARTMENT OF TRANSPORTATION" and "LITIGATION" do not, as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading;

(g) If the Official Statement is supplemented or amended pursuant to Section 9 hereof, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to Section 9 hereof) at all times during the period from the date of such supplement or amendment to and including twenty-five (25) days following the end of the underwriting period for the 2019 Series Bonds (as determined in accordance with Section 9 hereof), the statements and information contained under the captions "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY," "THE TRANSPORTATION SYSTEM IMPROVEMENTS," "THE NEW JERSEY DEPARTMENT OF TRANSPORTATION" and "LITIGATION" in the

Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading;

(h) As of the date hereof, except as disclosed in the Official Statement, there is not any action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending against the Authority, and the Authority has no knowledge of any such action, suit, proceeding, or investigation, at law or in equity before any court, public board or body in any other jurisdiction, and, to the knowledge of the Authority, no such action is threatened against the Authority, in any way contesting or questioning the due organization and lawful existence of the Authority or the title of any of the officers or members of the Authority to their offices, or seeking to restrain or to enjoin the issuance, sale or delivery of the 2019 Series Bonds, or pledging of revenues and other funds of the Authority referred to in the Resolution thereto, or in any way contesting or affecting the validity or enforceability of the 2019 Series Bonds, the Resolution, the Continuing Disclosure Agreement, the State Contract or this Purchase Contract or contesting in any way the completeness or accuracy of the Official Statement, or contesting the powers of the Authority or its authority with respect to the 2019 Series Bonds, the Resolution, the State Contract, the Continuing Disclosure Agreement or this Purchase Contract;

(i) When delivered to and paid for by the Underwriters at the Closing in accordance with the provisions of the Resolution and this Purchase Contract, and as described in the Official Statement, the 2019 Series Bonds will have been duly authorized, executed, issued and delivered and will constitute special, limited obligations of the Authority entitled to the benefits and security of the Resolution;

(j) None of the officers, members, agents or employees of the Authority shall be personally liable for the performance of any obligation under this Purchase Contract; and

(k) In order to enable the Underwriters to comply with the requirements of the Rule, the State Treasurer, the Authority and the Trustee, as Dissemination Agent, have agreed to execute and deliver the Continuing Disclosure Agreement in substantially the form annexed to the Preliminary Official Statement.

6. Representations, Warranties and Agreements of the Manager. The Manager represents and warrants to the Authority that:

(a) The Manager is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, having all requisite corporate power and authority to carry on its business as now constituted;

(b) The documents relating to the issuance of the 2019 Series Bonds have been reviewed by the Manager and contain terms acceptable to, and agreed to by, the Manager;

(c) The Manager has the requisite authority to enter into this Purchase Contract as representative acting for and on behalf of itself and, pursuant to the AAU, the Underwriters and this Purchase Contract has been duly authorized, executed and delivered by the Manager on behalf of the Underwriters and, assuming the due authorization, execution and delivery thereof by the Authority, is the legal, binding and valid obligation of the Underwriters, enforceable against the Underwriters in accordance with its terms, except that the enforceability thereof may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws or equitable principles affecting creditors' rights or remedies generally;

For the purpose of this Section 9, the Authority will furnish such information with respect to itself or the State as the Manager may from time to time reasonably request. The cost of any copies of such amendment or supplement to the Official Statement in excess of 200 shall be borne by the Underwriters. (d) \$50,000 of the funds to be disbursed to the Underwriters for expenses shall be retained by the Trustee (the "Retainage") until such time as the Manager has provided the Authority and the State Treasurer with all reports or other documents which the Authority and the State Treasurer may be entitled to pursuant to the Resolution, this Purchase Contract or the other documents executed and delivered in connection herewith or therewith. Re: New Jersey Transportation Trust Fund Authority
Transportation Program Bonds, 2019 Series AA

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance of \$_____ aggregate principal amount of Transportation Program Bonds, 2019 Series AA (the "2019 Series Bonds"), by the New Jersey Transportation Trust Fund Authority (the "Authority"), a public body corporate and politic organized and existing under the laws of the State of New Jersey (the "State") created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, constituting Chapter 73 of the Laws of New Jersey of 1984, as amended and supplemented (the "Act").

The 2019 Series Bonds are being issued under and pursuant to the Act, and under and pursuant to the Authority's 2012 Transportation Program Bond Resolution, adopted on October 26, 2012 (the "Bond Resolution"), as amended and supplemented, including as supplemented by the Fifth Supplemental Transportation Program Bond Resolution adopted by the Authority on December 11, 2018 (the "Fifth Supplemental Resolution"), and a Series Certificate of the Authority, dated January __, 2019 (the "Series Certificate"). The Bond Resolution, as amended and supplemented, including as supplemented by the Fifth Supplemental Resolution, and, together with the Series Certificate, is referred to collectively herein as the "Resolution." Capitalized terms used herein and not otherwise defined have the meaning given to such terms in the Resolution or the Bond Purchase Contract relating to the 2019 Series Bonds, dated January __, 2019 (the "Purchase Contract"), between the Authority and Wells Fargo

Bank, National Association, as Manager, acting on behalf of itself and the other Underwriters named therein.

The 2019 Series Bonds are being issued for the purposes of (i) paying State Transportation System Costs and (ii) paying costs of issuance of the 2019 Series Bonds.

The Act provides for certain payments to be made from the Transportation Trust Fund Account in the State General Fund to the Authority, subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled “Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated January __, 2019, which amends and restates in its entirety the “Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds” dated as of December 4, 2012 (as amended and restated, the “State Contract”), with the State Treasurer and the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) to implement such payments and other arrangements provided for in the Act.

In rendering the opinions set forth below, we have examined such matters of law and documents, certificates, records and other instruments as we have deemed necessary or appropriate to express the opinions set forth below, including, without limitation, the Act, original counterparts or certified copies of the Resolution, the State Contract, the Purchase Contract, the Continuing Disclosure Agreement and the other documents, certifications, instruments, opinions and records delivered in connection with the issuance of the 2019 Series Bonds. In rendering the opinions set forth below, we have assumed and relied upon, with your permission, the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinions we have relied, with your permission, upon the truthfulness, completeness and accuracy of the aforesaid instruments, certificates, opinions (other than the Attorney General’s opinion), records and other documents without any independent investigation thereof.

Based on the foregoing, we are of the opinion that:

(1) The Purchase Contract and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors’ rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(2) The Continuing Disclosure Agreement has been duly executed and delivered by the State Treasurer and constitutes a legal, valid and binding obligation of

the State Treasurer, enforceable against the State Treasurer in accordance with its terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(3) The information in the sections of the Official Statement (except for the financial, tabular and other statistical information included therein) entitled "INTRODUCTION," "DESCRIPTION OF THE 2019 SERIES AA BONDS," "SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES AA BONDS," "STATUTORY DEBT ISSUANCE LIMITATIONS," "PLAN OF FINANCE," "ESTIMATED SOURCES AND USES OF FUNDS", "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Legal Authority and Responsibilities," "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Powers of the Authority," "LEGALITY FOR INVESTMENT," and "CONTINUING DISCLOSURE" (other than the last three paragraphs in the section entitled CONTINUING DISCLOSURE, as to which no opinion is expressed) was, as of the date of the Official Statement, and is, as of the date hereof, a true and accurate summary and description in all material respects of the information summarized or described therein. The copies of the Resolution and State Contract attached to the Official Statement as Appendices II and III, respectively, were, as of the date of the Official Statement, and are, as of the date hereof, true and accurate copies of such documents, and the forms of Continuing Disclosure Agreement and Opinion of Bond Counsel attached to the Official Statement as Appendices IV and V, respectively, were, as of the date of the Official Statement, and are, as of the date hereof, true and accurate forms of such documents. The statements on the front cover and contained in the section of the Official Statement entitled "TAX MATTERS," insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

(4) The Authority has duly authorized the execution, delivery, and distribution of the Official Statement.

(5) The 2019 Series Bonds are not required to be registered under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.

(6) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction (other than any Blue Sky or other state securities laws approvals) which constitute a condition precedent to the performance by the Authority of its obligations under the Purchase Contract and the 2019 Series Bonds, and its obligations under the Resolution and the State Contract relating to the 2019 Series Bonds, have been obtained and are in full force and effect.

In accordance with our understanding with you, we have participated in the preparation of the Official Statement and in that connection have participated in conferences with officers and representatives of the Authority, the State Treasurer, the Attorney General of the State, the Underwriters, and Counsel to the Underwriters.

Based upon our participation in the preparation of the Official Statement and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement other than as set forth in Paragraph 3 above, we have no reason to believe that, as of the date of the Official Statement and as of the date hereof, the Official Statement (except for the financial, tabular and other statistical information included therein, information with respect to DTC and the book-entry system for the 2019 Series Bonds and the information contained in the sections therein entitled "LITIGATION" and in Appendices I and VI thereto, as to all of which no view is expressed) contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The opinions expressed herein are based upon, and limited to, the laws and judicial decisions of the State, exclusive of conflicts of law provisions, and the federal laws and judicial decisions of the United States as of the date hereof and are subject to any amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for our opinions, or laws or judicial decisions hereafter enacted or rendered. Our engagement by the Authority with respect to the opinions expressed herein does not require, and shall not be construed to constitute, a continuing obligation on our part to notify or otherwise inform the addressees hereof of the amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for this opinion letter or of laws or judicial decisions hereafter enacted or rendered which impact on this opinion letter.

This opinion is furnished by us as bond counsel to the Authority and may be relied upon only by the addressees hereto in connection with the issuance and sale of the 2019 Series Bonds. This opinion letter is being furnished solely to the parties to whom it is addressed and may not be relied upon by any other person, although a copy of this opinion may be included in the closing transcript relating to the 2019 Series Bonds. This is only an opinion letter and not a warranty or guaranty of the matters discussed herein. Notwithstanding anything to the contrary contained herein, we acknowledge that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Treasurer of the State of New Jersey

Fund Authority

Re: New Jersey Transportation Trust Fund Authority
\$_____ Transportation Program Bonds, 2019 Series AA

Dear State Treasurer and Members of the Authority:

We have acted as counsel to the State of New Jersey (the "State") and the New Jersey Transportation Trust Fund Authority (the "Authority") in connection with the sale and issuance of the above-referenced obligations (the "Bonds"). The Bonds are being issued in accordance with the provisions of New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended (the "Act").

We have examined executed copies of: (i) the Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January __, 2019 (the "State Contract"), by and among the State Treasurer, the Authority and the Commissioner of the New Jersey Department of Transportation; (ii) the 2012 Transportation Program Bond Resolution adopted by the Authority on October 26, 2012, as amended and supplemented (the "Bond Resolution"), including as amended and supplemented by the Fifth Supplemental Transportation Program Bond Resolution adopted by the Authority on December 11, 2018 (the "Fifth Supplemental Resolution"), and a Series Certificate executed by an Authorized Authority Official, dated January __, 2019 (the "Series Certificate") (collectively, the Bond Resolution, the Fifth Supplemental Resolution and the Series Certificate are the "Resolution"); (iii) the Bond Purchase Contract, dated January __, 2019 (the "Bond Purchase Contract"), between Wells Fargo Bank, National Association, the manager on behalf of the underwriters listed on Schedule I to the Bond Purchase Contract, and the Authority; (iv) the Official Statement, dated January __, 2019 (the "Official Statement"); and (v) the Continuing Disclosure Agreement, dated January __, 2019 (the "Continuing Disclosure Agreement"), among the Authority, the State Treasurer and U.S. Bank National Association, as Dissemination Agent.

In connection with the opinions set forth below, we have examined such other documents, records of the Authority, and other instruments, including original counterparts or certified copies of the State Contract, the Bond Resolution, the Fifth Supplemental Resolution, the Series Certificate, the Bond Purchase Contract, the Continuing Disclosure Agreement, the Official Statement and the other documents listed in the closing memorandum relating to the Bonds and such matters of law and other proofs, as we deemed necessary to enable us to express the opinions set forth below. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed to them in the Resolution.

