GOVERNOR CHEERS ON TOMS RIVER EAST LITTLE LEAGUERS AS THEY HEAD TO WILLIAMSPORT

Gov. Christie Whitman today extended her congratulations to the Toms River East Little League Team, which defeated Middleboro (Massachusetts) for the East Region Championship last night to advance to the Little League World Series in Williamsport.

"As you prepare for the next hurdle in your team's pursuit of a second consecutive world title, I know last night's 3- 0 victory will serve as a great source of confidence and inspiration for you all. With the guidance of Coach Mike Gaynor - - the first coach to bring three teams to Williamsport -- you are indeed in a terrific position to bring home the championship," the Governor said in a letter to the team.

Attached is a copy of the Governor's letter.
