SPECIAL RULING

LICENSEES MAY NOT PRICE ADVERTISE ALCOHOLIC BEVERAGES NOT LISTED IN FAIR TRADE PUBLICATIONS

Effective October 22, 1945, I ruled that any alcoholic beverages (except malt beverages) not listed in Minimum Resale Price pamphlets, issued pursuant to State Fair Trade Regulations No. 30, may not be price advertised (including direct or indirect reference to price) in any periodical, publication, circular, hand-bill or direct mailing piece in this State by a manufacturer, wholesaler or retailer. Private brands owned or controlled by a retailer or exclusive brands confined to or distributed by one retailer are excepted in my ruling.

As a note of caution, retailers are placed on notice that the ruling remains in full force and effect and prescribes the flat prohibition of the price advertising of items not listed in Fair Trade regardless of OPA price controls, suspended or in effect.

Any violation of the rule shall subject the license to suspension or revocation.
