REORGANIZATION PLAN

OFFICE OF THE GOVERNOR

Governor Thomas H. Kean

Notice of Reorganization Plan for the Co-ordination of Procurement, Construction, Property Management and Other Functions in a General Services Administration Within the Department of the Treasury

Take notice that on January 23, 1983, Governor Thomas H. Kean issued the following Reorganization Plan which provides for the coordination of the functions of the Division of Purchase and Property and Building and Construction in a General Services Administration within the Department of the Treasury and further provides for the abolition of the Division of Data Processing and Telecommunications and the allocation of its functions.

REORGANIZATION PLAN
OF THE GENERAL SERVICES
ADMINISTRATION
WITHIN THE DEPARTMENT OF THE
TREASURY

In addition to its statutory responsibility in widely diverse areas including budget preparation, fiscal control, revenue collection, investment of State funds, and, pension administration, the Department of the Treasury is also responsible for procurement, construction and property management for other State agencies. In order to provide more effective coordination of the Department's service operations for other agencies, this Reorganization Plan provides for the consolidation of those operations in a General Services Administration

and authorizes the Treasurer to delegate any of his functions, powers or responsibilities in this areas to an Administrator of General Services. The provisions of the Plan are as follows:

1. The Divisions of Purchase and Property and Building and Construction are hereby consolidated in a General Services Administration within the Department of the Treasury.

2. The General Services Administration shall be under the supervision of an Administrator of General Services who shall be appointed by and serve at the pleasure of the State Treasurer, who shall fix the compensation of the Administrator, consistent with law, within the limits of available appropriations.

3. The Divisions of Purchase and Property and Building and Construction and the Directors thereof shall continue to exercise all functions, powers and responsibilities specified in existing law, subject to the supervision and control of the Administrator of General Services.

4. The Division of Data Processing and Telecommunications, created by P.L. 1970, c.94 (C.52:18A-137 et seq.) is hereby abolished. The functions, powers and duties specified in Sections 3(f), 4(a), 5(g), 6, 7, and 8(a) of P.L. 1970, c.94, insofar as they relate to procurement of equipment and services or the direct operation of telecommunications systems, are hereby transferred to the Administrator of General Services who shall supervise their performance either through the Division of Purchase and Property or through such bureaus as he may establish within the General Services Administration which shall be under his immediate supervision. The remaining functions, powers and duties of the Division not relating to procurement or telecommunications operations are hereby transferred to the State Treasurer.

5. The Administration of General Services shall also directly supervise the operations of the Financial Data Center.

6. The Administrator of General Services shall be authorized to exercise any function, power or responsibility of the State Treasurer relating to the procurement of goods or services, the award of State contracts or the acquisition or disposition of real or personal property as the Treasurer may dele-

NEW JERSEY REGISTER

The official publication containing notices of proposed rules and rules adopted by State agencies pursuant to the New Jersey Constitution, Art. V, Sec. IV, Para. 6 and the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq. Issued monthly since September 1969, and twice-monthly since November 1981.

Material published in the New Jersey Register is the property of the State of New Jersey. However, it may be copied, reproduced or republished by any person for any purpose whatsoever without permission, providing that no such reproduction or republication shall bear the title "New Jersey Register" or "Official Rules Publication" without the written permission of the Director, Office of Administrative Law.

The New Jersey Register (USPS 442-950) is published the first and third Monday of each month by Administrative Publications of the Office of Administrative Law, CN 301, Trenton, New Jersey 08625. Telephone: (609) 292-6060. Subscriptions, payable in advance, are one year, \$40 (\$90 by First Class Mail); back issues when available, \$3.50 each. Make checks payable to Administrative Publications.

POSTMASTER: Send address changes to: New Jersey Register, CN 301, Trenton, New Jersey 08625. Second Class Postage paid in Trenton, New Jersey and additional mailing offices.

The NEW JERSEY ADMINISTRATIVE CODE is published on a continuing basis by Administrative Publications of the Office of Administrative Law. Subscription rates for this 31-volume, regularly updated set of all State administrative rules are available on request. The Code is sold either in the full set or in one to three volumes depending on the Department coverage desired.

REORGANIZATION PLAN

gate. Such delegation shall be in writing, stating the scope of the delegation and filed with the Secretary of State, and shall remain effective until revoked in the same fashion.

In accordance with the provisions of the Executive Reorganization Act of 1969, P.L. 1969, c.203 (c.52:14C-1 et seq.), Governor Kean has found that this Reorganization Plan is necessary to accomplish purposes set forth in Section 2 of that Act. Specifically, Governor Kean has found that consolidation of the Divisions of Purchase and Property and Building and Construction and the procurement and operational functions of the Division of Data Processing and Telecommunications in a General Services Administration under the control of an Administrator who may exercise powers of the Treasurer will: (a) group agencies and functions of related kind within the Treasury Department, and subject them to appropriate supervisory control by a single officer responsible di-

rectly to the Treasurer, (b) promote effective coordination of the Treasury Department's service operations for other State agencies, and (c) increase efficiency in the performance of these services and in the general management of the Executive Branch.

A copy of this Reorganization Plan was filed on January 24, 1984, with the Secretary of State and on February 9, 1984 with the Office of Administrative Law and is published herein pursuant to N.J.S.A. 52:14C-4(c) to become effective on March 23, 1984, unless disapproved by the Legislature.

Take notice that this Reorganization Plan, if not disapproved, has the force of law and will be printed and published in the annual edition of the public laws by the Secretary of State but the text of this Executive Order will not be codified in the New Jersey Administrative Code.

RULE PROPOSALS

ADMINISTRATIVE LAW

(a)

OFFICE OF ADMINISTRATIVE LAW

Rules of Special Applicability Special Education Hearings Appeal, Use of Hearing Record, Obtaining Copy of Record, and Contents of Record

Proposed Amendment: N.J.A.C. 1:6A-5.3

Authorized By: Ronald I. Parker, Acting Director, Office of Administrative Law.
Authority: N.J.S.A. 52:14F-5e, f and g.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions, and any inquiries about submissions and responses, should be addressed to:

Steven L. Lefelt, Deputy Director
Office of Administrative Law
185 Washington Street
Newark, NJ 07102

The Office of Administrative Law thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1984-115.

The agency proposal follows:

Summary

The Office of Administrative Law maintains the special education hearing records. The applicable Federal law requires a reviewing court to receive the record of the administrative proceeding when an appeal is taken. 20 U.S.C.A. 1415(e)(2). The proposed amendment allows a party to use the record at the Office of Administrative Law and explains how to obtain a copy of the record for transmittal by the party to the reviewing court. The amendment also clearly defines what is in the record and insures that there will always be a complete record of the administrative proceeding at the Office of Administrative Law.

Social Impact

The proposed amendment is designed to help expedite the transfer of the record to the court when there is an appeal of the administrative law judge's final decision. The special education confidentiality requirements are met by specifying that only a party to the proceeding or an authorized representative may request the record and by limiting the purpose of the request to the possible use of the record on appeal. By requiring a copy of the record to be maintained by the Office of

Administrative Law, the proposal hopes to obviate the problems caused by lost documents.

Economic Impact

The proposed amendment requires that a party desiring a copy of the record pay for it. If duplicates are present in the record no further charge will be imposed by the OAL. Any copying costs will be imposed at the following statutory rates: first page to tenth page at 50 cents per page; eleventh page to twentieth page at 25 cents per page; and all pages over twenty at 10 cents per page. N.J.S.A. 47:1A-2.

Full text of the proposal follows (additions indicated in boldface thus).

1:6A-5.3 Appeal, Use of Hearing Record, Obtaining Copy of Record, and Contents of Record

(a) (No change.)

(b) **A party intending to appeal the administrative law judge's final decision or an authorized representative is permitted to use, or may request a certified copy of, any portion or all of the original record of the administrative proceeding, provided a copy remains on file at the OAL. The requesting party shall bear the cost of any necessary reproduction. Written requests for this material should be directed to Decision Control, Office of Administrative Law, 185 Washington Street, Newark, NJ 07102.**

(c) **The record shall consist of all documents transmitted by the Department of Education to the OAL; correspondence; any documents relating to motions; briefs; exhibits; transcripts, if any; the administrative law judge's decision; and any other material specifically incorporated into the record by the judge.**

ENVIRONMENTAL PROTECTION

(b)

HAZARDOUS WASTE FACILITIES SITING COMMISSION

Policies and Procedures

Proposed New Rule: N.J.A.C. 7:26-13A

Authorized By: Frank Dodd, Chairman, Hazardous Waste Facilities Siting Commission.
Authority: N.J.S.A. 13:1E-49 et seq., specifically 13:1E-85.
HWFSC Docket No. 001-84-01.

PROPOSALS

ENVIRONMENTAL PROTECTION

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions and any inquiries about submissions and responses should be addressed to:

Mr. Richard J. Gimello, Executive Director
Hazardous Waste Facilities Siting Commission
CN-406

Trenton, New Jersey 08625

At the close of the comment period, the Commission may adopt this proposal, with any minor changes not in violation of the rulemaking procedures at N.J.A.C. 1:30-3.5. Upon adoption of these rules, a notice of the adoption shall be published in the Register. The adopted rules shall become effective upon publication of the notice of adoption in the Register.

This proposal is known as PRN 1984-107.

The agency proposal follows:

Summary

The Hazardous Waste Facilities Siting Commission is proposing to adopt rules governing the procedures to be followed by the Commission and applicants and petitioners to the Commission in the siting of major hazardous waste facilities and other business which may come before the Commission pursuant to the Major Hazardous Waste Facilities Siting Act, N.J.S.A. 13:1E-49 et seq. The proposed new rules concern the procedure for adopting alternate and additional site designations and for resolving disputes regarding payment of the gross receipts tax.

A hazardous waste industry may petition the Commission to designate an alternate or additional site under N.J.S.A. 13:1E-59b. Pursuant to the new rules, if the requested site is initially determined to comply with the siting criteria adopted by the Department of Environmental Protection (Department) at 15 N.J.R. 1096 and 1579 and is of the number and type determined to be necessary in the Major Hazardous Waste Facilities Plan to be adopted by the Commission, the Commission will propose to designate the site. If the site initially fails to meet the criteria and/or is not of the number and type determined to be necessary, the Commission will deny the request. Such a denial will not serve to prevent the industry from resubmitting the request at a later date.

The requester whose site is proposed by the Commission will bear the burden of proof concerning the suitability of the proposed site. The requester also will be required to provide the funds necessary to enable an affected municipality to conduct site suitability studies.

In order to expedite the review process which must be carried out by the Department, a requester will be permitted to submit certain documents to the Department and affected municipalities while the siting procedure is progressing. Such concurrent review will have no effect on the siting decision. Under the provisions of the Act, the Department cannot issue a permit to any major commercial hazardous waste facility until the Commission has designated the site for that particular type of facility.

The proposed new rules also set forth a procedure which the Commission will follow in resolving disputes concerning the five percent gross receipts tax paid by the hazardous waste industry to host municipalities pursuant to N.J.S.A. 13:1E-80. The Commission proposes to consider petitions concerning disputes from interested persons and will attempt to resolve those disputes at a settlement conference. In the event that the parties and the Commission are unable to resolve the controversy at the conference, the matter will be referred to

the Office of Administrative Law as a contested case for a hearing pursuant to the Administrative Procedure Act.

Social Impact

The proposed new rules will have a positive social impact in that they will clearly indicate to the public the manner in which the Commission will proceed in designating alternate and additional sites. In addition, by providing a mechanism for amicably resolving disputes concerning the gross receipts tax, the Commission will help to avoid the conflict inherent in this statutorily required process.

Economic Impact

The proposed new rules concerning site designation procedures should have a positive economic impact on the public in that they place the financial burden of providing for site suitability studies for alternate or additional sites on the hazardous waste industry rather than on the State taxpayer. By providing for concurrent preparation of the environmental and health impact statement, while the site suitability is being studied, the industry requester may save money through expediting the approval process. The requester, however, bears the risk of expending money for preparation of the statement and site suitability studies with no guarantee of ultimate approval of the proposed site and/or facility.

Providing a process by which disputes concerning the five percent gross receipts tax may be resolved will permit a more economical resolution of such issues through avoidance of litigation costs. The dispute resolution process will help to maintain the flow of tax money to the affected municipality.

Environmental Impact

The proposed new rules will have a positive environmental impact by assuring that the major hazardous waste facility siting process will proceed in an orderly manner. The rules advance the intent of the Act, to site needed facilities in an environmentally sound manner and to provide affected municipalities with the funds and information necessary to provide for any additional burden placed upon a municipality's resources.

Full text of the proposed new rule follows.

SUBCHAPTER 13A. POLICIES AND PROCEDURES OF THE HAZARDOUS WASTE FACILITIES SITING COMMISSION

7:26-13A.1 Scope and Authority

Unless otherwise provided by statute, Subchapter 13A of this Chapter (N.J.A.C. 7:26-13A) adopted pursuant to the Major Hazardous Waste Facilities Siting Act, N.J.S.A. 13:1E-49 et seq., and the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., establishes the Hazardous Waste Facilities Siting Commission's policies and procedures applicable to the siting of new major commercial hazardous waste facilities and to the conduct of other business which comes before the Commission.

7:26-13A.2 Construction

(a) N.J.A.C. 7:26-13A shall be liberally construed to permit the Hazardous Waste Facilities Siting Commission to discharge its statutory functions pursuant to N.J.S.A. 13:1E-49 et seq.

(b) The Hazardous Waste Facilities Siting Commission may amend, repeal or rescind this subchapter from time to time in conformance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq.

7:26-13A.3 Purpose

The purpose of N.J.A.C. 7:26-13A is to provide the public with information as to the policies and procedures adopted by the Hazardous Waste Facilities Siting Commission in regard to the siting of new major commercial hazardous waste facilities and in regard to the discharge of other duties of the Commission.

7:26-13A.4 Severability

If any section, subsection, provision, clause, or portion of N.J.A.C. 7:26-13A is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the subchapter shall not be affected thereby.

7:26-13A.5 Definitions

The following words and terms, when used in N.J.A.C. 7:26-13A shall have the following meanings, unless the context clearly indicates otherwise. Where words and terms are used which are not defined herein, the definitions of those words and terms will be the same as the definitions found in the Department of Environmental Protection rules, N.J.A.C. 7:26-13.

“Alternate or additional site” means a site for a facility which is proposed and adopted by the commission at the request of a hazardous waste industry, pursuant to N.J.S.A. 13:1E-59b.

“Applicant” means the applicant for a registration statement and engineering design for a major hazardous waste facility.

“Application” means the application for a registration statement and engineering design for a major hazardous waste facility.

“Disclosure statement” means a statement submitted to the department by an applicant, which statement shall include:

1. The full name, business address and social security number of the applicant, or, if the applicant is a business concern, of any officers, directors, partners, or key employees thereof and all persons or business concerns holding any equity in or debt liability of that business concern, or, if the business concern is a publicly traded corporation, all persons or business concerns holding more than five percent of the equity in or debt liability of that business concern, except that where the debt liability is held by a chartered lending institution, the applicant need only supply the name and business address of the lending institution;

2. The full name, business address and social security number of all officers, directors, or partners of any business concern disclosed in the statement and the names and addresses of all persons holding any equity in or the debt liability of any business concern so disclosed, or, if the business concern is a publicly traded corporation, all persons or business concerns holding more than five percent of the equity in or debt liability of that business concern, except that where the debt liability is held by a chartered lending institution, the applicant need only supply the name and business address of the lending institution;

3. The full name and business address of any company which collects, transports, treats, stores or disposes of solid

waste or hazardous waste in which the applicant holds an equity interest;

4. A description of the experience and credentials in, including any past or present licenses for, the collection, transportation, treatment, storage or disposal of solid waste or hazardous waste possessed by the applicant, or, if the applicant is a business concern, by the key employees, officers, directors, or partners thereof;

5. A listing and explanation of any notices of violation or prosecution, administrative orders or license revocations issued by any State or Federal authority, in the 10 years immediately preceding the filing of the application, which are pending or have resulted in a finding or a settlement of a violation of any law or rule and regulation relating to the collection, transportation, treatment, storage or disposal of solid waste or hazardous waste by the applicant, or if the applicant is a business concern, by any key employee, officer, director, or partner thereof;

6. A listing and explanation of any judgment of liability or conviction which was rendered, pursuant to any State or federal statute or local ordinance, against the applicant, or, if the applicant is a business concern, against any key employee, officer, director, or partner thereof, except for any violation of Title 39 of the Revised Statutes;

7. A listing of all labor unions and trade and business associations in which the applicant was a member or with which the applicant had a collective bargaining agreement during the 10 years preceding the date of the filing of the application;

8. A listing of any agencies outside of New Jersey which had regulatory responsibility over the applicant in connection with his collection, transportation, treatment, storage or disposal of solid waste or hazardous waste;

9. Any other information the Attorney General or the department may require that relates to the competency, reliability or good character of the applicant.

“Engineering design” means the specifications and parameters approved by the department for the construction and operation of a major hazardous waste facility.

“Environmental and health impact statement” means a statement of likely environmental and public health impacts resulting from the construction and operation of a major hazardous waste facility, and includes an inventory of existing environmental conditions at the site, a project description, an assessment of the impact of the project on the environment and on public health, a listing of unavoidable environmental and public health impacts, and steps to be taken to minimize environmental and public health impacts during construction and operation.

“Key employee” means any person employed by the applicant or the licensee in a supervisory capacity or empowered to make discretionary decisions with respect to the solid waste or hazardous waste operations of the business concern but shall not include employees exclusively engaged in the physical or mechanical collection, transportation, treatment, storage or disposal of solid or hazardous waste.

“Plan” means the Major Hazardous Waste Facilities Plan adopted by the commission pursuant to N.J.S.A. 13:1E-58.

“Registration statement” or “registration” means the operating license approved by the department, for a major hazardous waste facility; “registrant” means the person to whom such approval was granted.

