BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Title amended.

1. The title of "An act to facilitate vehicular traffic in the State of New Jersey by providing for the construction, maintenance, repair and operation of turnpike projects; creating the New Jersey Turnpike Authority and defining its powers and duties; providing for financing such projects by the issuance of turnpike revenue bonds of the Authority, payable solely from tolls and other revenues; and providing for the collection of tolls and other revenues to pay the cost of construction, maintenance, repair and operation of such projects and to pay such bonds and the interest thereon," approved October twenty-seventh, one thousand nine hundred and forty-eight, is amended to read "An act to facilitate vehicular traffic in the State of New Jersey by providing for the construction, maintenance, repair and operation of turnpike projects; creating the New Jersey Turnpike Authority and defining its powers and duties; providing for financing such projects by the issuance of turnpike revenue bonds of the Authority, payable solely from the tolls, other revenues and proceeds of such bonds; and providing for the collection of tolls and other revenues to pay the cost of construction, maintenance, repair and operation of such projects and to pay such bonds and the interest thereon."

New title.

Section amended.

2. Section one of the act of which this act is amendatory is amended to read as follows:

C. 27:23-1. Turnpike projects, bonds authorized.

1. Turnpike projects. In order to facilitate vehicular traffic and remove the present handicaps and hazards on the congested highways in the State, and to provide for the construction of modern express highways embodying every known safety device including center divisions, ample shoulder widths, longsight distances, multiple lanes in each direction and grade separations at all intersections with other highways and railroads, the New Jersey Turnpike Authority (hereinafter created) is hereby authorized and empowered to construct, maintain, repair and operate turnpike

projects (as hereinafter defined) at such locations as shall be established by law, and to issue turnpike revenue bonds of the Authority, payable solely from tolls, other revenues, and proceeds of such bonds to finance such projects.

3. Section two of the act of which this act is amendatory is amended to read as follows: Section amended.

2. Credit of State not pledged. Turnpike revenue bonds issued under the provisions of this act shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but such bonds, unless refunded by bonds of the Authority created in this act, shall be payable solely from funds pledged or available for their payment as authorized herein. All such turnpike revenue bonds shall contain on the face thereof a statement to the effect that the Authority is obligated to pay the same or the interest thereon only from the tolls, other revenues and proceeds of such bonds and that neither the State nor any political subdivision thereof is obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds. C. 27:23-2. State's credit not pledged. Obligation of authority.

All expenses incurred in carrying out the provisions of this act shall be payable solely from funds provided under the authority of this act and nothing in this act contained shall be construed to authorize the Authority to incur indebtedness or liability on behalf of or payable by the State or any political subdivision thereof. Payment of expenses.

4. Section four of the act of which this act is amendatory is amended to read as follows: Section amended.

4. Definitions. As used in this act, the following words and terms shall have the following meanings, unless the context shall indicate another or different meaning or intent: C. 27:23-4. Terms defined:

Section amended. 5. Section five of the act of which this act is amendatory is amended to read as follows:

C. 27:23-5. General powers. 5. General grant of powers. The Authority shall be a body corporate and politic and shall have perpetual succession and shall have the following powers:

(a) To adopt by-laws for the regulation of its affairs and the conduct of its business;

(b) To adopt an official seal and alter the same at pleasure;

(c) To maintain an office at such place or places within the State as it may designate;

(d) To sue and be sued in its own name;

(e) To construct, maintain, repair and operate turnpike projects at such locations as shall be established by law;

(f) To issue turnpike revenue bonds of the Authority, for any of its corporate purposes, payable solely from the tolls, other revenues and proceeds of such bonds, and to refund its bonds, all as provided in this act;

(g) To fix and revise from time to time and charge and collect tolls for transit over each turnpike project constructed by it;

(h) To establish rules and regulations for the use of any project;

(i) To acquire, hold and dispose of real and personal property in the exercise of its powers and the performance of its duties under this act;

(j) To acquire in the name of the Authority by purchase or otherwise, on such terms and conditions and in such manner as it may deem proper, or by the exercise of the power of eminent domain any land and other property which it may determine is reasonably necessary for any turnpike project or for the relocation or reconstruction of any highway by the Authority under the provisions of this act or for the construction of any feeder road which the Authority is or may be authorized to construct and any and all rights, title and interest in such land and other property, including public lands, parks, playgrounds, reservations, highways or parkways, owned by or in which any county, city, borough, town, township, village, or other political subdivision of the State of New Jersey has any right, title or interest, or parts thereof or rights therein and any fee simple absolute or any lesser interest in private property, and any fee

simple absolute in, easements upon, or the benefit of restrictions upon, abutting property to preserve and protect turnpike projects.

Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in chapter one of Title 20 of the Revised Statutes in so far as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The Authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; *provided, however,* that separate awards be made for each tract or parcel of land or property; *and provided further,* that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

Proviso.

Proviso.

Upon the filing of such petition or complaint or at any time thereafter the Authority may file with the clerk of the county in which such property is located and also with the Clerk of the Superior Court a declaration of taking, signed by the Authority, declaring that possession of one or more of the tracts or parcels of land or property described in the petition or complaint is thereby being taken by and for the use of the Authority. The said declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof to which there may or may not be attached a plan or map thereof; (2) a statement of the estate or interest in the said land or property being taken; (3) a statement of the sum of money estimated by the Authority by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land

or property described in said declaration; and (4) that, in compliance with the provisions of this act, the Authority has established and is maintaining a trust fund as hereinafter provided.

Upon the filing of the said declaration, the Authority shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration. In addition to the said deposits with the Clerk of the Superior Court the Authority at all times shall maintain a special trust fund on deposit with a bank or trust company doing business in this State in an amount at least equal to twice the aggregate amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court. Said trust fund shall consist of cash or securities readily convertible into cash constituting legal investments for trust funds under the laws of this State. Said trust fund shall be held solely to secure and may be applied to the payment of just compensation for the land or other property described in such declarations of taking. The Authority shall be entitled to withdraw from said trust fund from time to time so much as may then be in excess of twice the aggregate of the amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

Upon the filing of the said declaration as aforesaid and depositing with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration, the Authority, without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this

provision that the proceedings for compensation or any other proceedings relating to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the Authority for the purpose or purposes for which the Authority is authorized by law to acquire or condemn such land or other property or interest therein.

The Authority shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party in interest named in the petition residing in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made within ten days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the Authority, any judge of the Superior Court assigned to sit for said county may order that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in said proceeding; *provided,* that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as herein provided and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the Authority the differ-

ence between the amount of the deposit and the amount of the award, with interest at the rate of six per centum (6%) per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the Authority unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on petition of the Authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the Authority for such difference against the party or parties liable for the return thereof. The Authority shall cause notice of the date fixed for such hearing to be served upon each party thereto residing in this State either personally or by leaving a copy thereof at his residence, if known, and upon each party residing out of the State by mailing a copy to him at his residence, if known. In the event that the residence of any party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made at least ten days before the date fixed for such hearing.

Whenever under chapter one of Title 20 of the Revised Statutes the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The Authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided;

(k) To designate the locations, and establish, limit and control such points of ingress to and egress from each turnpike project as may be necessary or desirable in the judgment of the Authority to insure the proper operation and maintenance of such project, and to prohibit entrance to such

project from any point or points not so designated;

(l) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this act;

(m) To appoint such additional officers, who need not be members of the Authority, as the Authority deems advisable, and to employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employees and agents as may be necessary in its judgment; to fix their compensation; and to promote and discharge such officers, employees and agents; all without regard to the provisions of Title 11 of the Revised Statutes;

(n) To receive and accept from any Federal agency, subject to the approval of the Governor, grants for or in aid of the construction of any turnpike project, and to receive and accept aid or contributions, except appropriations by the Legislature, from any source, of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made; and

(o) To do all acts and things necessary or convenient to carry out the powers expressly granted in this act.

Section amended.

6. Section seven of the act of which this act is amendatory is amended to read as follows:

C. 27:23-7. Bonds.

7. Bonds. The Authority is hereby authorized to provide by resolution, at one time or from time to time, for the issuance of bonds of the Authority for any of its corporate purposes, including the refunding of its bonds. The principal of and the interest on any issue of such bonds shall be payable solely from and may be secured by a pledge of tolls and other revenues of all or any part of the turnpike project financed in whole or in part with the proceeds of such issue or with the proceeds of bonds refunded or to be refunded by such issue; *provided,* that the proceeds of any such bonds may

Proviso.

be used or pledged for the payment or security of the principal of or interest on bonds and for the establishment of any or all reserves for such payment or security or for other corporate purposes as the Authority may authorize in the resolution authorizing the issuance of bonds or in the trust agreement securing the same. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding thirty-five years from their date or dates, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. The Authority shall determine the form of the bonds including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. The bonds shall be signed by the chairman of the Authority or shall bear his facsimile signature and the official seal of the Authority or a facsimile thereof shall be impressed, imprinted, engraved or otherwise reproduced thereon. The official seal or facsimile thereof shall be attested by the secretary and treasurer of the Authority, or by such other officer or agent as the Authority shall appoint and authorize and any coupons attached to such bonds shall bear the facsimile signature of the chairman of the Authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the

negotiable instruments law of the State. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Authority may sell such bonds in such manner and for such price, as it may determine to be for the best interests of the Authority. Neither the members of the Authority nor any person executing the bonds shall be personally liable on the bonds or be accountable by reason of the issuance thereof in accordance with the provisions of this act.

The proceeds of the bonds of each issue shall be disbursed in such manner and under such restrictions, if any, as the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.

State's pledge not to limit or restrict rights of the authority.

The State of New Jersey does pledge to and agree with the holders of the bonds issued pursuant to authority contained in this act, that the State will not limit or restrict the rights hereby vested in the Authority to maintain, construct, reconstruct, and operate any project as defined in

this act, or to establish and collect such charges and tolls as may be convenient or necessary to produce sufficient revenue to meet the expenses of maintenance and operation thereof and to fulfill the terms of any agreements made with the holders of bonds authorized by this act or in any way impair the rights or remedies of the holders of such bonds until, the bonds, together with interest thereon, are fully paid and discharged.

7. This act shall take effect immediately.

Approved January 31, 1950.

ALFRED E. DRISCOLL,
Governor.

Preamble. WHEREAS, The Court of Errors and Appeals in State Highway Commission vs. The City of Elizabeth (103 N. J. Eq. 376 affirming 102 N. J. Eq. 221), had established such proposition of law, as was known to and followed by the Legislature in enacting said chapter, but a possible doubt has now arisen by reason of the decision of our new court of last resort in the New Jersey Turnpike Authority case (3 N. Commissioner's authority.

(2) Purpose of possession and operation by commissioner. The purpose of the commissioner's management of an association and operation of its business and possession of its assets, shall be to enable him to determine, within one year from the date when he undertakes such management, whether it is for the best interests of its creditors, members and the public that the association should be continued as a going concern, or should be merged, reorganized or dissolved and liquidated. Purpose.

(3) Return of management and possession. The commissioner may return the management of an association to its board and the possession of its property to the association at any time after he has taken charge and possession thereof, upon such terms and conditions, if any, as he may prescribe. Return of management.

(4) Powers of commissioner in possession. The commissioner shall have full and complete powers necessary to enable him to determine promptly and efficiently whether it is for the best interests of the association's creditors, members and the public that it be continued as a going concern or that it be merged, reorganized or dissolved and liquidated. Without limiting the generality of his powers, he shall have power to:

(5) Appointment and compensation of counsel and assistants. The commissioner may, from time to time, appoint one or more special assistant deputy commissioners of banking and insurance, who may or may not be employees in the department as the commissioner shall determine, as agent or agents, to assist him in administering the business and affairs of any association of which he has taken possession, and he may, from time to time, hire such employees and assistants as he shall deem necessary to the proper administration of the business and affairs of such association, including officers and employees of the association. He may further, notwithstanding any other provision of the law, appoint an attorney or a counsellor-at-law of this State, who need not be a member or an employee of the department of law of this State, to

represent and advise him and to act as counsel in the administration of the business and property of the association. He may further, at the expense of the association, obtain such security for the faithful performance of the duties of such assistant deputy commissioners, counsel, and other employees as he shall deem necessary. Appointments of special assistant deputy commissioners and counsel made pursuant to this subsection shall be evidenced by a writing signed by the commissioner and filed in the department.

The compensation of the special assistant deputy commissioners, counsel, and of all other persons engaged in the administration of the business and affairs of such association, shall be fixed by the commissioner, subject to the approval of the Court of Chancery as hereinafter provided, and shall, upon the certificate of the commissioner, be paid out of the funds of the association.

(6) Segregation and application of money paid after commissioner takes possession. Segregation and application of money.

(a) All moneys, which shall be paid on any unpledged account or shares of an association after the commissioner has taken charge of such association and possession of its assets, shall be segregated from all other receipts, and held in trust, until the property and business of the association shall be returned to the management of its board, or until it shall merge, reorganize, or dissolve. Upon the happening of any of such events, such moneys shall, without any impairment whatever and at the option of each person who shall have paid the same either be repaid to him or credited to his account.

(b) All moneys, which shall be paid on any indebtedness due to the association, or on any account which shall be pledged for the payment of any such indebtedness, after the commissioner has taken charge of such association and possession of its assets, shall be applied

without impairment directly to the payment of such indebtedness.

Effect of possession on third person.

(7) Effect of commissioner's possession on rights of third persons. Upon taking charge of an association and possession of its property, the commissioner shall give notice thereof forthwith to all persons holding or having possession of any assets of the association. No person having knowledge or notice that the commissioner has taken charge of an association shall thereafter acquire any lien upon any of the association's assets for any payment advanced, or clearance thereafter made. Upon taking charge of an association by the commissioner, all judgments, decrees, levies and executions against such association's property shall be stayed, unless otherwise ordered by the Court of Chancery.

Financial statements.

(8) Financial statements by commissioner. At least annually, and upon the termination of his possession of the assets of an association, the commissioner shall submit a financial statement and report of the affairs of each association in his possession, or in liquidation by him to each of the members thereof. Such statement and report shall include a statement of assets and liabilities, a statement of operations, including an itemized statement of all fees and salaries paid to each special assistant deputy commissioner, agent and counsel of such association, and a statement showing the extent of the liquidation of its assets and the application of the proceeds thereof. The first such report shall be submitted to the members not later than one year from the date when the commissioner takes possession, or in the case of an association in possession of the commissioner, when this act takes effect, not later than one year from such effective date.

Dissolution and liquidation.

(9) Dissolution. Liquidation. Action by members. If the commissioner determines that it is for the best interests of the members and the public that the association be dissolved and liquidated,

he shall after paying all claims which have been proved and allowed against the association, call a meeting of the members on ten days' notice, stating the object thereof, at which the members shall determine whether the affairs of the association shall be managed and directed, during the liquidating period, by the commissioner or by three trustees, who shall be members and who shall be elected at such members' meeting. All questions submitted to the members at such meeting shall be decided by a majority of the votes cast, by person or by proxy.

Upon the adoption of such resolution by the members, the association shall be deemed to be dissolved and it shall be liquidated in accordance with the provisions of Article XIX. The commissioner or the trustees, as the case may be, shall have all the powers and duties conferred and imposed upon trustees by the provisions of Article XIX, and subject to such restrictions as may therein be contained.

Appeals from commissioner's actions.

(10) Appeal to court from commissioner's action. If when an association, of whose property and business the commissioner has taken possession as aforesaid, or any member thereof, deems itself or himself aggrieved by any act of the commissioner, or any failure of the commissioner to act, while he is in charge of the affairs of the association and in possession of its assets, the association or such member, may file a petition in the Court of Chancery for appropriate relief. The court, upon notice to the commissioner, shall hear and determine the matter in a summary manner and enjoin or compel further proceedings or action by the commissioner, and make such other order or decree as shall be equitable and just.

Disposition of unclaimed funds.

(11) Disposition of unclaimed funds due to members and creditors. If any liquidating dividend due to any member or any amount due to any creditor, remains in the hands of the commissioner for a period of six months after the date of the order for final distribution, such moneys shall be

paid by the commissioner into the Superior Court with a statement reciting the name, the last known address and the amount due to each member or creditor who has failed to take payment of the distributive share due him, and to be there held for the benefit of those entitled thereto, or otherwise disposed of by order of that court.

Liquidation and accounting by commissioner.

(12) Liquidation and accounting by commissioner. On making application to the court for approval of expenses of administration as provided by subsection five, the commissioner shall file in the said court an accounting of the administration of the association's affairs from the date upon which possession thereof was taken, including an accounting of the administration of the association's affairs by the commissioner's predecessor or predecessors in office, where such possession was initially taken by such predecessor. Accountings subsequent to the first accounting filed pursuant hereto, shall be only for the period elapsed since the last prior accounting filed in the said court, but shall include a summary of the administration of the association's affairs for the period covered by prior accountings. Upon the filing of the application and the accounting, the court shall make an order directing all members of the association and all claimants entitled to a distributive share of the proceeds of the association's liquidation to show cause, upon at least ten days' notice, why the accounting should not be approved, and why the expenses of administration should not be allowed in the amounts determined by the commissioner. Copies of the order to show cause shall be mailed to members and claimants at their addresses as they appear on the association's records. Where it is made to appear to the court that the members and claimants are so numerous that service of the order to show cause upon each of them is impracticable or will impose unnecessary hardship, the court may by order designate individual members and other claimants to represent the respective classes of members and other claimants, and may

direct that service of a copy of the order to show cause shall be made only upon the representatives so designated, and shall, in such case, direct that the order to show cause be printed once at least ten days before the return day, in a newspaper published in the municipality in which the association has its principal office, and, if there be no such newspaper, then in a newspaper published in the place nearest thereto. Upon the return day of the order to show cause, the court shall have jurisdiction to hear and determine summarily all matters arising thereon, and shall make such decree thereon as justice and equity shall require. An appeal from a decree so made shall lie as in other cases in the Court of Chancery; *provided,* such appeal is taken within thirty days from the filing of the decree. Upon making complete distribution of the proceeds of the liquidation of any association, directed in an order of the Court of Chancery, made pursuant to the provisions of this subsection, the commissioner shall file in the Court of Chancery a statement of such distribution, and shall file in the department, a certificate that such statement has been filed, specifying the date of such filing. Upon the date of the filing of said certificate in the department, the rights, privileges and franchises of said association shall be terminated. A copy of the certificate, certified by the commissioner, shall be evidence in all courts and places.