Based upon the foregoing, we are of the opinion that:

1. Based on such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding pending in any court or in any State agency or other administrative body which would affect the adoption of the Bond Resolution and the Fifth Supplemental Resolution or would restrain or enjoin the execution and delivery by the Authority of the Series Certificate, State Contract, the Continuing Disclosure Agreement, the Bond Purchase Contract or the Bonds or would have a materially adverse effect on the ability of the Authority to carry out its obligations under such documents or in any way questioning the validity of any of the provisions of the Bond Resolution, the Fifth Supplemental Resolution, the Series Certificate, the Continuing Disclosure Agreement, the Bond Purchase Contract or the State Contract or the validity of the Bonds, no do we have direct personal knowledge that any such litigation or proceeding is threatened.

2. The adoption of the Bond Resolution and the Fifth Supplemental Resolution, the execution and delivery of the State Contract, the Bond Purchase Contract, the Continuing Disclosure Agreement and the Series Certificate and compliance with the provisions thereof under the circumstances contemplated thereby, do not or did not, as applicable, and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any regulation, court order or consent decree to which the Authority is subject.

3. No additional or further approval, consent or authorization of any governmental or public agency or authority or any institution not already obtained is required for the adoption and execution by the Authority and performance of its obligations under the Bond Resolution, the Fifth Supplemental Resolution, the Series Certificate, the State Contract, the Bond Purchase Contract or the Continuing Disclosure Agreement, with the exception that the offer and sale of the Bonds in certain jurisdictions may be subject to the provisions of the securities or "Blue Sky" laws of such jurisdictions.

4. Based upon such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding in any court or in any State agency or other administrative body which would restrain or enjoin the execution and delivery by the State Treasurer of the

State Contract or the Continuing Disclosure Agreement or would have an adverse effect on the State Treasurer's power to make the payments under the State Contract or in any way questioning the validity of any of the provisions of the State Contract or the Continuing Disclosure Agreement, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

5. No approval or other action by any governmental body, authority or agency is required in connection with the execution or performance by the Treasurer of the obligations under the State Contract or the Continuing Disclosure Agreement which has not already been obtained or taken; provided, however, that any payments under the State Contract are subject to, and dependent upon appropriation by the State Legislature.

6. To the best of our knowledge, the statements appearing under the caption "LITIGATION" in the Official Statement are accurate and complete in all material respects as of the date of the Official Statement and as of the date hereof.

In addition, we wish to advise you that no opinion is being rendered as to the availability of any particularly remedy under any of the documents set forth above. This opinion is given as of the date of delivery hereof and no opinion is expressed as to any matter not explicitly set forth herein. This opinion is rendered solely in connection with the issuance of the Bonds by the Authority and may not be relied upon by any person other than the addressees hereof.

Sincerely yours,

FORM OF OPINION OF COUNSEL TO UNDERWRITERS

January __, 2019

Wells Fargo Bank, National Association, as Manager
of the Underwriters

Re: New Jersey Transportation Trust Fund Authority
Transportation Program Bonds, 2019 Series AA

Ladies and Gentlemen:

We have acted as counsel to you (the “Manager”), as representative acting for and on behalf of yourself and the underwriters (the “Underwriters”) named in the list attached as Schedule I to the Purchase Contract (as hereinafter defined), in connection with the sale and issuance by the New Jersey Transportation Trust Fund Authority (the “Authority”) of its \$_____ Transportation Program Bonds, 2019 Series AA (the “Bonds”), pursuant to the Bond Purchase Contract, dated January __, 2019 (the “Purchase Contract”), by and between the Authority and the Manager.

In our capacity as counsel to the Underwriters, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of a record of proceedings with respect to the issuance of the Bonds including, but not limited to:

(a) the Authority’s 2012 Transportation Program Bond Resolution, adopted on October 26, 2012, as amended and supplemented (the “2012 Transportation Program Bond Resolution”), including by the Fifth Supplemental Transportation Program Bond Resolution adopted on December 11, 2018 (the “Fifth Supplemental Resolution”), and a Series Certificate of the Authority, dated January __, 2019 (the “Series Certificate” and, together with the Fifth Supplemental Resolution, the “2019 Series Bond Resolution”; the 2012 Transportation Program Bond Resolution, as amended and supplemented, including the amendments and supplements made by the 2019 Series Bond Resolution, is collectively referred to herein as the “Resolution”);

(b) the Official Statement of the Authority dated _____ (the “Official Statement”);

(c) the Purchase Contract;

(d) the Continuing Disclosure Agreement dated as of January __, 2019 (the "Continuing Disclosure Agreement") by and among the Treasurer, the Authority and the Trustee, as Dissemination Agent, relating to the Bonds; and

(e) the opinions of counsel (except the opinion of the State of New Jersey, Office of the Attorney General), certificates, letters and others documents required by the Purchase Contract.

In addition, we have examined and relied upon such other documents, instruments, records of proceedings and corporate and public records, and have made such investigations of law, as we have considered necessary or appropriate for the purpose of the opinions set forth below. In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as certified, photostatic or conformed copies thereof and the authenticity of the originals of all such documents.

Based upon the foregoing, and subject to the limitations and qualifications below, we are of the opinion that:

1. The Bonds are exempted securities described in Section 3(a)(2) of the Securities Act of 1933, as amended, and Section 304(a)(4) of the Trust Indenture Act of 1939, as amended. No registration with the Securities and Exchange Commission under the Securities Act of 1933, as amended, need be made in connection with the offering and sale of the Bonds, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.
2. The Continuing Disclosure Agreement satisfies Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), which requires an undertaking for the benefit of the holders, including beneficial owners, of the Bonds to provide certain annual financial information and event notices to various information repositories at the time and in the manner required by the Rule.
3. The conditions in the Purchase Contract to your obligation to purchase the Bonds have been satisfied, except to the extent that you have agreed to waive such conditions.

In accordance with our understanding with the Underwriters, we rendered legal advice and assistance to the Underwriters in the course of their investigation pertaining to, and their participation in the preparation of, the Official Statement and the issuance and sale of the Bonds. Rendering such assistance involved, among other things, discussions and inquiries concerning various legal and related subjects, and reviews of certain documents with representatives of the Underwriters, with officers, agents, and employees of the Authority and the Treasurer, with Chiesa Shahinian & Giantomasi, PC, Bond Counsel, and with the Office of the Attorney General of the State of New

Jersey, as counsel to the Authority and the Treasurer, during which the contents of the Official Statement and related matters were discussed and reviewed.

The limitations inherent in the independent verification of factual matters and the character of determinations involved in the preparation of the Official Statement are such, however, that we have necessarily assumed the accuracy, completeness and fairness of, and take no responsibility for any of, the statements made in the Official Statement. Also, we do not express any opinion or belief as to the financial, tabular and statistical data contained in the Official Statement or as to the information contained in the Appendices to the Official Statement.

In the course of our participation in the preparation of the Official Statement and our representation of the Underwriters, and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (except for the financial, tabular and statistical data included therein and in the Appendices thereto, as to all of which we express no view), as of its date and as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The foregoing opinions are qualified to the extent that the enforceability of the Bonds and the Resolution may be limited under bankruptcy, insolvency, moratorium or other similar laws or equitable principles affecting creditors' rights or remedies generally and may be subject to the exercise of judicial discretion in applicable cases.

We are authorized to practice law in the State of New Jersey, and we do not purport to be experts on, or to express any opinion herein concerning, any law, other than the laws of the State of New Jersey, and the applicable laws of the United States of America.

The opinions expressed herein are solely for the benefit of, and may only be relied upon by, the Underwriters. This opinion may not be relied upon by any other person or entity. The opinions expressed herein are as of the date hereof, and we make no undertaking to amend or supplement such opinions as facts and circumstances come to our attention or changes in the law occur which could affect such opinions.

Notwithstanding anything to the contrary contained herein, the undersigned acknowledges that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Very truly yours,

Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.]

3. **Defined Terms.**

[(a) *General Rule Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”]

[(b) *Hold-the-Offering-Price Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”]

[(c) *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date ([DATE]), or (ii) the date on which the [SHORT NAME OF UNDERWRITER][the Underwriters] [has][have] sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at a price that is no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]

(d) *Issuer* means the New Jersey Transportation Trust Fund Authority.

(e) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(f) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [DATE].

(h) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

4. **Weighted Average Maturity.** Bond Counsel has instructed us to calculate the weighted average maturity of the Bonds using the following formula: The weighted average maturity of the Bonds equals the sum of the products of the issue price of each maturity and years to maturity from delivery date (and by taking into

account mandatory redemptions) divided by the aggregate issue price of the Bonds; as so calculated, the weighted average maturity of the Bonds is ____ years. We have been advised by Bond Counsel that we may assume that the “issue price” of the Bonds is the aggregate of their initial offering prices and that the methodology described in this paragraph is appropriate. Prior to the refunding of the Bonds to be Refunded (as defined in the Purchase Contract), the respective remaining weighted average maturities of the Bonds to be Refunded are as set forth on Schedule C attached to this certificate.

5. **Underwriters’ Fees.** Based on our experience in similar transactions, the amount paid as underwriters’ fees or discount in connection with the sale and issuance of the Bonds is reasonable and customary under the circumstances.

6. **Market Based Premium.** The amount of the premium included in the pricing of the Bonds is reasonable to efficiently market the Bonds.

We understand that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and by Chiesa Shahinian & Giantomasi PC in connection with rendering its opinion to the Issuer that the interest on the Bonds is not includable in gross income of the owners thereof for federal income tax purposes. The undersigned is certifying only as to facts in existence on the date hereof. Nothing herein represents the undersigned's interpretation of any laws; in particular the regulations under the Internal Revenue Code of 1986, as amended, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein and, in certain cases, the Representative may be relying on representations made by other members of the Underwriting Group. Although certain information furnished in this Certificate has been derived from other purchasers, bond houses and brokers and cannot be independently verified by us, we have no reason to believe it to be untrue in any material respect.

\$ _____ *
**NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY
TRANSPORTATION PROGRAM BONDS, 2019 SERIES AA**

INTRODUCTION

The purpose of this Official Statement (which includes the cover page, the inside cover page and the Appendices hereto) is to set forth certain information concerning the New Jersey Transportation Trust Fund Authority (the “Authority”) and the Authority’s \$ _____* Transportation Program Bonds, 2019 Series AA (the “2019 Series AA Bonds”). The Authority is issuing the 2019 Series AA Bonds for the purposes of: (i) paying State Transportation System Costs (as defined herein), and (ii) paying the costs of issuance of the 2019 Series AA Bonds. See “PLAN OF FINANCE” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Authority was created by the State of New Jersey (the “State”) in 1984 pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the “Act”), to provide a stable, predictable funding mechanism for transportation system improvements undertaken by the New Jersey Department of Transportation (the “Department”). Transportation system improvements financed by the Authority include expenditures for the planning, acquisition, engineering, construction, repair, maintenance and rehabilitation of public facilities for ground, water or air transportation of people or goods. The Authority also finances State aid to counties and municipalities for transportation system improvements.

The Authority is governed by seven members, including the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) and the Treasurer of the State (the “State Treasurer”), both of whom serve as ex-officio members.

The Act, among other things, provides for (i) the funding of transportation projects and (ii) the issuance of bonds, notes or other obligations, including subordinated obligations, by the Authority. The Act, as most recently amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorizes the issuance of new money Transportation Program Bonds for the period commencing on the day that Assembly Concurrent Resolution No. 1 of 2015, an amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016), and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. The issuance of bonds, notes or other obligations, including subordinated obligations, of the Authority for refunding purposes is not subject to the foregoing limit; except that, any original issue premiums received in connection with the issuance of new money Transportation Program Bonds shall count against the limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the period described above. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein.

