OFFICE OF
LEGISLATIVE
SERVICES

Gentlemen:

Pursuant to the "New Jersey First Act", we are sharing with you the list of positions at Montclair State University which will be exempt from this law. We have carefully evaluated all positions here at the University and these meet the criterion of

"persons holding these faculty, research staff, and administrative positions at the University require special expertise or extraordinary qualifications in an academic, scientific, technical, or professional field or in administration so that, if not exempt from the residency requirement, would seriously impede the ability of the University to compete successfully with similar colleges, universities or institutions in other states."

We appreciate the opportunity to make this determination

Sincerely,