A qualified bank may create a fund to be held as security for the performance of its obligations in fiduciary capacities for which security shall be required, except those for which other security is given or for which a will or other fiduciary instrument specifies that other security be given. Such fund shall consist of investments in which a fiduciary, whose duty it may be to loan or invest money held in a fiduciary capacity, may, by law, without special order of any court, invest such money, or any part thereof. Such fund shall have a value at least equal to twenty per centum (20%) of the aggregate value on the books of the qualified bank of all the assets administered by such bank in all such fiduciary capacities, except that, when the value of such assets is in excess of one million dollars ($1,000,000.00) but not in excess of five million dollars ($5,000,000.00), the value of the fund need not exceed two hundred thousand dollars ($200,000.00) plus seven and one-half per centum (7½%) of the excess over one million dollars ($1,000,000.00); and, when the value of such assets exceeds five million dollars ($5,000,000.00), the value of the fund need not exceed five hundred thousand dollars (500,000.00). For the purposes of this section, the investments included in the fund shall be valued at market value or at the value at

which they are carried on the books of the qualified bank, whichever is lower. If an investment included in the fund shall have ceased to be an investment of the kind specified in this subsection, it shall be withdrawn from the fund by the qualified bank within sixty days from the date it ceased to be such an investment, unless the time for such withdrawal is extended by order of the Superior Court.

B. The investments comprising the fund created pursuant to this section shall be deposited by the qualified bank on order of the Superior Court with the Federal Reserve bank of the district in which the qualified bank is located, or with another qualified bank which the commissioner shall have approved as a depositary for the purposes of this section, and shall be held by the depositary thereof subject to the order of the Superior Court. Except as otherwise provided by subsection C of this section, withdrawals of and substitutions for the investments included in such fund may be made in accordance with an order of the Superior Court; *provided*, that the provisions of this section shall at all times be complied with. The fund may, on order of the Superior Court, be withdrawn in its entirety upon proof that all obligations secured thereby have been satisfied. Application for the withdrawal or substitution of investments may be made to the Superior Court without notice to the depositary of the fund, and the order of the Superior Court, certified by the Clerk of the Superior Court to be a true copy, shall be sufficient warrant to the depositary to permit such withdrawal or substitution. All petitions to the Superior Court for any order under this subsection shall be verified under oath.

C. The depositing bank may, from time to time, without application to or order of the Superior Court, substitute for United States Treasury bonds included in such fund, other United States Treasury bonds in like principal amount, and the depositary shall permit such substitution at the request of the depositing bank. Within five days after

such substitution, the depositary bank shall file a verified report thereof in the office of the Clerk of the Superior Court, which shall list the United States Treasury bonds, and the amount thereof, withdrawn from such fund, and the United States Treasury bonds, and the amount thereof, substituted therefor.

D. Investments deposited as provided in this section, if not transferable by delivery, shall be assigned to "The Clerk of the Superior Court, State of New Jersey" by separate instruments of assignment which shall be deposited with the investments. Until recourse is had to the fund as specified in section thirty-two, the depositing bank shall be entitled to all income from the fund, and the Clerk of the Superior Court shall execute such instruments as shall be necessary for that purpose.

E. The commissioner shall report to the Superior Court any violations of this section which come to his notice as a result of the examination of a qualified bank or otherwise, and the Superior Court shall thereupon make such order as it shall deem necessary for the protection of those for whose benefit the fund has been deposited.

Such report shall contain such further information as the commissioner may require. Under such regulations as the commissioner may prescribe, sales of fuel may be made by one licensed distributor to another licensed distributor free of such tax. If any distributor shall fail, neglect or refuse to file the report within the time prescribed by this section, the commissioner shall note such failure, neglect or refusal upon his records, and shall estimate the sales, distribution and use of said distributor, assessing the tax thereon, adding to said tax a penalty of twenty per centum (20%) thereof for failure, neglect or refusal to report, and such estimate shall be prima facie evidence of the true amount of tax due to the commissioner from such distributor; *provided,* that if a good and sufficient cause or reason is shown for such delinquency, the commissioner may remit or waive the payment of the whole or any part of the penalty. be required to report such exports and sales to the commissioner in such detail as the commissioner shall require, otherwise the exemption herein granted shall be null and void, and it shall be prima facie evidence that all such fuel was distributed in this State subject to the tax provided for in this chapter.

Section amended.

8. Section 54:39–30 of the Revised Statutes is amended to read as follows:

Retail dealer's license, fee.

54:39–30. Any certificate which provides disability benefits only for payment of hospital or medical expenses, or both, incurred by a member may also provide that the weekly benefit payable will be doubled for the first week of hospital confinement. Every such association shall be permitted to issue more than one certificate providing benefits at death of any member and more than one certificate providing for sickness and accident disability benefits; *provided,* that the aggregate amount of the benefits in said certificates does not exceed the limitations in this act. Certificates providing for sickness or accident disability benefits may provide for a special accidental death benefit not exceeding one thousand dollars ($1,000.00). Such fund may be held in cash or may be invested in bonds issued by or guaranteed by the government of the United States. The guarantee fund shall be deposited in trust with a bank of this State and funds therefrom shall be disbursed only for the payment of claims for benefits under its outstanding certificates, but only on certification of the president and secretary of the association, after notice to the Commissioner of Banking and Insurance, that the benefit fund hereinafter provided for is insufficient to meet existing claims payable therefrom or that payment of such claims would result in the impairment of the reserve fund hereinafter provided for. In the event that the guarantee fund is reduced by such disbursements to less than the amount required by this chapter, the deficiency therein shall be made good by an assessment on all members within six months after the notice above provided for and the by-laws of the association shall establish the procedure to be adopted in making such assessment.

The examining board shall be empowered to issue a certificate of registration as "Engineer-in-Training" to an applicant who meets the qualifications outlined elsewhere herein.

An applicant who meets the requirements of this act shall receive a certificate of registration as "Engineer-in-Training," which certificate may remain in effect for a period of ten years from the date of issuance.

Section amended.

11. Section eleven of the act of which this act is amendatory is amended to read as follows:

C. 45:8-37. Licenses, renewals, expiration, notice, fee.

11. License certificates shall expire on the thirtieth day of April following issuance, renewal or reinstatement and shall become invalid on that day unless renewed. Licensees shall apply for renewal on or before the thirtieth day of April of each year. It shall be the duty of the secretary-director of the board to notify all persons licensed under this chapter of the date of the expiration of their certificates and the amount of the fee that shall be required for their renewal for one year; such notice shall be mailed to each licensee at his post-office address known to the board at least one month in advance of the date of expiration of said certificate. Renewal of any certificate issued under this chapter may be effected at any time during the month of April by the payment of the fee of five dollars ($5.00).

The failure on the part of the licensee to renew his certificate annually in the month of April as required shall not deprive such person of the right of renewal during the ensuing year but the fee to be paid if the license be renewed in any month during the current year subsequent to April shall be seven dollars ($7.00) instead of five dollars ($5.00); and, if the license certificate be not renewed in the current year, the licensee shall pay a reinstatement fee of ten dollars ($10.00) plus five dollars ($5.00) for each year in which the licensee is in arrears. One notice to the licensee, by mail, on or before April fifteenth, addressed to his last post-office address known to the board, informing him of his failure to have applied for a renewal of his license certificate, shall constitute legal notification of such delinquency by the board.

The failure on the part of the licensee to renew his certificate within one year from the date of the expiration of said license certificate will automatically revoke such license certificate and the right of the person to practice thereafter shall be restored only upon the payment of the ten dollar

($10.00) reinstatement fee plus all arrearages. Continuing to practice as a "professional engineer" or as a "land surveyor" after the expiration of his license shall render the person so doing liable to all the penalties prescribed for practicing without a license certificate.

Section amended.

12. Section twelve of the act of which this act is amendatory is amended to read as follows:

C. 45:8-38. Licenses, revocation, procedure.

Any person may prefer charges of such fraud, deceit, negligence, incompetency or misconduct against any professional engineer or land surveyor hereunder.

Such charges shall be in writing and sworn to by the complainant and submitted to the board. Such charges unless dismissed without hearing by the board as unfounded or trivial, shall be heard and determined by the board within three months after the date on which they are preferred.

The time and place for such hearing shall be fixed by the board. A copy of the charges, together with a notice of the time and place of hearing shall be personally served on the accused by the board at least thirty days before the day fixed for the hearing, and in the event that such service cannot be effected thirty days before such hearing, then the date of hearing and determination shall be postponed as may be necessary to permit the carrying out of this execution. At said hearing the accused shall have the right to appear personally and by counsel and to cross-examine witnesses against him and to produce evidence and witnesses in his defense. If after said hearing three or more members of the board vote in favor of finding the accused guilty of any fraud or deceit in obtaining a certificate, or of gross negligence, incompetency or

misconduct in the practice of professional engineering or land surveying, the board shall revoke the certificate of license of the accused. The board may under circumstances which to it may seem proper, reissue a certificate of license to any person whose certificate has been so revoked.

Replacing lost, etc., license.

A new certificate of license to replace any certificate lost, destroyed or mutilated, may be issued subject to the rules and regulations of the board. A charge of three dollars ($3.00) shall be made for such reissuance.

C. 54:5-114.10. Subsequent action to foreclose.

1. Any purchaser of a tax sale certificate under the act to which this act is a supplement, or his assignee, who has heretofore or who shall hereafter foreclose said tax sale certificate within the time in which he was or shall be required to foreclose the equity of redemption and record the final decree, or otherwise has or shall have complied with the conditions appertaining to his said purchase but who has or shall have failed to fully foreclose the said equity of redemption by reason of the inadvertent omission of a party or parties who had or shall have an interest in the property affected by said tax sale certificate, shall have the right to bring an action to foreclose the said omitted party or parties from his or their equity of redemption or interest in said property, either by an action in the nature of strict foreclosure or re-foreclosure, or similiar action. C. 1:11-3. To follow classification and arrangement.

3. In preparing said proposed statutes, the committee shall follow the classification and general arrangement prescribed by the Law Revision and Bill Drafting Commission.

Payment of benefits.

43:21–3. (a) Payment of benefits. Twenty-five months after the date when contributions first accrue under this chapter, benefits shall become payable from the fund; *provided,* that renumeration or services with respect to which unemployment compensation is payable under the Railroad Unemployment Insurance Act (52 Stat. 1094), irrespective of when performed, shall not be included for purposes of determining eligibility under subsection (e) of section 43:21–4 of this chapter or the weekly benefit rate under subsection (c) of this section for the purpose of any benefit year com-

Proviso.

mencing on or after July first, one thousand nine hundred and thirty-nine, nor shall any benefits with respect to unemployment occurring on and after July first, one thousand nine hundred and thirty-nine, be payable under subsection (d) of this section on the basis of such remuneration. All benefits shall be paid through employment offices, or such other agencies as may be designated in accordance with such regulations as may be prescribed hereunder.

Weekly benefits.

(b) Weekly benefits for unemployment. Each eligible individual who is unemployed (as defined in subsection (m) of section 43:21–19 of this chapter) in any week shall be paid with respect to such week (except as to final payment) an amount equal to his weekly benefit rate less any remuneration in excess of three dollars ($3.00) paid or payable to him for such week; *provided,* that such amount shall be computed to the next highest multiple of one dollar ($1.00), if not already a multiple thereof.

Weekly benefit rate.

(c) Weekly benefit rate. An individual's weekly rate shall be one-twenty-second of his total wages in that calendar quarter in which said total wages were highest during his base year; *provided,* that such rate shall be computed to the next highest multiple of one dollar ($1.00) if not already a multiple thereof, and shall not be more than twenty-six dollars ($26.00) nor less than ten dollars ($10.00).

Maximum total benefits.

(d) Maximum total benefits. The maximum total amount of benefits payable to any eligible individual under either of subsections (c) and (f) of section 43:21–4 of this Title during any benefit year shall be either one-third of his total wages during his base year, computed to the next highest multiple of one dollar ($1.00), if not already a multiple thereof, or twenty-six times his weekly benefit rate, whichever is the lesser; in no event, however, are such total benefits under either of said subsections (c) and (f) to be less than ten times his weekly benefit rate. In the event that an individual qualified for benefits under both of said subsections during any benefit year, the maximum total amount of benefits payable under said subsections combined

to such individual during the benefit year shall be one and one-half times the maximum amount of benefits payable under one of said subsections.

Section amended.

2. Section 43:21–4 of the Revised Statutes is amended to read as follows:

Benefit eligibility conditions.

43:21–4. An individual, totally or partially unemployed, shall be eligible to receive benefits with respect to any week only if it appears that:

(a) He has registered for work at, and thereafter continued to report at, an employment office in accordance with such regulations as the commission may prescribe, except that the commission may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the commission finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; *provided,* that no such regulation shall conflict with subsection (a) of section 43:21–3 of the Revised Statutes.

Proviso.

(b) He has made a claim for benefits in accordance with the provisions of subsection (a) of section 43:21–6 of this Title.

(c) He is able to work, is available for work, and has demonstrated that he is actively seeking work, except as provided in subsection (f) of this section;

(d) Prior to the first week for which he claims benefits in any benefit year he has been totally or partially unemployed for a waiting period of one week in that benefit year. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) if benefits have been paid, or are payable with respect thereto;

(2) if it has constituted a waiting period week under the Temporary Disability Benefits Law;

(3) unless the individual fulfills the requirements of subsections (a) and (c) of this section.

(e) His wages within his base year were not less than twenty-five times his weekly benefit amount.

(f) He has suffered any accident or sickness not compensable under the workmen's compensation law (Title 34 of the Revised Statutes) and resulting in his total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (without regard to the maximum amount of benefits payable during any benefit year) except for his inability to work and has furnished notice and proof of claim to the commission, in accordance with its rules and regulations, and payment is not precluded by the provisions of subsection (g) hereof or of section 43:21–3 (d) of this Title. Such benefit payments shall be charged to and paid from the State disability benefits fund established by the Temporary Disability Benefits Law, and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) No benefits shall be payable under subsection (f) above to any individual:

(1) for any period during which such individual is not under the care of a legally licensed physician;

(2) for any period of disability due to pregnancy or resulting childbirth, miscarriage, or abortion;

(3) for any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a high misdemeanor;

(4) for any week with respect to which or a part of which he has received or is seeking unemployment benefits under any unemployment compensation or disability benefit law of any other State or of the United States; *provided,* that if the appropriate agency of such other State or of the United States finally determines that he is not entitled to such benefits, this disqualification shall not apply; Proviso.

(5) for the two weeks immediately following detachment from any maritime services performed under shipping articles;

(6) for any week with respect to which or part of which he has received or is seeking disability benefits under the Temporary Disability Benefits Law;

(7) for any period of disability commencing prior to January first, one thousand nine hundred and forty-nine, or for any period of disability commencing while such individual is a "covered individual" as defined in subsection three (b) of the Temporary Disability Benefits Law (chapter 110, P. L. 1948), or after the expiration of twenty-six consecutive weeks during which the individual has been unemployed and ineligible or disqualified for benefits for such unemployment.

(h) Notwithstanding any other provision of this chapter, the director may, to the extent that he deems efficient and economical, provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to article III (State plan) of the Temporary Disability Benefits Law.

Section amended.

3. Section 43:21–5 of the Revised Statutes is amended to read as follows:

Benefits denied, conditions.

43:21–5. An individual shall be disqualified for benefits:

(a) For the week in which he has left work voluntarily without good cause, and for each week thereafter until he has earned in employment (which may be with an employing unit having in employment one or more individuals) at least four times his weekly benefit rate, as determined in each case.

(b) For the week in which he has been discharged for misconduct connected with his work, and for the five weeks which immediately follow such week (in addition to the waiting period), as determined in each case.

(c) If it is found that he has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the director or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the director. Such disqualification shall continue for the week in which such failure occurred and for the three weeks which

immediately follow such week (in addition to the waiting period), as determined:

(1) In determining whether or not any work is suitable for an individual, consideration shall be given to the degree of risk involved to his health, safety and morale, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

(2) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lockout, or other labor dispute; (b) if the remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) if as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) For any week with respect to which it is found that his unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed; *provided,* that this subsection shall not apply if it is shown that: Proviso.

(1) He is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were

members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; *provided,* that if in any case in which (1) or (2) above applies separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises.

Proviso.

(e) For any week with respect to which he is receiving or has received remuneration in lieu of notice.

(f) For any week with respect to which or a part of which he has received or is seeking unemployment benefits under an unemployment compensation law of any other State or of the United States; *provided,* that if the appropriate agency of such other State or of the United States finally determines that he is not entitled to such unemployment benefits, this disqualification shall not apply.

Proviso.

(g) For the two weeks immediately following detachment from any maritime services performed under shipping articles.

