# Governor Sherrill Statement in Response to Fatal Shooting by Federal Agents in Minneapolis

Posted on 01/25/2026

"Yesterday, federal agents shot and killed Alex Pretti on the street in Minnesota, an ICU nurse who cared for our veterans. His death is a tragedy – and the result of a reckless operation where federal leaders have clearly lost control. But this also isn't the first tragedy. ICE agents shot and killed Renee Good in her Honda Pilot, a mom of three who had just dropped a kid off at school. >>

"These untrained, masked agents aren't making communities safer – they're occupying cities, inciting violence, and violating the Constitution. And there must be accountability for their lawless actions."