“Respondent” means, for the purposes of this subchapter, the party, or parties, to a dispute regarding payment of the gross receipts tax which is not the petitioning party.

PROPOSALS

7:26-13A.6 Procedure for designating a facility site at the request of any hazardous waste industry pursuant to N.J.S.A. 13:1E-59

(a) The commission may, after adoption of the Siting Criteria for New Major Commercial Hazardous Waste Facilities, N.J.A.C. 7:26-13, by the department, and the adoption of a Major Hazardous Waste Facilities Plan by the commission, accept for consideration proposals for alternate or additional site designations at the request of any hazardous waste industry.

1. The requester shall have the burden of proof concerning suitability of the site in the proceedings provided for in this section.

(b) The requester shall submit a written request for site designation and a disclosure statement on a form to be supplied by the commission.

1. The form may be obtained from and shall be mailed, by certified mail, to the commission at CN-406, Trenton, New Jersey 08625 and to the governing body of the affected municipality or municipalities.

2. The commission shall acknowledge receipt of the request and disclosure statement and, at its discretion, require the requester to supplement the form with additional information which the commission reasonably deems necessary.

(c) Within 90 days of the receipt of a completed request for site designation and disclosure statement, the commission shall either:

1. Deny the request in writing, without prejudice, upon a determination by the commission that the proposed site does not comply with the siting criteria and/or the proposed facility is not of the number and type determined to be necessary in the plan; or

2. Transmit notice of the accepted request, by certified mail, to the requester, the governing body, board of health, planning board and environmental commission of the affected municipality or municipalities and to the governing body and any county health department of the affected county; and

3. Forward the disclosure statement to the Office of the Attorney General.

(d) As soon as is practicable, but no later than 45 days after providing notice as required in (c)2. above, the governing body of the affected municipality or municipalities shall be provided with a grant for conducting suitability studies for the proposed facility site from the requester, in an amount to be determined by the commission.

(e) Upon receiving notice of transmittal of the request as required in (c)2. above, the requester may, at its discretion, authorize the commission to prepare at the requester's expense, an environmental and health impact statement concerning the proposed site. Should the commission delegate the preparation of the environmental and health impact statement to an independent engineering firm, the requester shall be afforded the opportunity to:

1. Consult with the commission and the department in the preparation of a request for proposals; and

2. Recommend independent engineering firms to be provided with a request for proposals.

(f) In no way shall the commission's preparation of an environmental and health impact statement be construed as an endorsement of the proposed site and/or facility by the commission or the department.

(g) Within six months of the receipt of a grant, as provided for in (d) above, the governing body of the affected municipality

ENVIRONMENTAL PROTECTION

or municipalities shall complete and transmit to the commission the site suitability studies on the proposed site.

(h) After receipt of the site suitability studies by the commission, but not less than 90 days prior to filing an application for registration and engineering design approval, the requester may, at its discretion, submit to the department and the governing body of the affected municipality or municipalities a letter of intent to apply for registration and engineering design approval and a brief description of the nature of the proposed facility.

(i) Within 45 days of the receipt by the commission of the site suitability studies, an adjudicatory hearing concerning the proposed site shall be conducted by an administrative law judge.

1. The affected municipality or municipalities shall be a party of interest to the adjudicatory hearing, and shall have the right to present testimony and cross-examine witnesses.

2. Intervention in the adjudicatory hearing by any other person shall be as provided in N.J.A.C. 1:1-12.

3. Within 30 days of the close of the adjudicatory hearing, the administrative law judge shall transmit his initial decision including recommendations for action on the proposed site to the commission.

(j) Within 30 days of the receipt of the administrative law judge's recommendations, the commission, whose membership shall be expanded for this purpose as provided for in N.J.S.A. 13:1E-52c., shall affirm, conditionally affirm or reject the recommendations. Such action by the commission shall:

1. Be based upon the potential for significant impairment of the environment or the public health; and

2. Be considered to be final agency action thereon for the purposes of the Administrative Procedure Act and shall be subject only to judicial review in the Appellate Division of the Superior Court pursuant to R.2-1.

3. If the commission fails to act upon the recommendations of the administrative law judge within 30 days, as required in this subsection, the failure shall constitute commission affirmance of those recommendations in accordance with the Uniform Administrative Procedure Rules of Practice, N.J.A.C. 1:1-1.

(k) If the requester's proposed site is adopted by the commission, the requester, if it has not previously exercised its discretion to do so, shall:

1. Authorize the commission to prepare an environmental and health impact statement as provided for in (e) above;

2. Submit to the department and the governing body of the affected municipality or municipalities a letter of intent and a description of the proposed facility as set forth in (g) above; and

3. Thereafter be considered an applicant and be bound by the procedures for the review of all applications for registration and engineering design approval for new major hazardous waste facilities as set forth in N.J.S.A. 13:1E-60 and the applicable rules of the department.

(l) The commission may, upon its own motion or at the request of the governing body of any affected municipality, repeal or withdraw any adopted site for a facility if, in the discretion of the commission, such action is consistent with the purposes and provisions of the Act.

7:26-13A.7 (Reserved)

7:26-13A.8 Procedure for resolving disputes regarding payment of the gross receipts tax

(a) To resolve a controversy or dispute regarding the payment of the five percent gross receipts tax pursuant to N.J.S.A. 13:1E-80, an interested person shall initiate a proceeding before the commission by:

1. Obtaining a form petition at the address given in (a)3. below from the commission.

2. Completing the petition, including a sworn statement as to its truth;

3. Filing the original petition with the commission in person at 28 West State Street, Room 614, Trenton, New Jersey 08625, or by mail to CN-406, Trenton, New Jersey 08625; and

4. At the time of filing, providing to the commission proof of service of a copy of the petition on the respondent or respondents.

(b) Within 30 days after service of the petition upon them, the respondent or respondents shall file an answer with the commission together with proof of service of a copy thereof upon the petitioner.

1. The answer shall state in short and plain terms the respondent's defenses to each claim asserted and shall admit or deny the allegation of the petition.

2. A respondent may not generally deny all the allegations, but shall make denials as specific denials which meet the substance of designated allegations or paragraphs of the petition.

3. Allegations in any answer setting forth an affirmative defense shall be taken as denied.

4. The time for filing an answer with the commission may be extended beyond 30 days upon written request to the commission.

(c) After an answer has been filed or the time for doing so has expired, the commission may summon counsel for the parties to appear at a conference for the following purposes:

1. Eliminate or simplify issues;

2. Obtain admissions of fact or of documents that will avoid unnecessary proof;

3. Arrive at an agreement of facts; and

4. Come to an amicable resolution of the controversy without requiring a hearing.

(d) In order to resolve the controversy at a settlement conference, the commission may require the parties to:

1. Submit written statements, verified by oath, as to the facts involved in the controversy; and

2. Submit certified copies of all documents necessary to a full understanding of the issues.

(e) For failure to appear at a settlement conference or to participate therein or to take action required by the commission, the commission in its discretion may make such order with respect to the continued prosecution of the matter or an objection thereto, as it deems just and proper.

(f) In the event that the parties and the commission are unable to resolve the controversy at a settlement conference, as referred to in (c) above, the commission shall refer the matter to the Office of Administrative Law as a contested case for a hearing pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., N.J.S.A. 52:14F-1 et seq., and N.J.A.C. 1:1-1.

1. Upon receipt of the initial decision from the Office of Administrative Law, the commission shall affirm, reject or modify the decision within 45 days.

2. The commission's decision shall be considered to be the final agency action from which any party may take an appeal

to the Appellate Division of the Superior Court pursuant to R.2-1.

LAW AND PUBLIC SAFETY

(a)

DIVISION OF ALCOHOLIC BEVERAGE CONTROL

Trade Member Discrimination, Marketing and Advertising

Proposed Readoption: N.J.A.C. 13:2-24

Authorized by: John F. Vassallo, Jr., Director, Division of Alcoholic Beverage Control.

Authority: N.J.S.A. 33:1-3, 1-10, 1-11, 1-12, 1-23, 1-39, 1-39.2, 1-43, 1-43.1, 1-79, 1-89, 1-90 and 1-93.

Interested persons may present, in writing, statements or arguments relevant to the proposed action on or before April 5, 1984. These submissions and any inquiries about submissions and responses should be addressed to:

John F. Vassallo, Jr., Director

Division of Alcoholic Beverage Control

Richard J. Hughes Justice Complex, CN 087

Trenton, New Jersey 08625

The Director, Division of Alcoholic Beverage Control, may thereafter adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). Pursuant to Executive Order No. 66(1978), these rules would otherwise expire on April 12, 1984. The readoption becomes effective upon filing with the Office of Administrative Law of a notice of readoption.

This proposal is known as PRN 1984-114.

The agency proposal follows:

Summary

The regulatory provisions in N.J.A.C. 13:2-24 represent the basic components of significant changes in regulatory policy which commenced with proposals in March, 1979 and continues to date. These regulatory changes have been commonly designated as "deregulation" and represent a shift from regulations which established the minimum consumer resale price of alcoholic beverages by individuals other than retailers and which strictly limited permissible trade and marketing practices to regulations which are structured to basically establish wholesale and retail prices through the interplay of standard economic forces and which broadened allowable trade and marketing practices in the industry.

These regulatory provisions and amendments or interpretations were subject to general and specific legal review and determined valid (with exceptions not relevant to regulations now proposed for readoption) in *Heir v. Degnan*, 82 N.J. 109

(1980); *New Jersey Retail Liquor Stores Ass'n. v. Degnan*, 180 N.J. Super. 475 (App. Div. 1981); and *Wine & Liquor Salesmen of the State of New Jersey, Local #19 v. Lerner*, unreported Superior Court-Appellate Division opinion (A-5403-80T1-June 4, 1982), noted Bulletin 2422, Item 7.

Numerous rules in this subchapter have been subject to review and evaluation since the adoption in April 1979 and effective implementation in March 1980. This review and evaluation involved the above noted legal proceedings, proposed and adopted amendments, significant coverage, comments and opinions reported in general public newspapers and industry trade periodicals, numerous Division staff meetings, meeting attended by the Director with industry groups and effected licensees and the public, and evaluation of Division investigative reports concerning these subject matters.

All of the provisions of Subchapter 24 will expire on April 12, 1984 pursuant to Executive Order No. 66(1978). The rules presently proposed for reoption without amendment are necessary, adequate, reasonable, efficient, understandable and responsive to insure a continuity of control of licensees in the sales and marketing structure established in this Subchapter. A continuous review of these regulations is occurring as evidenced by the most recent Division proposal to adopt a new rule, N.J.A.C. 13:2-24.12, which rule should be promulgated and effective prior to the reoption herein proposed. It is anticipated that further review with possible amendments to this Subchapter will occur because these regulations represent a substantial change in practices governing the industry for over forty years and only actual experience and application can indicate the viability of the theoretical basis for some of the provisions. Additionally, because of judicial stays pending litigation concerning most of these regulations, the Division has had approximately three and one-half years to actually evaluate these regulations and the effects of same on the industry.

A brief explanation of the specific sections in Subchapter 24 and amendments thereto follows.

N.J.A.C. 13:2-24.1 requires manufacturers, suppliers and wholesalers to offer the same prices for products and offer the same credit terms to all its purchaser competitors. Exceptions or differentials are permitted in specific stated circumstances. Predatory statewide or regional pricing is prohibited. This section was amended on July 3, 1980 (12 N.J.R. 343(b), 12 N.J.R. 494(b)) to delete the exception or differential to price because of alleged deterioration of perishable products, obsolescence of seasonal products, distress sales or close outs. It was determined that none of these factors should justify a different price to various competing purchasers and could be subject to abuse. A further amendment November 2, 1981 (13 N.J.R. 604(b), 13 N.J.R. 777(e)) deleted a paragraph establishing the customary wholesale to retail credit period of thirty days and allowable deviations based on particular customer's credit, history or risk, and shifted these provisions to N.J.A.C. 13:2-24.4. This section is a derivative of antitrust provisions in N.J.S.A. 33:1-89 through -93 and State and Federal Antitrust laws and furthers objectives set forth therein.

N.J.A.C. 13:2-24.2 prohibits a manufacturer, supplier or wholesaler from discriminating in providing to purchaser competitors any services, facilities or equipment, or in conditioning any offer of services, facilities or equipment upon the future purchase of any alcoholic beverage. Also prohibited is the granting of any commission, fee or compensation, or any allowance or discount in lieu thereof, except for the reason-

able value of services actually rendered. This section has similar derivation and objectives as Section 1 and seeks to insure fair dealings on equal terms and conditions in the sale and marketing of alcoholic beverages.

N.J.A.C. 13:2-24.3 prohibits activities which would be combinations of parties to conspire in restraint of trade or commerce in alcoholic beverages activities. A similar antitrust or potential antidiscrimination objective exists as in Section 1 and 2 above.

N.J.A.C. 13:2-24.4 sets forth a comprehensive regulation of wholesalers' practices in offering credit to retail licensees, procedures to follow and consequences of retailer default. The most recent amendment to this section occurred November 21, 1983 (15 N.J.R. 1557, 15 N.J.R. 1945) modifying the effect of a retailer's default on subsequent transferees of that license and providing an alternative mail method for service by the wholesaler of a Notice of Obligation on a retailer. This section was subject to two previous amendments. The first on March 4, 1981, effective November 1, 1981 (13 N.J.R. 37(b), 13 N.J.R. 238(b)) repealed the existing Section. The second on November 2, 1981 (13 N.J.R. 604(b), 13 N.J.R. 777(e) and 846(e)) was a new rule adoption which incorporated a Special Panel on Credit report (July 10, 1981) recommending retention of regulations on this subject matter and suggesting provisions to implement objectives. This regulation achieves numerous specific objectives which in the broadest sense can be categorized as essential for industry stability and protection of the alcoholic beverage tax base.

N.J.A.C. 13:2-24.5 establishes in its present form the requirement that anyone selling alcoholic beverages to New Jersey wholesalers must maintain for three years a Historical Price List and Marketing Manual noting prices charged to wholesalers and marketing services, facilities, equipment, advertisements and promotions offered to wholesalers. Such suppliers must also notify wholesalers one month in advance of the prices to be charged for the next preceding month and distilled spirits suppliers must affirm annually by August 1 of each year that its prices with discounts to New Jersey wholesaler will be no higher than the prices with discounts offered to wholesalers or State agencies in the United States or District of Columbia. Prior amendments on February 11, 1980 (11 N.J.R. 285(b), 12 N.J.R. 156(a)) and July 3, 1980 (12 N.J.R. 343(b), 12 N.J.R. 494(b)) expanded the original regulations adopted on April 4, 1979 to encompass malt alcoholic beverage suppliers (except for affirmation), and to require maintenance of Historical Price Lists and a Marketing Manual. This section provides an enforcement check capability to monitor and insure nondiscriminatory pricing or marketing practices by suppliers in their dealings with New Jersey wholesalers, whether or not these suppliers hold New Jersey licenses. In light of other States having affirmation provisions, the inclusion of affirmation in New Jersey regulations means that New Jersey wholesalers will obtain distilled spirits at prices not higher than wholesalers from other States.

N.J.A.C. 13:2-24.6 requires licensees who intend to sell to New Jersey retail licensees to maintain a Historical Price List and Marketing Manual for three years. In addition, the mechanism for and notice and recordkeeping requirements of the wholesaler's Current Price List is set forth. These provisions provide monitors and sources to check any discriminatory practices in marketing and pricing between wholesale and retail licensees.

N.J.A.C. 13:2-24.7 indicates in general terms the ability of manufacturers, suppliers and wholesalers to provide advertis-

ing or promotional materials to retail licensees. Regulations prior to "deregulation" limited the types and dollar values of advertising and promotional materials that could be furnished to retailers. The enactment of this provision in April 1979 replaced the specifications as to type or dollar value and basically permits the furnishing of any type or dollar value advertising or promotional material to a retailer provided it does not violate other provisions in this Subchapter. Furnishing a sample alcoholic beverage to a retailer is permitted only after a special permit is obtained from the Division, which permit requires verification that all taxes have been paid. An amendment on July 3, 1980 (12 N.J.R. 343(b), 12 N.J.R. 494(b)) expanded the situations where a special permit could be obtained to include donations of alcoholic beverages made to qualified alcoholic beverage industry trade organizations.

N.J.A.C. 13:2-24.8 sets forth the prohibition, applicable to licensees selling at wholesale or retail, against selling any alcoholic beverage below cost. Cost is defined and the method of applying the definition to after acquired identical products is stated. Excepted from the sale below cost requirement are samples and donations permitted under Section 7 and preapproved bona fide "close out" sales. A technical amendment was effected July 3, 1980 (12 N.J.R. 343(b), 12 N.J.R. 494(b)) deleting a reference to a regulatory citation no longer applicable. This section was specifically validated in *Heir v. Degnan*, supra at 124-125.

N.J.A.C. 13:2-24.9 prohibits in its basic form practices which require or permit a combination purchase of different products at one time, or condition the purchase of one product only if another different product is purchased. Retail licensees can combine different products into one package (generally holiday and gift baskets) and sell at one price provided a purchaser could separately purchase each product at that retail premises and the combination price is not less than the sum of each product's unit price. An amendment on February 11, 1980 (11 N.J.R. 285(b), 12 N.J.R. 156(a)) excepted the sales of malt alcoholic beverages to retailers from the combination sales prohibition and further defined combination sales not to include mixed size sales (sale of identical product except for size). An amendment on July 3, 1980 (12 N.J.R. 343(b), 12 N.J.R. 494(b)) reiterated what could be a statutory prohibition against a retailer's combination under N.J.S.A. 33:1-12 concerning "other merchantile business". A third amendment on December 4, 1980 (12 N.J.R. 605(b), 13 N.J.R. 41(c)) further defined combination sales not to include sale of distillers' and vintners' packaged holiday and gift merchandise pre-packaged as a unit. Such holiday and gift packs are specifically authorized in N.J.S.A. 33:1-12.

