

Statement by Governor Sherrill on Donald Trump’s Latest Attack on Gateway Project

Posted on 02/16/2026

“The only person who can make Gateway a boondoggle is Donald Trump. Until his illegal actions forced the project to shut down, threw 1,000 hard-working men and women off the job, and threatened the commutes of 200,000 people a day, Gateway was on time and on budget.

“Donald Trump’s ridiculous political rhetoric is just another effort to get out of paying what the federal government owes to the most urgent infrastructure project in the country. We won’t let him. We’ll keep taking him to court, and we’ll keep winning, until the Gateway Tunnel’s entire funding is once again secured.”
