## Supreme Court of New Jersey Board on Continuing Legal Education

Effective January 1, 2010, all lawyers holding a license to practice law in the State of New Jersey, whether plenary or limited, are required to participate in the mandatory continuing legal education program. The Board on Continuing Legal Education was created and assigned the task of administering the Supreme Court's requirement, imposed pursuant to [Rule 1:42](#) Continuing Legal Education.

All courses in this CLE course catalog have been approved by the Board on an individual course basis or are offered by an approved service provider. Courses that you completed from this list can be used towards your CLE requirement in New Jersey.