Section amended.

4. Section 43:21–7 of the Revised Statutes is amended to read as follows:

Payment of contributions.

43:21–7. (a) Payment.

(1) On and after December first, one thousand nine hundred and thirty-six, contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter, with respect to having individuals in his employ during such calendar year at the rates and on the basis hereinafter set forth, except that for the month of December, one thousand nine hundred and thirty-six, such contributions shall accrue and become payable with respect to having individuals in his employ during the month of December, one thousand nine hundred and thirty-six. Such con-

tributions shall become due and be paid by each employer to the Division of Employment Security for the fund in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent ($0.005) or more, in which case it shall be increased to one cent ($0.01).

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) Ten and eight-tenths per centum (10 8/10%) of wages payable with respect to employment during the month of December, one thousand nine hundred and thirty-six and paid prior to January first, one thousand nine hundred and forty-seven; *provided,* that if the total of such contributions at such ten and eight-tenths per centum (10 8/10%) rate equals less than nine-tenths of one per centum (9/10 of 1%) of the annual payroll of any employer payable for the calendar year one thousand nine hundred and thirty-six, such employer shall pay, not later than January twenty-fifth, one thousand nine hundred and thirty-seven, an additional lump-sum contribution with respect to employment for such one month's period beginning December first, one thousand nine hundred and thirty-six, equal to the difference between nine-tenths of one per centum (9/10 of 1%) of his annual payroll payable for the calendar year one thousand nine hundred and thirty-six and the total of his contributions at such ten and eight-tenths per centum (10 8/10%) for such one month's period beginning December first, one thousand nine hundred and thirty-six; *and provided further,* that the total of such contributions with respect to employment for such one month's period beginning December first, one thousand nine hundred and thirty-six, shall not exceed nine-tenths of one per centum (9/10 of 1%) of such employer's annual payroll payable for the calendar year one thousand nine hundred and thirty-six.

Proviso.

Proviso.

(2) One and eight-tenths per centum (1 8/10%) of wages payable with respect to employment during the calendar year one thousand nine hundred and thirty-seven and paid prior to January first, one thousand nine hundred and forty-seven;

(3) Two and seven-tenths per centum (2 7/10%) of wages payable with respect to employment during the calendar years one thousand nine hundred and thirty-eight, one thousand nine hundred and thirty-nine, one thousand nine hundred and forty and one thousand nine hundred and forty-one and paid prior to January first, one thousand nine hundred and forty-seven; and, except as otherwise prescribed by subsection (c) of this section, also during the calendar years one thousand nine hundred and forty-two to one thousand nine hundred and forty-six, inclusive, and paid prior to January first, one thousand nine hundred and forty-seven; and

(4) For the calendar year one thousand nine hundred and forty-seven, and each calendar year thereafter, two and seven-tenths per centum (2 7/10%) of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(5) The "wages" of any individual, with respect to any one employer as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section seven, shall include:

(A) All remuneration payable for the month of December, one thousand nine hundred and thirty-six, and for the calendar years one thousand nine hundred and thirty-seven, one thousand nine hundred and thirty-eight, one thousand nine hundred and thirty-nine, and paid prior to January first, one thousand nine hundred and forty-seven;

(B) The first three thousand dollars ($3,000.00) earned for each of the calendar years one thousand nine hundred and forty to one thousand nine hundred and forty-six, in-

clusive, and paid prior to January first, one thousand nine hundred and forty-seven; and

(C) The first three thousand dollars ($3,000.00) paid during the calendar year one thousand nine hundred and forty-seven and during each calendar year thereafter, for services either within or without this State; *provided*, that no contribution shall be required by this State with respect to services performed in another State if such other State imposes contribution liability with respect thereto. Proviso.

(c) Future rates based on benefit experience: (1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January thirty-first of any calendar year with respect to employment occurring in preceding calendar years. But nothing in this chapter shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid to any individual on or before January thirty-first of any calendar year with respect to unemployment in preceding calendar years shall be charged against the account of each of the employers with whom such individual accrued the wage credits constituting the basis of such benefits, in the same proportion as such wage credits with each such employer bear to such wage credits with all such employers. The Division of Employment Security shall furnish to each employer at such frequency as the division shall, by regulation, prescribe, but in no case less frequently than annually, a detailed statement of benefits charged to his account.

(2) The Division of Employment Security may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or

more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) Each employer's rate shall be two and seven-tenths per centum (2 7/10%), except as otherwise provided in the following provisions: No employer's rate shall be other than two and seven-tenths per centum (2 7/10%) unless and until there shall have been three calendar years throughout which any individual in his employ could have received benefits if eligible.

(4) Each employer's rate for the twelve months commencing July first of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(A) Two and four-tenths per centum (2 4/10%), if such excess equals or exceeds four per centum (4%), but is less than five per centum (5%) of his average annual payroll (as defined in paragraph (2), subsection (a) of section 43:21–19 of this Title);

(B) Two and one-tenth per centum (2 1/10%), if such excess equals or exceeds five per centum (5%), but is less than six per centum (6%) of his average annual payroll;

(C) One and eight-tenths per centum (1 8/10%), if such excess equals or exceeds six per centum (6%), but is less than seven per centum (7%) of his average annual payroll;

(D) One and five-tenths per centum (1 5/10%), if such excess equals or exceeds seven per centum (7%), but is less than eight per centum (8%) of his average annual payroll;

(E) One and two-tenths per centum (1 2/10%), if such excess equals or exceeds eight per centum (8%), but is less than nine per centum (9%), of his average annual payroll;

(F) Nine-tenths of one per centum (9/10 of 1%), if such excess equals or exceeds nine per centum (9%), but is less than ten per centum (10%), of his average annual payroll;

(G) Six-tenths of one per centum (6/10 of 1%), if such excess equals or exceeds ten per centum (10%), but is less than eleven per centum (11%), of his average annual payroll;

(H) Three-tenths of one per centum (3/10 of 1%), if such excess equals or exceeds eleven per centum (11%) of his average annual payroll.

If the total of his contributions, paid on his own behalf, for all past periods, or for the past one hundred twenty consecutive calendar months, whichever period is more advantageous to such employer for the purposes of this paragraph, is less than the total benefits charged against his account during the same period, his rate shall be three per centum (3%).

(5) (A) If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds four per centum (4%) but is less than seven per centum (7%) of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by three-tenths of one per centum (3/10 of 1%) over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. If on March thirty-first of any calendar year the balance of the Unemployment Trust Fund is less than four per

centum (4%) of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by six-tenths of one per centum (6/10 of 1%) over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection; *provided,* that if on such March thirty-first, such balance is less than two and one-half per centum (2½%) of such total taxable wages, the contribution rate so effective, of any employer, shall be not less than two and seven-tenths per centum (2 7/10%); *provided further,* that the contribution rate of any employer increased pursuant to the provisions of this subparagraph, when so increased, shall not exceed three and six-tenths per centum (3 6/10%).

Proviso.

Proviso.

(B) If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds ten per centum (10%) but is less than twelve and one-half per centum (12½%) of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by three-tenths of one per centum (3/10 of 1%) under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; *provided,* that in no event shall the contribution rate of any employer be reduced to less than three-tenths of one per centum (3/10 of 1%). If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds twelve and one-half per centum (12½%) of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July

Proviso.

first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by six-tenths of one per centum (6/10 of 1%) if his account reflects an excess of contributions paid over total benefits charged of three per centum (3%) or more of his average annual payroll, otherwise by three-tenths of one per centum (3/10 of 1%) under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; *provided,* that in no event shall the contribution rate of any employer be reduced to less than three-tenths of one per centum (3/10 of 1%). Proviso.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July first, one thousand nine hundred and forty-eight, and for any year commencing July first thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer including in the calculation the additional contribution so made. Any such additional contribution shall be made during the thirty-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the director for not to exceed an additional sixty days; *provided,* that in no event may such payments which are made later than one hundred twenty days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall pay, in addition to the required amount of additional payment, a penalty of five per centum (5%) thereof or five dollars ($5.00), which- Proviso.

ever is greater, not to exceed fifty dollars ($50.00). Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

An employer who transfers his or its organization, trade, assets or business, in whole or in part, to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The Division of Employment Security may allow such transfer of employment experience pursuant to regulations adopted by the division, only if it finds that the employment experience of the predecessor employer with respect to the organization, trade, assets or business, or part thereof, as the case may be, which has been transferred, may be considered indicative of the future employment experience of the successor in interest. In the event of a part transfer of an employer's organization, trade, assets or business, only that portion of the employment experience relating to the portion of the organization, trade, assets or business transferred shall be transferred, and credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred. A transfer of the employment experience in whole or in part having been applied for and approved by the Division of Employment Security, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant

to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter.

(d) Contribution of workers; transfer to temporary disability benefit fund.

(1) Each worker shall contribute to the fund one per centum (1%) of his wages paid by an employer with respect to his employment which occurs after December thirty-first, one thousand nine hundred and thirty-seven, and after such employer has satisfied the conditions set forth in subsection (h) of section 43:21–19 of this Title with respect to becoming an employer; *provided, however,* that such contribution shall be at the rate of one-fourth of one per centum (¼ of 1%) of wages paid with respect to employment on and after January first, one thousand nine hundred and forty-nine, while the worker is covered by an approved private plan under the Temporary Disability Benefits Law or while the worker is exempt from the provisions of the Temporary Disability Benefits Law under section seven of that law. Each employer shall, notwithstanding any provisions of the law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction of his payroll records, shall furnish such evidence thereof to his workers as the division may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the Division of Employment Security in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purposes of section 43:21–14 of this Title, such contributions shall be treated as employer's contributions re-

Proviso.

quired from him. As used in this chapter, except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(2) There shall be deposited in and credited to the State disability benefits fund, as the same shall be established by law, three-quarters of all worker contributions, received by the Division of Employment Security pursuant to subparagraph (1) above on and after April first, one thousand nine hundred and forty-eight or the date this subparagraph takes effect, whichever is later, with respect to wages upon which the rate of contributions is one per centum (1%) as provided in (1) above.

(3) If an individual does not receive any wages from the employing unit which for the purposes of this chapter is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit or in the absence of such an employing unit, from such individual, in a civil action for debt; *provided,* proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

Proviso.

(4) Every employer who has elected to become an employer subject to this chapter or to cease to be an employer subject to this chapter, pursuant to the provisions of section 43:21–8 of this Title, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(5) Contributions by workers, payable to the Division of Employment Security as herein provided, shall be exempt from garnishment, attachment, execution, or other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute one-quarter of one per centum (¼ of 1%) of the wages paid by such employer to workers with respect to employment after January first, one thousand nine hundred and forty-nine. Such contributions shall become due and be paid by each employer to the Division of Employment Security for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent ($0.005) or more, in which case it shall be increased to one cent ($0.01).

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the Temporary Disability Benefits Law, the employer shall be exempt from the contribution required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July first, one thousand nine hundred and fifty-one.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January

first, one thousand nine hundred and forty-nine. Each employer's account shall be credited with all contributions paid on or before January thirty-first of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the Temporary Disability Benefits Law on or before January thirty-first of any calendar year with respect to disability in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed if out of employment.

(C) The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July first of each calendar year, the Division of Employment Security shall make a preliminary determination of the rate of contribution for the twelve months commencing on such July first for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be one-quarter of one per centum (¼ of 1%) unless on the preceding December thirty-first such employer shall have been a covered employer for at least two full years and his account shall have been credited with at least fifteen hundred dollars ($1,500.00) of employer and employee contributions.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than five hundred dollars ($500.00), such preliminary rate shall be as follows:

(i) Two-tenths of one per centum (2/10 of 1%) if such excess over five hundred dollars ($500.00) exceeds one per centum (1%) but is less than one and one-quarter per centum (1¼%) of his average annual payroll (as defined in this chapter);

(ii) Fifteen one hundredths of one per centum (15/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one and one-quarter per centum (1¼%) but is less than one and one-half per centum (1½%) of his average annual payroll;

(iii) One-tenth of one per centum (1/10 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one and one-half per centum (1½%) of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than five hundred dollars ($500.00) plus one per centum (1%) of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than five hundred dollars ($500.00), the preliminary rate shall be one-quarter of one per centum (¼ of 1%).

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than five hundred dollars ($500.00), such preliminary rate shall be as follows:

(i) Thirty-five one hundredths of one per centum (35/100 of 1%) if such excess over five hundred dollars ($500.00) is less than one-

quarter of one per centum (¼ of 1%) of his average annual payroll;

(ii) Forty-five one hundredths of one per centum (45/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one-quarter of one per centum (¼ of 1%) but is less than one-half of one per centum (½ of 1%) of his average annual payroll;

(iii) Fifty-five one hundredths of one per centum (55/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one-half of one per centum (½ of 1%) but is less than three-quarters of one per centum (¾ of 1%) of his average annual payroll;

(iv) Sixty-five one hundredths of one per centum (65/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds three-quarters of one per centum (¾ of 1%) but is less than one per centum (1%) of his average annual payroll;

(v) Seventy-five one hundredths of one per centum (75/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one per centum (1%) of his average annual payroll.

(5) Determination of the preliminary rates as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than one-tenth of one per centum (1/10 of 1%) of wages or increased by more than two-tenths of one per centum (2/10 of 1%) of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July first of each calendar year the Division of Employment Security shall determine the amount of the State disability benefits fund as of December thirty-first of the preceding calendar year increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in pre-

ceding calendar years and decreased by the benefits paid during January of the current calendar year with respect to disability in preceding calendar years. If such amount exceeds the total of the amounts withdrawn from the unemployment trust fund pursuant to section twenty-three of the Temporary Disability Benefits Law plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section twenty-two of said law), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January thirty-first with respect to employment in the preceding calendar year.

(2) The Division of Employment Security shall then make a final determination of the rates of contribution for the twelve months commencing July first of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (1) of this subsection equals or exceeds one and one-quarter per centum (1¼%) the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D) (2) or (D) (3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest five one hundredths of one per centum (5/100 of 1%), but in no case shall such final rate be less than one-tenth of one per centum (1/10 of 1%).

(ii) If the percentage determined in accordance with paragraph (1) of this subsection equals or exceeds three-quarters of one per centum (¾ of 1%) and is less than one and one-quarter of one per centum (1¼ of 1%),

the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (1) of this subsection is less than three-quarters of one per centum (¾ of 1%), the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between three-quarters of one per centum (¾ of 1%) and such percentage taken to the nearest five one hundredths of one per centum (5/100 of 1%); *provided, however,* that no such final rate shall be more than one-quarter of one per centum (¼ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, more than one-half of one per centum (½ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, nor more than three-quarters of one per centum (¾ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof.

Proviso.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (1) of this subsection is equal to or less than the total of the amounts withdrawn from the unemployment trust fund pursuant to section twenty-three of the Temporary Disability Benefits Law plus the amount at the end of the preceding calendar year of the unemployment disability account, then the final rate shall be three-quarters of one per centum (¾ of 1%) for all employers.

Note: Act effective.

5. This act shall take effect July first, one thousand nine hundred and fifty, but shall apply only to benefit years commencing on and after that date.

Approved June 2, 1950.

CHAPTER 173

AN ACT to amend the "Temporary Disability Benefits Law" (P. L. 1948, c. 110).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section three of the act of which this act is amendatory is amended to read as follows: Section amended.

(b) "Covered individual" means any person who is in employment, as defined in the chapter to which this act is a supplement, for which he is entitled to remuneration from a covered employer, or who has been out of such employment for less than two weeks.

(c) "Division" or "commission" means the Division of Employment Security of the Department of Labor and Industry, and any transaction or exercise of authority by the director of the division shall be deemed to be performed by the division.

(d) "Day" shall mean a full calendar day beginning and ending at midnight.

(e) "Disability" shall mean such disability as is compensable under section five of this act.

(f) "Disability benefits" shall mean any cash payments which are payable to a covered individual pursuant to this act.

(g) "Period of disability" with respect to any individual shall mean the entire period of time, during which he is continuously and totally unable to perform the duties of his employment, except that two periods of disability due to the same or related cause or condition and separated by a period of not more than fourteen days shall be considered as one continuous period of disability;

Proviso. *provided,* the individual has earned wages during such fourteen-day period with the employer who was his last employer immediately preceding the first period of disability.

(h) "Wages" shall mean all compensation payable by covered employers to covered individuals for personal services, including commissions and bonuses and the cash value of all compensation payable in any medium other than cash.

(i) "Week" means any period of seven consecutive days ending at midnight.

Section amended. 2. Section eight of the act of which this act is amendatory is amended to read as follows:

C. 43:21-32. Private plans, establishing. 8. Establishment of private plans. Any covered employer may establish a private plan for the payment of disability benefits in lieu of the benefits of the State plan hereinafter established. Benefits under such a private plan may be provided by a contract of insurance issued by an insurer duly authorized and admitted to do business in this State, or by an agreement between the employer and a union or association representing his employees, or by a specific undertaking by the employer as a self-insurer. Subject to the insurance laws of this State, such a contract of insurance may be between the insurer and the employer; or may be between the insurer and two or more employers, acting for the purpose through a nominee, designee or trustee; or may be between the insurer and the union or association with which the employer has an agreement with respect thereto. Each such pri-

vate plan shall be submitted in detail to the Division of Employment Security and shall be approved by the division, to take effect as of the first day of the calendar quarter next following, or as of an earlier date if requested by the employer and approved by the Division of Employment Security, if it finds that:

(a) all of the employees of the employer are to be covered under the provisions of such plan with respect to any disability commencing after the effective date of such plan, except as otherwise provided in this section; and

(b) eligibility requirements for benefits are no more restrictive than as provided in this act for benefits payable by the State plan; and

(c) the weekly benefits payable under such plan for any week of disability are at least equal to the weekly benefit amount payable by the State plan, taking into consideration any coverage with respect to concurrent employment by another employer, and the total number of weeks of disability for which benefits are payable under such plan is at least equal to the total number of weeks for which benefits would have been payable by the State plan; and

(d) no greater amount is required to be paid by employees toward the cost of benefits than that prescribed by law as the amount of worker contribution to the State disability benefits fund for covered individuals under the State plan; and

(e) coverage is continued under the plan while an employee remains a covered individual as defined in section three of this act, but not after the employee may become employed by another employer following termination of employment to which the plan relates; and

(f) a majority of the employees to be covered by the plan have or shall have agreed to the plan prior to the effective date thereof, if employees are required to contribute to the cost of the private plan, as provided in section nine.