The Act, as amended by L. 2012, c. 13, effective on June 29, 2012 (the “2012 Legislation”), provides that the payment of debt service on Transportation Program Bonds and any agreement

* Preliminary, subject to change

securing such Transportation Program Bonds shall be paid solely from revenues dedicated pursuant to the New Jersey State Constitution (the "State Constitution"), including Article VIII, Section II, paragraph 4 (the "Constitutionally Dedicated Revenues"), and deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds (the "Subaccount for Debt Service for Transportation Program Bonds") established pursuant to the Act. See "SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES AA BONDS – Constitutional Dedication of Certain State Revenues" herein.

To implement the financing arrangement provided for by the 2012 Legislation, the Authority adopted its 2012 Transportation Program Bond Resolution (the "2012 Transportation Program Bond Resolution") on October 26, 2012, and the Authority, the State Treasurer and the Commissioner entered into the "Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds", dated as of December 4, 2012, (the "Original State Contract"). Simultaneously with the issuance and delivery of the 2019 Series AA Bonds, the Authority, the State Treasurer and the Commissioner will enter into the "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds", dated as of the date of sale of the 2019 Series AA Bonds (the "State Contract"), which will amend and restate the Original State Contract in its entirety.

The 2019 Series AA Bonds are being issued pursuant to the Act and the 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Fifth Supplemental Transportation Program Bond Resolution, adopted on December 11, 2018 (the "Fifth Supplemental Resolution") and a series certificate of the Authority to be dated as of the date of sale of the 2019 Series AA Bonds (the "Series Certificate"). The Authority's 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Fifth Supplemental Resolution and the Series Certificate, and as the same may be amended and supplemented from time to time, is collectively referred to herein as the "Resolution" or "Program Bond Resolution." Bonds issued under the Resolution are, pursuant to the Resolution, designated as "Transportation Program Bonds." U.S. Bank National Association, Morristown, New Jersey, has been appointed as trustee (the "Trustee") and paying agent (the "Paying Agent") by the Authority for obligations issued under the Resolution, including the 2019 Series AA Bonds.

The Resolution constitutes a contract between the Authority and the holders of the bonds issued and outstanding thereunder. All such bonds issued pursuant to the Resolution, including the 2019 Series AA Bonds, are referred to collectively as the "Bonds." All capitalized terms used but not defined in this Official Statement shall have the meanings given to them in the Resolution. See "APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION."

The 2019 Series AA Bonds offered hereby are the sixth Series of Bonds (or notes, as applicable), to be issued under the Resolution and will be secured on a parity with the Authority's Transportation Program Bonds, 2012 Series AA issued on December 11, 2012, Transportation Program Bonds, 2013 Series AA issued on August 24, 2013, Transportation Program Bonds, 2014 Series AA issued on November 25, 2014, Transportation Program Notes, Series 2014 BB issued on November 25, 2014, and Transportation Program Bonds, 2015 Series AA issued on December 2, 2015 (collectively, the "Prior Program Bonds") and with all Bonds to be issued from time to time under the Resolution. As of December 15, 2018, the aggregate principal amount of Prior Program Bonds Outstanding is \$3,227,290,000. After the issuance of the 2019 Series AA Bonds, the Authority will have Outstanding \$_____ in aggregate principal amount of Bonds issued under the Resolution.

The 2019 Series AA Bonds are secured by the Pledged Property (as defined in the Resolution) which consists primarily of revenues received by the Authority from the State pursuant to the Act and the State Contract (as defined herein). The payment of all such revenues to the Authority is subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature"). However, the State Legislature has no legal obligation to make any such appropriations. The 2019 Series AA Bonds will be secured on parity with all Bonds issued and to be issued from time to time under the Resolution. See "SECURITY FOR THE 2019 SERIES AA BONDS - Property Pledged to the 2019 Series AA Bonds; the State Contract; the Act; the Resolution" herein.

As of _____, 2018, the Authority had outstanding \$_____ in aggregate principal amount of its Transportation System Bonds (the "Prior Bonds") issued under its 1995 Transportation System Bond Resolution, as amended and supplemented (the "Prior Bond Resolution"). All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, and the Prior Bonds also benefit from certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds. It is anticipated that no further bonds will be issued under the Prior Bond Resolution other than Refunding Bonds (as such term is defined therein). Bonds issued by the Authority to finance future State Transportation System Costs are expected to be issued as (i) Transportation Program Bonds under the Program Bond Resolution, and (ii) Federal Highway Reimbursement Notes.

All references in this Official Statement to the Act and the Resolution are qualified in their entirety by reference to the complete text of the Act and the Resolution, copies of which are available from the Authority, and all references to the 2019 Series AA Bonds are qualified in their entirety by reference to the definitive forms thereof and the provisions with respect thereto contained in the Resolution. SEE "APPENDIX II – COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION" and "APPENDIX III – FORM OF STATE CONTRACT" herein.

DESCRIPTION OF THE 2019 SERIES AA BONDS

General

The Resolution, the State Contract and all provisions thereof are incorporated by reference in the text of the 2019 Series AA Bonds. Copies of the Resolution, including the full text of the form of the 2019 Series AA Bonds, and the State Contract are on file at the principal corporate trust office of the Trustee and are available there for inspection and copying. The following is a summary of certain provisions of the 2019 Series AA Bonds and is qualified by reference thereto.

The 2019 Series AA Bonds

The 2019 Series AA Bonds will be dated their date of delivery, and will mature on the dates and in the principal amounts shown on the inside cover of this Official Statement. The 2019 Series AA Bonds will be issued in denominations of \$5,000 or any integral multiple thereof (an "Authorized Denomination") and will bear interest at the rates shown on the inside cover of this Official Statement, payable initially on June 15, 2019, and semiannually thereafter on June 15 and December 15 in each year, until maturity or prior redemption. Interest will be payable by the Trustee to those registered owners of the applicable 2019 Series AA Bonds whose names appear on the bond register as of the fifteenth (15th) day next preceding each June 15 and December 15

(the “Record Date”). Interest on the 2019 Series AA Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The principal and redemption price of the 2019 Series AA Bonds will be payable upon presentation and surrender of the 2019 Series AA Bonds at the corporate trust office of the Trustee designated by the Trustee. Interest on the 2019 Series AA Bonds will be payable by check mailed to the registered owners thereof. However, interest on the 2019 Series AA Bonds will be paid to any owner of \$1,000,000 or more in aggregate principal amount of 2019 Series AA Bonds of each series by wire transfer to a wire transfer address within the continental United States upon the written request of such owner received by the Trustee not less than five (5) days prior to the Record Date.

The Depository Trust Company, New York, New York (“DTC”), will act as securities depository for the 2019 Series AA Bonds. So long as DTC or its nominee is the registered owner of the 2019 Series AA Bonds, payments of the principal of and interest on the 2019 Series AA Bonds will be made by the Paying Agent directly to DTC or its nominee, Cede & Co., which will in turn remit such payments to DTC Participants, which will in turn remit such payments to the Beneficial Owners of the 2019 Series AA Bonds. See “APPENDIX VI - BOOK-ENTRY ONLY SYSTEM.”

The 2019 Series AA Bonds will be issued in the form of a fully registered certificate for each series, maturity and, if applicable, interest rate within a maturity of the 2019 Series AA Bonds, with such certificates being in the aggregate principal amount of the 2019 Series AA Bonds, and when issued, will be registered in the name of Cede & Co., as nominee of DTC. See “APPENDIX VI - BOOK-ENTRY ONLY SYSTEM.”

Redemption Provisions

Optional Redemption. The 2019 Series AA Bonds maturing on or after June 15, _____ are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after December 15, ____, either in whole or in part, from maturities, and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2019 Series AA Bonds being redeemed, plus accrued interest thereon to the redemption date.

[Mandatory Sinking Fund Redemption]. The 2019 Series AA Bonds maturing on June 15, _____ are subject to mandatory sinking fund redemption prior to maturity, in part, on June 15 in each of the years and in the respective principal amounts set forth below, at a Redemption Price equal to 100% of the principal amount being redeemed, plus accrued interest, if any, to the date of redemption, from Mandatory Sinking Fund Installments:

Redemption Date

Principal Amount

_____*
Final Maturity.

The 2019 Series AA Bonds may be purchased by the Authority to satisfy the above Sinking Fund Installments from amounts on deposit in the Program Debt Service Fund or from other available funds of the Authority.

Selection of 2019 Series AA Bonds to be Redeemed. If less than all 2019 Series AA Bonds are called for redemption, the Authority will select the maturity or maturities of the 2019 Series AA Bonds to be redeemed. If less than all of the 2019 Series AA Bonds of like maturity shall be called for prior redemption, the particular 2019 Series AA Bonds or portions of 2019 Series AA Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2019 Series AA Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2019 Series AA Bonds for redemption, the Trustee is required to treat each such 2019 Series AA Bond as representing that number of 2019 Series AA Bonds which is obtained by dividing the principal amount of such 2019 Series AA Bond by \$5,000. While the 2019 Series AA Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2019 Series AA Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee shall receive notice from the Authority of its election or direction to redeem 2019 Series AA Bonds, and when redemption of 2019 Series AA Bonds is authorized or required, the Trustee shall give notice, in the name of the Authority, of the redemption of such 2019 Series AA Bonds, which notice shall specify the Series and maturities (and, if applicable, interest rate within a maturity) of the 2019 Series AA Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2019 Series AA Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2019 Series AA Bonds so to be redeemed, and, in the case of 2019 Series AA Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2019 Series AA Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of 2019 Series AA Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2019 Series AA Bonds or portions of 2019 Series AA Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure of the registered owner of any 2019 Series AA Bonds which are to be redeemed to receive any notice shall not affect the validity of the proceedings for the redemption of the 2019 Series AA Bonds.

If at the time of the mailing of notice of redemption, the Authority shall not have deposited with the Trustee or the Paying Agent, as applicable, moneys sufficient to redeem all the 2019 Series AA Bonds called for redemption, such notice shall state that it is conditional and subject to

the deposit of the redemption moneys with the Trustee or the Paying Agent, as applicable, on the Redemption Date, and such notice shall be of no effect unless such moneys are so deposited.

So long as DTC is acting as securities depository for the 2019 Series AA Bonds, all notices of redemption required to be given to the registered owners of the 2019 Series AA Bonds will be given to DTC.

Mandatory Tender for Purchase in Lieu of Optional Redemption

Whenever any 2019 Series AA Bonds are subject to redemption at the option of the Authority, the Authority may, upon written notice to the Trustee and the delivery of an opinion of Bond Counsel that such action will not adversely affect the tax-exempt status of any Outstanding 2019 Series AA Bonds, elect to call such 2019 Series AA Bonds for mandatory tender for purchase in lieu of optional redemption at a purchase price equal to the then applicable Redemption Price of such 2019 Series AA Bonds. The Authority shall give written notice to the Trustee of its election not less than two (2) Business Days prior to the date on which the Trustee is required to give notice of such mandatory tender for purchase to the Bondholders (or such shorter period as shall be acceptable to the Trustee). The provisions of the Resolution or any Supplemental Resolution or Series Certificate applicable to the redemption of 2019 Series AA Bonds at the option of the Authority shall also apply to a mandatory tender for purchase of such 2019 Series AA Bonds in lieu of optional redemption at the Authority's election.

Book-Entry Only System

The information in APPENDIX VI - BOOK-ENTRY ONLY SYSTEM concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Neither the DTC Participants nor the Beneficial Owners (as such terms are defined in APPENDIX VI – BOOK-ENTRY ONLY SYSTEM) should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

THE AUTHORITY, THE TRUSTEE, AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO THE DIRECT PARTICIPANTS OR THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE 2019 SERIES AA BONDS, (I) PAYMENTS OF PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2019 SERIES AA BONDS, (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN 2019 SERIES AA BONDS OR (III) NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE HOLDER OF THE 2019 SERIES AA BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN APPENDIX VI TO THIS OFFICIAL STATEMENT. NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DIRECT PARTICIPANTS, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE 2019 SERIES AA BONDS UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT, OR ANY OTHER PERSON WHICH IS NOT SHOWN ON THE BOND REGISTER OF THE AUTHORITY KEPT BY THE TRUSTEE AS BEING A 2019 SERIES AA BONDHOLDER.

NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2019 SERIES AA BONDS UNDER THE RESOLUTION; (III) THE SELECTION BY DTC OR ANY DTC PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2019 SERIES AA BONDS; (IV) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2019 SERIES AA BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2019 SERIES AA BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF ALL OF THE 2019 SERIES AA BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS, OR REGISTERED OWNERS OF THE 2019 SERIES AA BONDS (OTHER THAN UNDER THE CAPTION “TAX MATTERS” HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2019 SERIES AA BONDS.

In the event that the 2019 Series AA Bonds are no longer subject to the book-entry only system, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2019 Series AA Bonds from such book-entry only form to a fully registered form. Thereafter, bond certificates will be printed and delivered as described in the Resolution and Beneficial Owners will become the registered owners of the 2019 Series AA Bonds.

SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES AA BONDS

Property Pledged to the 2019 Series AA Bonds; the State Contract; the Act; the Resolution

The 2019 Series AA Bonds are payable and secured under the Resolution on parity with the Prior Program Bonds and all other Bonds to be issued from time to time thereunder. All Bonds issued under the Resolution are special obligations of the Authority payable solely from the property pledged to their payment as hereinafter described. Pursuant to the Resolution, all of such property is pledged and assigned as security for the payment of the principal of and interest on the Bonds as well as (i) the Authority’s reimbursement obligations or scheduled swap payments with respect to any Financing Facility (which include Swap Agreements and reimbursement agreements for credit facilities) which it may obtain in connection with the issuance of any Series of Bonds and (ii) any Subordinated Debt which may be issued under the Resolution. Currently, there is no Subordinated Debt outstanding under the Resolution. The Resolution provides that all Pledged Property shall immediately become subject to the lien of said pledge without any physical delivery thereof or further act, and that such lien shall be valid and binding against all persons having claims of any kind in tort, contract or otherwise against the Authority. See “APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION — Section 501 – The Pledge Effected by the Resolution” herein.

Pursuant to the Resolution, the “Pledged Property” consists of:

(i) with respect to the Bond Payment Obligations and, to the extent provided in any Supplemental Resolution or Series Certificate authorizing a Series which is to be secured, in

whole or in part, by, or payable, in whole or in part, from, a Financing Facility, the applicable Financing Facility Payment Obligations, the State Contract, the Revenues and Funds, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund, including Investment Securities held in any such Fund under the Resolution, together with all proceeds and revenues of the foregoing and all of the Authority's right, title and interest in and to the foregoing, and all other moneys, securities or funds pledged for the payment of the Bonds in accordance with the terms and provisions of the Resolution,

(ii) with respect to any Series of Bonds in connection with which the Authority has obtained a Financing Facility, and to the extent provided in the applicable Supplemental Resolution or Series Certificate, the applicable Financing Facility and Financing Facility Revenues and all moneys from time to time held in any applicable subaccount within the Program Debt Service Fund, and

(iii) with respect to any Subordinated Debt, the amounts, if any, on deposit from time to time in the Program Subordinated Debt Fund and available for such payment.

Under the Resolution, "Revenues" means: (i) all amounts appropriated and paid to the Authority from the State Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds in the State General Fund pursuant to the Act, (ii) all amounts appropriated and paid to the Authority by the State Treasurer pursuant to the State Contract, (iii) all Swap Revenues, and (iv) interest received or to be received on any moneys or securities held pursuant to the Resolution and paid or required to be paid into the Transportation Program Improvement Fund – Non Proceeds Account; provided, however, that the term "Revenues" does not include Financing Facility Revenues, which are all amounts received by the Authority or the Trustee pursuant to any Financing Facility, or "Revenues" as defined in any other resolution of the Authority. "Funds" constituting the Pledged Property are any Funds established pursuant to the Resolution, including any moneys or Investment Securities held therein, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund.

Pursuant to the Act, simultaneously with the issuance and delivery of the 2019 Series AA Bonds, the Authority, the State Treasurer and the Commissioner will enter into the State Contract in substantially the form attached as APPENDIX III to this Official Statement. The State Contract implements the financing and funding arrangements contemplated by the Act with respect to the Authority's Transportation Program Bonds. See "APPENDIX III — FORM OF THE STATE CONTRACT" herein.

All payments by the State to the Authority are subject to and dependent upon appropriations being made from time to time by the State Legislature for the purposes of the Act. See APPENDIX I attached hereto for a summary of certain financial and other information relating to the State. The State Legislature has always made appropriations in previous Fiscal Years in amounts sufficient to pay debt service on the Bonds, the Prior Bonds and all other obligations of the Authority issued under the Resolution or the Prior Bond Resolution. However, the State Contract does not legally obligate the State Legislature to appropriate moneys sufficient to pay amounts when due on the 2019 Series AA Bonds or otherwise due under the State Contract. Thus, although the Resolution provides for the remedy of specific performance to require the Authority to perform its covenants in the Resolution (including its covenants to enforce the terms of the State Contract), there are no remedies available to the Bondholders in the event that the State Legislature does not appropriate sufficient funds to make payments when due under the State Contract.

Event of Non-Appropriation

An "Event of Non-Appropriation" shall be deemed to have occurred under the Resolution if the State Legislature shall fail to appropriate funds to the Authority for any Fiscal Year in an amount sufficient to pay when due the Authority's Bond Payment Obligations and Financing Facility Payment Obligations coming due in such Fiscal Year.

The Resolution provides that, notwithstanding anything contained therein to the contrary, a failure by the Authority to pay when due any Bond Payment Obligations, Swap Payment Obligations or Financing Facility Payment Obligations required to be made under the Resolution or the Bonds, or a failure by the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Resolution or the Bonds, resulting from the occurrence of an Event of Non-Appropriation shall not constitute an Event of Default under the Resolution.

Upon the occurrence of an Event of Non-Appropriation (or the failure by the Authority to pay the principal or Redemption Price of and interest on any Series of Bonds or notes resulting from such Event of Non-Appropriation), the Trustee on behalf of the Holders of the applicable Series of Bonds or notes has no remedies. The Trustee may not accelerate Bonds or notes. The Authority has no obligation to pay any Bond Payment Obligations or Financing Facility Payment Obligations with respect to which an Event of Non-Appropriation has occurred. However, the Authority would remain obligated to pay such Bond Payment Obligations and Financing Facility Payment Obligations, with interest thereon at the rate in effect with respect to the applicable Series of Bonds or notes, and all future Bond Payment Obligations and Financing Facility Payment Obligations, to the extent State appropriations are subsequently made for such purposes.

If an Event of Non-Appropriation shall occur and be continuing, and provided that there shall not have occurred and then be continuing any Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of the Resolution, together with all Funds held by the Trustee under the Resolution (other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund), as follows and in the following order of priority:

- (i) to the payment of the reasonable and proper fees (including reasonable attorney's fees), charges, expenses and liabilities of the Fiduciaries;
- (ii) to the payment of the interest and principal or Redemption Price then due on the Bonds and Financing Facility Payment Obligations, as follows:

First: To the payment of interest then due on the Bonds and Parity Financing Facility Obligations in the order of the maturity of the installments thereof then due, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest or Parity Financing Facility Obligations maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without priority or preference of any Bond or Parity Financing Facility Obligation over any other;

Second: To the payment of the unpaid principal or Redemption Price of any Bonds and Parity Financing Facility Obligations which shall have become due, whether at maturity or by call

for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all Bonds or Parity Financing Facility Obligations due on any date, then to the payment thereof ratably, according to the amounts due in respect of each Bond or Parity Financing Facility Obligation, without any priority or preference over any other; and

Third: To the payment to any Financing Facility Provider of any Subordinated Financing Facility Payment Obligation then due and, if the amounts available are insufficient to pay in full all Subordinated Financing Facility Payment Obligations, then to the payment thereof ratably, without preference or priority of any Subordinated Financing Facility Payment Obligation over any other.

Notwithstanding the foregoing, to the extent provided in the applicable Supplemental Resolution or Series Certificate, Financing Facility Revenues shall be applied to the payment of principal or Redemption Price of, and interest on, the Bonds to which such Financing Facility relate, and amounts which would otherwise be paid to the holders of such Bonds shall be paid to the applicable Financing Facility Provider.

Statutory Dedication of Certain State Revenues

The Act, as amended by Section 5 of the 2016 Legislation, provides that during each Fiscal Year in which the Authority has Bonds outstanding, the State Treasurer shall, to the extent appropriated by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, a portion of the revenues derived from the following as determined by the State Treasurer:

(a) an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes (the “Motor Fuels Tax”), as provided in Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution, plus

(b) an amount equivalent to the revenue derived from the tax imposed on the sale of petroleum products pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(c) an amount equivalent to the revenue derived from the tax imposed under the “Sales and Use Tax Act,” L. 1966, c. 30 (C. 54:32B-1 et seq.) on the sale of new motor vehicles, provided that such amount shall not be less than \$200,000,000 for any Fiscal Year, as provided in Article VIII, Section II, paragraph 4 of the State Constitution.

The Act further provides that, subject to appropriations being made from time to time by the State Legislature for the purposes of the Act, the State Treasurer shall pay to the Authority, no later than the fifth (5th) business day of the month following the month in which a credit has been made, the amounts credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, and further provided that the revenues deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds shall consist solely of revenues which are dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4, and paragraphs (a), (b) and (c) above.

In accordance with the Act, simultaneously with the issuance of the 2019 Series AA Bonds, the Authority, the State Treasurer and the Commissioner will enter into the State Contract, which provides for the payments of these revenues to the Authority, subject to appropriations being made by the State Legislature for the purposes of the Act. The State Contract further provides

that in addition to all other amounts to be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, there shall be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds in each Fiscal Year any additional amounts from the Sales and Use Tax necessary to secure and provide for the payment of the Transportation Program Bonds, notes or other obligations issued under the Resolution. See “SECURITY FOR THE 2019 SERIES AA BONDS – Constitutional Dedication of Certain State Revenues” below and “APPENDIX III - FORM OF THE STATE CONTRACT” hereto.

Constitutional Dedication of Certain State Revenues

Assembly Concurrent Resolution No. 1 of 2015, which was passed by the State General Assembly and State Senate on January 11, 2016 and approved by the voters of the State in the November 2016 general election, amended Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution to provide as follows:

There shall be credited to a special account in the General Fund the following:

A. for each State Fiscal Year commencing on and after July 1, 2007 through the State Fiscal Year commencing on July 1, 2015, an amount equivalent to the revenue derived from \$0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes, and for each State fiscal year thereafter, an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes or any other subsequent law of similar effect;

B. for the State Fiscal Year 2001 an amount not less than \$100,000,000 derived from the State revenues collected from the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for each State Fiscal Year from State Fiscal Year 2002 through State Fiscal Year 2016 an amount not less than \$200,000,000 derived from those revenues, and for each State Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax on the gross receipts of the sale of petroleum products imposed pursuant to P.L.1990, c.42 (C.54:15B-1 et seq.) as amended and supplemented, or any other subsequent law of similar effect; and

C. for the State Fiscal Year 2002 an amount not less than \$80,000,000 from the State revenue collected from the State tax imposed under the “Sales and Use Tax Act,” pursuant to L. 1966, c. 30 (C. 54:32B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for the State Fiscal Year 2003 an amount not less than \$140,000,000 from those revenues, and for each State Fiscal Year thereafter an amount not less than \$200,000,000 from those revenues; provided, however, the dedication and use of such revenues as provided in this paragraph shall be subject and subordinate to (i) all appropriations of revenues from such taxes made by laws enacted on or before December 7, 2006 in accordance with Article VIII, Section II, paragraph 3 of the State Constitution in order to provide the ways and means to pay the principal and interest on bonds of the State presently outstanding or authorized to be issued under such laws or (ii) any other use of those revenues enacted into law on or before December 7, 2006.