N.J.A.C. 13:2-24.10 sets forth certain concepts, references, or practices which cannot be included in any advertising material or advertisement by a manufacturer, supplier, wholesaler, retailer or registrant. The section further prescribes requirements when alcoholic beverages are price advertised collectively by non-identically owned licensees.

N.J.A.C. 13:2-24.11 authorizes under stated requirements and limitations the furnishing by manufacturers and suppliers of cash rebates to New Jersey resident-purchasers of an alcoholic beverage product. This was a new rule promulgated September 6, 1983 (15 N.J.R. 1003(a), 15 N.J.R. 1478(a)) and replaced a reserved section. An amendment to this section was adopted January 17, 1984 (15 N.J.R. 1830(a), 16 N.J.R. 146(a)), incorporating several interpretive determinations of the Director into formal regulation.

N.J.A.C. 13:2-24.12 establishes a registration procedure for persons who provide alcoholic beverage display materials or advertising promotion services to or for licensees. This is a new section proposed November 21, 1983 (15 N.J.R. 1921(a)). It is anticipated that the adoption notice for this new rule will be promulgated prior to the re adoption of this Subchapter.

As presently proposed these rules are necessary, adequate, reasonable, efficient and responsive to form a framework and control for the pricing and marketing of alcoholic beverages in New Jersey.

This significant regulatory activity concerning this Subchapter in the period of less than four years since implementation of these provisions indicates the ongoing review and evaluation being made at the Division. The Subchapter is proffered for re adoption without amendment to preclude the sunseting of these regulations on April 12, 1984.

Social Impact

The provisions in Subchapter 24 seek to foster a fair, competitive and nondiscriminatory distribution and marketing system for alcoholic beverages in this State. The regulations affect all holders of retail, wholesale or producer licenses in this State and nonlicensed foreign suppliers who do business in this State. Consumer interests impacted by these regulations involve availability and pricing of products and promotion of temperance. These regulations further seek a stable industry and preservation of the independence of a three-tier alcoholic beverage distribution structure. Existence of rules covering the areas addressed in this Subchapter are critical to prevent chaotic, discriminatory, predatory and destructive pricing and marketing practices by or against licensees. The consequences that would reasonably be expected to flow from the absence of these regulations would frustrate and negate the purposes of the Alcoholic Beverage Law including the promotion of temperance, preservation of industry stability, and prevention of discrimination in pricing and marketing alcoholic beverages.

Economic Impact

The regulations proposed for re adoption in Subchapter 24 have significant economic impact on the industry and consumers of this State in that they regulate and proscribe the pricing and marketing practices of alcoholic beverages by licensees and out-of-state suppliers and importers. Such regulation implicitly impacts on the determinations a licensee would make in the sale and promotion of alcoholic beverages. By balancing the need to insure fair competition between licensees (with concomitant competitive pricing to consumers) against the need to insure a stable alcoholic beverage industry (with concomitant preservation of a tax base producing revenues in excess of \$120,000,000.00 per year and promoting the legislative mandate of temperance), the provisions of this Subchapter seek an acceptable middle ground to achieve objectives with the least destructive economic impact on the public or the industry.

Full text of the proposed re adoption can be found in the New Jersey Administrative Code at N.J.A.C. 13:2-24 as amended or proposed in the New Jersey Register.

(a)**DIVISION ON CIVIL RIGHTS****Multiple Dwelling Reporting****Proposed Readoption: N.J.A.C. 13:10**

Authorized By: Division on Civil Rights, Pamela S. Poff, Director.

Authority: N.J.S.A. 10:5-6; N.J.S.A. 10:5-8(c), (g), (h), (i), (j); N.J.S.A. 10:5-12(g), (h), (k).

Interested persons may submit in writing, statements or arguments relevant to the proposed action on or before April 5, 1984. These submissions and any inquiries about submissions and responses should be addressed to:

Pamela Poff, Director
Division of Civil Rights
1100 Raymond Boulevard
Room 400
Newark, New Jersey 07102

The Director, Division on Civil Rights, may thereafter adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). Pursuant to Executive Order No. 66(1978), these rules would otherwise expire on March 15, 1984. The readoption becomes effective upon filing with the Office of Administrative Law of a notice of readoption.

This proposal is known as PRN 1984-110.

The agency proposal follows:

Summary

The Multiple Dwelling Reporting Rule, N.J.A.C. 13:10, evolved, as a result of the Administrative Process Project of the Rutgers Law School, Newark. The project was initiated in an attempt to more effectively enforce State equal opportunity laws through improved administrative procedure. A major target of the project was to eliminate apartment segregation in suburbia. The first major effort of the project, beginning in 1969, was the development of a rule requiring landlords of apartments of 25 units or more to report annually on the racial and ethnic composition of their tenancy.

On April 9, 1970 the Division on Civil Rights announced in the New Jersey Register at 2 N.J.R. 36, that it proposed to adopt a Multiple Dwelling Reporting Rule. The rule was proposed to utilize more effectively the State law against housing discrimination. It was intended that the data generated from the rule would enable an agency to identify targets for investigation; alert respondents to the composition of their tenants and agency attempts to monitor that composition; provide aggregate information for statistical analyses of housing trends and provide a basis on which to establish discrimination. The regulation, after hearing and with modification, was officially adopted on October 8, 1970.

The New Jersey Builders, Owners and Managers Association challenged the validity of the Multiple Dwelling Reporting Rule contending that by requiring the compilation and submission of racial statistics the rule offends the Law Against Discrimination, the very statute it seeks to enforce. The New Jersey Supreme Court upheld the validity of the rule on the basis that assembling and evaluating these pertinent data was a rational approach toward fulfilling the responsibilities with which the Division on Civil Rights has been charged. *N.J. Builders, Owners & Managers Association v. Blair*, 60 N.J. 330, 337 (1972).

The Multiple Dwelling Reporting Rule, N.J.A.C. 13:10, as promulgated requires all owners of multiple apartment developments with 25 units or more to file an annual report with the Division on Civil Rights supplying information regarding the racial designation of applicants and tenants, rental turn-overs, rental recruiting techniques and the size and rental rates of apartments. N.J.A.C. 13:10-2.2; 13:10-2.3. One copy of the report shall be filed with the Division on Civil Rights on a yearly basis, due on October 15. N.J.A.C. 13:10-2.4. Owners of multiple apartment developments are required to maintain records of the racial designation of applicants and tenants for two years pursuant to N.J.A.C. 13:10-2.5.

Presently, the Division on Civil Rights receives and monitors compliance of multiple dwelling reports from over 2,500 apartment complexes throughout the State. The reporting requirements alert complex owners as to the composition of their applicants and tenants as well as the agency's attempt to monitor that composition.

The reports generated by the rule are also utilized in the development of affirmative marketing techniques in housing. The Division on Civil Rights in conjunction with Community Housing Resource Boards throughout the State, has endeavored through voluntary affirmative marketing agreements to promote institutional change in housing on an areawide basis. The Division cannot expect effective equal housing opportunity until the real estate and building industries, apartment house association members, financial institutions and local governments demonstrate their acceptance of all applicants and affirmatively promote open communities. The data generated from the rule assists in achieving the above objective by assuring compliance with affirmative action commitments as well as targeting the responsibility for discriminatory practices.

The reports are supplied to local law housing organizations to expose complexes which routinely practice discriminatory techniques as well as to provide statistical evidence of discrimination. The reports are also used to monitor and verify apartment complex compliance set forth in Director or State Court Orders. Recently a computer program was devised and implemented to select potential apartment complexes for cases of discrimination investigation. The program will supply the Division on Civil Rights with a list of self-generated potential complaints.

The Multiple Dwelling Reporting Rule is necessary to enable the Division on Civil Rights to systematically acquire information regarding the racial composition of apartment complexes throughout the State. The data generated from the reports serve to ensure the promotion on equal housing opportunity and are used to investigate possible violations and seek compliance with the Law Against Discrimination. Upon internal review of these regulations, the Division on Civil Rights has found them adequate, reasonable, understandable and necessary for the purpose for which they were promulgated. Therefore, the Division on Civil Rights is seeking to preserve the benefits to the public by readopting the regulation in its present form.

Social Impact

The Multiple Dwelling Reporting Rule as initially adopted contributes to the public's awareness of fair housing laws by requiring complex owners to focus on the racial composition of their applicants and tenants as well as by emphasizing the responsibility of the Division on Civil Rights to monitor that composition. The data gathered from the reporting rule is also used to target, investigate and resolve complaints of housing discrimination. The proposed readoption will enable the Divi-

sion to continue its efforts to prevent the emergence of segregated housing developments and to open suburban apartments to minorities and thus assure equal housing opportunities in this State.

Economic Impact

Readoption of the Multiple Dwelling Reporting Rule will enable the Division on Civil Rights to continue to qualify for a grant from the Housing and Urban Development which will substantially defray the cost of implementing the rule.

Readoption of the rule will continue to impact economically on owners of apartments of 25 units or more by requiring these landlords to compile annual reports relating to the racial composition of tenants and applicants and to maintain these records for two years.

Full text of the proposed readoption can be found in the New Jersey Administrative Code at N.J.A.C. 13:10-1.1 to 13:10-2.6, as amended in the New Jersey Register.

(a)

BOARD OF MEDICAL EXAMINERS

General Rules of Practice

Prescribing and Dispensing Medications

Proposed Amendment: N.J.A.C. 13:35-6.6

Authorized By: Board of Medical Examiners, Edwin H. Albano, M.D., President.
Authority: N.J.S.A. 45:9-2.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions and any inquiries about submissions and responses should be addressed to:

Edwin H. Albano, M.D., President
Board of Medical Examiners
28 West State Street
Trenton, New Jersey 08608

The Board of Medical Examiners thereafter may adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1984-109.

The agency proposal follows:

Summary

Although prescriptions for medications must bear certain information about the medications pursuant to N.J.A.C. 13:35-6.6(b), no similar requirement exists for medications dispensed directly by physicians or podiatrists to patients. The Board of Medical Examiners believes that certain minimal information about such dispensed medications should be provided so that patients and others coming in contact with these medications will know what they are, for whom they are intended, and how they should be taken. The proposed amendment will require that any drugs dispensed by a physician or podiatrist be labeled with the name of the dispenser, the name of the patient, the date the medication is dispensed, the description (name, strength and quantity) of the medication, and adequate instructions for the patient.

Sample medications which are packaged and labeled by the manufacturers and which contain on their packages the description of the medication and adequate instructions for use are exempted from the remaining labeling requirements. This distinction is made because such samples are dispensed in small quantities and generally are consumed or depleted in short periods of time. Therefore, the Board believes that the printed description and patient instructions adequately protect the patient, and the extra information would be of little additional benefit.

Social Impact

The proposed amendment is expected to improve the quality of medical care. The risk of poisoning due to improper or accidental administration of drugs will be reduced. In addition, patients will be more aware of the types of medications being dispensed to them. Furthermore, the regulation will make it more likely that proper drug information is available in an emergency or in the event the dispensing practitioner is unavailable and another licensee must treat the patient.

Economic Impact

Although the labeling requirements will require additional time by practitioners and may result in somewhat higher fees, it is believed that such increases will not be significant. On the other hand, medical costs to the public should decrease because patients will be more aware of what is being dispensed and how it should be used; therefore, they will be more likely to use medications properly and assist practitioners in their treatment. Increased enforcement activities by the Board may result in somewhat higher costs to the State.

Full text of the current rule may be found at 15 N.J.R. 503(a), 15 N.J.R. 1255(a).

Full text of the proposal follows (additions indicated in boldface, **thus**; deletions indicated in brackets, [thus]).

SUBCHAPTER 6. GENERAL RULES OF PRACTICE

13:35-6.6 Requirements for issuing prescriptions for **and dispensing** all medications; special requirements for prescribing or dispensing controlled drugs

(a)-(g) (No change)

(h) Every physician and podiatrist shall, in a legible manner, label each container of medication dispensed directly to a patient with at least the following information:

1. Physician's or podiatrist's full name;
2. Full name of patient;
3. Date medication dispensed;
4. Name, strength and quantity of medication dispensed;
5. Adequate instructions for the patient regarding the frequency of administration of the medication;
6. When a physician or podiatrist dispenses a pharmaceutical sample which has been packaged and labeled by the manufacturer and such sample package contains the information required by 4 and 5 above, the information listed in 1 through 3, inclusive, above need not be added;
7. When a physician or podiatrist dispenses a medication, other than a sample exempted pursuant to 6 above, in a container without sufficient space for the information required by this subsection, the container shall be placed in a larger container or envelope, and the larger container or envelope shall be labeled as indicated in this subsection;
8. Each container of medication dispensed shall contain only one type of medication.

DIVISION OF CONSUMER AFFAIRS

Resale of Tickets of Admission to Places of Entertainment Requirements for Licensure Sale, Advertising and Record Keeping

Proposed New Rule: N.J.A.C. 13:45A-20

Authorized By: Division of Consumer Affairs, James J. Barry, Jr., Director.
 Authority: P.L. 1983, c. 135, Sec. 11.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions, and any inquiries about submissions and responses, should be addressed to:

James J. Barry, Jr. Director
 Division of Consumer Affairs
 Newark, New Jersey 07102

The Division of Consumer Affairs may adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). The adopted rule becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1984-108.

The agency proposal follows:

Summary

On April 15, 1983, Governor Thomas H. Kean approved Assembly Bill No. 1466, which was an Act concerning the resale of tickets of admission to places of entertainment, as Chapter 135 of the Public Laws of 1983. Pursuant to this Law, the Director of the Division of Consumer Affairs is obligated to promulgate rules necessary to implement the Act, which become effective August 11, 1983.

On June 27, 1983, Governor Kean approved Senate Bill No. 1326, which amended Chapter 135 of the Public Laws of 1983 and broadened the Division of Consumer Affairs' authority to regulate the sales of tickets of admission to places of entertainment.

The purpose of this proposed rule is to comply with the legislative mandates of Chapters 135 and 220 of the Public Laws of 1983 by establishing an appropriate procedure for the Division of Consumer Affairs to license ticket agents and regulate ticket resales. The proposed rule addresses licensing, business location, sale or exchange of tickets, records, advertising and prescribes the application form for licensure. It is intended to implement the Acts effectively with a minimum of interference in the business of affected ticket agents.

The proposed new rules were originally published in the New Jersey Register of September 6, 1983 at 15 N.J.R. 1445(a), and are now published in revised form as a result of comments received thereafter.

Social Impact

The proposed new rule will have a beneficial social effect on consumers who purchase tickets of admission to places of entertainment by ensuring that ticket agents are in compliance with Chapters 135 and 220 of the Public Laws of 1983, which bar exorbitant mark-ups on ticket resales and require, among other things, that ticket agents meet a bonding requirement.

The proposed rule will permit the Director to consider in granting licensure whether an applicant has a civil or criminal

record and is financially responsible. A bona fide place of business will be required, as will full and accurate records. The practice of advertising unscheduled engagements will be barred.

All of these steps will benefit and protect consumers who purchase tickets of admission to places of entertainment.

Economic Impact

The proposal new rule will have an adverse economic impact on ticket agents who, pursuant to the enabling statutes, will be limited in the amounts they can mark-up ticket prices on resale. Ticket agents will be required to pay licensing fees and premiums to surety companies for bonds. Further, they will be required to maintain an office in New Jersey and maintain complete records on all transactions.

Against the negative impact on ticket agents, there will be a positive economic impact on members of the public who purchase tickets. Prices for available tickets will be lower. The consumer, due to office, bonding and licensure requirements, will be better situated to pursue refunds on cancellations. The public economic benefit will outweigh the economic burdens imposed on licensed ticket agents.

Full text of the proposed new rule with amendments to the originally published rule follows (additions indicated in bold-face **thus**; deletions indicated in brackets [thus]).

13:45A-20.1 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Advertisement" means any attempt by a licensee to directly or indirectly induce the purchase of tickets, appearing in any newspaper, magazine, periodical, circular, sign or other written matter placed before the public, or in any radio or television broadcast or any other media, electronic or otherwise.

"Director" means the Director of Consumer Affairs in the Department of Law and Public Safety.

"Division" means the Division of Consumer Affairs in the Department of Law and Public Safety.

"Person" means corporations, companies, associations, societies, firms, partnerships and joint stock companies as well as individuals.

"Place of entertainment" means any privately or publicly owned and operated entertainment facility within the State of New Jersey such as a theater, stadium, museum, arena, race-track or other place where performances, concerts exhibits, games or contests are held and for which entry fee is charged.

"Ticket" means any piece of paper which indicates that the bearer has paid for entry or other evidence which permits entry to a place of entertainment.

"Ticket agent" means any person who is involved in the business of selling or reselling tickets of admission to places of entertainment who charges a premium in excess of the price, plus taxes, printed on the tickets.

13:45A-20.2 Licensure

(a) An application for licensure shall be on a form prescribed by the Director.

(b) An application for licensure shall not be approved unless the Director finds that the submitted application form is complete in all respects.

(c) An application for licensure shall be accompanied by a bond in due form **made payable** to the Division of Consumer

Affairs, State of New Jersey in the sum of \$10,000 with two or more sufficient sureties or an authorized surety company, which bond shall be approved by the Director.

1. A suit to recover on the bond may be brought by the person damaged or by the Division of Consumer Affairs.

2. Upon the commencement of any action or actions against the surety upon the bond, the surety shall immediately notify the Division of Consumer Affairs.

3. The licensee shall file a new and additional bond in the sum of \$10,000 consistent with provisions of P.L. 1983, Chapters 135 and 220 within 30 days of the commencement of a suit to recover on the bond.

4. Any failure by the licensee to file such a new and additional bond within such period shall constitute cause for the revocation of the license previously issued to the licensee.