Proviso.

Subject to the approval of the Division of Employment Security, any such private plan may exclude a class or classes of employees; *provided,* it does not appear to the division that such exclusion will result in a substantial selection of risk adverse to the State plan. Covered individuals so excluded shall be covered by the State plan and subject to the employee contribution required by law to be paid into the State disability benefits fund.

Section amended.

3. Section nine of the act of which this act is amendatory is amended to read as follows:

C. 43:21-33. Election by employees, contributions.

9. Election by employees; deduction of contributions. If employees are to be required to contribute toward the cost of benefits under a private plan, such plan shall not become effective unless prior to the effective date a majority of the employees in the class or classes to be covered thereby have agreed thereto by written election. In such event, the employer may during the continuance of the approved private plan collect the required contributions thereto by deduction from the wages paid to covered individuals under such plan, which deduction may be combined with that deduction required by Revised Statutes, section 43:21–7(d) (1) if reasonable notice is given covered individuals concerning such combined deduction by the employer; *provided,* that if any employer fails to deduct the contributions of any of his employees at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he may not thereafter collect a contribution with respect to such wages previously paid.

Not entitled to State benefits.

A covered individual shall not be entitled to any benefits from the State disability benefits fund with respect to any period of disability commencing while he is covered under an approved private plan.

4. Section sixteen of the act of which this act is amendatory is amended to read as follows: Section amended.

16. The weekly benefit amount shall be determined as one-twenty-second of the covered individual's total wages in that calendar quarter in which said total wages were highest of the first four of the last five completed calendar quarters immediately preceding the commencement of the period of disability provided, that such amount shall be computed in the next higher multiple of one dollar ($1.00) if not already a multiple thereof, and shall not be more than twenty-six dollars ($26.00) nor less than ten dollars ($10.00). The amount of the benefits for each day of the disability for which benefits are payable shall be one-seventh of the corresponding weekly benefit amount; *provided,* that the total benefits for a fractional part of a week shall be computed in the next higher multiple of one dollar ($1.00) if not already a multiple thereof. C. 43:21-40. Determining amount of weekly benefit. Proviso.

5. Section seventeen of the act of which this act is amendatory is amended to read as follows: Section amended.

17. No individual shall be entitled to benefits under this article unless his wages in the first four of the last five completed calendar quarters immediately preceding the commencement of the period of disability are at least twenty-five times his weekly benefit amount, nor unless he shall duly file notice and proof of claim, and submit to such reasonable examinations as are required by this act and the rules and regulations of the commission. C. 43:21-41. Not entitled to benefits.

6. Section twenty-four of the act of which this act is amendatory is amended to read as follows: Section amended.

24. Assessment of costs of administration. (a) If officers or employees of the Division of Employment Security perform duties in part related to the administration of this act and of the unemployment compensation law, or if there be expenses otherwise incurred jointly in connection with administration of such acts, the division shall make an equitable apportionment to determine the portion of total expense to be charged to administra- C. 43:21-48. Assessing cost of administration.

tion of this act including section 43:21–4 (f) of the Revised Statutes. So far as possible such apportionment shall be based upon records to be maintained with the respect to activities undertaken in administering this act.

(b) The Division of Employment Security shall, at the end of each fiscal year, determine the total amount expended by it for administrative cost directly attributable to the supervision and operation of approved private plans, together with a proportionate part of the adminstrative cost of section 43:21–4 (f) of the Revised Statutes, and such total amount shall be prorated among the approved private plans in effect during that year on the basis of the total amount of taxable wages that were paid to all employees covered under such private plans. The prorated amounts shall be assessed against the respective employers but shall not exceed two-one-hundreths of one per centum (2/100 of 1%) of such wages, and such amounts shall be collectible by the division in the same manner as provided for the collection of employer contributions under the chapter to which this act is a supplement. In making this assessment, the division shall furnish to each affected employer a brief summary of the apportionment of expense to be charged to administration of this act, and of the facts upon which the calculation of the assessment is based. The amounts of such assessments shall be credited to the administration account.

Section amended.

7. Section twenty-five of the Temporary Disability Benefits Law is amended to read as follows:

C. 43:21-49. Notice and proof of claim.

25. Notice and proof of claim. (a) Written notice of disability on which a claim for benefits under the State plan or for disability during unemployment is based shall, within ten days after the commencement of the period of disability, be furnished the division, by or on behalf of the individual claiming benefits. Proof of such disability shall be furnished to the division not later than thirty days after the commencement of the period for which such proof is furnished. When reques-

ted by the division, such proof shall include certification of total disability by the attending physician, or a record of hospital confinement. Failure to furnish notice or proof within the time or in the manner above provided shall not invalidate or reduce any claim if it shall be shown to the satisfaction of the division not to have been reasonably possible to furnish such notice or proof and that such notice or proof was furnished as soon as reasonably possible.

(b) A person claiming benefits under the State plan or for disability during unemployment shall, when requested by the division, submit himself at intervals, but not more often than once a week, for examination by a legally licensed physician, dentist or public health nurse designated by the division. In all cases of physical examination of a female claimant, the examination shall be made by a female designee of the division, if the claimant so requests. All such examinations by physicians, dentists, or nurses designated by the division shall be without cost to the claimant and shall be held at a reasonable time and place. Refusal to submit to such a requested examination shall disqualify the claimant from all benefits for the period of disability in question, except as to benefits already paid.

(c) All medical records of the division, except to the extent necessary for the proper administration of this act, shall be confidential and shall not be published or be open to public inspection (other than to public employees in the performance of their public duties) in any manner revealing the identity of the claimant, or the nature or cause of his disability nor admissible in evidence in any action or special proceeding other than one arising under this act.

Section amended.

8. Section twenty-nine of the Temporary Disability Benefits Law is amended to read as follows:

C. 43:21-53. Rights in payment.

29. Rights in payments. Benefits payable under an approved private plan by an employer as a self-insurer shall have the same preference against

the assets of the employer as are now or may hereafter be allowed by law for a claim for unpaid wages for labor, and benefits under the State plan and for any disability during unemployment as provided by section 43:21–4 (f) or under an approved private plan shall not be assignable or subject to levy, execution, attachment or other process for satisfaction of debts.

Section amended.

9. Section thirty-one of the Temporary Disability Benefits Law is amended to read as follows:

C. 43:21-55. Penalties.

31. Penalties. (a) Whoever makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, and each such false statement or representation or failure to disclose a material fact shall constitute a separate offense, to obtain or increase any benefit under the State plan or an approved private plan, or for a disability during unemployment, either for himself or for any other person, shall be liable to a fine of twenty dollars ($20.00) to be paid to the Division of Employment Security. Upon refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey. If in any case liability for the payment of a fine as aforesaid shall be determined, any person who shall have received any benefits hereunder by reason of the making of such false statements or representations or failure to disclose a material fact, shall pay to the division, the employer or insurer, as the case may be, an amount equal to the sum of any benefits hereunder received from the division, employer or insurer by reason thereof, and such person shall not be entitled to any benefits under this act for any disability occurring prior to the time he shall have discharged his liability hereunder to pay such fine, and to reimburse the division, employer or insurer.

(b) Any employer or any officer or agent of any employer or any other person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to prevent or reduce the benefits to any person enti-

tled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employer under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be liable to a fine of twenty dollars ($20.00) to be paid to the division. Upon refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(c) Any person who shall willfully violate any provision hereof or any rule or regulation made hereunder, for which a fine is neither prescribed herein nor provided by any other applicable statute, shall be liable to a fine of fifty dollars ($50.00) to be paid to the division. Upon the refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(d) Any person, employing unit, employer or entity violating any of the provisions of the above subsections with intent to defraud the Division of Employment Security of the State of New Jersey shall in addition to the penalties hereinabove described, be liable for each offense upon conviction before any County Court, county district court, criminal judicial district court, or magistrate's court, to a fine not to exceed two hundred fifty dollars ($250.00) or by imprisonment for a term not to exceed ninety days, or both, at the discretion of the court. The fine upon conviction shall be payable to the State disabilty benefits fund of the Division of Employment Security. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R. S. 43:21–1 et seq.).

Note: Act effective.

10. This act shall take effect July first, one thousand nine hundred and fifty, and shall not apply to disability benefits payable on account of disabilities commencing prior to that date.

Approved June 2, 1950.

1. Section 34:15–12 of the Revised Statutes is amended to read as follows:

Schedule of compensation.

34:15–12. Following is a schedule of compensation:

a. For injury producing temporary disability, sixty-six and two-thirds per centum (66⅔%) of the wages received at the time of the injury, subject to a maximum compensation of thirty dollars ($30.00) per week and a minimum of ten dollars ($10.00) per week. This compensation shall be paid during the period of such disability, not, however, beyond three hundred weeks.

This compensation shall be paid for a period of four hundred and fifty weeks, at which time compensation payments shall cease unless the employee shall have submitted to such physical or educational rehabilitation as may have been ordered by the rehabilitation commission, and can show that because of such disability it is impossible for him to obtain wages or earnings equal to those earned at the time of the accident, in which case further weekly payments shall be made during the period of such disability, the amount thereof to be the previous weekly compensation payment diminished by that portion thereof that the wage, or earnings, he is then able

to earn, bears to the wages received at the time of the accident. If his wages or earnings equal or exceed wages received at the time of the accident, then his compensation rate shall be reduced to five dollars ($5.00). In calculating compensation for this extension beyond four hundred and fifty weeks the minimum provision of ten dollars ($10.00) shall not apply. the end thereof shall be compensated for a like proportion of the period of time prescribed for the loss of the first phalange of such member.

Amputation between the knee and ankle shall be considered as the equivalent of the loss of a foot, and amputation at the knee shall be considered equivalent to the loss of the leg.

w. In all lesser or other cases involving permanent loss, or where the usefulness of a member or any physical function is permanently impaired, the compensation shall be sixty-six and two-thirds per centum (66⅔%) of daily wages, and the duration of compensation shall bear such relation to the specific periods of time stated in the above schedule as the disabilities bear to those produced by the injuries named in the schedule. In cases in which the disability is determined as a percentage of total and permanent disability the duration of the compensation shall be a corresponding portion of five hundred and fifty weeks. Should the employer and employee be unable to agree upon the amount of compensation to be paid in cases not covered by the schedule, either party may appeal to the workmen's compensation bureau for a settlement of the controversy.

x. Where there is a traumatic hernia compensation will be allowed if notice thereof is given by the claimant to the employer within forty-eight hours after the occurrence of the hernia but any Sunday, Saturday or holiday shall be excluded from this forty-eight-hour period.

z. In case of the death of the person from any cause other than the accident or occupational disease, during the period of payments for permanent injury, the remaining payments shall be paid to such of his or her dependents as are included in the provisions of said section 34:15–13 or, if no dependents, the remaining amount due, but not exceeding two hundred and fifty dollars ($250.00), shall be paid in a lump sum to the proper person for funeral expenses; but no compensation shall be due any other person than the injured employee on account of compensation being paid in excess of four hundred and fifty weeks on account of disability total in character and permanent in quality as provided by paragraph "b" of this section.

AN ACT concerning unemployment compensation, and amending section 43:21–13 and section 43:21–16 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 43:21–13 of the Revised Statutes is amended to read as follows: Section amended.

43:21–13. (a) Special fund. There is hereby created in the State treasury a special fund to be known as the unemployment compensation administration fund. All moneys which are deposited or paid into this fund are hereby appropriated and made available to the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey. All moneys in this fund shall be expended solely for the purpose of defraying the cost of the administration of this chapter (R. S. 43:21–1 et seq.), and for no other purpose whatsoever. The fund shall consist of all moneys appropriated by this State, and all moneys received from the United States of America, or any agency thereof, including the Social Security Board (or successor thereto), the Railroad Retirement Board, and the United States Employment Service (or successor thereto), or from any other source (excepting moneys provided for in subsection (g) of section 43:21–14 and subsections (a), (b), (c) and (e) of section 43:21–16) for such purpose, except that moneys received from the Railroad Retirement Board as compensation for services or facilities supplied to said board shall be paid into this fund or the employment service account thereof, on the same basis as expenditures are made for such services or facilities from such fund and account. All moneys in this fund received from the Social Security Board (or successor Unemployment compensation administration fund.

thereto) under Title III of the Social Security Act shall be expended solely for the purposes, and in the amounts, found necessary by the Social Security Board (or successor thereto) for the proper and efficient administration of this chapter (R. S. 43:21–1 et seq.). All moneys in this fund shall be deposited, administered, and disbursed, in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State treasury. Any balances in this fund shall not lapse at any time, but shall be continuously available to the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey for expenditure consistent with this chapter (R. S. 43:21–1 et seq.). The State Treasurer shall give a separate and additional bond conditioned upon the faithful performance of his duties in connection with the unemployment compensation administration fund in an amount to be fixed by the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey and in a form prescribed by law or approved by the Attorney-General. The premiums for such bond and the premiums for the bond given by the treasurer of the unemployment compensation fund under section 43:21–9 of this chapter (R. S. 43:21–1 et seq.) shall be paid from the moneys in the unemployment compensation administration fund.

Employment service account.

(b) Employment service account. A special "employment service account" shall be maintained as a part of the unemployment compensation administration fund for the purpose of maintaining the public employment offices established pursuant to section 43:21–12 of this chapter (R. S. 43:21–1 et seq.) and for the purpose of co-operating with the United States Employment Service (or successor thereto). There is hereby appropriated to this account the balance of any sum previously appropriated to the employment service, and such additional sum as to equal sixty-five thousand dollars ($65,000.00) for the remainder of the fiscal year

ending June thirtieth, one thousand nine hundred and thirty-seven. The Governor shall fix and determine and state in his annual budget message a sum sufficient to pay the estimated amount of the State's net share of the cost of the employment service as provided in this chapter (R. S. 43:21–1 et seq.). The Legislature shall include the amount so determined and stated in the annual appropriation bill. In addition, there shall be paid into such account the moneys designated in subsection (b) of section 43:21–12 of this chapter (R. S. 43:21–1 et seq.), and such moneys as are apportioned for the purposes of this account from any moneys received by this State under Title III of the Social Security Act, as amended.

Reimbursement of fund.

(c) Reimbursement of fund. If any moneys received after June thirtieth, one thousand nine hundred and forty-one, from the Social Security Board (or successor thereto) under Title III of the Social Security Act, or any unencumbered balances in the unemployment compensation administration fund as of that date, or any moneys granted after that date to this State pursuant to the provisions of the Wagner-Peyser Act, or any moneys made available by this State or its political subdivisions and matched by such moneys granted to this State pursuant to the provisions of the Wagner-Peyser Act, are found by the Social Security Board (or successor thereto), because of any action or contingency, to have been lost or been expended for purposes other than, or in amounts in excess of, those found necessary by the Social Security Board (or successor thereto) for the proper administration of this chapter (R. S. 43:21–1 et seq.), it is the policy of this State that such moneys shall be replaced by moneys appropriated for such purpose from the general funds of this State to the unemployment compensation administration fund for expenditure as provided in subsection (a) of this section. Upon receipt of notice of such a finding by the Social Security Board (or successor thereto), the Division of Employment Security of the

Department of Labor and Industry of the State of New Jersey shall promptly report the amount required for such replacement to the Governor, and the Governor shall, at the earliest opportunity, submit to the Legislature a request for the appropriation of such amount. This subsection shall not be construed to relieve this State of its obligation with respect to funds received prior to July first, one thousand nine hundred and forty-one, pursuant to the provisions of Title III of the Social Security Act.

Construing.

S. 43:21–1 et seq.) while any conditions for the receipt of benefits imposed by

this chapter (R. S. 43:21–1 et seq.) were not fulfilled in his case, or while he was disqualified from receiving benefits, such person shall be liable, if the director in his discretion directs recovery, either to have such sum deducted from any future benefits payable to him under this chapter (R. S. 43:21–1 et seq.) or to repay to the division for the unemployment compensation fund, a sum equal to the amount so received by him, and such sum shall be collectible in the manner provided in subsection (e) of section 43:21–14 of this chapter (R. S. 43:21–1 et seq.) for the collection of past-due contributions. Such person shall be promptly notified of the determination and the reasons therefor. Unless such person, within five calendar days after the delivery of such determination, or within seven calendar days after such notification was mailed to his last known address, files and appeal from such determination, such determination shall be final.

S. 43:21–1 et seq.), shall be liable for each offense upon conviction before any County Court, county district court, criminal judicial district court, or magistrate's court, to a fine not to exceed two hundred fifty dollars ($250.00) or by imprisonment for a term not to exceed ninety days, or both, at the dis-

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 2:58-32.19. Public emergency.