These amounts shall be appropriated from time to time by the State Legislature, only for the purposes of paying or financing the cost of planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the transportation system in the State and it shall not be competent for the State Legislature to borrow, appropriate or use these amounts or any part thereof for any other purpose, under any pretense whatsoever. (Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution).

The above provision of the New Jersey State Constitution does not require that the constitutionally dedicated amounts be appropriated to the Authority and any such amounts not appropriated to the Authority can be used by the State to pay the costs of various transportation system related projects in the State, including the payment of debt service on any indebtedness issued to finance the costs of such projects. However, pursuant to the Act, any contract, such as the State Contract, providing for the payment of Transportation Program Bonds and securing such Transportation Program Bonds, shall provide that such payment shall be made solely from revenues dedicated pursuant to Article VIII, Section II, paragraph 4 of the State Constitution. Pursuant to the State Contract, the State Treasurer must, subject to appropriation by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and pay to the Authority, a portion of an amount equivalent to the revenues derived from the dedicated amount of the Motor Fuels Tax and a portion of the dedicated amounts of the other taxes described in clauses B and C above.

State Appropriations and Legislation

Although the State Legislature has always made appropriations to the Authority in each Fiscal Year in amounts sufficient to timely pay the debt service on all of the Authority's outstanding indebtedness coming due in such Fiscal Year under the Resolution and the Prior Bond Resolution, the State Legislature, in several Fiscal Years, has made appropriations to the Authority which were less than the minimum amounts specified for such Fiscal Year in the "Second Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act," dated as of June 1, 2006 (as amended and restated by the "Third Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act", dated as of December 4, 2012, as amended and restated by the "Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act," dated as of October 3, 2018) with respect to Transportation System Bonds, by and among the Authority, the State Treasurer and the Commissioner.

For Fiscal Year 2019 which began on July 1, 2018, the State Legislature appropriated \$246,444,000 to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and \$1,101,736,000 to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. The combined amount is expected to be sufficient to pay the debt service on all of the outstanding indebtedness under the Program Bond Resolution and under the Prior Bond Resolution coming due in such Fiscal Year.

There can be no assurance that, in the event the State experiences financial difficulty, or the adoption of the annual appropriations act is delayed or is subsequently amended, or for any other reason, the State Legislature will appropriate sufficient funds in the future to enable the Authority to timely pay the principal of or interest on the Outstanding Transportation Program Bonds of the Authority, including the 2019 Series AA Bonds. In addition, any appropriation is

subject to the availability of funds. See APPENDIX I – “STATE FINANCES – Budget and Appropriation Process.”

As noted in Footnote 1 to the table under the heading “DEBT SERVICE SCHEDULE – PRIOR BONDS,” the debt service payable on the New Jersey Economic Development Authority’s Transportation Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Light Rail Transit System Project) 2008 Series A, Transportation Project Sublease Revenue Bonds (New Jersey Transit Corporation Projects) 2017 Series A, and Transportation Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Projects) 2017 Series B, is also payable from funds appropriated to the Authority and the Transportation Trust Fund Account -- Subaccount for Capital Reserves.

Statutes concerning taxes, including the sales and use tax, motor fuels taxes and petroleum products gross receipts taxes, which are appropriated to pay principal of and interest on the Authority’s Bonds are subject to amendment or repeal by the State Legislature at any time. In addition, Section 14(h) of L. 2016, c. 57 (“Chapter 57”) provides that a portion of the petroleum products gross receipts tax imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.) (the “Petroleum Products Gross Receipts Tax”) may not be imposed following a certification by a review council (which review council has not yet been convened), consisting of the State Treasurer, the Legislative Budget and Finance Officer, and a third public member, that the scheduled implementation of Chapter 57 has been impeded, which certification shall be made within five days of any Legislative action that halts, delays or reverses the implementation of those sections contained in Chapter 57 on the date of enactment of Chapter 57.

Pursuant to N.J.S.A. 54:15B-3(a)(2)(a), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas and aviation fuel at a rate of 4.0 cents per gallon, which rate is fixed and is not subject to adjustment (the “Gasoline PPGR Tax”). Pursuant to N.J.S.A. 54:15B-3(a)(2)(b), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene, at a rate of 4.0 cents per gallon, before July 1, 2017 (the “Original Diesel Fuel PPGR Tax,” and together with the Gasoline PPGR Tax, the “Original PPGR Tax”) and at rate of 8.0 cents per gallon on and after July 1, 2017 (the “Diesel Fuel PPGR Tax”), which rate is fixed and is not subject to adjustment.

Chapter 57, which was adopted in October 2016 and amended N.J.S.A. 54:15B-1 et seq., imposed a new separate tax on “highway fuel” (the “Highway Fuels PPGR Tax”), which became a component of the Petroleum Products Gross Receipts Tax, of 22.6 cents per gallon on gasoline and 22.7 cents per gallon on diesel fuel. For purposes of Chapter 57, “highway fuel” is defined to mean gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas, diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene. Chapter 57 also provides that, for Fiscal Year 2018 and each Fiscal Year thereafter through and including Fiscal Year 2026, the rate at which the Highway Fuels PPGR Tax is imposed is required to be adjusted annually so that total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each such Fiscal Year will not exceed a capped amount, as adjusted, determined in accordance with the provisions of Chapter 57 (the “Cap Amount”). In order to implement such annual adjustment of the Highway Fuels PPGR Tax rate, on or before August 15 of each Fiscal Year following Fiscal Year 2017, the State Treasurer and the Legislative Budget and Finance Officer are required to determine the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in the prior

Fiscal Year (the “Prior Year Total Revenues”). On the basis of such Prior Year Total Revenues, and in consultation with the Legislative Budget and Finance Officer, the State Treasurer then determines the Highway Fuels PPGR Tax rate to be imposed in the current Fiscal Year which is expected to result in the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in such current Fiscal Year being equal to the Cap Amount. Pursuant to Chapter 57, the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, becomes effective on October 1 of the then current Fiscal Year, without the need for any further legislative action. Additionally, if the amount of the Prior Year Total Revenues for any prior Fiscal Year exceeds the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be decreased by the amount of such excess for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year. If the amount of the Prior Year Total Revenues for any prior Fiscal Year is less than the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be increased by the amount of such shortfall for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year.

In accordance with the provisions of Chapter 57 relating to the annual adjustment of the Highway Fuels PPGR Tax rate described above, on August 30, 2018, the State Treasurer announced that, as a result of a shortfall in revenues collected from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each of the two prior Fiscal Years, the Cap Amount for Fiscal Year 2019 will be \$2,073,100,000 and that, in order to generate sufficient revenue to reach such Cap Amount assuming stable motor fuels consumption, the Highway Fuels PPGR Tax rate for Fiscal Year 2019, which became effective on October 1, 2018, will be 26.9 cents per gallon, an increase of 4.3 cents per gallon over the current rate.

The following chart is a summary of the cents per gallon tax rate for the Motor Fuels Tax, the Gasoline PPGR Tax, the Diesel Fuel PPGR Tax and the Highway Fuels PPGR Tax as of October 1, 2018:

**Highway Fuel Tax Rates
(cents per gallon)

TOTAL:	\$0.414	\$0.485

State General Taxing Power Not Pledged

Pursuant to the Act and the Resolution, the 2019 Series AA Bonds shall be special obligations of the Authority and shall not be in any way a debt or liability of the State or any political

subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof. The Authority has no taxing power. All bonds, notes or other obligations of the Authority issued under the Resolution, unless funded or refunded by bonds, notes or other obligations of the Authority, shall be payable solely from the Pledged Property under the Resolution.

Flow of Funds

Pursuant to the Resolution, all Revenues are required to be promptly deposited by the Authority as received into the Non Proceeds Account of the Transportation Program Improvement Fund. The Authority is required to pay, transfer or credit to the Trustee, for deposit in the following Funds and Accounts, on the following dates and in the following order of priority the amounts set forth below, but only to the extent the amount in the Non Proceeds Account of the Transportation Program Improvement Fund shall be sufficient therefor:

(1) On or before each Payment Date with respect to each Series of Bonds, for deposit in the Program Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the amounts of Debt Service on all Series of Bonds coming due on such Payment Date.

(2) On or before the due dates thereof, for deposit in the Program Debt Service Fund, the amount of any Financing Facility Payment Obligations.

(3) On or before the due dates thereof, and subject and subordinate at all times to the payments, credits or transfers required as described in paragraphs 1 and 2 above, for deposit in the Program Subordinated Debt Fund, the amount of any principal, prepayment or Redemption Price, interest or other amounts payable in connection with any Subordinated Debt, including swap termination payments, if any.

Certain Covenants of the State and the Authority

Pursuant to the Act, the State has covenanted (i) that it will not limit or alter the rights or powers of the Authority in any way that would jeopardize the interests of the holders of the bonds, notes or other obligations of the Authority, (ii) that it will not inhibit or prevent performance or fulfillment by the Authority of the terms of any agreements made with the holders of the bonds, notes or other obligations of the Authority, and (iii) that it will not prevent the Authority from obtaining sufficient revenues which, together with other available funds, shall be sufficient to meet all expenses of the Authority and fulfill the terms of any agreement made with the holders of the bonds, notes or other obligations of the Authority, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of the bonds, notes or other obligations of the Authority, until the bonds, notes or other obligations of the Authority, together with interest thereon, are fully met and discharged or provided for. However, the Act further provides that the failure of the State to appropriate moneys for any purpose of the Act shall not be deemed or construed to be a violation of these covenants.

Under the Resolution, the Authority has covenanted with the Bondholders that it will collect and forthwith cause to be deposited with a Depository in the Non Proceeds Account of the Transportation Program Improvement Fund all amounts, if any, payable to it pursuant to the State Contract and that it will not consent or agree to or permit any amendment, change or modification

to the State Contract which would reduce the amounts payable to the Authority or extend the times when such payments are to be made thereunder. In addition, the Resolution provides that the Trustee, as the assignee of the Authority, shall enforce the provisions of the State Contract and agreements thereunder. The Authority has also covenanted to pay, but solely from the Pledged Property, the Debt Service coming due on the Bonds in each year in which Bonds issued by the Authority are outstanding.

Refunding Bonds

One or more series of Refunding Bonds may be issued at any time, in accordance with the requirements of the Act, to refund any or all Outstanding Bonds. Such Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the Funds and Accounts under the Resolution required by the provisions of the Supplemental Resolution authorizing such Refunding Bonds. The Act provides that no Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, with present value to be computed using a discount rate equal to the yield of those Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those Refunding Bonds. Any decision by the Authority to issue Refunding Bonds must be approved by the Joint Budget Oversight Committee (the "JBOC") of the State Legislature. See "STATUTORY DEBT ISSUANCE LIMITATIONS" herein and "APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION."

Prior Bonds

As of _____, 2018, the Authority had outstanding \$_____ in aggregate principal amount of its Prior Bonds issued under the Prior Bond Resolution. All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, as well as certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds.

Amendments to the Resolution

Pursuant to the Program Bond Resolution, any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent of (a) at least a majority in principal amount of the Bonds Outstanding at the time such consent is given who are affected by the proposed modification or amendment; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds and (b) any Financing Facility Provider the consent of which is required by the applicable Financing Facility. For the purpose of this provision, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. In the case of amendments or modifications to the Resolution which are to take effect simultaneously with the issuance or remarketing of Bonds of one or more Series and which amendments or modifications are disclosed in the official statement or other offering document for such Series, purchasers of such Bonds shall be deemed to have consented to such amendments or modifications by virtue of their

having purchased such Bonds and the written consents of such purchasers shall not be required. In addition, brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase if, and only if, the official statements or other offering documents for all existing Bonds at the time Outstanding under the Resolution expressly disclosed that brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase.