(d) The Director shall afford an applicant who has been rejected for licensure, an opportunity to be heard in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq.

1. The burden of establishing that the application should be approved shall rest with applicant.

(e) The Director may consider in determining whether or not to grant a license:

1. Whether the applicant has previously been found to have violated or been convicted of any statute or crime involving dishonesty, fraud or deceit.

2. Whether the applicant is financially responsible.

13:45A-20.3 Fees: new or renewal license

(a) An application for a new or renewal license, shall be submitted on an application form obtained from the Director, fully executed and accompanied by a fee of \$300.00 in the form of a money order or certified check made payable to the order of the State of New Jersey, Division of Consumer Affairs.

(b) A refund of 50 percent of the fees shall be made by the Division of Consumer Affairs when an application is rejected. Fifty percent of the fee shall be retained by the Division to cover administrative and investigative costs in the processing of the application.

(c) A request by a licensee for a copy of the license issued for the purpose of display in a branch office shall be accompanied by a fee of \$50.00.

(d) A request for a change of business address shall be accompanied by a fee of \$10.00.

13:45A-20.4 Places of business

(a) A licensee shall maintain a bona fide place of business within the State of New Jersey.

1. A bona fide place of business when used in this subsection shall include, but is not limited to, a place of business which provides reasonable access to the public.

(b) A licensee shall not sell nor permit any employee, agent or servant to sell any ticket for a place of entertainment at any location other than those places of business licensed for the sale of tickets by the Director.

(c) A licensee shall request the prior approval of the Director for any change in the business address.

(d) A license shall not be transferred nor assigned.

1. A corporate licensee shall notify the Director prior to any change in the ownership interest in the licensed business including but not limited to a transfer of 10 percent or more of stock interest held therein.

(e) A licensee shall clearly and conspicuously post his license in each of his places of business.

13:45A-20.5 Sale or exchange

(a) A licensee shall not acquire tickets for a place for entertainment from any person other than the owner of a place of entertainment or another licensee.

(b) A licensee shall not sell or exchange any ticket for entry to a place of entertainment without first impressing his sale or exchange stamp clearly showing the license number issued by the Division on the reverse side of that portion of each ticket which is retained by the owner of the place of entertainment.

1. A ticket should bear the stamp of every licensee engaged in its sale or exchange.

(c) A place of entertainment [of licensee] shall not sell or resell any ticket for entry to a place of entertainment unless there is printed on the face of each ticket [both] the price charged therefore [and the maximum premium, not to exceed 25 percent of the ticket price of \$3.00 whichever is greater, plus lawful taxes at which the ticket may be resold; provided, however, the maximum premium at which a ticket may be resold need not be printed on the face of any ticket printed prior to April 13, 1983.]

(d) A place of entertainment shall not sell or resell any ticket for entry to a place of entertainment unless the maximum premium, not to exceed 20 percent of the ticket price or \$3.00 whichever is greater, plus taxes, at which a ticket may be resold shall be printed either in a dollar amount or as a formula on the face or back of any ticket. Where the maximum premium which may be charged for a ticket is printed on the back of the ticket, the phrase "see reverse side" shall appear on the face of each ticket or ticket stock printed after the effective date of these regulations.

[~~(d)~~] (e) It shall be a prohibited practice for a licensee as a condition of selling or exchanging a ticket for a particular entertainment event, to require a buyer to purchase other tickets.

[~~(e)~~] (f) It shall be a prohibited practice for a licensee to accept any other thing of value in excess of the lawful purchase price of the tickets.

[~~(f)~~] (g) Any buyer who pays any monies towards the purchase of ticket and fails to receive the promised ticket on the promised delivery date shall be given notification by the licensee of the failure to deliver tickets and shall be given the option of receiving a full refund within 30 days or consenting to an extension of the delivery date.

[~~(g)~~] (h) A licensee shall provide a buyer of a ticket with a receipt which specifies the date on which the tickets will be delivered to the buyer and the total purchase price for the tickets.

13:45A-20.6 Records

(a) A licensee shall keep full and accurate sets of records maintained in accordance with generally accepted accounting practices and principles.

(b) Records of a licensee shall clearly set forth:

1. The prices which all tickets have been bought and sold by the licensee.

2. The names and addresses of the persons **from whom the licensee purchased the tickets and** to whom the licensee sold the tickets.

(c) Records of a licensee shall include sales invoice books.

1. The invoices used shall be printed and numbered consecutively.

2. The invoices used shall be in duplicate, the original of which shall be given to the purchaser and the duplicate kept by the licensee in consecutive order.

3. The invoices used shall include the following information:
- i. Date of the transaction;
 - ii. Name and place of entertainment;
 - iii. Number of ticket(s) sold;
 - iv. Price of ticket(s) with licensee's premium recorded separately;
 - v. Seat location;
 - vi. Date of performance;
 - vii. Whether payment was made by cash, check or charge account;
 - viii. Name and address of purchaser;
- (d) Records of licensee shall include a sales journal which reflects a record of daily sales.
- (e) Records set forth in this subchapter shall be made available for inspection by the Division at any reasonable time and upon reasonable notice.

13:45A-20.7 Advertising

- (a) A licensee shall not attempt in any advertisement or in any advertising material, directly or indirectly, to include any statement or representation relating to a concert that has not been scheduled to occur on a particular date and at a specific place of entertainment.
- (b) A licensee shall clearly and conspicuously disclose his license number in any public advertisement or advertising material.
- (c) **Advertising for any event shall include the price charged by a place of entertainment for each ticket offered for sale but ticket prices are not required to be included in pamphlets, brochures or billboards prepared as a schedule of events prior to the time a ticket is offered for sale.**

ENERGY

(a)

THE COMMISSIONER

**Energy Emergency Allocation
Motor Gasoline**

Proposed Readoption: N.J.A.C. 14A:2-3

Authorized By: Leonard S. Coleman, Jr., Commissioner, Department of Energy.
 Authority: N.J.S.A. 52:27F-16 and -17.
 Docket No. DOE 006-84-03.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions, and any inquiries about submission and responses, should be addressed to:

Linda M. Scuorzo, Esq.
 Department of Energy
 101 Commerce Street
 Newark, New Jersey 07102

The Commissioner may thereafter adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). Pursuant to Executive Order No. 66(1978), these rules would otherwise expire on July 2, 1984. The readoption becomes effective upon filing

with the Office of Administrative Law of a notice of readoption.

This proposal is known as PRN 1984-112.

The agency proposal follows:

Summary

N.J.A.C. 14A:2-3 was originally promulgated in 1977. This was done in response to a legislative mandate that the Department prepare and adopt an emergency allocation plan specifying the actions to be taken in the event of an impending energy shortage (see N.J.S.A. 52:27F-16 and 17). Thereafter the regulations were amended on several occasions to address concerns or problems or additional Federal requirements encountered in their implementation during the oil crises.

The current regulations apply to all sales of motor gasoline by retail dealers to drivers of motor vehicles (N.J.A.C. 14A:2-3.1). They provide a comprehensive system for regulatory gasoline purchases and allocating gasoline during an emergency. N.J.A.C. 14A:1-3.2 establishes the "odd-even" license plate system for gasoline purchases. N.J.A.C. 14A:2-3.3 gives the Commissioner the authority to limit the quantity of gasoline sold to any one purchaser. In this vein, other sections restrict the amount of gasoline that can be sold in containers unrelated to an internal combustion engine to one gallon (N.J.A.C. 14A:2-3.14) and the ability to "top-off" gasoline tanks (N.J.A.C. 14A:2-3.15). N.J.A.C. 14A:2-3.4 requires retailers to use flags and signs to notify the public of the availability of gasoline and price. N.J.A.C. 14A:2-3.5 to 3.9 create exceptions to the odd-even rationing system for vehicles with special license plates (for example MD, handicapped, commercial, etc.), certain vehicles without special license plates where there is a demonstrated need (for medical or employment reasons) or where an agreement was concluded with a commercial account for the periodic sale of gasoline to certain vehicles (school buses, emergency vehicles, etc.) prior to the emergency.

In order to ensure that the rationing system is not impeded or subverted, N.J.A.C. 14A:2-3.10 provides that the regulations supercede similar county and local rules. N.J.A.C. 14A:2-3.11 prohibits individuals from inducing a gasoline retailer to violate the regulations and prohibits individuals from willfully misrepresenting a motor vehicle as being entitled to an exemption from the regulations. N.J.A.C. 14A:2-3.12 prohibits retailers from giving preferential treatment to their preferred or regular customers.

Finally, N.J.A.C. 14A:2-3.12 allows the Commissioner to modify the regulations as necessary to respond to a particular emergency as it develops.

No regulation developed prior to an emergency can address every problem that will arise. Nevertheless the Department believes that the regulations are adequate and reasonable. They were tested during prior gasoline emergencies and performed satisfactorily. For these reasons the Department is proposing to readopt the regulations without any proposed amendments.

Social Impact

The existing regulations were designed to impose a measure of order on the sale and distribution of gasoline during emergencies. By controlling individual access to gasoline stations and prioritizing the allocation of scarce supplies, the regulations may sacrifice personal convenience in favor of public need. However, in periods of reduced supply, when normal market forces are disrupted and the potential for panic-buying is great, these regulations provide stability and certainty.

The regulations are repropounded without change. Therefore the social impact will remain essentially the same as described above for the existing regulations. In addition, implementation of the regulations in future emergencies should be facilitated by the fact that the public is familiar with the restrictions, which were in use during previous emergencies.

Economic Impact

The economic effect of the regulations is limited to periods of energy emergency, because the regulations are implemented only at that time. The impact was during previous emergencies; and it is anticipated, will in the future be felt by the public and the Department.

The magnitude of the emergency will determine the extent to which Department resources must be committed to implementing and enforcing the regulations. In past oil crises virtually the entire Department was, at one time or another, involved in some aspect of implementation or enforcement of the regulations (from determining eligibility for exemptions to policing compliance and answering inquiries from the public). A full scale emergency would require the Department to perform certain functions that currently are not necessary, such as printing and distributing exemption stickers and processing exemption requests.

During previous gasoline shortages, the Department received complaints that rationing caused economic loss to those persons who were forced to wait on line for gasoline and were required to purchase a minimum dollar value of gasoline.

The Department agrees that the shift in purchasing patterns that occurred during previous emergencies may have had an adverse economic impact on the public. However it was, and continues to be, Department policy that during emergencies health, emergency and public transport vehicles should have access to gasoline on an as-needed basis and that remaining supplies would be distributed in a way that enables all members of the public to have equal access to all gasoline stations. While this approach may result in an economic burden, it is a smaller burden distributed equally among all gasoline consuming sectors. As a result no one group will be forced to bear a disproportionate share of the cost.

It is expected that the economic impact of the regulations during any future emergency will be similar to that described above. However, it is difficult to predict the exact economic effect of the regulations during future gasoline shortages since the Department cannot determine the magnitude of such an emergency at the present time.

Full text of the proposed readoption may be found in the New Jersey Administrative Code at N.J.A.C. 14A:2-3.

TREASURY-TAXATION

(a)

DIVISION OF TAXATION

Motor Fuels Retail Sales

Proposed Readoption: N.J.A.C. 18:19

Authorized By: John R. Baldwin, Director, Division of Taxation.

Authority: N.J.S.A. 56:6-6.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions and any inquiries about submissions and responses, should be addressed to:

Jack Silverstein
Chief Tax Counselor
Division of Taxation
50 Barrack Street
Trenton, NJ 08646

The Division of Taxation thereafter may adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). Pursuant to Executive Order No. 66(1978), N.J.A.C. 18:19 would otherwise expire on April 8, 1984. The readoption of these rules becomes effective upon acceptance by the Office of Administrative Law of the notice of their readoption.

This proposal is known as PRN 1984-111.

The agency proposal follows:

Summary

The Act to Regulate the Retail Sale of Motor Fuels was enacted into law as P.L. 1938, c.163 (NJSA 56:6-1 et seq.) and became effective June 1, 1938. The statute protects the interests of motorists and of the retail dealers themselves in attempting to facilitate and safeguard the orderly distribution and marketing of motor fuels. The rules pursuant to the retail sales statute have been updated and revised periodically through internal agency review as required by changes in legislation and changes in the regulatory environment. N.J.A.C. 18:19 is summarized as follows:

SUBCHAPTER 1. GENERAL PROVISIONS supplies definitions of words and phrases used in the rules.

SUBCHAPTER 2. POSTED PRICES; ADVERTISING; REBATES; ALLOWANCES AND PRIZES; TRADE-MARKS provides guidelines for price signs, display of trade names, gifts and certain advertising requirements.

SUBCHAPTER 3. PREPARATION OF FINES supplies guidelines concerning violations and penalties and procedure for collection of penalties.

SUBCHAPTER 4. RECORDS REQUIRED deals with records required to be kept by retail dealers.

SUBCHAPTER 5. POWERS OF THE DIRECTOR deals with the authority of the Director to seek injunctions, conduct audits and investigations and otherwise enforce the statute.

Recent rule adoptions and proposals have set forth new requirements for price signs pursuant to legislative changes that authorize the use of liter prices on signs and pursuant to Attorney General Opinions which permit the use of cash discounts for motor fuels purchases and permit self service of diesel fuel. In particular therefore, rules N.J.A.C. 19:19-2.2 and 2.7 have been the focal points of change.

Pursuant to Executive Order 66(1978) these rules were reviewed by the Division and were found to be understandable, adequate, reasonable and necessary in their interpretation and clarification of the Act to Regulate Retail Sale of Motor Fuels. In order to continue the orderly administration of the Act, these rules will continue in effect until five years after the filing of the readoption notice.

Social Impact

The Motor Fuels Retail Sales Rules were adopted to provide motorists, oil companies and retail dealers of motor fuels with guidance and assistance in the administration of the Act to Regulate Retail Sales of Motor Fuels. The statute and the rules pursuant to it reflect a balancing of various interests including the motorists' right to know the price of fuels available, and the prevention of potentially destructive competition between and among motor fuels dealers.

The marketing of motor fuels is highly price sensitive and patterns of demand change quickly after a change in price is made by a dealer. In this context, efforts have been made to maintain orderly sales practices in particular subsequent to P.L. 1981, c.230, which authorized use of liter price signs, and Attorney General Formal Opinion 2 (1982) which authorized the use of separate prices for cash and credit sales of motor fuels.

Economic Impact

The readoption of the rules pursuant to the Act to Regulate the Retail Sale of Motor Fuels will continue to provide for the orderly marketing of motor fuels in New Jersey and thus directly affect the economy of the State and region. One consideration in formulating the rules has been to keep mandatory signage to the minimum consistent with the objective of providing clear price information to the motorist about the fuels available at a particular facility. Because the legislature has determined that regulation of the sale of motor fuels is in the public interest, these rules implement and carry out the legislative purpose in a manner consistent with such public purpose.

Full text of the proposed readoption may be found in the New Jersey Administrative Code at N.J.A.C. 18:19.

RULE ADOPTIONS

CIVIL SERVICE

(a)

CIVIL SERVICE COMMISSION

Flexitime Programs Hours of Operations

**Adopted New Rules: N.J.A.C. 4:2-18.4
(formerly proposed as 4:1-18.9) 4:2-18.5
(formerly proposed as 4:1-18.10) and
4:2-18.6 (formerly proposed as 4:1-18.11)**

Proposed: March 21, 1983 at 15 N.J.R. 373(a) and 374(a).

Adopted: February 7, 1984 by the Civil Service Commission, Eugene J. McCaffrey, Sr., President.

Filed: February 8, 1984 as R.1984, d.46, **with substantive and technical changes** not requiring additional public notice and comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 11:5-1, 11:14-1.

Effective Date: March 5, 1984.

Expiration Date pursuant to Executive Order No. 66(1978): December 7, 1986.

Summary of Public Comments and Agency Responses:

Comments concerning the adoption of proposed new rules N.J.A.C. 4:1-18.9, Flexitime Programs, 4:1-18.10, Hours of Operations and 4:1-18.11, Alternative Workweek Programs, were received from the Communications Workers of America (CWA) and the Department of Labor.

The CWA commends efforts to codify longstanding policies and practices, but argues that, in this instance, rules should not be adopted and the subject matter addressed therein should be left to the negotiations processes. However, should the Commission decide to adopt the rules, CWA contends that they should be written in a fashion which would not interfere with negotiations.

The rules are intended to codify longstanding practices and policies, clarify that certain items must be addressed to insure the development of comprehensive and stable programs and assure that program elements are in compliance with existing Overtime Committee regulations and Civil Service laws and rules regarding matters such as assigned workweeks (for example, 35 or 40 hours) and sick, vacation and administrative leave. Revisions have been made to avoid confusion over the intent of the rules. Further, the Commission recognizes the negotiations processes and encourages, as appropriate, that discussions with employee representatives take place concerning these programs.

The CWA also noted that in many circumstances, flexitime and alternative workweek programs are established to accommodate employee needs and this factor was not cited in two of the proposed rules. The Commission agrees with the CWA and has inserted appropriate language in N.J.A.C. 4:2-18.4(a) and 4:2-18.6(a), proposed as 4:1-18.9(b) and 4:1-18.11(b).

The Department of Labor suggested that, as written, N.J.A.C. 4:1-18.10, Hours of Operation, would severely hamper an agency's ability to respond to unforeseen conditions in an expeditious manner. The Commission agrees and an exception for emergent situations of limited duration has been made.

The balance of the revisions are technical and reflect no change in substance or intent. In keeping with Department of Civil Service policy, all rules that are limited to State government are to be codified in Chapter 2. Therefore, the proposed rules, N.J.A.C. 4:1-18.9, 4:1-18.10 and 4:1-18.11, have been recodified to N.J.A.C. 4:2-18.4, 4:2-18.5 and 4:2-18.6 respectively and reference to State limitations deleted as redundant.

