### MEDIA ADVISORY

#### **Governor Kicks Off NJ EASE System in Camden County**

Governor Christie Whitman will kick off the NJ EASE program for senior citizens in Camden County tomorrow at the Betty and Milton Katz Jewish Community Center, 1301 Springdale Road, Cherry Hill. NJ EASE provides one-stop shopping for information and access to state and local senior citizen programs in New Jersey.

The Governor will be joined by State Health and Senior Services Commissioner Len Fishman, Camden County Freeholder Frank Spencer, other local officials, seniors and service providers.

Camden County is the seventh New Jersey county to implement NJ EASE, joining Atlantic, Monmouth, Morris, Ocean, Somerset and Union. The program is designed to streamline access to senior citizen programs, provide a single point of entry for senior services and simplify the process of obtaining information about senior programs and benefits.
