- Narrative Questions
 - Project Description
 - Please provide a general profile of your community and the role your boardwalk plays in the economy of your municipality.
 - Does your community have a boardwalk plan? Please describe your plan or provide a copy as an attachment.
 - Funding Objective Descriptions
 - Describe how your plan seeks to improve the storm resiliency of your town's boardwalk.
 - Describe how your plan seeks to improve ADA access to your town's boardwalk and facilities.
 - How will your project adhere to current health and safety regulations?
 - Phases and Timelines
 - As stated in the guidelines, BPF projects must adhere to all deadlines and timelines set forth in the American Rescue Plan Act of 2021, CFDA 21.027. All ARP funds must be obligated by December 31, 2024 and expended by December 31, 2026. Due to these timelines, it will be important for your municipality to demonstrate the ability to meet these deadlines and complete all work on time. If your plan includes different phases, please describe each phase, and provide timelines for completing each of those phases.
 - Timelines may be presented as a chronological timeline, roadmap, or Gantt chart.

- Project Match
 - A minimum match of 5% is required, please provide a breakdown of other funding sources that will be leveraged for a local match on this project (municipalities inside the top 50 MRI are not required to produce a local match).
 - Budget
 - Please complete the attached budget form.
- When naming digital attachments, please make sure the document type and name of town/municipality are included in the file name.