Effective Date of Readoption: February 9, 1984.
Effective Date of Concurrent Proposed Amendments: March 5, 1984.
Expiration Date pursuant to Executive Order No. 66(1978): February 9, 1989.

Summary of Public Comments and Agency Response:

One comment was received from the New Jersey Speech-Language Hearing Association, who favored the amended definition of "speech therapist" to "speech-language pathologist" which appeared in N.J.A.C. 10:52-1.11. The Division's response is to adopt the change.

Summary of Changes Between Proposal and Adoption:

There are two minor changes being made on adoption. The first is the deletion of the word "routine" in N.J.A.C. 10:52-1.6. All dental services performed in the hospital outpatient department will be reimbursed according to the Medicaid program's dental fee schedule. The second change is the deletion of the reference to the Commissioner of Insurance in

ADOPTIONS

N.J.A.C. 10:52-1.13(b). Only the Commissioner, N.J. Department of Health, is involved in rate setting for approved private psychiatric hospitals.

Full text of the amendments to the readoption appear below (deletions from proposal shown in brackets with asterisks *[thus]*).

10:52-1.1 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

“Approved hospital” (No change.)

“Diagnosis Related Group” (DRG) is a term used to describe the reimbursement methodology for acute care general hospitals. Regulations governing reimbursement under the DRG System are published by the New Jersey Department of Health and appear in the New Jersey Administrative Code (N.J.A.C. 8:31B).

“Informed Consent” means the voluntary, knowing assent from the individual on whom any sterilization is to be performed after he/she has been given (as evidenced by a document executed by such individual):

1.-6. (No change.)

7. The documentation referred to in this subsection must meet all applicable State and Federal requirements, and should be bilingual as necessary:

i. Any claim for sterilization must be accompanied by a properly completed Federal Sterilization Consent Form as contained in the Federal regulations (see 42 CFR 441.258, appendix).

(1) This form is issued by the Division’s Fiscal Agents, New Jersey Blue Cross and the Prudential Insurance Company;

(2) Hospitals may print their own copy of the required form only after obtaining written approval from the Division. The form must be identical in every respect to the federally required form;

ii. Any claim involving a hysterectomy procedure must have a properly completed Hysterectomy Receipt of Information Form (FD-189), unless one of the exceptions set forth in N.J.A.C. 10:52-1.2(a)19 occur. The proper method for claiming under one of the three enumerated exceptions also appears in this paragraph.

iii. Each consent document shall display the following legend printed prominently at the top:

Notice: Your decision at any time not to be sterilized will not result in the withdrawal or withholding of any benefits provided by programs or projects.

“Inpatient” (No change.)

“Inpatient Hospital Services” means:

1. (No change.)

2. Reimbursement for covered services furnished by unlicensed physicians employed directly or indirectly by a hospital shall not be made unless said unlicensed physician is lawfully practicing medicine and/or surgery pursuant to a specific statutory exemption under the laws of the State of New Jersey, and reimbursement in such instances is limited to reasonable costs which are made part of the facility’s DRG (diagnosis related group) rate. All other reimbursement for services rendered by an unlicensed physician is specifically prohibited.

“Medical Day” (No change.)

“Medical Day Care Center” (No change.)

“Nontherapeutic Sterilization” (No change.)

“Outpatient” (No change.)

“Partial hospitalization (No change.)

HUMAN SERVICES

“PSRO” means a federally designated Professional Standards Review Organization which has a signed and federally approved agreement with the New Jersey Medicaid Program to perform the specific functions authorized by the Federal Regional Office of the Health Care Financing Administration of the United States Department of Health and Human Services. In addition, a PSRO must be certified by the New Jersey Department of Health as a Utilization Review Organization (URO), as defined below.

“PSRO/DRG Hospital” means a New Jersey Hospital approved as a Medicaid provider which has signed a Memorandum of Understanding (M.O.U.) with a New Jersey PSRO/DRG and for which New Jersey Medicaid has been relieved of liability from Federal surveys and audits regarding Physician Certification, Plan of Care, and Review of Admission and Continued Stay.

“Qualified physical therapist” (No change.)

“Utilization Review Organization” (URO) means a State designated organization which has review authority under the DRG system for all admissions to acute care general hospitals regulated by the Hospital Rate Setting Commission.

10:52-1.2 Covered inpatient hospital services

(a) Subject to the general limitations and exclusions and those hereinafter specified, hospital care and services shall include:

1.-17. (No change.)

18. Sterilization, inpatient service: Payment will be made for sterilization procedures and hysterectomies only if the following requirements were met (for hysterectomies, there are exceptions and additions to the following requirements, see 19. below):

i. The individual is at least 21 years old at the time consent is obtained;

ii. The individual is not mentally incompetent or institutionalized;

iii. The individual has voluntarily given informed consent;

iv. At least 30 days, but not more than 180 days, have passed between the date of informed consent and the date of the sterilization, except in the case of premature delivery or emergency abdominal surgery, if at least 72 hours have passed since he or she gave informed consent for sterilization. In the case of premature delivery, the informed consent must be given at least 30 days before the expected date of delivery;

v. The Medicaid agency obtained documentation showing that all of these requirements were met. This documentation must include a consent form or an acknowledgement of receipt of hysterectomy information.

19. Payments will be made for a hysterectomy when the completed Receipt of Hysterectomy Information Form (FD-189) is received by the Medicaid Contractor and the following requirements have been met:

i. A hysterectomy may not be performed solely for the purpose of rendering an individual permanently incapable of reproducing; or if there was more than one purpose to the procedure, would not be performed but for the purpose of rendering the individual permanently incapable of reproducing.

ii. A hysterectomy on a female of any age may be performed when medically necessary, provided that the person who secured authorization to perform the hysterectomy has informed the individual and her representative, if any, orally and in writing, that the hysterectomy will render the individual permanently incapable of reproducing; and the individual

or a representative must have signed a written acknowledgement of receipt of that information.

(1) There is no 30 day waiting period required before a medically necessary hysterectomy may be performed.

iii. In the event a Receipt of Hysterectomy Information Form (FD-189) was not obtained, it is possible to submit, with the claim form, a written certification signed by the physician who performed the hysterectomy. This written certification is applicable if, and only if, one or more of the following conditions existed:

(1) The patient was sterile before the hysterectomy and the physician lists the cause of sterility;

(2) The patient required a hysterectomy because of a life threatening emergency in which the physician determined that prior acknowledgement was not possible and the physician describes, in the certification, the nature of the emergency;

(3) The hysterectomy was performed during a period of the patient's retroactive New Jersey Medicaid coverage and the patient was informed, before the operation, that the hysterectomy would make her permanently incapable of reproducing or that one of the conditions described in (1) or (2) above was applicable and the physician includes in the certification a statement that the patient was informed or describes which condition applied.

(4) Although a physician certification is acceptable for situations described in 19iii of the section, the New Jersey Medicaid Program recommends that the Hysterectomy Receipt of Information be used whenever possible.

(b) Services and/or items included in the DRG reimbursement methodology will be covered by the Medicaid program to the extent of the program's provisions.

10:52-1.4 Special provisions

(a) Entitlement to payment for each continuous period of hospitalization is subject to the following:

1. The hospital is responsible to give notice of admission to the Medicaid District Office within two working days following admission.

2. The admitting (attending) physician is required to certify concerning the reasons for admission. This requirement shall be considered to be satisfied when the admitting form, including diagnosis(es), is completed by the hospital and signed by the physician.

3. All inpatient stays must be approved through the utilization review mechanism to be eligible for reimbursement.

4. (No change in text.)

5. (No change in text.)

6. (No change in text.)

7. Hospital benefits for physical rehabilitation treatment in an approved general hospital. The following procedures apply to physical rehabilitation services provided to Medicaid patients in general hospitals and are similar to procedures required in special class B rehabilitation hospitals:

i. Length of stay: Reimbursement for inpatient care for physical rehabilitation services is based upon the medical necessity of the admission and requires prior authorization from the Medicaid District Office if the stay exceeds 21 days;

ii. Prior authorization:

(1) The inpatient recertification form (MC-2) shall be used to request prior authorization from the medical consultant of the Medicaid District Office after the first 21 days of inpatient hospitalization. Initial or subsequent authorization shall not exceed 30 calendar days. Section 2 of the MC-2 must include a treatment plan in sufficient detail to support the authorization request. The request must be signed by the patient's attending

physician and must specify the actual number of days for which the authorization is being requested. See subchapter 2 of this chapter for the proper disposition of the MC-2 form;

(2) (No change.)

8. (No change in text.)

10:52-1.6 Outpatient hospital services

(a)-(b) (No change.)

(c) Reimbursement for covered services in the outpatient department of the hospital shall be determined based on controlled charges as submitted to and approved by the Hospital Rate Setting Commission, except for *[routine]* dental services, which will be reimbursed according to the Medicaid program's dental fee schedule.

10:52-1.7 Covered outpatient hospital services

(a) Approved hospital outpatient departments may provide the following services to outpatients when medically necessary:

1.-10. (No change.)

11. Dental services (see N.J.A.C. 10:56 for prior authorization, treatment plan requirements and proper processing of the Request for Authorization and Payment of Dental Services form). In addition, refer to subchapter 2 and 3 of this chapter for billing and procedures and reimbursement for dental services provided in the hospital outpatient department (N.J.A.C. 10:52-2.8A and 3.6).

12.-14. (No change.)

15. Sterilization, outpatient services: Payment will be made for sterilization procedures and hysterectomies only if the requirements given in N.J.A.C. 10:52-1.2(a)18 and 19 were met.

16. (No change.)

(b) (No change.)

10:52-1.9 Special provisions related to payment

(a)-(e) (No change.)

(f) If it is medically determined that the patient will require further partial hospitalization beyond the first 30 calendar days, prior authorization must be obtained from the Chief, Mental Health Services, Division of Medical Assistance and Health Services, CN-712, Trenton, New Jersey 08625. It is recommended that the hospital request the authorization on or about the 20th day to allow ten days for processing the authorization by the State and return same to allow ten days for processing the authorization by the State and return same to the hospital. To request prior authorization, the physician must submit form FD-07 (Request For Authorization of Psychiatric Services) in quadruplicate to Chief, Mental Health Services, at the above address. All questions must be answered. If authorized, the hospital will receive two copies of the FD-07 from the State with the terms of the authorization. The original FD-07 must be attached to the contractor copy of the outpatient hospital claim (MC-4) when billing. See 10:52-1.7(b) for more complete information on prior authorization for partial hospitalization. If the Chief, Mental Health Services, does not authorize the treatment, written explanation will be provided to the hospital.

(g)-(h) (No change.)

10:52-1.11 Hospital outpatient rehabilitation services

(a) The following words and terms, when used in this section, shall have the following meanings, unless the context clearly indicates otherwise.

"Qualified occupational therapist" (No change in text.)

ADOPTIONS

“Qualified physical therapist” (No change in text.)

“Rehabilitation services” (No change in text.)

“Speech-language pathologist” means a person who holds the certificate of clinical competence in speech-language pathology granted by the American Speech-Language Hearing Association, or who has completed the academic requirements and is in the process of accumulating the necessary supervised work experience required for certification.

(b)-(f) (No change.)

10:52-1.12 Take home drugs-outpatient only

(a)-(b) (No change.)

(c) The quantity of medication prescribed should provide a sufficient amount of medication necessary for duration of the illness or an amount sufficient to cover the interval between visits, but may not exceed a 60-day supply or 100 unit doses, whichever is greater.

(d)-(e) (No change.)

10:52-1.13 Approved private psychiatric hospitals

(a) (No change.)

(b) These hospitals are reimbursed on an interim basis under the SHARE (Standard Hospital Accounting and Rate Evaluation) System. A final settlement is based in accordance with Medicare principles of reimbursement subject to the determination of excess costs by the Commissioner *[s]* of the Department of Health [, and the Department of Insurance]*.

10:52-1.15 Medicaid reimbursement for third-party claim for hospital services

(a) On claims for hospital services rendered to Medicaid recipients who are also covered by another form of medical insurance, the New Jersey Medicaid Program shall pay the lower of the per diem rate established for the provider of services applied to the number of covered inpatient days claimed less the amount of total charges claimed less the amount of third-party reimbursement received by the provider. Final settlement will be determined by the applying of these third-party payments to the lower of Medicaid's total allowable cost or total allowable charges. This subsection applies to hospitals being reimbursed under the SHARE (Standard Hospital Accounting and Rate Evaluation) System.

(b) On claims for hospital services rendered to Medicaid recipients who are also covered by another form of medical insurance, the New Jersey Medicaid Program will pay the difference between the DRG rate and the other insurer's payment for covered services. In no event will the Medicaid program be liable for more than the amount Medicaid would have reimbursed as the primary payor. This subsection applies to hospitals reimbursed under the DRG system.

DIVISION OF VETERANS PROGRAMS AND SPECIAL SERVICES

Organizational Rule Chapter 112-Division of Veterans Programs and Special Services

Adopted New Rule: N.J.A.C. 10:112-1

Adopted: February 17, 1984 by George J. Albanese, Commissioner, Department of Human Services.
Filed: February 17, 1984 as R.1984 d.57.

Authority: N.J.S.A. 30:6AA-2; 30:1-12; 52:14B-4(b)
(exempt organizational rule)

Effective Date: February 17, 1984.

Expiration Date pursuant to Executive Order No. 66(1978): February 17, 1989.

Summary

George J. Albanese, Commissioner, Department of Human Services, hereby adopts, as a rule, a description of the organization of the Division of Veterans Programs and Special Services. This rule is intended to inform the public of the existence of the Division and its basic composition, responsibilities and goals.

This organization rule is exempt from the notice and hearing requirements of the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., and became effective upon filing (see N.J.S.A. 52:14B-4(b)).

Social Impact

There should be a positive social impact, since the rule provides the public with information regarding the Department of Human Services' Division of Veterans Programs and Special Services.

Economic Impact

There will be no additional economic impact either to the public, the Department or any State agency as a result of this

rule which only provides public notice regarding an existing unit of State government.

Full text of the adopted new rule follows.

CHAPTER 112
DIVISION OF VETERANS PROGRAMS
AND SPECIAL SERVICES

SUBCHAPTER 1. ORGANIZATIONAL RULE

10:112-1.1 Composition of the Division

(a) The Division of Veterans Programs and Special Services functions as an integral part of the Department of Human Services.

(b) The Division is coordinated by a Central Office that consists of a Director, who is appointed by the Commissioner of the Department of Human Services, and the appropriate staff.

(c) The Division maintains 16 District Offices throughout the State.

(d) The Division oversees the Veterans Nursing Facilities at Menlo Park and Vineland and the construction of both a Veterans Nursing Facility in Paramus and a New Jersey Veterans Cemetery in Arneytown which will be supervised by the Division upon their completion.

(e) The Division provides administrative and budget preparation assistance to the New Jersey Fireman's Home in Boonton.

10:112-1.2 Responsibilities and Goals of the Division

(a) The Divisions several functions include, but are not limited to:

1. Upgrading the services provided to the State's veterans and their dependents;

2. Coordinating services with the Veterans Service Council and the Veterans Facilities Council, which act in an advisory council;

3. Maintaining facilities in an acceptable and professional manner licensed by, and consistent with the New Jersey State Health Department standards and at a reasonable cost;

4. Complying with federal and state Veterans Administration standards and regulations;

5. Assisting veterans and their dependents to secure through the Bureau of Veterans Services, state and federal benefits including pension, insurance, civil service veterans preference, state property tax exemptions, educational and disability grants and financial aid.

Proposed: January 3, 1984, at 16 N.J.R. 29(a).

Adopted: February 14, 1984 by John F. Vassallo, Jr., Director, Division of Alcoholic Beverage Control.

Filed: February 14, 1984, as R.1984 d.51, without change.

Authority: N.J.S.A 33:1-3, 33:1-12, 33:1-23, 33:1-24, 33:1-25.1, 33:1-26.1, 33:1-28, 33:1-35, 33:1-39, 33:1-39.2, 33:1-74, 33:1-77, 33:1-88, and 33:1-93.

Effective Date: February 14, 1984.

Expiration Date pursuant to Executive Order No. 66(1978): February 14, 1989.

Summary of Public Comments and Agency Responses:

Opportunity was afforded by the Notice of Proposal for interested persons to submit in writing, data, views or arguments relevant to the proposed regulation on or before February 3, 1984, and, pursuant thereto, two letters were received. Both letters concerned N.J.A.C. 13:2-23.6(a)1, which prohibits any licensee from engaging in or allowing, permitting or suffering in or upon the licensed premises any lewdness or immoral activity. One letter was sent by Louis E. Granata, Esq., on behalf of an Association of Tavern Owners and Innkeepers, and the other letter, virtually identical in wording to the first, was sent by Debra Marzoli, Executive Secretary, East Coast Entertainment, a newly formed corporation, the primary purpose of which is booking male and female dancers for Go-Go clubs throughout New Jersey.

The comment addressed in both letters went to a complaint that N.J.A.C. 13:2-23.6(a) is vague and does not provide adequate notice of what the Director considers lewd and immoral. The comments urged either public meetings concerning the standard of decency issue or drafting a clear, unambiguous standard which will clearly state what is lewd and immoral.

The Director responded to the writers of both comments acknowledging them and pointing out that the Courts have consistently upheld the validity of the regulation without finding it vague or uncertain. It was further pointed out that the regulation in its present form allows for no loopholes, and if any licensee has any question regarding activity being covered by the regulation, an opinion is available from the Division, just as with many other regulations. The responses additionally pointed out that the Division will continue to review specific portions of N.J.A.C. 13:2-23 and will propose amendments as warranted.

Full text of the readoption can be found in the New Jersey Administrative Code at N.J.A.C. 13:2-23.1 to N.J.A.C. 13:2-23.32, as amended in the New Jersey Register.