1. The Legislature hereby finds and declares that a serious public emergency exists due to the continued critical shortage of housing space within the State of New Jersey resulting from the economic effects and conditions created by the prosecution of World War II and the aftermath of hostilities.

C. 2:58-32.20. Purpose.

2. It is hereby declared to be in the interest of the health, safety and general welfare of the people of New Jersey to prevent unwarranted and abnormal increases in rents; to alleviate the effects of the critical shortage in housing space and living accommodations caused by the economic dislocations of World War II and the aftermath of hostilities; and to protect living persons living in the State of New Jersey from undue impairment of their standard of living during the present emergency and critical housing shortage. To the end that these purposes may be effectively carried out the provisions hereof are enacted.

C. 2:58-32.21. Area rent control boards, areas established.

The members of such boards shall be appointed by the Governor and shall serve at the pleasure of the Governor. The Governor shall designate one of the members of each such board to serve as chairman thereof. Members of such boards shall serve without compensation but shall be reimbursed for necessary expenses incurred in the performance of their duties. Surveys for purpose of decontrol.

(c) Each Area Rent Control Board shall from time to time conduct surveys within the area for which such board was established for the purpose of ascertaining whether the demand for rental housing space within such area, or portion thereof, has been reasonably met to the end that such board may formulate plans and policies for the gradual decontrol of housing space within such area, or portion thereof, at the earliest practical time.

Hearings, determinations effective.

(d) Each Area Rent Control Board in the area for which such board was established, shall conduct hearings and promulgate regulations in accordance with the provisions of this act. Hearings may be conducted by a single member of such area board or its agent. All findings and determinations shall be reviewed and approved by a majority of said

board. Any regulation promulgated by such board, or any amendment, modification or repealer thereof, shall take effect only when approved by a majority of said board and the commissioner.

Hearings by county boards.

(e) The county rent control board or its agent or agents designated by a majority of the board in the county in which the housing space is located shall conduct hearings and make appropriate orders thereon in accordance with the provisions of this act and the applicable regulations established hereunder. All fire escapes erected on any hotel shall be made of iron or steel of good quality and have one coat of approved paint before leaving the shop and at least one coat after erection. All fire escapes and fireproof outside stairs on hotels shall be kept well painted if built of iron or steel and all outside stairs of any form of construction shall be kept in good repair.

Where the hotel has a flat roof the balcony at top floor shall be provided with a gooseneck ladder leading from said balcony to and extending not less than thirty inches above the roof or top of the wall of the building if such wall extends above the roof. Such gooseneck ladder shall be securely fastened through the wall of the building, to the roof and to the platform of the balcony, ten inches from the outer edge of the platform frame, at the end opposite the stair landing. If such ladder extends over the top of the wall the portion extending over such wall shall also be securely fastened to the wall of the building. Such ladder shall be placed against the end railing of the balcony and shall be at no point less than four inches from the wall of the building. It shall be not less than fifteen inches in width; it shall have strings not less than one-half inch by two inches; it shall have rungs, except in that portion of the ladder which extends above the edge of the roof or the top of the wall; such rungs shall be not less than five-eighths of an inch in diameter, placed not more than twelve inches

apart and securely riveted through the strings. Each part of such ladder shall be in one piece.

Balconies of fire escapes; specifications; railing at top. Every fire escape balcony placed on a hotel shall open to a door which shall be in a public hall to which all guest rooms open, and be below and not more than seven inches below the floor of the hall. A window may be used in place of the door, if such window is of a size and so constructed as to meet the approval of the Supervisor of Hotel Fire Safety. Every such balcony shall have a platform with an opening for a stairway inside of the outer edge of such platform or a platform without a stairway opening if the stairway is constructed outside of the balcony. If a balcony is constructed with a stairway opening, such balcony shall not be less than three feet and five inches in width, and that part of the platform at the head and foot of the stairway shall be not less than two feet long. In the top balcony of any fire escape on which a gooseneck ladder is required, that part of the platform at the end of the balcony opposite the stairs shall be not less than thirty-two inches long. There shall be a passageway between the stairway and the wall of the building or the outer rail of the balcony, as the case may be, such passageway not to be less than seventeen inches wide in every part; the stairway opening in every such platform, except the bottom platform, in which there shall be no stairway opening, shall be not less than twenty-one inches wide and long enough to provide a clear headway of six feet; such opening shall not be covered in any way. Balconies of fire escapes without a stairway opening, in which the stairs extend in the same general direction, shall be not less than three feet wide and four feet long; the top and bottom balconies of fire escapes without a stairway opening, in which the stairs extend in opposite directions, shall be not

less than three feet wide and four feet long, and all other balconies of such fire escapes shall be not less than four feet wide and four feet long. The top balcony of every fire escape, having a passageway, shall have a railing at the outer edge of the passageway and at the end of the stairway opening opposite the stairs; all other such balconies shall have railings at the outer edge of the passageway; such railings to be constructed in a substantial manner and be not less than two feet and nine inches high.

Floors of fire escape balconies; specifications. The floors of all fire escape balconies placed on hotels shall be of wrought iron or steel slats not less than one and one-half inches by three-eighths of an inch placed not more than one and one-quarter inches apart and well secured and riveted to iron battens, one and one-half inches by three-eighths of an inch, not over two feet apart. The ends of such floor slats shall rest upon the platform frame but shall not be riveted or bolted to same. The battens shall also rest upon and be riveted or bolted to frame of said balcony. Said frame shall be made of angle iron not less than two and one-half inches by two and one-half inches by three-sixteenths of an inch thick, and extend around all sides of the balcony floor. It shall rest upon brackets and be secured to same by rivets or bolts, and be riveted at corners. The floors of balconies may, however, be constructed of such fireproof material and of such strength as directed by the Supervisor of Hotel Fire Safety. The platforms of balconies shall be constructed, and erected to sustain safely in all their parts a safe load of not less than eighty pounds per square foot, utilizing a ratio of four to one between the safe working load and the ultimate strength of all parts.

Railing of fire escape balconies; specifications. A top rail shall extend around all sides of the balcony of every fire escape on any hotel, except that on the lowest balcony the top rail shall extend around all sides of the balcony to the opening for

the drop ladder and on a balcony with a stairway at the end of the balcony the top rail shall extend around all sides of the balcony to the opening for stairway. In the lowest balcony the top rail shall be fastened to a post of three-quarter inch round wrought iron rod or pipe or one and one-half inch angle iron at least three-sixteenths of an inch thick, securely fastened to the platform frame at each side of the opening. In a balcony with a stairway at the end of the balcony, the top rail shall be securely fastened to upright posts of the handrail. All top rails shall be made of one and three-quarter inch by one-half inch wrought iron or one and one-half inch angle iron, at least three-sixteenths of an inch thick, and the ends shall be worked out to not less than three-quarter inch bolt size and shall go through the wall and be properly secured by nuts and washers, at least four inches square and three-eighths of an inch thick. The standard, or filling-in bars shall be so placed as to form a safe and secure railing and shall be not less than one-half inch round or square wrought iron well riveted to the top rail and to a bottom rail or carried down and well riveted to the platform frame. Where a railing of a different design is erected it shall be constructed in a safe and secure manner and such railing shall be approved by the Supervisor of Hotel Fire Safety. In fire escapes having a stairway opening and a balcony with a bottom rail, one filling-in bar in every three feet, at the front of the balcony, shall be carried down and riveted to the platform frame. The bottom rails shall be one and one-half inches by three-eighths of an inch wrought iron or one and one-half inch angle iron, at least three-sixteenths of an inch thick, set not more than eight inches above the floor of the balcony; the ends shall go through the wall and be securely fastened in the manner provided for top rails or the ends may be well leaded or cemented into the wall, or they may be constructed of such fireproof material and of such strength as directed by the Supervisor of Hotel Fire Safety.

Stairways of fire escapes; specifications; handrail; pitch. The stairways of fire escape balconies erected on hotels shall be constructed and erected to sustain fully in all their parts a safe load of not less than one hundred pounds per step, utilizing a ratio of four to one between the safe working load and the ultimate strength of all parts, with the exception of the tread, which must safely sustain at any point at said ratio a concentrated load of two hundred pounds. The treads shall not be less than seven inches wide and the rise of each step not more than nine inches. The treads shall be flat open treads of cast iron not less than five-eighths of an inch thick, or of flat bars not over one and one-quarter inches wide or less than three-eighths of an inch thick; spaces between such bars shall be not more than one inch or less than one-half of an inch; such bars to be riveted to angle irons of not less than one and one-half inches in size, secured to strings, with double rivets or bolts. The stairs be not less than twenty inches wide between inside of strings; the strings shall be made of iron or steel three-inch channels, or other shape equally strong; and shall, at both top and bottom, rest upon and be fastened to a bracket, which shall be fastened through the wall as hereinafter provided. The stairs shall have a handrail of not less than three-quarter inch round wrought iron or pipe, on each side, not less than thirty inches or more than forty-two inches above the steps at any point, and the same shall be secured and well braced. The stairways shall be placed at an angle not greater than sixty degrees, or they may be constructed of such fireproof material and of such strength as directed by the Supervisor of Hotel Fire Safety.

Brackets and braces on fire escape balconies; specifications. The brackets of all fire escape balconies on fire escapes erected on hotels shall be placed not more than four feet apart and be not less than three-quarters of an inch by one and one-half inches wrought iron placed edgewise, or one

and three-quarter inch angle iron, one-quarter inch thick, to extend across the full width of the balcony and be well braced at a point not less than two-thirds of the distance from the wall to the end of the bracket, by means of not less than three-quarters of an inch square wrought iron or one and three-quarters of an inch angle iron. The ends of brackets and braces shall go through the wall and be properly secured by nuts and washers four inches square and at least three-eighths of an inch thick.

Drop ladders from fire escape; specifications; landing platform. Where the stairs do not extend to the ground, an iron drop ladder to reach to a safe landing place shall be required from the lowest balcony of every fire escape on a hotel, except where the lowest balcony is more than seventeen feet above the sidewalk or ground and a landing platform is required as hereinafter provided. Each part of such ladder shall be in one piece. It shall not be less than fifteen inches in width with strings not less than three-eighths of an inch by one and one-half inches, and rungs not less than five-eighths of an inch in diameter, placed not more than twelve inches apart and securely riveted through the strings. Every drop ladder shall have a yoke of wrought iron fifteen inches in width and extending at least five feet above the top rung, and such ladder shall be suspended by a chain or cable attached at one end to the top of the yoke, and at the other end to a counterweight heavy enough to maintain the ladder when not in use, at least eight feet above the ground. The chain or cable shall pass over a grooved pulley wheel; the upper half of the rim of such wheel shall be covered and the chain or cable and pulley wheel shall be of a size and strength approved by the Supervisor of Hotel Fire Safety. The iron pulley shall be properly fastened to a wrought iron bar securely riveted to at least two brackets of a balcony or to a bracket which shall go through the wall, if placed on a brick building, and be properly fastened by

nuts and washers, or, if placed on a frame building, it shall go through the wall and a wrought iron or steel plate and be properly fastened with nuts and washers; such plate shall not be less than three inches wide and one-quarter of an inch in thickness and pass across and bear upon the entire inner faces of at least two studs and be backed and re-enforced by a solid backing as thick as the studs, firmly secured to the studs across which the plate passes. There shall be two hooks of round wrought iron not less than five-eighths of an inch in diameter securely fastened to the bottom of the lowest balcony, placed not more than one-half inch further apart than the width of the ladder, and so constructed as to hold the ladder not less than four inches away from the bottom rail of the balcony. Every counterbalanced drop ladder must be provided with a basket or other safety device to receive the counterweight and ladder if directed by the Supervisor of Hotel Fire Safety. When evidence is submitted to the Supervisor of Hotel Fire Safety that it is impractical to construct the drop ladder as herein set forth, the supervisor may approve an equivalent form of construction for such ladder. In every fire escape where the floor of the lowest balcony is more than seventeen feet above the sidewalk or ground, a suitable landing platform shall be provided. Such platform shall be located not more than ten feet above the ground and shall be connected with the balcony above by means of a stairway constructed as required by this Title, for stairways between balconies; such platform shall not be less than three feet in width and four feet long and be provided with proper railings and a drop ladder without a yoke or counterweight, but with a hook at the upper end of each string by which the ladder may be held against the top rail of the platform.

Specifications for fire escapes on frame hotels. All fire escapes constructed on frame hotels shall conform in all particulars to the provisions of this Title, except as hereinafter provided. The rise

of the steps of the stairways shall be not more than eleven inches. The strings shall be not less than three-inch channels, or other shape equally strong, properly constructed. The brackets and top rails shall be secured by bolts through the wall. In no case shall said bolts pass through the studs of said wall, but shall be properly fastened with washers and screwnuts, through a wrought iron or steel plate, such plate to be not less than three inches wide by one-quarter inch in thickness, and to pass across and to bear upon the entire inner faces of at least two studs. The said plate shall be backed and re-enforced by solid blocking as thick as the studding, firmly secured to the studs across which the plate passes. The bottom rail shall be secured in a similar manner, or by means of lag screws not less than five-eighths of an inch in diameter and four inches long, properly screwed into bored holes in the studs or blocking secured between the same, said holes to be not more than seven-sixteenths of an inch in diameter, and the center of such holes not to be within one and one-quarter inches of the sides of the studs or blocking.

On hotels more than five stories in height there shall be erected an outside open stairway and balcony which shall be accessible on each floor through a doorway from a public hall to which all guest rooms open and which shall be constructed of iron, steel, concrete or other approved fireproof material. The balcony shall be at least five feet eight inches in width, the stairs and passageways at least two feet eight inches in width and the railings at least three feet in height and shall be constructed in a safe and secure manner. The posts, brackets, braces, floors of balcony and stairs shall be so designed and secured to the building in a manner that will support the load to be imposed.

Section amended.

Existing transoms over such doors shall be made immovable or completely removed and the openings closed with fire retarding material. Where the transom is to be retained and plain glass is found to exist in such doors or transoms, the plain glass shall be replaced with a good quality wire glass or covered with fire retarding material. All doors in connection with exits except doors from guest rooms shall swing with the exit travel and shall be so arranged as always to be readily opened from the side from which egress is made, except when such doors opening outward shall constitute an obstruction when open. The fastenings on such doors serving as required means of egress shall be such that the doors can be readily opened from the inside without the use of keys. A revolving door shall not be approved as a required exit door. No draw bolts shall be used. Exits and all halls or corridors leading to them shall be adequately lighted at all times while building is occupied. Exits shall be plainly marked by approved exit signs, sufficiently illuminated where the floor area is occupied to be readily distinguished. At least one sign shall be visible from the doorway of each room or suite of rooms. Doors to guest rooms may have movable transoms with wire glass panels or plain glass covered with fire retarding material; provided a suitable manual closing device is available in the interior of the room and any one of the following provisions is made:

(1) Hallways or corridors shall have subdividing partitions and doors of three-quarter hour fire resistance at intervals such as not to include

more than twenty-four guest rooms, except where hotel is of fireproof construction as stated in this act, or

(2) Hallways or corridors shall have suitable discharge fans at one or both ends of the hall or corridor, or

The watchman's stations shall be so located that all parts of the building are visited, and records of such watchman tours shall be kept available for inspection. The automatic fire detecting devices or the automatic sprinkler system shall be of a type approved by the Underwriters' Laboratories, Inc., or by such other laboratory as may be determined by the Supervisor of Hotel Fire Safety to be properly qualified and equipped for the testing of fire protection equipment and materials, and shall be installed in kitchens, bake shops, laundries, work shops, boiler rooms, basement and cellar areas, hallways, stairways and elevator and dumb-waiter shafts of said hotels. In all hotels of frame or ordinary construction, all interior stairways, including moving stairways, dumb-waiters and elevators, shall be enclosed with partitions constructed as set forth in paragraph twenty-five of this act, except where in the opinion of the Supervisor of Hotel Fire Safety such an enclosure may create an obstruction or a hazard by reducing width of hall. All doors to such enclosures shall be self-closing doors (except that elevator doors may be manually closed) except that stairways, dumb-waiters and elevators as follows shall be exempt from such requirements:

(1) Stairways, dumb-waiters and elevators in buildings not over two stories in height.

The board may grant an exception to the concreting of the air space where buildings are erected in such localities

as to preclude dampness in such air space. Said air space shall be enclosed in brick walls, provided with grills, sufficient in number to assure adequate ventilation. There shall also be provided an outside door opening to such air space, not less than eighteen inches square. Said opening shall be securely closed with a proper door, which shall be kept locked at all times. Where the air space extends under part of the building and connects with the cellar an eighteen-inch by eighteen-inch fireproof door to the cellar shall be provided. The floor above any such air space shall be laid with a double flooring of matched boards, with a layer of heavy three-ply building paper or felt between the under and upper floors, the upper floor to be laid at an angle not less than forty-five degrees with the lower floor, except where the floor beams are insulated with approved insulating material.

Any such lease or contract may provide for the payment by the county or the municipality of any rents or other charges to the Authority and may be made for a specified or an unlimited time and on any terms and conditions which may be approved by the county or the municipality and which may be agreed to by the Authority. Such county or municipality is hereby au-

Each county, municipality or other public body shall promptly pay to the Authority all rents and other charges which the Authority may charge to it, pursuant to any lease or contract with the Authority and shall provide for the payment thereof in the same manner as other obligations of such county, municipality or public body.

C. 52:18A-65. Powers of eminent domain, exercising.

16. Condemnation. Upon the exercise by the Authority of the power of eminent domain pursuant to paragraph h of section ten of this act, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in chapter one

of Title 20 of the Revised Statutes in so far as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The Authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; *provided, however,* that separate awards be made for each tract or parcel of land or property; *and provided further,* that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county. Proviso. Proviso.