Notwithstanding the foregoing, no modification or amendment of the Resolution shall permit a change in the terms of redemption (including sinking fund installment) or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall permit a change in the terms of redemption or prepayment of any Subordinated Debt or the payment of interest thereon or any other amount payable in connection therewith without the consent of the holder of such Subordinated Debt.

STATUTORY DEBT ISSUANCE LIMITATIONS

Transportation Program Bonds – New Money Bonds

The Act, as amended by the 2016 Legislation, authorizes the issuance of new money Transportation Program Bonds during the period that commenced on the day that Assembly Concurrent Resolution No. 1 of 2015, a constitutional amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016) and ending June 30, 2024 in an amount not in excess of \$12,000,000,000; except that any original issue premium received in connection with the issuance of new money Transportation Program Bonds shall count against the limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the period described above.

Refunding Bonds

The issuance of bonds, notes or other obligations, including subordinated obligations of the Authority under the Resolution for refunding purposes is not subject to the limitations described in the preceding paragraphs. However, the Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

Prior Bonds

As of the date hereof, there is no remaining unused statutory debt cap under the Act, as amended by L. 2006, c. 3, for the Prior Bonds (except for a nominal amount representing the amount thereof in excess of the nearest integral multiple of \$5,000). Accordingly, under the Act, only refunding bonds may be issued under the Prior Bond Resolution. See "PRIOR BONDS" below.

A portion of the proceeds of the 2019 Series AA Bonds will be deposited into the Proceeds Account of the Transportation Program Improvement Fund established under the Resolution and applied to the payment of State Transportation System Costs. THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY

Legal Authority and Responsibilities

The Authority is a public body corporate and politic, with corporate succession, constituted as an instrumentality of the State organized and existing under and pursuant to the Act. For the purpose of complying with Article V, Section IV, Paragraph 1 of the State Constitution, the Authority is allocated within, but is independent of any supervision or control by, the Department. The purpose of the Authority is to provide the payment for and financing of all or a portion of the costs incurred by the Department for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including, without limitation, (i) the State's share (which may include State advances with respect to any Federal share) under Federal aid highway laws of the costs of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways, (ii) the State's share (which may include State advances with respect to any Federal share) of the costs of planning, acquisition, engineering, construction, reconstruction, repair, permitted maintenance and rehabilitation of public transportation projects and other transportation projects in the State, and (iii) State aid to counties and municipalities for transportation projects (collectively, the "State Transportation System Costs").

Under the Act, the Commissioner is also authorized to enter into agreements with public or private entities for the loan of federal funds appropriated to the Department for the purpose of financing all, or a portion of, the costs incurred for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of a transportation project by that public or private entity.

Pursuant to the Act, the Commissioner may from time to time (but not more frequently than monthly) certify to the Authority an amount necessary to fund payments made, or anticipated to be made, by or on behalf of the Department from legislative appropriations to the Department of Authority funds. Under the Act, the Authority is obligated to provide such amount from its revenues or other funds, including proceeds of Bonds. The Act directs the Authority, within fifteen (15) days of receipt of the Commissioner's certificate, to transfer funds to the State Treasurer for deposit in a special fund maintained by the State Treasurer (the "Special Transportation Fund") in an amount equal to the amount so certified by the Commissioner. Expenditures from the Special Transportation Fund may be made on behalf of the Department only pursuant to project-specific legislative appropriations. The Department currently provides such certificates on a monthly basis, when cash is necessary for disbursements for transportation system improvements, to attempt to minimize the amounts maintained in the Special Transportation Fund. The Special Transportation Fund is not pledged as security for obligations issued by the Authority under the Resolution.

Membership and Officers of the Authority

The Act provides that the Authority shall consist of seven members as follows: the Commissioner and the State Treasurer, who are members ex-officio, and five public members. Three of the public members are appointed by the Governor of the State (the "Governor"), with the advice and consent of the State Senate, one of whom must represent the interests of trade unions that work on the construction of public highways and another of whom must represent the interests of owners of firms that are eligible to submit bids for the construction of public highways. The two remaining public members also are appointed by the Governor, one upon the recommendation of the President of the State Senate and the other upon the recommendation of the Speaker of the State General Assembly. The public members serve a four-year term; provided, however, that the public member appointed by the Governor upon recommendation of the Speaker of the State General Assembly serves a two-year term. Each public member holds office for the term of the member's appointment and until a successor has been appointed and

qualified. A member shall be eligible for reappointment. No more than four members of the Authority may be of the same political party. All members of the Authority serve without compensation but may be reimbursed for their actual expenses necessarily incurred in the discharge of their official duties.

The Act provides that the Commissioner shall serve as Chairperson of the Authority and that the members of the Authority annually shall elect one of their members as Vice Chairperson. The members of the Authority also elect a secretary and a treasurer who need not be members of the Authority, and the same person may be elected to serve as both secretary and treasurer.

The present members of the Authority are:

Diane Gutierrez-Scaccetti: *ex-officio*, Chairperson; Commissioner of the New Jersey Department of Transportation.

Elizabeth Maher Muoio: *ex-officio*; Treasurer of the State of New Jersey.

Nelson Ferreira: President & Chief Executive Officer of Ferreira Construction Company, Inc., Statutory Representative of a Transportation Firm; Public Member.

John J. Duthie: Treasurer/Administrator at the Eastern Region of the Laborers Union of North America; Public Member.

There is currently one vacancy among the Public Members of the Authority.

Linda Davino: Secretary; New Jersey Department of Transportation.

Jackie Brown: Assistant Secretary; New Jersey Department of Transportation.

Powers of the Authority

Under the terms of the Act, the powers of the Authority are vested in the members thereof in office and four members of the Authority shall constitute a quorum at any meeting thereof. No vacancy in the membership of the Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Authority. Action may be taken and motions adopted by the Authority at any meeting thereof by the affirmative vote of at least four members of the Authority. No action taken by the Authority at any meeting shall have force or effect until fifteen (15) days after a true copy of the minutes of such meeting has been delivered by and under the certification of the secretary of the Authority to the Governor, unless during such fifteen (15) day period the Governor (i) vetoes such action, in which case such action shall not become effective, or (ii) approves in writing the same or any part thereof, in which case the action becomes effective upon such approval.

In addition to the power to enter into the contracts with the State described under the heading "SECURITY FOR THE 2019 Series AA Bonds — Property Pledged to the 2019 Series AA Bonds; the State Contract; the Act; the Resolution" herein, the Authority has (among others) the following powers:

(i) to borrow money and issue its bonds, notes and other obligations and to secure the same by its revenues and other funds and to otherwise provide for and secure the payment thereof, and to provide for the refunding thereof;

(ii) to issue subordinated indebtedness and to enter into revolving credit agreements, lines of credit, letters of credit, reimbursement agreements, interest rate exchange agreements, insurance contracts, surety bonds, bond purchase agreements and other security agreements;

(iii) subject to any agreements with holders of its bonds, notes or other obligations, to invest any moneys not required for immediate use, including proceeds from the sale of bonds, notes or other obligations, at the discretion of the Authority, in such obligations, securities and other investments as the Authority shall deem prudent;

(iv) in its own name, or in the name of the State or, in the name of New Jersey Transit Corporation ("NJ Transit"), to apply for and receive and accept appropriations or grants of property, money, services or reimbursements for money previously spent and other assistance made available to it by or from any person, government agency, public authority or any public or private entity whatever for any lawful corporate purpose of the Authority;

(v) subject to any agreement with holders of its bonds, notes or other obligations, to purchase bonds, notes or other obligations of the Authority out of any funds or moneys of the Authority available therefor, and to hold, cancel or resell the bonds, notes or other obligations; and

(vi) to acquire, lease as lessee or lessor, hold and dispose of real and personal property or any interest therein in the exercise of its powers and the performance of its duties under the Act.

No resolution or other action of the Authority providing for the issuance of the bonds, refunding bonds or other obligations shall be adopted by the Authority, or otherwise made

effective, without prior written approval of the Governor and the State Treasurer. Any decision by the Authority to issue refunding bonds must be approved by JBOC.

THE TRANSPORTATION SYSTEM IMPROVEMENTS

The transportation system (which includes but is not limited to highways, roads, bridges, public transit facilities, pedestrian and bicycle trails, railroad rights-of-way, airports and intermodal facilities) of the State is among the most heavily used in the United States. The Department is implementing transportation system improvements which are expected to enable the State to construct, modernize, reconstruct, rehabilitate and maintain a safe, balanced, sound and efficient transportation system necessary for the well-being of the State's citizens. The State's commitment to the payment for and the financing of the transportation system improvements in a stable fashion is intended to ensure a predictable and continuing public investment in the State's transportation system.

Pursuant to the Act, the transportation system improvements encompass the planning, acquisition, engineering, construction, reconstruction, repair, capital maintenance assistance, maintenance, operations, resurfacing and rehabilitation and improvement of, and acquisition of easements and rights-of-way with respect to, the transportation system, and any equipment, facility or property useful and related to the provision of any ground, waterborne or air transportation for the movement of people and goods. The transportation system improvements also include State aid to counties and municipalities for local transportation system improvements.

Improvements undertaken by the Department are to be funded primarily by a combination of Federal moneys, Authority funds and funds from the Port Authority of New York and New Jersey and from the New Jersey Turnpike Authority. Pursuant to legislative directive, the Authority is responsible for funding that portion of the State's share of these improvements which are not provided by other sources. Pursuant to the Act, the Authority is required to minimize debt incurrence by first relying on appropriations and other revenues available to the Authority before incurring debt to meet its statutory purposes.

THE NEW JERSEY DEPARTMENT OF TRANSPORTATION

The State Transportation System

New Jersey's transportation system consists of 2,331 center line miles of state highways maintained by the Department and approximately 36,740 center line miles maintained by independent state toll road authorities, county governments, and municipal governments. Approximately 6,700 bridges are located throughout the State, of which 2,389 are owned by the Department, 104 are maintained by NJ Transit, 1,273 are owned by independent state toll road authorities, 2,702 are owned by counties and municipalities and the remainder are owned by other private and public entities.

The State's transportation system also consists of commuter rail, light rail, and bus lines in the State, which are principally operated by NJ Transit. Covering a service area of 5,325 square miles, NJ Transit is one of the nation's largest providers of bus, rail and light rail transit, linking major points in New Jersey, New York and Philadelphia. NJ Transit operates a fleet of over 2,200 buses, 1,231 locomotives and rail cars, and 83 light rail vehicles. NJ Transit also provides more than 800 buses for routes operated by other carriers. On 252 bus routes, 12 heavy rail lines, and three light rail lines, riders took over 269 million unlinked trips in State Fiscal Year 2017.

NJ Transit also provides connections to other transit systems. At New York's Penn Station, connections are available from NJ Transit lines to Amtrak, the Long Island Railroad and the New York City subway lines. In Trenton, riders can transfer to Southeastern Pennsylvania Transportation Authority ("SEPTA") and Amtrak trains. Hoboken Terminal and Newark Penn Station are transfer points to the Port Authority Trans-Hudson ("PATH") trains to Jersey City and New York City. At Lindenwold in Camden County, the Atlantic City Rail Line operated by NJ Transit connects with New Jersey-Pennsylvania Port Authority Transportation Company ("PATCO") rapid transit services to Camden and Philadelphia and with Amtrak trains.