ENERGY

Proposed: January 3, 1984 at 16 N.J.R. 31(a).
Adopted: February 9, 1984 by John F. Vassallo, Jr.,
Director, Division of Alcoholic Beverage Control.
Filed: February 14, 1984, as R.1984 d.50, **without
change.**

Authority: N.J.S.A. 33:1-39, N.J.S.A. 33:1-39.1.

Effective Date: March 5, 1984.
Expiration Date pursuant to Executive Order No.
66(1978): April 12, 1984.

Summary of Public Comments and Agency Responses:

The only comment received was from Edward L. Miles, Director, State Affairs, Anheuser-Busch Companies, Inc., One Busch Place, St. Louis, Missouri. Mr. Miles wrote that Anheuser-Busch, Inc. strongly supported the proposed regulation, which is beneficial in that it avoids any potential confusion for consumers who would be confronted with deposit labelled beer in a non-deposit state. The comment also expressed a belief that the proposed regulation will not in any way diminish the availability of products in New Jersey nor will it limit the choices now available to New Jersey consumers. No response was made.

Full text of the adopted rule follows.

SUBCHAPTER 27. LABELING AND STANDARDS OF FILL; DEPOSIT MARKED CON- TAINERS

13:2-27.2 Deposit marked containers

No manufacturer, supplier, importer, brand registrant, wholesale or retail licensee or permittee shall sell, distribute or market for resale to a consumer in New Jersey or purchase for resale to a consumer in New Jersey any alcoholic beverage product packaged in a bottle or can marked for deposit of another state.

CHAPTER 4 TECHNICAL SUFFICIENCY STANDARDS FOR SOLAR ENERGY SYSTEMS FOR THE PURPOSE OF QUALIFYING FOR A PROPERTY TAX EXEMPTION

SUBCHAPTER 1. GENERAL PROVISIONS

...

14A:4-1.3 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

“Active system” means a solar energy system which converts solar radiation into thermal energy, and mechanically transfers the energy through the use of pumps and fans for the purpose of heating, cooling or general energy needs of a building.

“Administrator” means the Commissioner of the Department of Energy or his designee.

“Building” means any residential, commercial, or industrial structure.

“Collector” means a device that collects, absorbs and converts solar radiation into thermal energy and commonly includes glazing and/or other optical elements.

“Collector kit” means a collector supplied unassembled to the end user that includes all the component parts necessary to assemble the collector.

“Cost” means the purchase price and the cost of construction or installation.

“Direct gain” means the transmission of solar radiation directly into the space to be heated wherein the solar radiation is converted to thermal energy by absorption into the interior surfaces.

“Distribution system” means that portion of a solar energy system which transfers thermal energy from the point of collection, through pipes or ducts and/or, from the point of collection to end-use, and where applicable includes a fan and/or pump, reverse flow protection, and an automatic air-purging valve.

“Eligible” means that a system or component thereof qualifies for an exemption pursuant to N.J.A.C. 14A:4-2.1.

“Glazing” means a transparent or translucent material which transmits solar radiation and minimizes loss of thermal energy, including glass, fiberglass, plastics and window films.

“Hybrid system” means a solar energy system that combines passive and active characteristics.

“Insulating device” means a fixed or movable exterior or interior device which prevents loss of thermal energy at night and in cold weather through glazing or vents, including insulating shutters, thermal curtains, window films and glazing.

“Passive system” means a solar energy system which utilizes natural convection or thermal radiation to maximize

gains of thermal energy for heating and to minimize gains of thermal energy for cooling.

"Photovoltaic cell" means a device which converts solar radiation to electrical energy.

"Shading device" means a device which prevents direct solar gain, including overhangs, shades, and window films.

"Site-built collector" means a collector which must be assembled on-site and is not supplied as a collector kit.

"Solar domestic hot water system" means a system which converts solar radiation into thermal energy for the purpose of heating potable water.

"Solar energy" means energy which has recently originated in the sun, including direct and indirect solar radiation and intermediate solar energy from sources such as wind and sea thermal gradients.

"Solar energy system" means a system or component thereof which uses solar energy to provide all or a portion of the heating, cooling or general energy needs of a building.

"Storage device" means a device which stores solar energy.

"Sunspace" means a collector that also serves as a living space, including a sunroom, solarium, atrium, attached greenhouse and Florida room.

"Thermal storage wall" means a wall of massive material, such as masonry or water in containers, placed between the glazing and the heated space, including a trombe wall and water wall.

"Wind system" means a device which converts wind energy into usable electrical or mechanical energy.

SUBCHAPTER 2. ELIGIBILITY CRITERIA

14A:4-2.1 Eligible solar energy systems

(a) The following solar energy systems shall be eligible for an exemption from property taxes. The exemption shall be for 100 percent of the tax due on the cost unless stated otherwise.

1. Passive and hybrid systems of the following types, provided that the systems generate a net positive gain of thermal energy for heating and a net loss of thermal energy for cooling in the building.

i. Sunspace and direct gain devices. The following components shall be eligible, provided that the sunspace or direct gain device contains, at a minimum, (1) through (5) below:

- (1) South facing glazing;
- (2) Distribution systems;
- (3) Insulating devices having an R value of 4.0 or greater;
- (4) Shading devices;
- (5) Storage devices, including:
 - (A) Thermal storage walls.

(I) Load bearing thermal storage walls shall be eligible for an exemption for 50 percent of the tax due on the cost.

(II) Non-load bearing thermal storage walls shall be eligible for an exemption of the tax due on the cost thereof in accordance with the formula two square feet of slab for every one square foot of south facing glazing, not to exceed the wall area of the sunspace or room in which the direct gain device is located;

or

(B) Mass floors. Such floors shall be eligible for an exemption of the tax due on the cost thereof in accordance with the formula two square feet of slab for every one square foot of south facing glazing, not to exceed the floor area of the sunspace or room in which the direct gain device is located.

(6) Equipment used solely as bracing or fastening for south facing glazing;

(7) Skylights and roof glazing.

2. Active systems and solar domestic hot water systems of the following types:

i. Collectors.

(1) Commercially manufactured collectors which meet the standards set by a nationally-recognized testing organization, such as the Air-conditioning and Refrigeration Institute (ARI); Solar Rating and Certification Corporation (SRCC); Florida Solar Energy Center (FSEC); or International Association of Plumbing and Mechanical Officials (IAPMO).

(2) Collector kits which meet the standards specified in (a)2i(1) above.

ii. Distribution systems;

iii. Storage devices.

3. Solar electric generating systems of the following types:

- i. Photovoltaic cells, including mounting racks, arrays, wires, batteries, meters, switches, miscellaneous electrical equipment and other devices required for the installation.

4. Wind systems: The following components shall be eligible:

i. Structural parts, including towers and supporting pads;

ii. Electrical equipment, including alternators, generators, inverters, meters, batteries, controls and circuits;

iii. Mechanical equipment, including gearboxes, heads, transmissions, pumps, and shafts;

iv. Interconnecting devices, including wire and conduits used to connect the wind system to the electric service panel, and equipment required to complete the installation and interconnection of the wind system to the utility.

14A:4-2.2 Ineligible equipment

(a) The following shall not be considered eligible for an exemption from property taxes:

1.-4. (No change in text.)

5. Devices such as draperies, venetian blinds, and curtains which are not part of the solar energy system and do not meet the definition of insulating devices and/or shading devices pursuant to N.J.A.C. 14A:4-1.3;

6. Heat pumps and other refrigerators;

7. Devices used to extract and store heat generated by organic waste piles;

8. Trees, shrubbery, and other forms of vegetation;

14A:4-2.3 Determination by administrator

(a) If a solar energy system is neither specifically eligible nor ineligible for exemption, or if eligibility is in dispute, or in the case of site-built collectors, the Administrator shall examine said system to determine its eligibility.

1.-5. (No change in text.)

(a)

THE COMMISSIONER

Technical Sufficiency Standards for Solar Energy Systems Qualifications for Sales and Use Tax Exemptions

Adopted Amendments: N.J.A.C. 14A:5-1.3, 2.1, 2.2, 2.3

Proposed: January 3, 1984 at 16 N.J.R. 37(a).

Adopted: February 7, 1984 by Leonard S. Coleman, Jr., Commissioner, Department of Energy.
 Filed: February 15, 1984 as R.1984 d.52, **without change.**

Authority: N.J.S.A. 54:4-3.113 et seq., as amended by L.1983, c.44, and 54:32B-8.33.

Effective Date: March 5, 1984.
 Expiration Date pursuant to Executive Order No. 66(1978): October 19, 1988.
 DOE Docket No. 002-84-01.

Summary of Public Comments and Agency Responses:
No comments received.

CHAPTER 5
 TECHNICAL SUFFICIENCY STANDARDS
 FOR SOLAR ENERGY
 SYSTEMS FOR THE PURPOSE OF
 QUALIFYING FOR A SALES AND
 USE TAX EXEMPTION

SUBCHAPTER 1. GENERAL PROVISIONS

14A:5-1.3 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

“Active system” means a solar energy system which converts solar radiation into thermal energy, and mechanically transfers the energy through the use of pumps and fans for the purpose of heating, cooling or general energy needs of a building.

“Administrator” means the Commissioner of the Department of Energy or his designee.

“Building” means any residential, commercial, or industrial structure.

“Collector” means a device that collects, absorbs and converts solar radiation into thermal energy and commonly includes glazing and/or other optical elements.

“Collector kit” means a collector supplied unassembled to the end user that includes all the component parts necessary to assemble the collector.

“Cost” means the purchase price.

“Direct gain” means the transmission of solar radiation directly into the space to be heated wherein the solar radiation is converted to thermal energy by absorption into the interior surfaces.

“Distribution system” means that portion of a solar energy system which transfers thermal energy from the point of collection, through pipes or ducts and/or, from the point of collection to end-use, and where applicable includes a fan and/or pump, reverse flow protection, and an automatic air-purging valve.

“Eligible” means that a system or component thereof qualifies for an exemption pursuant to N.J.A.C. 14A:5-2.1.

“Glazing” means a transparent or translucent material which transmits solar radiation and minimizes loss of thermal energy, including glass, fiberglass, plastics and window films.

“Insulating device” means a fixed or movable exterior or interior device which prevents loss of thermal energy at night

and in cold weather through glazing or vents, including insulating shutters, thermal curtains, window films and glazing.

“Passive system” means a solar energy system which utilizes natural convection or thermal radiation to maximize gains of thermal energy for heating and to minimize gains of thermal energy for cooling.

“Photovoltaic cell” means a device which converts solar radiation to electrical energy.

“Shading device” means a device which prevents direct solar gain, including overhangs, shades, and window films.

“Site-built collector” means a collector which must be assembled on-site and is not supplied as a collector kit.

“Solar domestic hot water system” means a system which converts solar radiation into thermal energy for the purpose of heating portable water.

“Solar energy” means energy which has recently originated in the sun, including direct and indirect solar radiation and intermediate solar energy from sources such as wind and sea thermal gradients.

“Solar energy system” means a system or component thereof which uses solar energy to provide all or a portion of the heating, cooling or general energy needs of a building.

...

“Storage device” means a device which stores solar energy.

“Sunspace” means a collector that also serves as a living space, including a sunroom, solarium, atrium, attached greenhouse and Florida room.

“Thermal storage wall” means a wall of massive material, such as masonry or water in containers, placed between the glazing and the heated space, including a trombe wall and water wall.

“Wind system” means a device which converts wind energy into usable electrical or mechanical energy.

SUBCHAPTER 2. ELIGIBILITY CRITERIA

14A:5-2.1 Eligible solar energy systems

(a) The following solar energy systems shall be eligible for an exemption from sales and use taxes. The exemption shall be for 100 percent of the tax due on the cost unless stated otherwise.

1. Passive and hybrid systems of the following types, provided that the systems generate a net positive gain of thermal energy for heating and a net loss of thermal energy for cooling in the building.

i. Sunspaces and direct gain devices: The following components shall be eligible, provided that the sunspace or direct gain device contains, at a minimum, (a)1i(1) through (5) below:

- (1) South facing glazing;
- (2) Distribution systems;
- (3) Insulating devices having an R value of 4.0 or greater;
- (4) Shading devices;
- (5) Storage devices, including:
 - (A) Thermal storage walls.

(I) Load bearing thermal storage walls shall be eligible for an exemption for 50 percent of the tax due on the cost.

(II) Non-load bearing thermal storage walls shall be eligible for an exemption of the tax due on the cost thereof in accordance with the formula two square feet of slab for every one square foot of south facing glazing, not to exceed the wall area of the sunspace or room in which the direct gain device is located; or

(B) Mass floors. Such floors shall be eligible for an exemption of the tax due on the cost thereof in accordance with the

formula two square feet of slab for every one square foot of south facing glazing, not to exceed the floor area of the sunspace or room in which the direct gain device is located.

(6) Equipment used solely as bracing or fastening for south facing glazing.

(7) Skylights and roof glazing.

2. Active systems and solar domestic hot water systems of the following types:

i. Collectors:

(1) Commercially manufactured collectors which meet the standards set by a nationally recognized testing organization, such as the Air-conditioning and Refrigeration Institute (ARI); Solar Rating and Certification Corporation (SRCC); Florida Solar Energy Center (FSEC); or International Association of Plumbing and Mechanical Officials (IAPMO).

(2) Collector kits which meet the standards specified in (a)2i(1) above.

ii. Distribution systems;

iii. Storage devices.

3. Solar electric generating systems of the following types:

i. Photovoltaic cells, including mounting racks, arrays, wires, batteries, meters, switches, miscellaneous electrical equipment and other devices required for the installation.

4. Wind systems: The following components shall be eligible:

i. Structural parts, including towers and supporting pads;

ii. Electrical equipment, including alternators, generators, inverters, meters, batteries, controls and circuits;

iii. Mechanical equipment, including gearboxes, heads, transmissions, pumps, and shafts;

iv. Interconnecting devices, including wire and conduits used to connect the wind system to the electric service panel, and equipment required to complete the installation and interconnection of the wind system to the utility.

14A:5-2.2 Ineligible equipment

(a) The following shall not be considered eligible for an exemption from sales and use taxes:

1.-4. (No change in text.)

5. Devices such as draperies, venetian blinds, and curtains which are not part of the solar energy system and do not meet the definition of insulating devices and/or shading devices pursuant to N.J.A.C. 14A:5-1.3.

6. Heat pumps and other refrigerators;

7. Devices used to extract and store heat generated by organic waste piles;

8. Trees, shrubbery, and other forms of vegetation;

14A:5-2.3 Determination by administrator

(a) If a solar energy system is neither specifically eligible nor ineligible for exemption, or if eligibility is in dispute, or in the case of site-built collectors, the Administrator shall examine said system to determine its eligibility.

1.-5. (No change in text.)

OTHER AGENCIES

(a)

CASINO CONTROL COMMISSION

Casino Service Industries License Requirements

Adopted Amendment: N.J.A.C. 19:43-1.2

Proposed: January 3, 1984 at 16 N.J.R. 40(a).

Adopted: February 15, 1984 by Casino Control Commission, Water N. Read, Chairman.

Filed: February 17, 1984 as R.1984 d.55, **without change.**

Authority: N.J.S.A. 5:12-63(c), -69(a) and -92.

Effective Date: March 5, 1984.

Expiration Date pursuant to Executive Order No. 66(1978): May 3, 1984.

**Summary of Public Comments and Agency Responses:
No comments received.**

Full text of the adopted rule follows.

19:43-1.2 License requirements

(a)-(b) (No change in text.)

(c) In determining if a person or enterprise does or will, on a regular or continuing basis, provide goods or services to or otherwise transact business with any casino licensee or casino licensees, their employees or agents, the following factors shall be considered:

1.-7. (No change in text.)

(d) Notwithstanding the provisions of (c) above, persons and enterprises which provide, or imminently will provide, goods or services to, or otherwise transact business with, any casino licensee or casino licensees, their employees or agents shall, unless otherwise determined by the Commission, be deemed to be transacting business on a regular or continuing basis if:

1.-2. (No change in text.)

(e) (No change in text.)

(a)

CASINO CONTROL COMMISSION

Rules of the Games

Craps: Permissible Wagers; Payout Odds

Adopted Amendments: N.J.A.C. 19:47-1.2 and 1.4

Proposed: August 1, 1983 at 15 N.J.R. 1241(a).
 Adopted: February 10, 1984 by Walter N. Read, Chairman, Casino Control Commission.
 Filed: February 14, 1984 as R.1984 d.48, without change.

Authority: N.J.S.A. 5:12-63(c), 69(a), 70(f).

Effective Date: March 5, 1984.
 Expiration Date pursuant to Executive Order No. 66(1978): May 4, 1988.

Summary of Public Comments and Agency Responses:

One comment was received from the Division of Gaming Enforcement. In brief, the Division concurs that the amendments would formalize the "Horn High Bet" as a separate wager and that it would incorporate the placement of bet guidelines in those casinos which do not have craps table layouts with a designated area for "Horn High Bets".

The Casino Control Commission adopted the amendment as proposed.

Full text of the adopted rule follows.

19:47-1.2 Permissible wagers

(a) The following shall constitute the definitions of permissible wagers at the game of craps:

1-18. (No change.)

19. "Horn High Bet" shall mean a wager that may be made at any time which shall win if any one of the totals 2, 3, 11 or 12 is thrown on the roll immediately following placement of such bet and shall lose if any other total is thrown. A Horn High Bet shall be placed in units of five with four units wagered as a Horn Bet and an additional unit wagered on one of the totals 2, 3, 11 or 12. A casino licensee that does not have a designated area on its layouts for the acceptance of a Horn High Bet shall break down the wager into two separate wagers on the "Horn" and one of the totals, 2, 3, 11 or 12.

(b) (No change.)

19:47-1.4 Payout odds

(a)-(b) (No change.)

(c) A Horn Bet and Horn High Bet shall be paid as if they were four separate wagers on 2, 3, 11 and 12.

(d) (No change.)