Upon the filing of such petition or complaint or at any time thereafter the Authority may file with the clerk of the county in which such property is located and also with the Clerk of the Superior Court a declaration of taking, signed by the Authority, declaring that possession of one or more of the tracts or parcels of land or property described in the petition or complaint is thereby being taken by and for the use of the Authority. The said declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof to which there may or may not be attached a plan or map thereof; (2) a statement of the estate or interest in the said land or property being taken; (3) a statement of the sum of money estimated by the Authority by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in said declaration; and (4) that, in compliance with the provisions of this act, the Authority has established and is maintaining a trust fund as hereinafter provided.

Upon the filing of the said declaration, the Authority shall deposit with the Clerk of the Superior Court the amount of the estimated compensation

stated in said declaration. In addition to the said deposits with the Clerk of the Superior Court the Authority at all times shall maintain a special trust fund on deposit with a bank or trust company doing business in this State in an amount at least equal to twice the aggregate amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court. Said trust fund shall consist of cash or securities readily convertible into cash constituting legal investments for trust funds under the laws of this State. Said trust fund shall be held solely to secure and may be applied to the payment of just compensation for the land or other property described in such declaration of taking. The Authority shall be entitled to withdraw from said trust fund from time to time so much as may then be in excess of twice the aggregate of the amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

Upon the filing of the said declaration as aforesaid and depositing with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration, the Authority, without other process of proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this provision that the proceedings for compensation or any other proceedings relating to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the Authority for the purpose or purposes for which the Authority is authorized by law

to acquire or condemn such land or other property or interest therein.

The Authority shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party in interest named in the petition residing in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made within ten days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the Authority, any judge of the Superior Court assigned to sit for said county may order that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in said proceeding; *provided,* that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as herein provided and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the Authority the difference between the amount of the deposit and the amount of the award, with interest at the rate of six per centum (6%) per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the

difference between the amount of the award and the deposit to the Authority unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on petition of the Authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the Authority for such difference against the party or parties liable for the return thereof. The Authority shall cause notice of the date fixed for such hearing to be served upon each party thereto residing in this State either personally or by leaving a copy thereof at his residence, if known, and upon each party residing out of the State by mailing a copy to him at his residence, if known. In the event that the residence of any party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made at least ten days before the date fixed for such hearing.

Whenever under chapter one of Title 20 of the Revised Statutes the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The Authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided.

C. 52:18A-66. Authorized to issue bonds.

17. Bonds. (a) The Authority shall have the power and is hereby authorized from time to time to issue its negotiable bonds for any of its corporate purposes and, whenever it deems refunding expedient to refund any bonds issued by it by the issuance of refunding bonds, whether the bonds to be refunded have or have not matured, and may issue bonds partially to refund bonds then outstanding and partially for any other of its corporate purposes. The refunding bonds may be exchanged for the bonds to be refunded with such cash adjustments as may be agreed, or may be sold

(a) The provisions of this section shall be applicable to an issue of bonds authorized or issued by the Authority only if the resolution of the Authority authorizing or providing for the issuance of such bonds shall provide in substance that the holders of the bonds of such issue shall be entitled to the benefits and be subject to the provisions of this section.

(b) In the event that there shall be a default in the payment of principal of or interest on any bonds of such issue after the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of thirty days, or in the event that the Authority shall fail or refuse to comply with the provisions of this act or shall fail or refuse to carry out and perform the terms of any contract or covenant with or for the benefit of the holders of any of such bonds, and such failure or refusal shall continue for a period of thirty days after written notice by any holder of bonds of such issue or by a trustee for bondholders to the Authority of its existence and nature, the holders of twenty-five per centum (25%) in aggregate principal amount of the bonds of such issue then out-

standing by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a statutory trustee to represent the holders of the bonds of such issue for the purposes provided in this section.

AN ACT to amend "An act concerning savings and loan associations and building and loan associations, and revising chapter twelve of Title 17 of the Revised Statutes," approved April fourth, one thousand nine hundred and forty-six (P. L. 1946, c. 56).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Section amended.

1. Section seventy-eight of the act of which this act is amendatory is amended to read as follows:

C. 17:12A-78. Authorized investments.

78. Loans. Investments in loans may be made as follows:

(1) Mortgage loans. In direct reduction, sinking fund, and straight mortgage loans. Each such loan shall be evidenced by an obligation and secured by a mortgage which shall be a first lien on real estate in the State, or outside of the State if located within fifty miles of the principal office of the association. A mortgage shall be deemed a first lien notwithstanding the existence of a prior mortgage or mortgages held by the association, or liens of taxes or assessments which are not delinquent, building restrictions or other restrictive covenants or conditions, leases or tenancies whereby rents or profits are reserved to the owner, joint driveways, sewer rights, rights in walls, rights of

way or other easements, or encroachments which the appraisers signing the appraisal provided for in section eighty-one, report in their opinion do not materially affect the security for the mortgage loan. Such loans shall be on real estate used or to be used wholly or partially for dwelling purposes. If the proceeds of any such loan are used in whole or in part to improve the mortgaged real estate, they may be advanced in installments as the construction of a building or the making of other improvements thereon progresses and the value of the contemplated improvement may be included in arriving at the appraised value of the property.

Each direct reduction loan shall require periodical payments sufficient to pay the principal and interest of the loan in full in a period of twenty years or less. Any association may by agreement with the borrowing member reduce the amount of periodical payments, but the amount of the periodical payments thereafter required shall be sufficient to pay the balance of the loan and interest thereon within a period of twenty years or less from the time of making such agreement. Each sinking fund loan shall require periodical payments, at least monthly, on an account pledged as collateral security for such loan which shall be sufficient to pay such loan in a period of twenty years or less. Any association may by agreement with the borrowing member provide for the application of such account to the principal of the loan and for a reduction in the periodical payments required on an account thereafter; *provided, however,* that such periodical payments thereafter required shall be sufficient to retire the loan in a period of twenty years or less from the time of the making of such agreement. The amount of any direct reduction loan or sinking fund loan, less the withdrawal value of any account which may be pledged as collateral security therefor, shall not exceed eighty per centum (80%) of the value of such real estate as found by appraisal at the time when the loan is granted.

Proviso.

The term of any straight mortgage loan shall not exceed three years. The amount of any such straight mortgage loan shall not exceed fifty per centum (50%) of the value of the property as found by appraisal at the time the loan is granted. An association may renew any straight mortgage loan held by it for a period not exceeding three years and for amounts not in excess of fifty per centum (50%) of the value of the real estate as found by appraisal at the time of such renewal. The total amount invested in straight mortgage loans by any association shall not exceed ten per centum (10%) of its assets at the time any such investment is made.

(2) Improvement or repair loans. In additional loans to members for repairs, alterations, or improvements already made or to be made, of real estate owned by such members, upon which the lending association already holds a mortgage lien, or to pay the cost of insurance upon the life of such member which policy of insurance may also include health, accident or disability features, the proceeds of such policy to be applied in accordance with its terms and conditions; *provided, however,* the amount of such life insurance shall not exceed the amount loaned on the mortgage lien held by the association. If the mortgage already held by the lending association secures payment of a direct reduction loan, such additional loan shall not exceed the sum of one thousand dollars ($1,000.00) or the amount which has been repaid in reduction of the principal of such mortgage loan, whichever is less. If the mortgage already held by the lending association secures payment of a sinking fund loan, such additional loan shall not exceed the sum of one thousand dollars ($1,000.00) or the withdrawal value of the installment account which is pledged as collateral security for the payment of such sinking fund loan, whichever is less. Each such additional loan shall be evidenced by an obligation which shall state the terms on which such loan is made, and the amount thereof shall be added to

Proviso.

the amount due on the association's mortgage against such real estate, and payment thereof shall be secured thereby. All persons who acquire any rights in, or liens upon, the mortgaged real estate subsequent to the recording of any association's mortgage shall hold such rights and liens subject to the association's right to make such additional loans. For the purpose of such additional loans, no search or examination of the title to the mortgaged real estate shall be required. The power to make such additional loans is in addition to, and not to the exclusion of, the power to make any other lawful loan or any other lawful additional loan, or to make advances for any purpose expressly or impliedly reserved or provided for in any bond, mortgage or other obligation held by or hereafter acquired by any such association.

(3) Camp meeting leaseholds. In any obligation secured by first mortgage on any leasehold estate of real estate in this State of any camp meeting association, to the extent authorized by, and subject to, the limitations and restrictions contained in section 17:2–1 of the Revised Statutes.

(4) Purchase of loans. In the purchase of any loan which an association is authorized to make.

(5) Account loans. In loans secured by a pledge of a member's account. No such loan shall exceed the withdrawal value of the pledged account, less interest thereon for a period of six months.

(6) Guaranteed loans. In loans guaranteed or insured in whole or in part by the United States of America or the State of New Jersey, any instrumentality or agency of either of them, or for which a commitment to so guarantee or insure has been made. Such loans shall not be subject to the provisions of section twenty-seven subdivision (13), section seventy-eight subdivision (1), section eighty-one and section eighty-two of this act. Such loans may be made in accordance with the terms and conditions permitted by the agency guaranteeing or insuring such loans, notwithstanding any other provisions of law limiting interest or other

charges or prescribing terms and conditions. Such loans shall include only those which are made for the purchase or improvement of real estate, or for the construction, alteration, repair, or improvement of buildings erected thereon, used or to be used, wholly or partially for dwelling purposes, in which case they may or may not be secured by mortgages; or those which may be made for any other purpose provided they be secured by a mortgage on real estate used or to be used wholly or partially for dwelling purposes. The real estate in connection with which any such loan is made shall be located in this State, or outside of the State if located within fifty (50) miles of the principal office of the association.

2. This act shall take effect immediately.

Approved July 3, 1950.

Section amended.

1. Section 25.1 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-25.1. Retirement benefits for officers and employees of banks.

25.1. Banks; retirement benefits for officers and employees.

A. A bank may, with the approval of a majority in interest of its stockholders, adopt a plan or plans providing for the retirement of its officers and employees, and for the payment to them for life, or for a period certain, of retirement benefits within the limits prescribed by this section. If a plan provides for the payment of such benefits for a period certain, it may also provide, as the board of directors shall determine, that, if such officer or employee shall die before the expiration of such period, the benefits shall be paid for the remainder

of such period to any one or more person or persons who shall be the spouse or next of kin or dependents of such officer or employee, as he shall designate in the manner provided by such plan. A plan adopted pursuant to this section, or continued pursuant to subsection J of this section, may be rescinded, or may be altered from time to time, by resolution of the board of directors; except that the approval of a majority in interest of stockholders shall be required when such alteration is for the purpose of (1) providing for the payment, in whole or in part at the cost of the bank, of retirement benefits greater than those specified in such plan; (2) providing for the retirement of officers or employees at an age earlier than the retirement age or ages specified in such plan; or (3) decreasing the period of service required by such plan to qualify an officer or employee to receive payment of retirement benefits.

B. A retirement plan adopted or continued pursuant to this section may provide for, or be effected through

(1) a fund (a) accumulated from the income of the bank or (b) set aside out of surplus; and, as the board of directors shall from time to time determine, (c) out of which retirement benefits may be paid directly, or which may be used in whole or in part for the purchase of annuity or insurance contracts, or both; and (d) to which officers and employees may make contributions; or

(2) a trust fund or funds accumulated or set aside and administered for the purposes and in the manner provided by paragraph (1) of this subsection, to be held in trust by the bank or by a trustee or trustees designated by the bank, and which shall not be subject to any law against perpetuities, restraints on alienation, or perpetual accumulations; or

(3) the purchase of group annuity or insurance contracts, or both, the premiums upon

which may be paid in full by the bank, or in part by the bank and in part by its officers and employees; or

(4) a fund accumulated by contributions made thereto by two or more corporations authorized to transact business as a bank, savings bank or national banking association in this State, or in any other State, pursuant to a retirement system created under the laws of this State or of the State of New York, limited in membership to such corporations and providing for the retirement of officers and employees of such corporations, with or without contributions by such officers and employees; or

(5) a fund, plan or system (a) which is administered by a corporation not for pecuniary profit organized under the laws of this State; (b) in which two or more banking institutions participate, or of which two or more banking institutions are members; (c) which is underwritten by a group annuity contract issued by a life insurance company authorized to transact business in this State; and (d) to which contributions are made in part by the banking institutions which participate or have membership therein, and in part by the officers and employees of such banking institutions.

C. No officer or employee of a bank shall be eligible to receive payment of retirement benefits pursuant to this section unless

(1) such officer or employee has attained the age of at least sixty years and has served the bank as an officer or employee or both for not less than ten years; or

(2) such officer or employee has attained the age of at least fifty years, has served the bank as an officer or employee, or both, for not less than ten years, and has become incapacitated from any cause from continuing his duties as such officer or employee; or

(3) such officer or employee has served the bank as an officer or employee, or both, for not less than fifteen years, and has become incapacitated from any cause from continuing his duties as such officer or employee.

D. A retirement plan which involves the holding and administration of a fund or funds solely by the bank, or by a trustee or trustees, without purchase of annuity or insurance contracts, shall provide that, upon termination of employment for any cause other than retirement pursuant to such plan, or upon death prior to such retirement, all contributions made by an officer or employee shall be repaid to such officer or employee, or to the beneficiary designated by him. Such fund or funds shall not be liable for the payment of depositors' or creditors' claims. A retirement plan which involves the purchase of annuity or insurance contracts shall provide that, upon termination of employment for any cause other than retirement pursuant to such plan, or upon death prior to such retirement, the officer or employee, or the beneficiary designated by him, shall be entitled to so much of the incidents of ownership thereof as shall have been purchased by his contributions, and in addition thereto to so much of the incidents of ownership thereof as shall have been purchased by the bank for his benefit, as shall be provided in such plan, and no depositor or creditor of any bank shall have any claim or right in any such contract or the proceeds thereof by reason of any payment made therefor or thereon by such bank.

E. No bank shall pay or contract for the payment of any annual retirement benefit which shall exceed (1) sixty per centum (60%) of the average annual salary paid during the last thirty-six months of service preceding retirement or (2) one-sixth of one per centum (1/6 of 1%) of such average annual salary multiplied by the number of months of service, whichever is less; except that, when such average annual salary is less than the

average annual salary paid during all years of service, the bank may pay or contract for the payment of annual retirement benefits which shall not exceed the lesser of (1) sixty per centum (60%) of average annual salary paid during all years of service and (2) one-sixth of one per centum (1/6 of 1%) of average annual salary paid during all years of service, multiplied by the number of months of service. When the plan involves the purchase of annuity or insurance contracts pursuant to paragraphs (3) or (5) of subsection B of this section, or participation in a retirement system pursuant to paragraph (4) of subsection B of this section, the contribution by the bank toward the premium charges thereon shall not exceed the sum required for the payment of the maximum benefits in this subsection set forth. Nothing in this section shall prevent the payment of greater benefits if the officer or employee contributes the premium or other charges for the purchase or return of benefits in excess of the maximum limited by this subsection.

F. In determining the eligibility for retirement hereunder of any officer or employee, (1) the period or periods during which the employment of such officer or employee shall, in time of war or emergency, be or have been interrupted by service in the military or naval service of the United States or of this State, or in the Coast Guard or Merchant Marine of the United States, or in any auxiliary or reserve corps serving therewith, or by engagement in any war work by enlistment or induction under any selective service or similar statute, or, with leave of the bank, by engagement in any war relief, social service or other activity related to war conditions, or, in time of peace, by absence on leave and engagement in training or temporary service of a similar character, and (2) a period not exceeding three months after termination of such service or engagement, and (3) a period not exceeding one year of incapacity as a result of such service or engagement, and (4) the period of serv-

ice of such officer or employee in another bank which has been merged into the bank or whose business has been taken over by the bank, shall be included in the period of such officer's or employee's service or employment in the bank.

G. Any benefit payable under the provisions of this section shall be subject to execution, attachment, garnishment or other legal process to the extent and by the same procedure as provided by law in respect to execution upon or garnishment of wages or other earnings. No such benefit shall be assignable or subject to advancement, but, in the discretion of the board of directors, all or a part thereof may be paid in accordance with the written order of the retired officer or employee, or, in case of his disability, may be applied by the bank for his use or benefit or for that of his dependents.

H. If the by-laws so provide, the board of directors may delegate the administration of any plan adopted pursuant to this section to its executive committee or to a pension committee appointed by it.

I. A bank which, on the effective date of this act, is paying an officer or employee a retirement benefit, pension or disability benefit pursuant to law in effect at the time of his retirement or disability, is authorized to continue the payment thereof.

J. A bank which, on the effective date of this act, operates or participates in a plan, fund or system for the retirement or pensioning of officers and employees or for payment to them of disability benefits pursuant to law in effect at the time of the adoption of such plan, fund or system, is authorized to continue such plan, or participation in such plan, fund or system, and it may, with the approval of the commissioner, if such approval is required by subsection K of this section, alter such plan from time to time in a manner not inconsistent with the provisions of this section.

K. Every plan adopted or substantially altered pursuant to this section shall, before it is placed in operation, be submitted to the commissioner for

his approval. The commissioner may disapprove such plan or alteration thereof if he shall find (1) that it does not conform to law or (2) that its adoption or alteration would be hazardous to the bank, or (3) that its provisions are unfair or inequitable. The commissioner may, from time to time, make such orders in respect to the maintenance and administration of a plan as, in his judgment, the condition of the bank may require.

