Tuesday, January 12, 2016	Investing And Supporting Innovation In New Jersey's Education [pdf 71kB]	Other	<i>"What we've seen, over and over again, is young people with incredible potential being able to get the boost they need to go and achieve their full potential. Over and over again we've had examples of inspirational teachers, who thanks to the resources provided through well-run charter schools, have been able to make a huge difference for their communities and for a new generation."</i>
Tuesday, January 12, 2016	Making Access To Mental Health Treatment A Priority [pdf 70kB]	Other	<i>"Investment we're making will change lives and get more people into treatment earlier, instead of the emergency room or prison later. It's the fiscally responsible thing to do - and it's the morally right thing to do."</i>
Tuesday, January 12, 2016	Doubling Down On New Jersey's Fight Against Drug Addiction [pdf 80kB]	Other	<i>"If we give people the tools and support they need to overcome this disease - and if we choose to free people from the stigma of addiction, and recognize this as the public health challenge it truly is - we can help people to reclaim their lives. We can find the true measure of our compassion."</i>
