GENERAL INFORMATION

I. STREAM ENCROACHMENT (Over-the-Counter-Permit)

(609) 292-4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, CN 401, Trenton, NJ 08625.

II. TREATMENT WORKS (Over-the-Counter-Permit)

(609) 984-4429

DEP has a one-day processing service for "minor" treatment works. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallonege transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer bans, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, CN 401, Trenton, NJ 08625.

MASTER PERMIT INFORMATION APPLICATION

DEP has developed a Master Permit Information Application which, upon completion, will indicate all the DEP permits required for the project. Forms may be obtained by contacting the Office of Business Advocacy (See inside cover for details).

DEP PUBLIC HEARINGS, ADMINISTRATIVE HEARINGS, AND DEP EVENTS OF PUBLIC INTEREST

Public Hearings (Quasi-Legislative) are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest.

Administrative Hearings (Quasi-Judicial) are held between the state and a particular party involving an application, enforcement - violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings and exams.