L. In addition to the powers conferred by the foregoing subsections of this section, a bank may pay

CHAPTER 301

AN ACT concerning group life insurance, amending sections 17:34–31 and 17:34–32 of the Revised Statutes, and supplementing chapter thirty-four of Title 17 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 17:34–31 of the Revised Statutes is amended to read as follows: Section amended.

17:34–31. No policy of group life insurance shall be delivered in this State unless it conforms to one of the following descriptions: Group life insurance, conditions for delivery.

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations and the employees, individual proprietors and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the

term "employees" shall include retired employees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least seventy-five per centum (75%) of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees.

(c) The policy must cover at least twenty-five employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustees. No policy may be issued which provides term insurance on any employee which together with any other

term insurance under any group life insurance policy or policies issued to the employers or any of them or to the trustees of a fund established in whole or in part by the employers or any of them exceeds twenty thousand dollars ($20,000.00).

(2) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in instalments, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness. The policy may provide that the term "debtors" shall include the debtors of one or more subsidiary corporations, and the debtors of one or more affiliated corporations, proprietors or partnerships if the business of the policyholder and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor's funds, or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least seventy-five per centum (75%) of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors, or all except

any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than seventy-five per centum (75%) of the new entrants become insured.

(d) The amount of insurance on the life of any debtor shall at no time exceed the amount owed by him which is repayable in instalments to the creditor, or ten thousand dollars ($10,000.00), whichever is less.

(e) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.

(3) A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

(a) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the union's funds, or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically

for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least seventy-five per centum (75%) of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members.

(c) The policy must cover at least twenty-five members at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union. No policy may be issued which provides term insurance on any union member which together with any other term insurance under any group life insurance policies issued to the union exceeds twenty thousand dollars ($20,000.00).

(4) A policy issued to the trustees of a fund established by two or more employers in the same industry or by one or more labor unions, or by one or more employers and one or more labor unions, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or to both. The policy may provide that the term "employees"

shall include the individual proprietor or partners if an employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. If the fund is established by the members of an association of employers, the policy may provide that the term "employees" shall include the employees of the association.

(b) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both. No policy may be issued on which any part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance. The policy must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at date of issue at least 100 persons and not less than an average of five persons per employer unit; and if the fund is established by the members of an association of employers the policy may be issued only if (i) either (a) the participating employers constitute at date of issue at least sixty per centum (60%) of those employer members whose employees are not already

covered for group life insurance or (b) the total number of persons covered at date of issue exceeds 600; and (ii) the policy shall not require that, if a participating employer discontinues membership in the association, the insurance of his employees shall cease solely by reason of such discontinuance.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder, employers, or unions. No policy may be issued which provides term insurance on any person which together with any other term insurance under any group life insurance policy or policies issued to the employers, or any of them, or to the trustees of a fund established in whole or in part by the employers, or any of them, exceeds twenty thousand dollars ($20,000.00).

Section amended.

2. Section 17:34–32 of the Revised Statutes is amended to read as follows:

Provisions required in policy.

17:34–32. No policy of group life insurance shall be delivered in this State unless it contains in substance the following provisions, provided, however, (a) that provisions (7) to (11), inclusive, shall not apply to policies issued to a creditor to insure debtors of such creditor; (b) that the provisions required for individual life insurance policies shall not apply to group life insurance policies; and (c) that if the group life insurance policy is on a plan of insurance other than the term plan, it shall contain a non-forfeiture provision or provisions which in the opinion of the commissioner is or are equitable to the insured persons and to the policyholder, but nothing herein shall be construed to require that group life insurance policies contain the same form of non-forfeiture provisions as are required for individual life insurance policies. Any policy of group life insurance may be delivered in this State which in the opinion of the commissioner contains provisions more favorable to the persons

insured than the following provisions, or at least as favorable to the persons insured and more favorable to the policyholders, and may be issued by any insurer of this State for delivery outside of this State when containing provisions in addition to or differing from the following provisions; *provided,* such policy conforms to the laws of the State or country in which it is delivered:

Proviso.

(1) A provision that the policyholder is entitled to a grace period of thirty-one days for the payment of any premium due except the first, during which grace period the death benefit coverage shall continue in force, unless the policyholder shall have given the insurer written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the policy. (2) "installment loan" means a loan which is required by its terms to be repaid in installments;

(3) "payment period" means the period of time scheduled, by the terms of a loan to which this article applies, to elapse between the days upon which installment payments are required to be made on such loan; except that, in a case where installment payments are omitted pursuant to paragraph (1) of section 54, "payment period" means the period of time scheduled to elapse between the days upon which installment payments are required to be made during that portion of the term of such loan in which no installment payment may be omitted;

Section amended.

3. Section fifty-five of the act of which this act is amendatory is amended to read as follows:

(4) when the payment of such loan is secured, and provision is made by law for the filing or recording of the instrument of security or notice thereof, require compliance with such provision and retain the cost of such recording or filing out of the proceeds of the loan.

B. An instrument evidencing, or intended to secure the payment of, a loan to which this article applies, may provide that

(1) upon default in the payment of any installment on its due date, the entire unpaid balance of the loan shall, at the election of the bank, become immediately due and payable;

(2) when the maturities of the unpaid installments are accelerated as provided by this section, the bank may charge interest at the legal rate upon the difference between the aggregate of all the unpaid installments, and the amount of credit given pursuant to section 56;

(3) no person who is a party to the instrument evidencing the loan shall be released or discharged from liabilty to the bank by reason of the bank's extending the time for the payment of an installment or installments owing or due upon such loan, or by reason of the bank's waiver of any term or condition of the instrument evidencing such loan, or of the instrument intended to secure payment thereof;

(4) all parties to the instrument evidencing the loan shall waive presentation for payment, demand for payment, protest and notice of protest, nonpayment, dishonor, and the bank's election to accelerate the maturities of unpaid installments.

amount determined by the application of the formula

$$C = \frac{AN}{D} \text{ in which}$$

"C" shall represent the amount of the credit to be given;

"A" shall represent the amount of interest taken in advance;

"D" shall be determined as follows: there shall be ascribed to each payment-period included in the period for which interest was taken in advance, reckoning from the day upon which the loan was made, the cardinal number descriptive of the number of payment-periods scheduled, by the terms of the loan, to elapse from the beginning of each such payment-period, to the date to which interest was taken in advance, and the aggregate total of all the cardinal numbers so ascribed shall constitute the quantity "D"; and

"N" shall represent the difference between the quantity "D" and the aggregate total of all the cardinal numbers ascribed to the payment-periods which have elapsed, in whole or in part, from the making of the loan, to the day upon which such repayment is made.

B. The commissioner may prepare and distribute to such banks as shall make a request therefor, a schedule or schedules based upon the formula specified in subsection A of this section, for use in determining the credit to be allowed pursuant to such subsection, and allowances of interest made as provided in such schedule shall constitute a complete compliance with such subsection. A copy of such schedule, duly certified by the commissioner, shall be evidence in all courts and places.

C. This section shall not apply where the amount of the credit to be allowed is less than one dollar ($1.00).

5. Section fifty-eight of the act of which this act is amendatory is amended to read as follows:

(3) any instrument or obligation, lawful upon its face, which is purchased or discounted by a bank pursuant to paragraph (1) of section 25, and which represents, evidences, or secures an existing indebtedness having its inception in a transaction to which the bank is not a party; regardless whether such instrument or obligation is acquired by the bank with or without rights of recourse against the person from whom the bank obtains such instrument through such purchase or discount. A bank shall not be deemed to be a party to a transaction within the meaning of this paragraph, because prior to the inception of rights in any instrument, obligation or indebtedness purchased or discounted by it, the bank approves the credit of any person liable for the payment of such instrument, obligation or indebtedness at the request of the person who supplies the consideration which supports the liability of any person to pay such instrument, obligation or indebtedness.

Every mortgage loan shall be evidenced by a note or bond, and shall be secured by a mortgage on the fee of real property located within this State or, if outside this State, upon the fee of real property located within fifty miles of the principal office of the savings bank. Every mortgage shall be certified to be a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be a first lien by a corporation authorized to guarantee titles to land in such State. For the purposes of this section, a mortgage shall be deemed to be a first lien, notwithstanding the existence of a prior mortgage or mortgages held by the savings bank, or a lien for current taxes or assessments not due or payable at the time the loan is made, and notwithstanding the existence of leases, building restrictions, easements, encroachments, or covenants which, in the opinion of an officer of the savings bank designated for that purpose by the board of managers, do not materially lessen the value of the real property to be mortgaged.

D. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a one-family dwelling, or upon which such a dwelling is in the course of construction or is to be constructed, the amount of the mortgage loan shall not exceed (a) eighty per centum (80%) of the first fifteen thousand dollars ($15,000.00) of the appraised value of the real property, plus fifty per centum (50%) of the excess, if any, of such appraised value over fifteen thousand dollars ($15,000.00), or (b) sixteen thousand dollars ($16,000.00), whichever is lesser.

E. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a two-, a three-, or a four-family dwelling, or upon which such a dwelling is in the course of construction or is to be constructed, the

amount of the mortgage loan shall not exceed eighty per centum (80%) of the first twenty thousand dollars ($20,000.00) of the appraised value of the real property, plus fifty per centum (50%) of the excess, if any, of such appraised value over twenty thousand dollars ($20,000.00).

F. The instrument evidencing a mortgage loan made pursuant to either subsection D or subsection E of this section shall require that

(1) interest shall be paid on such loan monthly, and that equal monthly payments be made in reduction of such loan at an annual rate equal to at least five per centum (5%) of the original amount of such loan; or

(2) that a constant sum be paid monthly in an amount sufficient for current interest and for the payment of the loan in full in not more than twenty years from the making of such loan.

G. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a building or buildings other than dwellings of the nature described in subsections D and E of this section, or upon which such other buildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed sixty-six and two-thirds per centum (66⅔%) of appraised value of such real property. The instrument evidencing a mortgage loan made pursuant to this subsection shall require that the loan be repaid in full in not more than ten years from the date it is made; and (a) if the amount of such loan, when made, exceeds fifty per centum (50%) of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least two per centum (2%) of the original amount of such loan; or (b) if the amount of such loan, when made, does not exceed fifty per centum (50%) of the appraised value of the real

property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least one per centum (1%) of the original amount of such loan. When, however, the amount of such loan does not, when made, exceed fifty per centum (50%) of the appraised value of such real property, and the instrument evidencing such loan requires that it be paid in full in not more than five years from the date it is made, the instrument need not require that any payment be made in reduction of such loan prior to its maturity date.

H. When the real property offered as security for a mortgage loan is of the nature described in subsections D or E of this section, and the amount of the loan does not exceed sixty-six and two-thirds per centum (66⅔%) of the appraised value of such real property, the instrument evidencing such loan shall be sufficient if it conforms to the requirements of either subsection F or subsection G of this section.

I. A mortgage loan may be made for the purpose of enabling a borrower to construct a building or buildings upon real property owned by him, and, in such a case, the appraised value of the real property shall include the value of the building or buildings to be constructed, but at no time shall a greater sum be advanced on account of such a loan than, in the opinion of (1) the appraisers hereinafter provided for, or (2) one of such appraisers and an officer of the savings bank designated for that purpose by the board of managers, is warranted by the state of completion of the buildings in process of construction. For the purposes of compliance with the applicable requirements of subsections F or G of this section as to the term of and the rate of amortization of a loan made pursuant to this section, such loan shall be deemed to have been made when the final advance shall be made to the borrower on such loan, or eighteen months from the date of the mortgage securing such loan, whichever is earlier.

J. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are not to be used to construct a building on such land, the amount of such loan shall not exceed thirty per centum (30%) of the appraised value of such real property. The instrument evidencing a loan made pursuant to this subsection shall require that such loan be paid in full in not more than five years from the date it is made. No loan made pursuant to this subsection shall exceed ten thousand dollars ($10,000.00), or one-quarter of one per centum (¼ of 1%) of the deposits of the savings bank, whichever is greater; nor shall any such loan be made at any time when the total of all such loans exceeds, or if the making of such loan would cause such total to exceed one per centum (1%) of the deposits of the savings bank.

K. No mortgage loan shall be made except upon a certificate signed by two or more appraisers who shall be either members of the board of managers or such other persons as the board of managers shall designate. The certificate shall certify that the appraisers have inspected the real property to be mortgaged, shall set forth or incorporate by reference all factors which, in their judgment, are materially determinative of the value of the real property, and shall disclose as separate items the value placed upon land and upon improvements, if any. The appraisers shall also certify that, in their opinion, the real property furnishes adequate security for the amount of the loan to be made. The certificate shall be filed with the permanent records of the savings bank, and shall be preserved until the savings bank has no interest, as mortgagee or otherwise, in the real property.

L. Purchase money mortgage loans made by a savings bank on the sale of real property owned by it shall not be subject to the preceding subsections or to subsection P of this section, except that such loans shall be included in determining whether the total amount of mortgage loans held by a savings

bank exceeds seventy per centum (70%) of its deposits.

M. In addition to the mortgage loans authorized by the preceding subsections of this section, a savings bank may make mortgage loans secured by

(1) a mortgage which is a first lien upon the lease of the fee of real property in this State of a camp meeting association; *provided,*

(a) that the real property is subject to no lien or encumbrance other than such lease, or of the character permissible under subsection C of this section;

(b) that the lease expires in not less than twenty-five years from the time such loan is made;

(c) that the camp meeting association has consented to the making of such mortgage loan;

(d) that the amount of such loan shall not exceed sixty-six and two-thirds per centum (66⅔%) of the appraised value of the leasehold estate; and

(e) that the commissioner has approved the making of such loans by savings banks upon leases of real property of such camp meeting association;

All the provisions of this section shall be applicable to loans made pursuant to this subsection except to the extent that such provisions are inconsistent with this subsection.

N. The instrument evidencing a mortgage loan may be in such form, and may contain such provisions, not inconsistent with law, as the savings bank may choose to insert for the protection of its lien and the preservation of its interest in the real property mortgaged to it.

O. Notwithstanding the limitations prescribed by the preceding subsection or by subsection P of this section, a savings bank may

(1) for the purposes of preventing or mitigating loss, or of preserving the lien of its mortgage, or of conserving the value of the real property affected by its mortgage, (a) extend the time for the payment of principal or interest, (b) modify or waive any of the terms or conditions of the instrument evidencing a mortgage loan, (c) settle or compromise all or part of the amount due or to grow due on a mortgage loan, (d) sell or assign the mortgage loan, or a share or part thereof or interest therein, for such consideration as it shall deem proper, and (e) advance funds for the payment of any tax, lien, charge or claim whatsoever; and

(2) make a loan in addition to an existing mortgage loan or loans held by it, upon the security of the same real property and secured by the existing mortgage or mortgages, in an amount not in excess of fifteen hundred dollars ($1,500.00) or ten per centum (10%) of the then appraised value of the property, whichever is less; *provided, however,* that no such additional loan shall be made which shall increase the total amount due upon such mortgage over the amount which could be loaned upon the security of such real property in relation to its then appraised value after giving effect to the expenditure of such additional loan for any of the purposes hereinbelow specified; *and provided,* (a) that the proceeds of such additional loan are used for the repair, rehabilitation, improvement, or alteration of or additions to such real property, and (b) that, beginning within one year after its date, such additional loan shall be payable in equal monthly installments at a rate sufficient to pay such loan in full in not more than five years from its date or at the maturity of the existing

mortgage, whichever shall be earlier. If so provided in the original mortgage or a supplement or amendment thereto, persons who acquire any rights in or liens upon the mortgaged real property subsequent to the recording of the original mortgage or such supplement or amendment, as the case may be, shall hold such rights and liens subject to the prior lien of the original mortgage and such supplement or amendment, if any, as security for such additional loan; and in such case, no title certificate or insurance under subsection C of this section shall be required with respect to such additional loan.

P. Except as otherwise provided by this section, no savings bank shall make a mortgage loan if the making of such loan would cause the total of all unpaid balances of such loans held by the savings bank upon the security of the same real property or leasehold, to exceed the limitations imposed by this section upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

Q. A savings bank may invest in

(1) (a) veterans' loans made pursuant to Title III of the act of Congress of June twenty-second, one thousand nine hundred and forty-four, known as the "Servicemen's Readjustment Act of 1944," as amended, supplemented, revised or recodified from time to time, which the Administrator of Veterans' Affairs or other officer or agency which succeeds to his powers and functions under said act, has insured or guaranteed or has made a commitment to insure or guarantee, to the extent and in the manner provided in said act or the regulations made thereunder; and

(b) mortgages or deeds of trust or other securities made pursuant to paragraph two (a) of this subsection of this section shall not be subject to the provisions and restrictions of this section, except that they shall be included in determining whether total mortgage investments are within the limitation prescribed by subsection B of this section.

55:14A–8. Rental policies of authority.

Rental policies.

It is hereby declared to be the policy of this State that each housing authority shall manage and operate its housing project in an efficient manner so as to enable it to fix the rentals for dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the municipality or the county. To this end an authority shall fix the rentals for dwellings in its projects at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (a) to pay, as the same become due, the principal and interest on the bonds of the authority; (b) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative expenses of the authority; and (c) to create (during not less than the six years immediately succeeding its issuance of any bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve. In the operation or management of housing projects an authority shall at all times observe the

following duties with respect to rentals and tenant selection (a) it may rent or lease the dwelling accommodations therein only to persons of low income and at rentals within the financial reach of such persons of low income; (b) it may rent or lease to a tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; (c) it shall not accept any person as a tenant in any housing project if the person or persons who would occupy the dwelling accommodations have an aggregate annual net income, less an exemption of one hundred dollars ($100.00) for each minor member of the family other than the head of the family and his spouse, at the time of admission, in excess of five times the annual rental of the quarters to be furnished such person or persons; in computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental. Notwithstanding any provisions of this section, an authority may agree to conditions as to tenant eligibility or preference, required by the Federal Government pursuant to Federal law, in any contract with the authority for financial assistance.

