Schedule Appointments Online

Terms and Conditions

You are accessing a state government information system that is subject to specific terms, conditions, and monitoring. By accessing this service and/or submitting a request, you acknowledge that you understand and agree to the terms and conditions found in the policy section.

If you are not able to make your appointment, please cancel as soon as possible so we can help another customer.

I understand that failing to come to my visit without canceling could affect my ability to schedule future visits.

I understand each person must have their own scheduled visit, duplicate bookings will be canceled and bookings made with an invalid email address or phone number will be canceled.