(b)

CASINO CONTROL COMMISSION

Rules of the Games

Blackjack: Drawing of Additional Cards by Players and Dealers

Adopted Amendment: N.J.A.C. 19:47-2.12

Proposed: August 1, 1983 at 15 N.J.R. 1242(a).
 Adopted: February 10, 1984 by Walter N. Read, Chairman, Casino Control Commission.
 Filed: February 14, 1984 as R.1984 d.49, without change.

Authority: N.J.S.A. 5:12-63(c), 69(a), 70(f).

Effective Date: March 5, 1984.
 Expiration Date pursuant to Executive Order No. 66(1978): May 4, 1988.

Summary of Public Comments and Agency Responses:

One comment was received from Jacques O. Lebel, Director of the Division on Aging. In support of the rule, he indicated that the amendment is reflective of a positive sensitivity to the needs of the gaming public.

The Casino Control Commission adopted the rule as proposed.

Full text of the adopted rule follows.

19:47-2.12 Drawing of additional cards by players and dealers

(a) A player may elect to draw additional cards whenever his point count total is less than 21 except that:

1. A player having Blackjack or a hard or soft total of 21 may not draw additional cards;

2.-3. (No change.)

(b)-(c) (No change.).

HEALTH

(a)

COMMUNITY HEALTH SERVICES

Interim Standards for Ethylene Dibromide (EDB) Residues in Food Products Subject to Recall

Adopted Emergency New Rule and Concurrent Proposal: N.J.A.C. 8:21-2.40

Emergency New Rule Adopted: February 15, 1984 by J. Richard Goldstein, M.D., Commissioner, Department of Health.
 Gubernatorial Approval (N.J.S.A. 52:14B-4(c)): February 17, 1984.
 Emergency New Rule Filed: February 22, 1984 as R.1984 d.60.
 Authority: N.J.S.A. 24:2-1.
 Emergency New Rule Effective Date: February 22, 1984.
 Emergency New Rule Expiration Date: April 23, 1984.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions, and any inquiries about submission and responses, should be addressed to:

Dennis McDonough, Acting Chief
 Food and Milk Program
 Consumer Health Services
 CN 364
 Trenton, NJ 08625

The Department of Health thereafter may adopt this proposal without further notice (see N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

The concurrent proposal is known as PRN 1984-60.

The agency proposal follows:

Summary

Ethylene dibromide (EDB) has been used as a pesticide in the growing, production, processing, and storage of grain, grain-based products, and citrus for many years. Recently information has been made available to the Department that many such products have been contaminated by EDB and may be being offered for sale in this State. Because of a variety of adverse health effects that have been demonstrated in animals exposed to EDB, there is a great concern about EDB's potential for causing serious health problems in humans. The United States Environmental Protection Agency announced an immediate suspension of further use of EDB in

the production of grain products and recommended guidelines to the states for acceptable levels of EDB in foods. In order to minimize the risk of exposure to this substance it is imperative that the levels in food be established that will adequately protect the public's health and for the Department to have the authority to order the recall of food products exceeding these established standards.

Social Impact

The new rule would help in the prevention of additional cancer cases by minimizing the exposure to EDB contaminated food products. It is in the public interest to reduce or eliminate whenever possible causative cancer risk factors while simultaneously minimizing the disruption of the food supply.

Economic Impact

The standards established in the new rule should not severely impact the vast majority of food products sold in this state, but will adequately protect the public from being exposed to elevated dietary levels of EDB. Failure to adopt the rules would result in having the public exposed unduly to high levels of a substance that may significantly increase their long term risk of cancer.

Full text of the emergency new rule and concurrent proposal follows.

8:21-2.40 Maximum tolerance standards for ethylene dibromide (EDB) residues in food products subject to recall

(a) The Department of Health establishes maximum allowable levels of ethylene dibromide residues in the following types of food products:

1. For raw grain intended for human consumption (such as wheat, corn, oats, etc.), ethylene dibromide levels shall not exceed 900 parts per billion;
2. For intermediate level products such as flour, various mixes for preparing baked goods, soft cereals and other products that would normally require cooking before eating, ethylene dibromide levels shall not exceed 150 parts per billion; and,
3. For ready-to-eat products such as cold cereals, snack foods, bread, all baked goods, citrus fruits and vegetables, ethylene dibromide residues shall not exceed 30 parts per billion.

(b) The Commissioner of Health may order manufacturers, distributors, and importers to recall food products, and retailers to remove food products from sale and/or distribution when the Commissioner determines, based upon the test results of food samples analyzed by the Division of Public Health and Environmental Laboratories, that said products exceed the established maximum tolerance levels.

(c) The Department shall provide notice, which may be made initially by oral communication to a responsible representative of the manufacturing firm, distributor, importer or retail establishment. When oral notice is given to a manufacturer, distributor or importer to recall a food product, it shall

be followed by written confirmation. Failure to receive written confirmation shall not relieve the manufacturer, distributor or importer of the obligation to recall the food product, after the Department has given oral notice. The written confirmation shall include: the identity of the product; the lot or code number or any other information which may be useful in identifying the specific product being recalled; the reason for the recall or removal of the product; and any further instructions as may be deemed necessary by the Department.

(d) The recalling manufacturer, distributor or importer shall take all necessary action to immediately notify their direct accounts and shall request, and shall follow through on, notification to all consignees of the direct accounts.

1. The recalling firm shall provide the Department no later than five days from receipt of written confirmation, a copy of the recall notification sent to all their direct accounts and, when requested by the Department, a listing of these direct accounts.

2. The list of direct accounts shall be considered confidential information and shall not be released to anyone other than authorized agents or representatives of the Department for purposes of conducting a recall effectiveness check.

TRANSPORTATION

(a)

LOCAL AID

New Jersey Bridge Rehabilitation and Improvement Fund State Aid to Counties and Municipalities Adopted Emergency New Rule and Concurrent Proposal: N.J.A.C. 16:21A

Emergency New Rule Adopted: February 6, 1984 by John P. Sheridan, Jr., Commissioner, Department of Transportation.

Gubernatorial Approval (see N.J.S.A. 52:14B-4(c)): February 24, 1984.

Emergency New Rule Filed: February 27, 1984 as R.1984 d.64.

Authority: N.J.S.A. 27:1A-5, 27:1A-6, 27:7-13, 27:7-47, 27:13-1 et seq., and the New Jersey Bridge Rehabilitation and Improvement Bond Act of 1983, L. 1983, c.363.

Emergency New Rule Effective Date: February 27, 1984.

Emergency New Rule Expiration Date: April 30, 1984.

Interested persons may submit in writing data, views or arguments relevant to the proposal on or before April 5, 1984. These submissions, and any inquiries about submissions and responses, should be addressed to:

Mr. Charles L. Meyers
Administrative Practice Office
Department of Transportation
1035 Parkway Avenue
CN 600
Trenton, New Jersey 08625

Summary

John P. Sheridan, Jr., Commissioner, Department of Transportation, under authority of N.J.S.A. 27:1A-1 et seq., and in particular N.J.S.A. 27:1A-5, 27:1A-6, 27:7-13, 27:7-47, 27:13-1 et seq., and authority granted the Commissioner by the Senate Bill No. 3091, L. 1983 c.363 October 4, 1983, cited as the "New Jersey Bridge Rehabilitation and Improvement Bond Act of 1983," has adopted emergency rule N.J.A.C. 16:21A, establishing State Aid to Counties and Municipalities for the rehabilitation and improvement of bridges. Concurrently these same rules are proposed for re adoption on a non-emergent basis. The concurrent proposal is known as PRN 1984-149.

The Department of Transportation in compliance with the provisions of the Bond Act and applicable regulations must ensure and maintain a safe and reliable transportation system. Additionally, a safe and reliable system of rail and road transportation is essential to the well being of the citizens and the economy of the State. The State's system is one of the busiest in the world and provides a corridor for goods and passengers to and from not only the northeast, but to and from distant points in other regions of our nation. A large majority of commuters rely daily on the State's railroads for transportation to and from their places of employment. Due to the destructive effect of the elements, the structural pressures of regular usage, and significant material deterioration stemming from a lack of regular maintenance in recent decades, bridges in the State rail and road system are desperately in need of rehabilitation and improvement. It is in the public interest, and a wholly valid and essential public purpose, to rehabilitate and improve bridges in the State's rail and road system.

The rehabilitation and improvement of bridges in the State's rail and road system are critical to preserve the stability and continuity of an efficient highway and rail system, and the enhancement of public safety and interest.

Therefore, to meet the emergent demands created by the effects of the elements, structural pressures of regular usage, and significant material deterioration of the bridges in the State, these rules have been adopted as emergency rules. Counties and Municipalities could suffer substantial monetary loss from the delay caused by the normal rulemaking process.

Social Impact

These new rules will provide a source of added revenues to the State and local government in the rehabilitation and improvement of bridges. The rules will also assist in providing a safe and reliable system of rail and road transportation which is essential to the well being of the citizens and the economy of the State.

Economic Impact

The Department and local government will incur direct and indirect cost for its workforce in the processing of plans and specifications, cost of engineering, contractual agreements and cost sharing regarding the specific rehabilitation or improvement project.

Full text of the adopted new rule and concurrent proposal follows.

CHAPTER 21A NEW JERSEY BRIDGE REHABILITATION AND IMPROVEMENT FUND: STATE AID TO COUNTIES AND MUNICIPALITIES

SUBCHAPTER 1. GENERAL PROVISIONS

16:21A-1.1 Appropriation of Funds

1983 Bond Issue Funds are appropriated by the Legislature as the State's share of the cost for the construction, reconstruction, replacement, improvement, repair or rebuilding of bridges carrying county or municipal roads, including railroad overhead bridges.

16:21A-1.2 Definitions

"Railroad overhead bridge" means any bridge or passage carrying a county or municipal road over and across a railroad, subway, or street, traction, or electric railway, or over and across the right-of-way of such a railroad, subway or railway.

1. This definition does not include bridges over and across a railroad or electric railway operated by the State, the State Department of Transportation or the NJ Transit Corporation unless otherwise stated to the contrary.

2. A bridge is defined as a structure having a minimum span of 20 feet.

16:21A-1.3 Standards

(a) The proposed bridge improvement projects shall conform to the design criteria of the appropriate American Association of State Highway and Transportation Officials publication listed below. Any exceptions to these design criteria must be justified by the local engineer to be in the public interest.

1. Geometric Design Guide for Resurfacing, Restoration and Rehabilitation (R-R-R) of Streets;
2. A Policy on Geometric Design of Rural Highways;
3. A Policy on Arterial Highways in Urban Areas;
4. Geometric Design Guide for Local Roads and Streets;
5. Standard Specifications for Highway Bridges.

(b) All workmanship and materials shall conform with the New Jersey State Department of Transportation Standard Specifications for Road and Bridge Construction.

16:21A-1.4 Applications and Agreements

(a) Each county and municipality may submit fully executed applications and agreements for 1983 Bridge Rehabilitation and Improvement Bond Funds to the Local Aid district office.

(b) Application and agreement forms are available to the local government at the district offices.

16:21A-1.5 Procedure

(a) The application and agreement provides for an engineering description of the existing road and bridge and the description of the proposed improvement indicating the length of span, proposed load limit, right-of-way width, paved and graded widths, shoulder widths, type and depth of proposed pavement and an estimate of the cost of the proposed work for both the bridge and approach roadways. The district offices shall make a field investigation of all projects for which applications have been received.

(b) Applications will be evaluated by a county/municipal Screening Committee and staff of the New Jersey Department of Transportation appointed by the Commissioner of Transportation. Recommendations will be presented to the Commissioner of Transportation for Consideration.

SUBCHAPTER 2. PLANS AND SPECIFICATIONS

16:21A-2.1 Local Government Responsibility

(a) The local government shall be responsible for engaging a professional engineer registered in the State of New Jersey to prepare construction plans and specifications and to provide construction engineering and inspection and material testing as required.

(b) The local government will provide such maps, reports, construction plans and specifications and contract documents as may be required by the State.

SUBCHAPTER 3. CONTRACTS

16:21A-3.1 Award of Contract

(a) The local government will advertise and award the contract, subject to the approval of the State, in accordance with the provisions of Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq.

(b) Within 10 days, or such longer period as the Local Aid district office will approve, following the receipt of construction bids, the local government shall submit the following to the Local Aid district office:

1. Two copies of the contract plans and specifications;
2. Two copies of the engineer's estimate of cost;
3. Two copies of the summary of construction bids;
4. A resolution awarding the contract to the lowest responsible bidder, subject to the approval of the Department.

(c) When all information relative to the bidding has been approved by the State, the local government shall be advised of the approval of the award of contract.

16:21A-3.2 Contract Completion and Payment

(a) When all work has been completed satisfactorily, the local government will prepare and submit to the Local Aid district office, the following:

1. A statement of the work performed, certified by the municipal/county engineer, for acceptance and approval of the completed work.
2. A certification by the county/municipal auditor that the project's records have been examined and all expenditures are supported by valid documentation.
3. A request for reimbursement by the State, on vouchers to be supplied by the State.

(b) After a final inspection of the completed work by the State and a determination has been made by audit that all documents are in proper order, action shall be taken to reimburse the county/municipality.

(c) The county/municipality shall maintain complete documentation of the project for a period of three years after receiving reimbursement by the State. An evaluation of the acceptability of the work by the Department and a determination of the extent of State participation in the cost thereof, will be based on an inspection of the completed project and a review of the documentation maintained by the county/municipality.

SUBCHAPTER 4. STATE PARTICIPATION IN COST

16:21A-4.1 Cost of Construction

(a) With respect to those bridges which carry county or municipal roads which are constructed, owned, or maintained by a county or municipality, the State participation shall not exceed 80 percent of the eligible cost of the completed rehabilitation and improvement work.

(b) With respect to those railroad overhead bridges which carry county or municipal roads and which are not constructed, owned, or maintained by the State, county or municipality, the State shall defray 55 percent of the cost, the local government 20 percent, and the railroad company over whose tracks or right-of-way the bridges cross 25 percent.

(c) With respect to those railroad overhead bridges which carry county or municipal roads and whose ownership is not determined or is in doubt, the State participation shall not exceed 80 percent of the eligible cost of the completed rehabilitation and improvement work.

(d) With respect to those railroad overhead bridges over and across a railroad or electric railway operated by the State, the State Department of Transportation or the NJ Transit Corporation, the State shall defray the cost rehabilitation and improvement.

(e) Eligible items of work include the construction, reconstruction, improvement, rehabilitation, relocation, renewal, establishment, elimination or repair of bridges.

16:21A-4.2 Cost of Right-of-Way Acquisition

(a) Projects may be eligible for State participation in real estate purchase price costs provided:

1. The county or municipality shall make application to the State including an adequate parcel map depicting any additional properties necessary for a particular project and also secure advance Right of Way program authorization.

2. Upon State approval of the parcel map and Right of Way participation program authorization, the county or municipality shall submit appraisals of the individual parcels to be acquired on appraisal forms provided by the Department of Transportation prepared in accordance with current standards and procedures of the Division of Right of Way.

(b) In the case of property of one ownership that has an estimated value not in excess of \$50,000, one fee appraisal will be required. In the case of all property ownerships estimated in excess of \$50,000, two fee appraisals will be required.

(c) Qualifications of fee appraisers shall be in accordance with standard State Department of Transportation Right of Way procedures utilized for prequalifying appraisers. Appraisers not able to prequalify as per standard procedures shall not be approved for use in appraising for participation purposes.

1. Prior to the institution of negotiations, appraisals shall be submitted to the State for review and fair market value certification and registration.

(d) Negotiations conducted on behalf of the county or municipality shall be persons independent of appraisal responsibility. Negotiations shall be in accordance with statutory Eminent Domain requirements, N.J.S.A. 20:3-6. If Relocation Assistance is involved, Relocation Assistance shall be provided in accordance with prevailing statutes.

(e) Upon county or municipality counsel certification that good and proper title has been acquired to a particular parcel, the State shall participate on a reimbursement basis with the concerned county or municipality in purchase prices not substantially in excess of the approved and registered fair market value.

1. Where properties are acquired by condemnations and compensation is determined by the Condemnation Commission or the Court, the State will participate in the proportionate share of the amount ultimately awarded in condemnation.

(f) The extent of Right of Way purchase price cost participation will be governed by the classification of bridges as outlined under cost of construction, N.J.A.C. 16:21A-4.1.

1. Reimbursement claims for Right of Way purchase price participation shall be presented on invoice forms provided by the State accompanied by satisfactory evidence of attainment of legal ownership of property by the county or municipality.

16:21A-4.3 Cost of Engineering, Inspection and Construction Supervision

(a) The State will participate in the cost of engineering accomplished by either a consultant engaged by the county/municipality or by its full-time engineering staff. The extent of State participation will be governed by the classification of bridges as outlined under cost of construction, N.J.A.C. 16:21A-4.1. Prior approval of the State's participation in the cost of engineering fees shall be obtained before any engineering services are performed.

(b) Local government desiring State participation in the cost of engineering shall submit to the Department of Transportation a list of the scope of services to be performed by the engineer. The State shall participate in accordance with the percentage range as outlined in the current policy and procedure of the Department concerning engineering fees.

(c) Payment for engineering fees shall be made on a reimbursement basis. Claims shall be presented on forms provided by the State.

(d) The State shall also participate in the cost of inspection and construction supervision including the necessary material testing. The extent of State participation will be governed by the classification of bridges as outlined under cost of construction, N.J.A.C. 16:21A-4.1. The State shall participate in accordance with the percentage range as outlined in the current policy and procedure of the Department concerning inspection and construction supervision fees.

16:21A-4.4 Emergency Bridge Projects

The New Jersey Department of Transportation will evaluate applications received from municipalities and counties throughout the State for projects of an emergency nature. The rapid construction, reconstruction, or rehabilitation of projects of this type will reduce undue hardships to the traveling public or correct unsafe conditions in a timely fashion. All rules, regulations and procedures included in this Chapter shall pertain except, due to the emergency nature of the projects, applications will not be evaluated by a County/Municipal Screening Committee.

