

2022-2023 Climate Challenge Registration

Teachers and club advisors interested in having their students participate in the Climate Challenge should register using this form. New Jersey public school students in grades 6 to 12 are eligible to participate.

Student teams, project topics, or digital story submissions are NOT required at this time.

The Climate Challenge Teacher Guide and information regarding the Climate Challenge teacher professional development sessions will be emailed to all registrants. Student entries are due April 21, 2023. The Teacher Guide includes detailed information about the submission requirements and resources to support you and your students as they complete their projects and create a digital story.

Questions regarding the contest can be emailed to njstudentclimatechallenge@sustainablejersey.com.
