

CASH > APP > RIDE

NJ TRANSIT introduces a new cash payment option to expand the convenience and flexibility of the [NJ TRANSIT Mobile App](#). Customers who prefer to use cash or don't have a debit or credit card can now use all of the app's features by loading cash into their MyTransit Wallet to purchase NJ TRANSIT tickets.

How it works

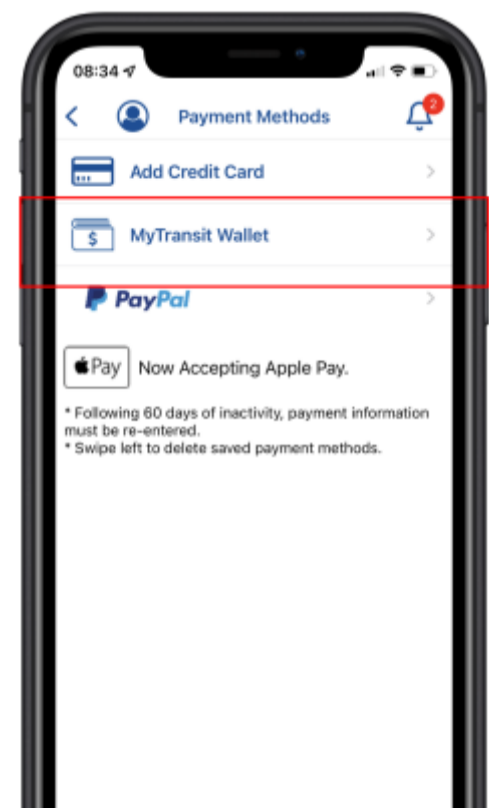

Find a Participating Retailer

You can add cash to your account at over 7,000 payment locations within the greater New Jersey region, including most 7-Eleven, Walgreens and CVS Pharmacy stores. To find a nearby participating retailer, use your location-enabled device from the 'MyTransit Wallet' screen. Participating retail stores are also shown on the website.

Meet MyTransit Wallet!

MyTransit Wallet can be found as a new option within the payment methods section. To reach 'Payment Methods', tap More from the menu at the bottom of the screen or tap the profile icon. You may need to login to your account, then select MyTransit Wallet from the menu. The instructions for loading funds using the auto-generated account barcode will display the first time after selecting this payment method.

How to Load Funds into MyTransit Wallet

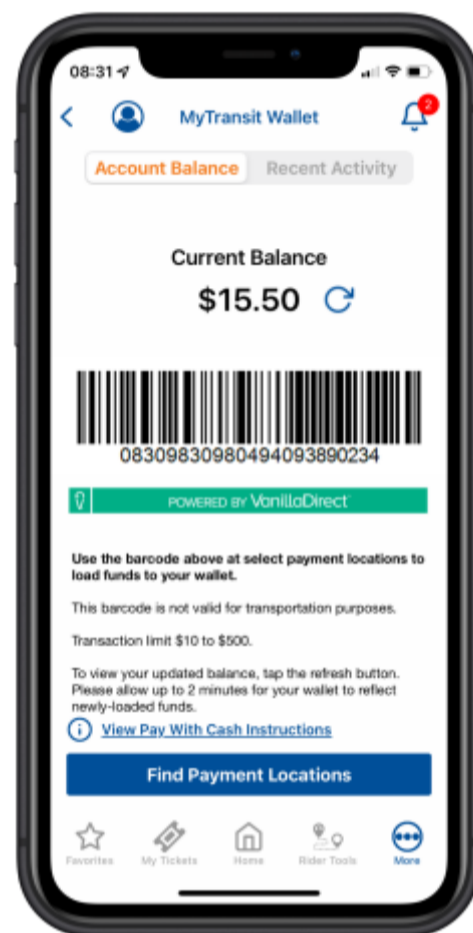

At an authorized payment location, ask to add cash to your NJ TRANSIT wallet, then have the cashier scan the account barcode displayed on your phone and pay the amount. You can add as little as \$10 at a time. Always keep your receipt as proof of payment. A receipt is also sent to your email address indicating the value deposited to your account.

Use MyTransit Wallet to Purchase Tickets

From the NJ TRANSIT app home screen, simply tap 'Buy Tickets,' make your selections, then tap 'MyTransit Wallet' from the Payment Type screen.

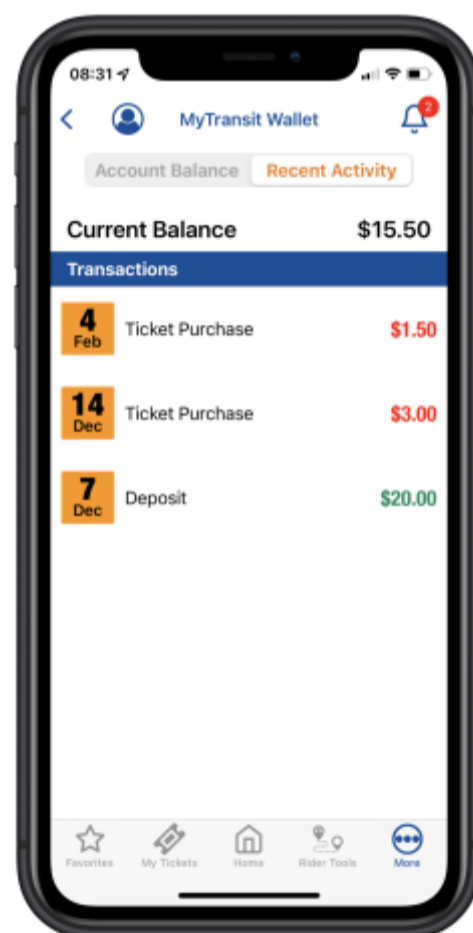

MyTransit Wallet – Account Balance

Your current balance is displayed on the MyTransit Wallet screen, followed by the barcode to be scanned at the participating retailer to add money to your wallet. The MyTransit Wallet balance is also displayed on the 'Payment Type' screen during checkout.

My Transit Wallet – Recent Activity

'Recent Activity' shows your account balance, deposit amounts, ticket purchases, and refunds.