16:21A-4.5 Federally-aided Bridge Projects

(a) At the discretion of the Commissioner of Transportation, funds appropriated may be used for the non-federal share of any federal program which finances the rehabilitation and improvement of bridges. State funds may be used for 80 percent of the required match for the cost of work participated in by the Federal Highway Administration. The remaining 20 percent would be provided by the county or municipality. The State will participate in 80 percent of the cost of work determined to be non-participating by the Federal Highway Administration providing the work is determined by the State to be an integral part of the improvement and in the public interest. The county/municipality will be responsible for 100 percent of the cost of work determined to be non-participating by both the Federal Highway Administration and the State.

(b) All rules, regulations and procedures included in this Chapter pertain to non-federally-aided bridge projects. Federally-aided bridge projects supported in part with monies in the New Jersey Bridge Rehabilitation and Improvement Fund shall be governed by appropriate rules, regulations and standards established for the applicable federal program.

ADDITIONAL PROPOSAL

ENVIRONMENTAL PROTECTION

(a)

DIVISION OF WASTE MANAGEMENT DIVISION OF ENVIRONMENTAL QUALITY

Solid Waste Management Disposal of Asbestos Waste

Proposed Amendments: N.J.A.C. 7:26-1.4, 2.6, 2.10, 2.13, and 3.5

Authorized by: Robert E. Hughey, Commissioner, Department of Environmental Protection.

Authority: N.J.S.A. 13:1B-3, 13:1E-1 et seq., specifically 13:1E-6 and 26:2C-1 et seq., specifically 26:2C-8.

DEP Docket No. 005-84-02.

A **public hearing** concerning this proposal will be held on Wednesday, March 28, 1984 at 10:00 A.M. at the State Library, First Floor Auditorium, 185 West State Street, Trenton, New Jersey.

Interested persons may submit in writing, data, views, or arguments relevant to the proposal on or before April 20, 1984. These submissions, and any inquiries about submissions and responses, should be addressed to:

Susan Savoca
Office of Regulatory Services
Department of Environmental Protection
CN 402
Trenton, New Jersey 08625

At the close of the period for comments, the Department of Environmental Protection may adopt this proposal, with any minor changes not in violation of the rulemaking procedures at N.J.A.C. 1:30-3.5. Upon adoption of these rules, a notice of the adoption shall be published in the Register. The adopted rules shall become effective upon publication of that notice of adoption in the Register.

This proposal is known as PRN 1984-113. The agency proposal follows:

Summary

The Department of Environmental Protection is proposing amendments to its regulations in order to enforce those portions of the National Emission Standards for Hazardous Air Pollutants ("NESHAPS") which deal with asbestos waste disposal.

On April 8, 1973 (38 FR 8826), the United States Environmental Protection Agency ("U.S. EPA") promulgated national emission standards for asbestos (40 CFR 61) pursuant

to Section 112 of the federal Clean Air Act, as amended in 1970 (42 U.S.C. 7412). Since 1973, U.S. EPA has revised the NESHAPS for asbestos several times. Section 112(d) of the Clean Air Act allows U.S. EPA to delegate its authority to implement and enforce NESHAPS to states which develop their own NESHAPS procedures and request delegation (42 USC 7412(d)). Where such authority is delegated, U.S. EPA retains concurrent authority to enforce the standards.

On September 30, 1981, the New Jersey Department of Environmental Protection requested that the U.S. EPA delegate its authority to implement and enforce certain categories of NESHAPS, including the asbestos requirements. U.S. EPA subsequently determined that the delegation should be granted and on October 18, 1982 a Notice of Delegation of Authority appeared in the Federal Register (47 FR 46276). This delegation grants to the Department the authority which U.S. EPA has to implement and enforce the following NESHAPS regulations:

40 CFR 61.22(c)	(asbestos manufacturing operations)
40 CFR 61.22(e)	(spraying operations)
40 CFR 61.22(h)	(fabricating processes)
40 CFR 61.22(i)	(insulating materials)
40 CFR 61.25	(disposal as it relates to (c), (e), (h), (i))

Although the delegation did not include disposal of waste from asbestos mill operations (40 CFR 61.22(a)) and from demolition and renovation activities (40 CFR 61.22(d)), the Department is proposing to regulate the landfill disposal of these wastes under the statutory authority of the Air Pollution Control Act N.J.S.A. 26:2C and the Solid Waste Management Act, N.J.S.A. 13:1E. Further although the delegation included 40 CFR 61.22(i), this is not an asbestos waste-generating section and is therefore not included in this proposal.

The proposal requires generators to notify the Department in writing at least 10 days prior to disposing of asbestos-containing waste from asbestos mills, asbestos manufacturing operations, demolition and renovation activities, spraying operations, and fabricating processes. The notification will include the identity of the transporter and the disposal location. The Department will impose no specific packaging or handling requirements on the generator, as 40 CFR 61.22 (j) and (k) adequately address this matter.

The generator notification requirement differs from the NESHAPS requirement in two significant ways. First, the federal rules require prior notification only for disposal of demolition and renovation debris (40 CFR 61.22(d)). This proposal requires prior notification of disposal of waste from asbestos mills, asbestos manufacturing operations, spraying operations and fabricating processes, in addition to demolition and renovation debris. Second, the Federal demolition and renovation notification requires EPA notification 10 days prior to commencement of the demolition and renovation activities (40 CFR 61.22(d)(2)), while this proposal requires notification 10 days prior to disposal of the waste generated by these activities.

The proposal makes the collector-hauler responsible for preventing asbestos emissions during transportation. This differs from the Federal rules which place the burden of prevention of air emissions solely on the generator (40 CFR 61.22(j))

and (k)). Transporters are prohibited from accepting and transporting asbestos waste which is not properly packaged. To reduce the possibility of rupture to containers, no intermediate storage or transfer is allowed.

Landfill owners and operators will be required to accept only properly managed waste and to dispose of it in a manner that will prevent visible emissions. Again, this proposal differs from the Federal rules which place the burden of proper disposal solely on the generator (40 CFR 61.22 (j) and (k)). The management requirements are based on 40 CFR 61 and include, generally, wetting and bagging. An exception is made for non-friable asbestos. Disposal is allowed only in the working face of a landfill in an excavated area so that, when buried, there will be three feet of cover between the top of the disposed waste and the working face. The three feet of cover in addition to the cover requirements of N.J.A.C. 7:26-2.5 is considered necessary so as to minimize the risk of container breakage due to heavy vehicle traffic at the working face. Landfills will also be required to maintain a separate daily record of all incoming asbestos waste and to submit it to the Department on a monthly basis.

If properly managed in accordance with the packaging requirements, the waste is classified as ID 27, Dry Industrial Waste, and can be disposed of at any sanitary landfill authorized to accept ID 27 waste.

Social Impact

The proposed amendments will include in the regulatory scheme the Department's long-standing policy regarding the disposal of asbestos waste in sanitary landfills. As it is based on Federal rules, additional but consistent requirements are contained therein. The burden of responsibility is expanded to fall on transporters and landfill owners/operators, as well as on the generator.

The generator notification and the landfill operating record requirements will enable the Department to obtain data regarding the amount and disposal patterns of asbestos waste in New Jersey.

Economic Impact

Generators and collector-haulers are expected to experience little economic impact from the proposal.

Landfill owners and operators may experience an increase in disposal costs due to the increased cover requirements. The additional cost is considered to be justified when compared to the health and environmental benefit that will accrue. Owners and operators who incur additional costs may petition the Board of Public Utilities for a rate increase to cover those costs.

Environmental Impact

Asbestos has long been considered an environmental factor in the cause of certain illnesses and thus a health risk to those who are exposed to asbestos fibers in the air. Unless it is properly contained, asbestos can easily break into a dust of tiny fibers. These fibers float in the air and can easily be inhaled or swallowed. Once the fibers enter the body, disease (such as asbestosis, cancer, and mesothelioma) may result. Asbestos fibers remain in the body indefinitely. For these reasons, this proposal reflects the Department's concern with minimizing the environmental contamination associated with uncontained asbestos.

Full text of the proposal follows (additions indicated in boldface thus; deletions indicated in brackets [thus]).

7:26-1.4 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

...
"Asbestos" means actinolite, amosite, anthophyllite, chrysotile, crocidolite, and tremolite.

...
"Asbestos-containing waste" means any solid waste which contains any variety of asbestos which is produced by extracting asbestos from asbestos ore and is generated by a source subject to 40 CFR 61.22(a), 61.22(c), 61.22(d), 61.22(e), and 61.22(h).

...
"Non-friable asbestos-containing waste" means waste that contains one percent or less asbestos by weight and that cannot be crumbled, pulverized, or reduced to powder, when dry, by hand pressure.

...

7:26-2.6 Sanitary landfill operational requirements (Specific)

(a)-(d) (No change.)

(e) Rules concerning the disposal of asbestos and asbestos-containing waste in sanitary landfills follow:

1. The owner or operator of a sanitary landfill may accept and dispose of asbestos and asbestos-containing waste which has been managed in the following manner:

i. Asbestos and asbestos-containing waste originating from sources subject to 40 CFR 61.22(c), (d), (e) and (h), except air pollution control device asbestos waste, shall have been sufficiently mixed or coated with water or an aqueous solution and sealed into leak-tight containers (such as 6 mil. plastic bags) while wet. The containers shall have been permanently sealed and labeled with a warning label that states:

CAUTION
Contains Asbestos
Avoid Opening or
Breaking Container
Breathing Asbestos is Hazardous
to Your Health

Alternatively, warning labels specified by Occupational Safety and Health Standards of the United States Department of Labor, Occupational Safety and Health Administration under 29 CFR 1910.93a(g)2ii may be used;

ii. Air pollution control device asbestos waste originating from sources subject to 40 CFR 61.22(c), (d), (e) and (h) shall have been thoroughly mixed with water into a slurry and sealed into leak-tight containers (such as 6 mil. plastic bags) while wet. The containers shall have been permanently sealed and labeled in accordance with (e)1i, above;

iii. In lieu of the requirements of (e)1i, and (e)1ii above, the asbestos and asbestos-containing waste shall have been formed into non-friable pellets or other shapes.

iv. All asbestos and asbestos-containing waste from asbestos mills subject to 40 CFR 61.22(a), shall have been adequately mixed with a wetting agent recommended by the manufacturer of the wetting agent to effectively wet asbestos mill dust and asbestos mill tailings and sealed into leak-tight containers (such as

6 mil. plastic bags) while wet. The containers shall be permanently sealed and labeled in accordance with (e)1i, above.

2. All asbestos and asbestos-containing waste accepted for disposal at a sanitary landfill shall be disposed of in the following manner:
 - i. Upon acceptance of the waste, a separate excavation immediately shall be prepared in the working face of the facility. Said excavation shall be of sufficient width and depth so as to allow the asbestos and asbestos-containing waste to be deposited such that a minimum of three (3) feet buffer exists between the top layer of the waste deposited and the top of the excavated site.
 - ii. The asbestos and asbestos-containing waste shall be deposited in the excavation and the area immediately shall be covered with three (3) feet of earth or other cover material in a manner that prevents the rupture of the containers during burying operations. This requirement is in addition to the cover requirements of N.J.A.C. 7:26-2.5.
3. Acceptance of asbestos or asbestos-containing waste at a sanitary landfill for disposal shall be in accordance with the waste flow requirements of N.J.A.C. 7:26-6.
4. There shall be no visible air emissions during or after acceptance and disposal.

7:26-2.10 Generator requirements for disposal of asbestos and asbestos-containing waste

(a) A generator of asbestos or asbestos-containing waste shall submit a written notification of intent, in accordance with (b), and (c) below, to dispose of waste from asbestos mill operations, asbestos manufacturing operations, demolition and renovation activities, spraying operations, and fabricating processes which are subject to 40 CFR 61.22(a), (c), (d), (e) and (h) at least ten days prior to disposal of said waste.

(b) The written notification required by (a) above shall include:

1. Name, address and telephone number of the generator;
2. Quantity of waste to be disposed;
3. Name, address, N.J.S.W.A. registration number of the collector-hauler;
4. Name and address of the landfill at which disposal will occur; and
5. A copy of any written notification required by 40 CFR 61.20 to 61.25.

(c) The written notification required by (a) above shall be submitted to:

New Jersey Department of Environmental Protection
 Division of Waste Management
 Bureau of Field Operations
 120 Route 156
 Yardville, New Jersey 08620

7:26-2:13 Sanitary landfills; records

(a) Sanitary landfills shall maintain a daily record of wastes received. The record shall include:

- 1.-5. (No change.)
6. In addition to the information required in (a)1 through 5 above, sanitary landfills which accept asbestos and asbestos-containing waste shall:

i. Maintain a separate daily record of the asbestos and asbestos-containing waste received, which shall include:

- (1) Date and time of delivery;
- (2) Identification of the collector-hauler by name and by the N.J.S.W.A. registration number assigned to the collector-hauler;
- (3) Quantity in cubic yards of the waste;
- (4) Name and address of the generator; and
- (5) For rejected shipments, the reason for rejection and disposition of the shipment after rejection; and

ii. On the 15th day of every month, submit a copy of the daily record required by i above covering the asbestos disposal activity of the previous calendar month. The information shall be submitted to:

New Jersey Department of Environmental Protection
 Division of Waste Management
 Bureau of Registration and Permits Administration
 32 East Hanover Street
 Trenton, New Jersey 08625

(b)-(c) (No change.)

(d) Waste identification and definition of solids include the following:

1. Solid wastes; waste ID number and definitions:

i.-v. (No change.)

vi. 27 Dry industrial waste: Waste materials resulting from manufacturing, industrial and research and development processes and operations, and which are not hazardous in accordance with the standards and procedures set forth at N.J.A.C. 7:26-8. Also included are nonhazardous oil spill cleanup waste, dry nonhazardous pesticides, [and] dry nonhazardous chemical waste, and asbestos and asbestos-containing waste managed in accordance with 40 CFR 61 and N.J.A.C. 7:26-2.6.

(e)-(f) (No change.)

7:26-3.5 Collector-hauler requirements (Specific)

(a)-(d) (No change.)

(e) Rules concerning collection/haulage of asbestos and asbestos-containing waste follow:

1. All vehicles used for the collection and/or haulage of asbestos and asbestos-containing waste shall be of such a design so as to prevent any spillage or leakage or emissions therefrom.
2. No collector/hauler shall transport asbestos and/or asbestos-containing waste unless such waste is properly packaged in accordance with 40 CFR 61.22 and N.J.A.C. 7:26-2.6(e). In no case shall loose asbestos or asbestos-containing waste be transported.
3. The asbestos or asbestos-containing waste shall be transported in a manner that prevents the rupture of the asbestos containers in loading, transport, and unloading operations.
4. Asbestos waste shall be transported directly to the disposal facility. No intermediate storage or transfer of such waste is permitted.
5. Transportation and disposal of asbestos-containing waste shall be conducted in accordance with waste flow requirements of N.J.A.C. 7:26-6.
6. There shall be no visible air emissions during loading, transporting, or unloading operations.

HOW TO USE THE TABLE OF CITATIONS

Generally, the key to locating a particular adopted rule is to find, under the appropriate Administrative Code Title, the N.J.A.C. citation of the rule you are researching. If you do not know the exact citation, scan the column of rule descriptions for the subject of your research.

The N.J.A.C. citation itself indicates the extent of the changes to a rule. Every citation includes, at a minimum, the numerical designation of the title and chapter (1:30), and may include subchapter and section designations (1:30-1.1). In general, the less specific the citation, the more extensive the rule change. For example, 1:30 means that much or all of chapter 30 of title 1 has been modified; 1:30-1 means that several sections of subchapter 1 of 1:30 have been revised; and 1:30-1.1 means that only section 1 of 1:30-1 has been changed.

An N.J.A.C. citation that includes several section numbers (1:30-1.1, 1.3, 1.4) or several different subchapter and section numbers (1:30-1.1, 2.1, 4.3) means that similar or related changes have been made to those provisions. Additionally, a citation may designate an entirely new rule rather than an amended one.

In general, each rule is listed separately and chronologically. However, where an adoption notice contained several related rule adoptions or amendments within a single chapter, all of those changes may be under a single entry. Therefore, to be certain that you have found all of the changes to a given rule, be sure to scan the citations above and below that rule to find any entries which might contain related rule adoptions, including the one you are researching.

INDEX OF ADOPTED RULES

The *Index of Adopted Rules* contains rules which have been promulgated subsequent to the most recent update of the New Jersey Administrative Code. **Rules which are being promulgated in this Register, and which appear in the Table of Rules in this issue, do not appear in this index. These rules will appear in next month's Index of Adopted Rules.**

The rules in this index are listed in order of their N.J.A.C. citations. Accompanying the N.J.A.C. citation for each rule is a brief description of the rule's content, the Register citation for its proposal notice, its Office of Administrative Law (OAL) document citation (which should be used if ordering a copy of the rule from OAL), and the Register citation for its adoption. At the bottom of the listing for each Title is the date of the most recent Code update for that Title.

The *Index of Adopted Rules* appears in the first Register of each month, complementing the *Index of Proposed Rules* which appears in the second Register of each month. Together,

these indices make available to a Code and Register subscriber all legally effective rules, and enable the subscriber to keep track of all State agency rulemaking activities from the initial proposal through final promulgation.

For any rule not yet published in a Code update, the full text of the proposal notice as published in the Register, plus the full text of any changes published with the adoption notice in the Register, constitute an official copy of the promulgated rule. If the full text of either the proposed rule or any changes does not appear in the Register, it is available for a fee from:

Administrative Filings
CN 301

Trenton, New Jersey 08625

To be certain that you have a copy of each proposed rule which may have been adopted but which does not yet appear in the most recent Code update, you should retain each Register beginning with December 6, 1979.