Organization

The State has an integrated approach to all transportation needs. The Department's responsibilities have steadily changed since its establishment in 1966, with emphasis shifting from primarily highway-related programs to a balanced concern for highways and the preservation and improvement of rail and bus transportation. The Department is responsible for the maintenance and improvement of all State highways and bridges, the provision of assistance to counties and municipalities and the overall planning and coordination of the State's transportation system. The Department also reviews the operations of NJ Transit. Although NJ Transit is self-regulating as to fares and levels of service which it operates or supports, with the exception of interstate bus service, the Department retains certain regulatory control over safety and maintenance. The Department's mission is to provide for the movement of people and goods with a commitment to safety, excellence, efficiency, the environment and its customers-the citizens of the State.

The Department is headed by a Commissioner appointed by and directly responsible to the Governor for fulfilling the purposes and supervising the activities of the Department. The Commissioner is responsible for all policies and directives of the Department and serves as Chairperson of the Authority and of NJ Transit. A Deputy Commissioner, a Chief of Staff, and several Assistant Commissioners assist the Commissioner in managing the Department.

The Deputy Commissioner is responsible for the day-to-day operations of the Department, enabling the Commissioner to better balance his or her time in his or her roles as Chief Executive Officer of the Department, Chairperson of the Authority and of NJ Transit, and an *ex-officio* member of each of the State transportation authorities.

The Chief of Staff is responsible for legislative relations, communications, and customer advocacy, as well as human resource management, employee safety, training and development, civil rights and affirmative action programs.

The Assistant Commissioner for Finance and Administration supervises the Department's financial affairs, including the Office of Chief Financial Officer, as well as information systems, procurement, and capital investments/program coordination. The Assistant Commissioner assesses current and future conditions, demands and opportunities to improve transportation facilities and services, and also develops a Statewide Transportation Capital Investment Strategy, the Annual Capital Program, the Statewide Transportation Improvement Program, and the Study and Development Program.

The Chief Financial Officer provides general oversight of the Department's financial affairs, ensures that financial transactions are in compliance with State and Federal regulations, and implements sound financial management principles. The Chief Financial Officer oversees the preparation of the Department's annual budget and the development of the budget

implementation and initiative action plans. In addition, the Chief Financial Officer acts as Executive Director of the Authority.

The Assistant Commissioner for Planning, Multimodal and Grant Administration is responsible for planning services across all modes of transportation, including the State's public use airports, rail freight infrastructure, and the maritime industry. The Assistant Commissioner also administers State and federal aid programs related to municipal and county governments, operates a research and technology effort that investigates and demonstrates new transportation technologies, and develops an asset management program to optimize investment in the State's existing transportation infrastructure.

The Assistant Commissioner for Capital Program Management ("CPM") is responsible for the development and delivery of the Department's annual Capital Program to ensure that program objectives, project commitments and schedules are met. CPM is comprised of six divisions: Construction Services and Materials, Project Management, Right of Way and Access Management, Capital Program Support, Highway and Traffic Design, and Bridge Engineering and Infrastructure Management. This includes oversight of all aspects of: project management, environmental services, property acquisition, design, quality assurance, and construction management for all active projects. CPM is also responsible for a number of other engineering functions that are ancillary to the delivery of the Capital Program including: pavement management, the "Good Neighbor" landscaping program, railroad grade crossing safety programs, the New Jersey Major Access Permit Program, the Wireless Communications License Program, and ensuring statewide compliance with National Bridge Inspection Standards.

The Assistant Commissioner for Transportation Operations Systems and Support is responsible for maintenance and operation of the State highway system, including snow and ice removal, emergency patrols, intelligent transportation systems and the equipment fleet and regional maintenance yards. The Assistant Commissioner coordinates the traffic operations centers and incident management services provided by the Department and the State's independent toll road authorities. The Assistant Commissioner is also responsible for the Department's physical plant facilities.

NJ Transit maintains its own financial management and accounting systems, in accordance with its statutory powers and in conformity with general State practices and Federal requirements. As a general practice, NJ Transit draws funds appropriated by the State on a periodic basis and administers its own investments and disbursements. NJ Transit's finances are audited annually by an independent auditor and are reported to the State Legislature.

LEGALITY FOR INVESTMENT

The Act provides that the State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the Act, and such bonds or notes shall be authorized security for any and all public deposits.

LITIGATION

There is no litigation of any nature now pending, or, to the knowledge of the Authority, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2019 Series AA Bonds, or the contemplated uses of the proceeds of the 2019 Series AA Bonds, or in any way contesting or affecting the validity of the 2019 Series AA Bonds, the State Contract, the Act or any proceedings of the Authority or the State taken with respect to the issuance, sale, execution or delivery thereof, or the pledge or application of any moneys or security provided for the payment of the 2019 Series AA Bonds or the existence or powers of the Authority or the State Contract or the title of any officers or members of the Authority to their respective positions.

CERTAIN LEGAL MATTERS

Legal matters related to the authorization, execution, issuance and delivery of the 2019 Series AA Bonds are subject to the approval of Chiesa Shahinian & Giantomasi PC, West Orange, New Jersey, Bond Counsel. The opinion of Bond Counsel will be delivered with the 2019 Series AA Bonds substantially in the form included in this Official Statement as APPENDIX V. Certain legal matters in connection with the 2019 Series AA Bonds will be passed upon for the Authority by the Attorney General of the State, and for the Underwriters by their counsel, M. Jeremy Ostow, Esq., South Orange, New Jersey.

TAX MATTERS

Federal Tax Matters

The Internal Revenue Code of 1986, as amended (the "Code") imposes certain requirements that must be met on a continuing basis subsequent to the issuance and delivery of the 2019 Series AA Bonds in order that interest on the 2019 Series AA Bonds be and remain excluded from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Code. In the Tax Regulatory Agreement (the "Tax Certificate") to be dated the date of issuance and delivery of the 2019 Series AA Bonds and executed by the Authority, the Authority represents that the Authority expects and intends to be able to comply with, and will, to the extent permitted by law, comply with, the provisions and procedures set forth in the Tax Certificate and will do and perform all acts and things necessary or desirable in order to assure that interest on the 2019 Series AA Bonds will be and remain excluded from gross income for federal income tax purposes. Failure of the Authority to comply with the requirements of the Code may cause interest on the 2019 Series AA Bonds to be included in gross income of the owners thereof retroactive to the date of issuance of the 2019 Series AA Bonds. In the opinion of Chiesa Shahinian & Giantomasi PC, bond counsel ("Bond Counsel"), to be delivered at the time of original issuance of the 2019 Series AA Bonds, assuming continuing compliance with the applicable provisions of the Tax Certificate, pursuant to the applicable provisions of the Code and related regulations, rulings and judicial decisions, interest on the 2019 Series AA Bonds is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code and is not an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax.

[Bond Counsel is also of the opinion that the difference between the principal amount of the 2019 Series AA Bonds described below (the "Discount Bonds") and their respective initial offering prices to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers), at which prices a substantial amount of such Discount Bonds of the same maturity was sold, constitutes original issue discount which is

excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Further, such original issue discount accrues actuarially on a constant interest rate basis over the term of each Discount Bond, and such original issue discount is added to the adjusted basis of each such Discount Bond for purposes of determining taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of each such Discount Bond. The 2019 Series AA Bonds which constitute Discount Bonds and to which this paragraph applies are as follows: _____.]

[Under Section 171(a)(2) of the Code, no deduction is allowed for the amortizable bond premium (determined in accordance with Section 171(b) of the Code) on tax-exempt bonds. Under Section 1016(a)(5) of the Code, however, an adjustment must be made to the owner's basis in such bond to the extent of any amortizable bond premium that is disallowable as a deduction under Section 171(a)(2) of the Code.]

State Taxation

In the opinion of Bond Counsel, interest on the 2019 Series AA Bonds and any gain realized on the sale thereof are not includable in gross income under the New Jersey Gross Income Tax Act, as amended.

Certain Federal Tax Consequences Relating to the 2019 Series AA Bonds

Although interest on the 2019 Series AA Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the 2019 Series AA Bonds may otherwise affect the federal income tax liability of the recipient. The nature and extent of these other tax consequences will depend upon the recipient's particular tax status and other items of income or deduction. Prospective purchasers of the 2019 Series AA Bonds should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the 2019 Series AA Bonds.

The Internal Revenue Service has an ongoing program of auditing state and local government obligations, which may include selecting bond issues at random for audit, to determine whether interest paid to the holders thereof is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the 2019 Series AA Bonds will be audited. If an audit is commenced, under current Internal Revenue Service procedures the holders of the 2019 Series AA Bonds may not be permitted to participate in the audit process, and the value and liquidity of the 2019 Series AA Bonds may be adversely affected.

Future Events

Tax legislation, administrative action taken by tax authorities, and court decisions, at the federal level, may adversely affect the exclusion from gross income of interest on the 2019 Series AA Bonds for federal income tax purposes, and tax legislation, administrative action taken by tax authorities and court decisions at the State level may adversely affect the exclusion of interest on and any gain realized on the sale of the 2019 Series AA Bonds under the existing New Jersey Gross Income Tax Act, and any such legislation, administrative action or court decisions could adversely affect the market price or marketability of the 2019 Series AA Bonds. Bond Counsel is rendering its opinion under existing law as of the issue date and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise.

EACH PURCHASER OF THE 2019 SERIES AA BONDS SHOULD CONSULT HIS OR HER OWN ADVISOR REGARDING ANY CHANGES IN THE STATUS OF PENDING OR PROPOSED FEDERAL OR NEW JERSEY STATE TAX LEGISLATION, ADMINISTRATIVE ACTION TAKEN BY TAX AUTHORITIES, OR COURT DECISIONS.

ALL POTENTIAL PURCHASERS OF THE 2019 SERIES AA BONDS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE TAX CONSEQUENCES OF PURCHASING THE 2019 SERIES AA BONDS.

See APPENDIX V to this Official Statement for the complete text of the proposed form of Bond Counsel's legal opinion with respect to the 2019 Series AA Bonds.

CONTINUING DISCLOSURE

Upon the issuance and delivery of the 2019 Series AA Bonds, the Authority and the State Treasurer will enter into an agreement (the "Continuing Disclosure Agreement") with the Trustee, as dissemination agent, for the benefit of the holders of the 2019 Series AA Bonds, to comply with the secondary market disclosure requirements of the United States Securities and Exchange Commission's Rule 15c2-12. Pursuant to the Continuing Disclosure Agreement, the State Treasurer will covenant to provide certain financial information and operating data relating to the State, to the Municipal Securities Rulemaking Board ("MSRB"). Further, the Authority will covenant to provide notices of the occurrence of certain enumerated events. The Trustee shall file such information on behalf of the State Treasurer and such notices on behalf of the Authority with the MSRB. The Trustee may meet the continuing disclosure filing requirements described above by providing such information to the MSRB or by complying with any other procedure that may be authorized by the United States Securities and Exchange Commission. The form of the Continuing Disclosure Agreement is set forth in APPENDIX IV hereto.

In addition, the continuing disclosure agreements relating to the Authority's Outstanding Transportation System Bonds, 1999 Series A and 2004 Series A provide that the Authority will provide an Authority's annual report, consisting of the Authority's audited financial statements for each Authority Fiscal Year ending June 30 (the "Authority's Annual Report"). The Authority's Annual Report is required to be filed by the March 15 next following the end of each Fiscal Year. The continuing disclosure agreements for all issues subsequent to the Authority's Transportation System Bonds, 2005 Series A do not require, and the Continuing Disclosure Agreement for the 2019 Series AA Bonds will not require, that the Authority provide the Authority's Annual Report.

The State Treasurer and the Authority have become aware of certain facts that they do not consider to be material but that are disclosed below for the benefit of the holders and Beneficial Owners of its Bonds.

Some information that was made available in a timely manner on EMMA may not have been linked to all relevant CUSIP numbers. In addition, filings with respect to certain bond insurer ratings changes were either posted late or the filings were not posted at all. The State Treasurer and the Authority are not always made aware of or may not have received notices from the rating agencies or the bond insurers of changes in the bond insurers' ratings. Such bond insurer ratings changes may or may not have had an effect on the ratings of the Bonds.

