Re: Positions Exempt from the NJ First Act

Dear Director Porroni:

Please accept this formal submission of position titles that Ramapo College of NJ requests as exempt from the "New Jersey First Act", R.S. 52:14-7. As you know, the Statute provides for a number of exemptions, particularly for *"...persons employed by a state college, university, or other higher education institution...other than those employed on a temporary basis..."* Specifically the Statute carves out an exception which in relevant part reasons that *"persons holding ...faculty, research staff, and administrative positions at the University require special expertise or extraordinary qualifications in an academic, scientific, technical, or professional field or in administration so that, if not exempt from the residency requirement, would seriously impede the ability of the University to compete successfully with similar colleges, universities or institutions in other states"*.

The position titles are listed below. The College also reserves the right to revise this list at any time by filing an amendment to the report to the Governor and Legislature pursuant to the Statute. Should there be any questions about this list, please contact the Department of Human Resources.
