## A History of Care

It started in 1938, when Dorothy Gerber would personally respond to every letter mailed into her with questions. Today, our MyGerber Baby Experts respond to over 800,000 questions each year, always with the same spirit that Dorothy had. We're here for you, whether it's handwritten letters almost 100 years ago or 1:1 video calls today.

Whether it's 2AM insomnia or 7AM fussiness, we're here for you. Our Certified Sleep, Nutrition, and Lactation Consultants are standing by and free to use. Sign up for MyGerber Baby to book a 1:1 video chat with a MyGerber Baby Expert Coach. Never bots, always real experts with real experience.