Any such downgrade revision or withdrawal of such ratings may have an adverse effect on the market price of the 2019 Series AA Bonds.

APPENDIX VI
BOOK-ENTRY ONLY SYSTEM

The information in this Appendix VI concerning The Depository Trust Company (“DTC”) and DTC’s book-entry only system has been provided by DTC. Accordingly, the Authority takes no responsibility for the accuracy or completeness of such information and neither the DTC Participants nor the Beneficial Owners should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

DTC will act as Securities Depository for the 2019 Series AA Bonds. The 2019 Series AA Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered certificate will be issued for each maturity and, if applicable, interest rate within a maturity of the 2019 Series AA Bonds in the aggregate principal amount of each such maturity and, if applicable, interest rate within the 2019 Series AA Bonds, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC is rated AA+ by Standard & Poor’s. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of 2019 Series AA Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2019 Series AA Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2019 Series AA Bond (“Beneficial Owner”) is in turn to be recorded on the Direct Participants’ and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2019 Series AA Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2019

Series AA Bonds, except in the event that use of the book-entry system for the 2019 Series AA Bonds is discontinued.

To facilitate subsequent transfers, all 2019 Series AA Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2019 Series AA Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2019 Series AA Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2019 Series AA Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the 2019 Series AA Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2019 Series AA Bonds, such as redemptions, tenders, defaults and proposed amendments to the 2019 Series AA Bonds documents. For example, Beneficial Owners of the 2019 Series AA Bonds may wish to ascertain that the nominee holding the 2019 Series AA Bonds for their benefit has agreed to obtain and transmit notices to the Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2019 Series AA Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2019 Series AA Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2019 Series AA Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the 2019 Series AA Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2019 Series AA Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2019 Series AA Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2019 Series AA Bond certificates will be printed and delivered to DTC.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE HOLDERS OF THE 2019 SERIES AA BONDS UNDER THE RESOLUTION; (III) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE 2019 SERIES AA BONDS; (IV) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT/INTEREST OF A PARTIAL REDEMPTION OF THE 2019 SERIES AA BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE HOLDER OF THE 2019 SERIES AA BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF ALL OF THE 2019 SERIES AA BONDS, REFERENCES IN THIS APPENDIX VI TO THE OWNERS, HOLDERS, OR REGISTERED OWNERS OF THE 2019 SERIES AA BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2019 SERIES AA BONDS.

THE NEW JERSEY TRANSPORTATION
TRUST FUND AUTHORITY ACT WITH RESPECT TO
TRANSPORTATION PROGRAM BONDS**

THIS AMENDED AND RESTATED CONTRACT IMPLEMENTING FUNDING PROVISIONS OF THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY ACT WITH RESPECT TO TRANSPORTATION PROGRAM BONDS (the “Agreement”) is made as of _____, 201_, by and among the Treasurer of the State of New Jersey (the “Treasurer”), the Commissioner of the New Jersey Department of Transportation (the “Commissioner”), and the New Jersey Transportation Trust Fund Authority (the “Authority”), a public body corporate and politic of the State of New Jersey (the “State”).

WHEREAS, the Act provides that there exists an urgent need for a stable and assured method of financing the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of New Jersey’s transportation system and that, unless additional State funding is provided immediately for New Jersey’s transportation system, the cost of repair and reconstruction will increase geometrically and the economic well-being and safety of users of the State’s transportation system will be endangered; and

WHEREAS, in 1984 the Act established an arrangement whereby the State’s share of the costs related to the reconstruction and repair of New Jersey’s transportation system could be financed; and

WHEREAS, prior to the amendments to the Act made pursuant to the 2012 Legislation, the funding of New Jersey’s transportation system had been undertaken through the issuance of the Authority’s Transportation System Bonds, under the Authority’s 1995 Transportation System Bond Resolution, as amended and supplemented; and

WHEREAS, the 2012 Legislation provided, among other things, for (i) the authorization of the “Transportation Program Bonds,” in such amounts for such years as set forth in the 2012 Legislation; (ii) the provision of the payment of debt service on the Transportation Program Bonds solely from certain revenues constitutionally dedicated pursuant to Article VIII, Section II, paragraph 4 of the Constitution of the State of New Jersey (the “State Constitution”) and deposited into the “Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds,” and (iii) changes to the Joint Budget Oversight Committee’s review of certain bonding by the Authority; and

WHEREAS, such constitutionally dedicated revenues consisted of (i) a portion of the amount equivalent to the revenue derived from \$0.105 per gallon of the tax imposed on the sale of motor fuels pursuant to chapter 39 of title 54 of the Revised Statutes (the “Motor Fuels Tax”), and (ii) a portion of certain amounts derived from State revenues collected from (a) the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C.54:15B-1 et seq.) as amended and supplemented (the “Petroleum Products Tax”) and (b) the State tax imposed under the “Sales and Use Tax Act,” pursuant to L. 1966, c. 30 (C.54:32B-1 et seq.) as amended and supplemented (the “Sales and Use Tax”), all subject and subordinate to certain appropriations and uses of the revenues as set forth in the State Constitution; and

WHEREAS, pursuant to the 2012 Legislation, the debt service on the Authority’s Transportation Program Bonds was payable from the following statutorily dedicated sources as set forth in N.J.S.A. 27:1B-20, as amended by the 2012 Legislation, which sources are also constitutionally dedicated: a portion of an amount equivalent to the revenue derived from (i) \$0.105 per gallon from the Motor Fuels Tax; (ii) the Petroleum Products Tax; and (iii) the tax imposed under the Sales and Use Tax Act on the sale of new motor vehicles (the “Sales and Use Tax on the Sale of New Motor Vehicles”); and

WHEREAS, in order to implement the financing arrangement provided for in the 2012 Legislation with respect to the Transportation Program Bonds, the Treasurer, the Commissioner and the Authority have been authorized by Section 23 of the Act, as amended by the 2012 Legislation, to enter into one or more contracts; and

WHEREAS, pursuant to the Act, as amended by the 2012 Legislation, the Authority has issued Transportation Program Bonds under the Authority’s 2012 Transportation Program Bond Resolution adopted by the Authority on October 26, 2012, as amended and supplemented (the “Transportation Program Bond Resolution”), to provide funding for New Jersey’s transportation system; and

WHEREAS, the Act was further amended on October 14, 2016 by the 2016 Legislation to, among other things, authorize the issuance of not-to-exceed \$12 billion in new money Transportation Program Bonds between Fiscal Year 2017 and Fiscal Year 2024, except that, in computing the foregoing limitation as to the amount of new money Transportation Program Bonds the Authority may issue, any original issue premium received in connection with the issuance of such Transportation Program Bonds shall count against the foregoing limitation; and

WHEREAS, as amended by the 2016 Legislation, the Act provides that (i) the Treasurer shall credit to the Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds a portion of an amount equivalent to all revenue derived from the collection of the Motor Fuels Tax, and (ii) the Treasurer shall, in addition to the foregoing, credit to the Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds (A) a portion of an amount equivalent to all revenue derived from the Petroleum Products Tax beginning in Fiscal Year 2017 and during each Fiscal Year thereafter, and (B) a portion of an amount equivalent to the revenue derived from the Sales and Use Tax on the Sale of New Motor Vehicles during each Fiscal Year, provided that the total amount credited to the Transportation Trust Fund Account from the revenue derived from the Sales and Use Tax on the Sale of New Motor Vehicles shall not be less than \$200,000,000 in each Fiscal Year; and

WHEREAS, the question of whether to so amend the State Constitution was submitted to the people of New Jersey at the general election held on November 8, 2016; and

WHEREAS, the official results of that election indicate that the majority of all votes cast for and against that question at such election were cast in favor of said amendment to the State Constitution; and

WHEREAS, said amendment to the State Constitution became effective on December 8, 2016; and

WHEREAS, pursuant to the authority so granted in Section 23 of the Act, as amended by the 2016 Legislation, the Treasurer, the Commissioner and the Authority will enter into this Agreement in order to incorporate certain changes to the Act, as provided for in the 2016 Legislation, relating to the Transportation Program Bonds, and to implement the financing arrangements provided for in the Act, as amended by the 2016 Legislation, with respect to the Transportation Program Bonds and to secure financial obligations of the Authority to be incurred thereafter with respect to the Transportation Program Bonds; and

SECTION 3. Provision of the Treasurer's Annual Report.

(a) The Treasurer shall, no later than March 15, 2019 and March 15 of each year during which any of the 2019 Series Bonds remain Outstanding, provide to the Dissemination Agent the Treasurer's Annual Report prepared for the fiscal year of the State ending the immediately preceding June 30 (or if the fiscal year of the State shall end on any date other than June 30, the Treasurer shall provide the Treasurer's Annual Report to the Dissemination Agent not later than the fifteenth day of the ninth month next following the end of such other fiscal year); provided, however, that the audited financial statements of the State may be submitted separately from the Treasurer's Annual Report and later than the date required herein for the filing of the Treasurer's Annual Report if such audited financial statements are not available by such date, but only if the unaudited financial statements are included in such respective Treasurer's Annual Report. In the event that the Treasurer elects to submit the Treasurer's Annual Report directly to the MSRB, the Treasurer shall, at the same time, submit the Treasurer's Annual Report to the Dissemination Agent together with evidence that such Treasurer's Annual Report has been forwarded by the Treasurer to the MSRB, upon which evidence the

In addition, notice of Listed Events described in subsections (a)(8) and (9) of this Section 5 shall be given by the Dissemination Agent under this subsection simultaneously with the giving of the notice of the underlying event to the Holders of the affected 2019 Series Bonds pursuant to the Resolution.

(d) Notwithstanding anything to the contrary in this Disclosure Agreement, in order to expedite the transmission of the occurrence of Listed Events as set forth in this Section 5, the Treasurer shall have the option, but shall not be obligated to, file timely notice (which notice, if filed, shall not be filed in excess of ten (10) Business Days after the occurrence of any Listed Event), directly with the MSRB, copying the Dissemination Agent on any such notice.

SECTION 6. Termination of Reporting Obligation. The respective obligations of the Treasurer and the Authority under this Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the 2019 Series Bonds.

SECTION 7. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Authority and the Treasurer may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an Opinion of Counsel addressed to the Treasurer, the Authority and the Dissemination Agent to the effect that such amendment or waiver will not, in and of itself, cause the undertakings herein to violate the Rule. No amendment to this Disclosure Agreement shall change or modify the rights or obligations of the Dissemination Agent without its written assent thereto.

SECTION 8. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Treasurer or the Authority from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Treasurer's Annual Report or notice of occurrence of a Listed Event, as the case may be, in addition to that which is required by this Disclosure Agreement. If the Treasurer or the Authority chooses to include any information in any Treasurer's Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, it shall not have any obligation under this Disclosure Agreement to update or continue to provide such information or include it in any future Treasurer's Annual Report or notice of occurrence of a Listed Event.

SECTION 9. Default.

(a) In the event of a failure of the Treasurer or the Authority to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the written request of the Holders of at least 25% in aggregate principal amount of Outstanding 2019 Series Bonds affected by such failure shall), or any Holder may take such actions as may be necessary and appropriate to cause the Treasurer or the Authority to comply with its obligations under this Disclosure Agreement; provided, however, that no person or entity shall be entitled to recover monetary damages hereunder under any circumstances. Notwithstanding the foregoing, the right of any Holder to challenge the adequacy of information provided pursuant to this Disclosure Agreement shall be limited in the same manner as enforcement rights are limited under the General Bond Resolution. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Resolution, and the sole remedy under this Disclosure Agreement in the event of any failure of the Treasurer or the Authority to comply with this Disclosure Agreement shall be an action to compel performance.

(b) For purposes of this Disclosure Agreement, in making determinations under applicable securities law, the Treasurer or the Authority may, but shall not be required to, rely on an Opinion of Counsel with respect to matters of a legal nature.

SECTION 10. Beneficiaries.