CHAPTER 327

AN ACT providing for the apportionment of Federal and New Jersey estate taxes on the estates of decedents in certain cases, and supplementing subtitle three of Title 3 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 3:26-45. Terms defined.

1. For the purposes of this act:

a. "The tax" means all taxes finally determined to be due and payable by a fiduciary, under the laws now or hereafter enacted of the United States and under the laws now or hereafter enacted of this State imposing an estate tax.

b. "Gross tax estate" means all property of every description required to be included in computing the tax.

c. "Fiduciary" means a person or corporation acting as an executor, administrator, administrator pendente lite, testamentary trustee or other person acting in a fiduciary capacity who is required to pay the tax.

d. "Transferee" means any person, corporation or association to whom the gross tax estate or any part thereof is, or may be, transferred or to whom any benefit therein accrues other than that part of the gross tax estate which passes under the will of decedent, or, if there be no will comes into the possession of fiduciary for administration as a part of the gross tax estate of decedent. The trustee of any inter vivos trust and the executor of, trustee or other fiduciary under, the will of any other decedent holding property included as a part of the gross estate shall be deemed to be a transferee.

C. 3:26-46. Apportionment of tax.

2. Whenever a fiduciary has paid or may be required to pay an estate tax under any law of the

State of New Jersey or of the United States upon or with respect to any property required to be included in the gross tax estate of a decedent under the provisions of any such law, hereinafter called "the tax," the amount of the tax, except in a case where a testator otherwise directs in his will, and except in a case where by any instrument other than a will, hereinafter called a "nontestamentary instrument," a direction is given for apportionment within the fund of taxes assessed upon the specific fund dealt with in such nontestamentary instrument, shall be apportioned among the fiduciary and the transferees interested in the gross tax estate whether residents or nonresidents of the State, in accordance with the rules of apportionment herein stated, and the transferees shall contribute to the tax the amounts apportioned against them. Nothing in this act shall be taken to require an apportionment of an estate tax inter sese among the legatees, devisees and beneficiaries under a will or among those who take as the next of kin and heirs at law of a person dying intestate, or against the interest of any surviving spouse in any real property held in tenancy by the entirety.

Construing.

C. 3:26-47. Tax paid out of corpus.

3. Where a trust is created, or other provision made in any instrument whereby any person is given an interest in income, or an estate for years, or for life, or other temporary interest in any property or fund, the tax apportionable against both such temporary interest and the remainder thereafter shall, in the absence of directions to the contrary in the instrument, be charged against and paid out of the corpus of such property or fund without apportionment between remainders and temporary estates. The provisions of section three hereof shall apply notwithstanding that the holder of the temporary interest is given rights to the corpus.

C. 3:26-48. Method of apportioning tax.

4. In the absence of directions to the contrary, (i) such part of the tax shall be apportioned to the transferees as bears the same ratio to the total tax as the ratio which the transferees' property in-

cluded in the gross tax estate bears to the total property entering into the net estate for tax before the specific exemption, and the balance of the tax shall be apportioned to the fiduciary, the values as finally determined in the respective tax proceedings being the values to be used as the basis for apportionment of the respective taxes; (ii) any deduction allowed under the law imposing the tax by reason of the relationship of any person to the decedent or by reason of the charitable purposes of the gift shall inure to the benefit of the fiduciary or transferee, as the case may be, subject nonetheless to the provisions of section three of this act; (iii) any deduction for property previously taxed and any credit for gift taxes paid by the decedent shall inure to the benefit of all transferees and the fiduciary and the tax to be apportioned shall be the tax after allowance of such deduction and credit; and (iv) any interest resulting from late payment of the tax shall be apportioned in the same manner as the tax and shall be charged by the fiduciary and by any trustee of any inter vivos trust and any other transferee wholly against corpus.

C. 3:26-49 Limitation on tax.

5. Any direction as to apportionment or nonapportionment of the tax, whether contained in a will or in a nontestamentary instrument, shall be limited in its operation to the property passing thereunder unless such will or instrument otherwise directs.

C. 3:26-50. Fiduciary to recover from transferees.

6. In all cases in which any property required to be included in the gross tax estate does not come into the possession of the fiduciary, he shall be entitled, and it shall be his duty, to recover from the transferees or from whoever is in possession of such property, the proportionate amounts of the tax and any interest thereon which is or may be payable by the transferees. The Superior Court or County Court in a summary action may direct the payment thereof to the fiduciary and may charge such payments against the shares or interests of the transferees in any assets in the hands

of the fiduciary or person in possession of such property. If the fiduciary cannot recover the amount of the tax and interest thereon apportioned against a transferee, the amount not recoverable shall be dealt with in such manner as the court may determine. Nothing in this act shall require a person in possession of property to defer distribution of such property unless and until directed by the court.

C. 3:26-51. No distribution until tax is paid.

7. No person or corporation acting in a fiduciary capacity shall be required to transfer, pay over or distribute to any person other than the fiduciary charged with the duty to collect and pay the tax any fund or property with respect to which the tax is or may be imposed until the amount of the tax and any interest thereon apportioned or which may be apportioned against such fund or property and which may be due from the persons entitled to such fund or property is paid, or, if the tax has not been determined or apportionment made, until adequate security for such payment is furnished to the person making such transfer, payment or distribution. No fiduciary shall be under any duty to institute any action under this act or to make an apportionment thereunder until after the expiration of three months following the final determination of the tax; and no fiduciary, who within a reasonable time after the expiration of three months following the final determination of the tax shall proceed to carry out the duty imposed on such fiduciary by this section, shall be subject to liability or surcharge if the amount of the tax or any part thereof apportioned or to be apportioned against any transferee or person in possession of property shall be collectible at any time following the death of the decedent but shall thereafter be or become uncollectible.

C. 3:26-52. Court to apportion tax and interest.

8. The Superior Court or County Court in a summary action or any other action, including any action for the settlement of any account of the fiduciary, may apportion the tax and any interest, directing the fiduciary to collect the apportioned

amounts from the property or interests in his possession of any transferees against whom such apportionment has been made and directing all other transferees against whom the tax and any interest thereon have been or may be apportioned or from whom any part of the tax and any interest thereon may be recovered to make payment of such apportioned amounts to such fiduciary. If it shall be ascertained in such an action that the property in the hands of the fiduciary, which belongs to a transferee liable for any part of the tax and interest thereon, is insufficient to discharge the liability of such transferee, the court may direct that the balance of the apportioned amount due shall be paid to the fiduciary by such transferee; and if it shall be ascertained that more than the proportionate amount of the tax and interest thereon due from any transferee has been paid by him or on his behalf, the court may direct reimbursement of the overpayment.

C. 3:26-53. Act effective.

9. This act shall take effect on January first, one thousand nine hundred and fifty-one, and shall apply to the estates of all persons dying intestate on or after such date and to the estates of all persons dying testate on or after such date; *provided,* the will of such person has been executed or republished on or after such date.

Each of us can well underscore the price of our own liberty as our determination that, with the Lord's help, justice and truth can keep us internally strong as much as moral purpose and force of arms have sustained us in the world at large.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim that the State of New Jersey shall observe this week of

NOVEMBER 6TH TO 13TH

as

OPTIMIST WEEK,

and I further call upon all of the citizens of this State to join in such observance.

Given under my hand and the Great

WHEREAS, Another Armistice Day marks the passing of another year in the struggle for peace based upon the dignity of man; and

WHEREAS, We Americans are dedicated to a continuing pursuit of the cause of peace, with all the strength and genius at our command,

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

FRIDAY, NOVEMBER 11, 1949,

as

ARMISTICE DAY

in New Jersey, and I urge the people of our State to commemorate that day which was meant to mark

an end of War by taking a renewed interest in international efforts to assure peace. We can yet fight for peace as skillfully and ably as we did for victory in war. As the home of the United Nations rises nearby, let us count it as a symbol of our rising hopes that a durable peace may yet be achieved in our time.

In our memorials on this Armstice Day we honor again all those who fought to keep our nation free. By this observance of a now historic day, we record again our profound debt of gratitude and obligation to all who gave their lives in the nation's cause. We should pray that through Divine guidance a way may be found to avoid in the future the sacrifice of the peace, and that we may abandon force of arms through a unity of the nations of the world under the rule of law.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this ninth day of November, in the year of Our Lord one thousand nine hundred and forty-nine, and in the Independence of the United States, the one hundred and seventy-fourth.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

When the Pilgrim Fathers brought in their first harvest at Plymouth in 1621 and invited their In-

dian neighbors to break bread with them, they started a joyous American tradition of setting aside a day each year for the purpose of giving thanks to Almighty God for his divine bounty and of sharing that bounty with our neighbors.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THURSDAY, NOVEMBER 24, 1949,

as

THANKSGIVING DAY.

In this year of 1949 it is fitting that the people of our State should demonstrate in a very practical way their grateful appreciation to Almighty God for his bounty and goodness. We have been preserved a free people. Most of our immediate wants have been met. We may demonstrate our practical gratitude by participation in religious services as well as by a renewed determination expressed on Thanksgiving Day to personally and energetically support the religious institutions of our choice in the year ahead.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-third day of November, in the year of Our Lord one thousand nine hundred and forty-nine, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

WHEREAS, Municipal officials and those charged with the management of water supplies in the affected area, with the splendid support of the press and radio, have achieved some success in their efforts to secure a reduction in use of water, this has not been sufficient to stem the steadily falling reservoir levels; and

WHEREAS, No community can expect help from its neighbors unless it has put into operation conservation measures which have shown satisfactory results;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, by virtue of the authority vested in me under the Constitution and the Laws of this State, do hereby declare a

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

One of the promising advances of public health in the last decade has been the progress of the dental profession in making available to the public and particularly to growing children the benefits of preventive dentistry. These great strides have been matched by a growing public awareness of the need for adequate dental care.

All organizations and individuals in New Jersey as well as the State and local health departments who have been actively engaged in programs for the improvement of dental health can take pride in what has thus far been accomplished. Much remains to be done.

It is altogether fitting that we focus our attention on the prevention of dental disease with the observance of Children's Dental Health Day on February 6th.

THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

MONDAY, FEBRUARY 6TH

as

CHILDREN'S DENTAL HEALTH DAY

in New Jersey, and I urge my fellow citizens to cooperate in the programs for the improvement of the dental health of the children in each community. Active participation in dental health programs will provide an opportunity for all of us—parents, teachers, dentists and all other professional people and public-minded citizens—to review

our responsibilities in preventing the development of dental disease.

Given under my hand and the Great Seal of New Jersey, this twenty-third
[SEAL] day of February, in the year of Our Lord one thousand nine hundred and

fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

Each year, at this time, the American Red Cross calls upon the people of New Jersey to assist in providing contributions so that the Red Cross may carry on its many service programs in keeping with its Congressional Charter and international responsibilities.

The Red Cross, through its vast volunteer organization serves in every New Jersey community and adds to the health and strength of our democratic way of life. Service to veterans and men and women in military services, as well as their families, are a daily service of every local chapter. Families affected by disaster look to the Red Cross for comfort and aid when confronted with crises over which they have no control. In disaster preparedness the Red Cross is assisting in plans for civilian defense. In all these programs the conservation of property and human life are the objectives. Equally important services are offered to our people in home nursing courses, first aid and water safety, Junior Red Cross and other volunteer services. Many New Jersey Chapters are participating in blood programs whereby a great contribution—free blood—is made available to hospitals and physicians without charge to the recipient.

These programs are only possible through the continued support that is extended by the individual. Knowing that the people of New Jersey will be anxious to lend their support to the American Red Cross in its appeal for funds for 1950,

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim the

MONTH OF MARCH, 1950,

as

RED CROSS MONTH,

and urge the people of New Jersey to give as generously as they can to this agency of mercy.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-eighth day of February, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, Through carelessness and abuse we have wasted our heritage of natural resources by permitting the destruction of our forests by fire and indiscriminate cutting, polluting our rivers and streams and wantonly destroying our wildlife, and

WHEREAS, Although we have awakened to the realization of the need for protecting and restor-

ing our natural resources, much remains to be done, and

WHEREAS, The restoration and preservation of our wildlife is intimately associated with other renewable resources, and

WHEREAS, Although we have secured a keener appreciation of our natural resources and the part they play in our lives and well-being, it is important that all of our citizens follow conservation practices to use wisely our soil, forests, waters and wildlife, and

WHEREAS, The conservation aims of a State cannot be brought to successful fruition without the co-operation of all the citizens

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim the week of

MARCH 19th to 25th, 1950,

as

NATIONAL WILDLIFE RESTORATION WEEK,

and hereby urge general observance by all citizens of the State, and especially in the schools and all those State Departments whose objectives are concerned with soil, water, forests and wildlife.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this seventeenth day of March, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State,

WHEREAS, The American Cancer Society has long been in the forefront of efforts to control cancer through its programs of research, education and diagnostic and treatment clinics; and

WHEREAS, The people of our State will welcome an opportunity to support the great voluntary fund-raising drive of the American Cancer Society;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim, the

MONTH OF APRIL, 1950,

as

CANCER CONTROL MONTH

in the State of New Jersey, and urge every citizen to give as much as possible toward the funds needed to continue to enlarge the fight of the American Cancer Society against this most tragic disease.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-seventh day of March, in the year of our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

The month of April will mark the taking of the seventeenth United States Census.

It is in the public interest for every person in New Jersey who is questioned by the census enumerator to give the required information fully, accurately and willingly. Such information will be kept confidential and will not be used to the detriment of any individual. The answers given are for census purposes only, and may not be examined by other agencies of the Government.

This census is of vital importance to the citizens of New Jersey and the United States. It will determine whether the number of members from New Jersey in the House of Representatives will be changed. Similarly, it will determine the apportionment of members of the General Assembly among the several counties of the State. The operation of many of our statutes based upon municipal and county populations may be affected by the census.

THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim that it is the duty of all people in this State to co-operate in every way possible with the work of the Bureau of the Census and thus demonstrate their interest in the welfare of the State and of the Nation.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this thirtieth day of March, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The mutual understanding and confidence of the nations of North, Central and South America stands today as an example of national amity in a world beset with fears of national domination; and

WHEREAS, The peoples of the Western Hemisphere have found strength and vitality in their very differences of tradition and cultures; and

WHEREAS, Under the troubled world conditions of this day it is more fitting than ever to direct world attention to the mutual benefits of peace and

prosperity which arise out of international co-operation,

Now, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey join with the President of the United States in proclaiming in and for the State of New Jersey,

FRIDAY, APRIL 14th, 1950,

as

PAN AMERICAN DAY,

which this year makes the 60th anniversary of the founding of the Pan American Union. I request that the people of New Jersey take this occasion to reaffirm and strengthen the friendly and understanding feeling which the people of our Republic have long felt for the other Republics of the Americas.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this fourteenth day of April, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

EXECUTIVE DEPARTMENT.

WHEREAS, It is proper that the citizens of the State of New Jersey acknowledge and support the services rendered to the people of our Republic by the Armed Forces of the United States; and

WHEREAS, Our citizens recognize that the strength of our Armed Forces is one of our best guarantees against involvement in destructive armed conflict; and

WHEREAS, The Armed Forces are today, as in the past, protecting the aspirations of the citizens of our Republic to continue to enjoy the freedoms guaranteed by our Constitution and the form of government created thereby:

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

SATURDAY, MAY 20, 1950,

as

ARMED FORCES DAY,

and I call upon the New Jersey National Guard, New Jersey Naval Militia, members of all reserve components, and all citizens of the State of New Jersey, to mark the day with appropriate ceremonies and to co-operate with civil authorities and civic agencies in suitable observances. It is my further desire that Armed Forces Day be dedicated to all those members of the Armed Forces who have given their lives that America may be pre-

served, and that the flag be flown from places of business, homes and buildings, as a tribute to our Armed Forces and to the millons of veterans who have served their country in the past.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this eighth day of May, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, World peace is dependent upon the ability of freedom-loving nations to govern themselves and to promote the general welfare while protecting individual liberty; and

WHEREAS, During the past half century there has been an accelerated and deplorable tendency to centralize and nationalize our government; and

WHEREAS, The growth of our nation with its increasing responsibility during periods of depression and war has compelled it to adopt vast new governmental programs; and

WHEREAS, Our prosperity, security and strength —in fact our very freedom—depends upon the efficiency of our government, including particularly the Federal Government; and

WHEREAS, The survival of our Republic depends upon our maintaining a responsible as well as a responsive government with a maximum of home rule; a minimum of centralization, and unswerving adherence to a Federal system of representative government; and

WHEREAS, Our mastery of the art of government and our ability to govern themselves and to participate in the maintenance of peace in the world have lagged far behind the technological and materialistic advances that we have enjoyed during the first half of our 20th century; and

WHEREAS, Over many years studies have shown the possibility of achieving greater efficiency, effectiveness and economical management through the reorganization of our Federal Government and the restoration of a working federalism; and

WHEREAS, The State of New Jersey, under its new Constitution, has been in the forefront in the reorganization of State Government, maintaining the lowest per capita State tax collection in the nation, has a vital interest in the efficiency of all levels of government since its citizens are paying approximately $1,400,000,000 annually in Federal taxes compared to a State budget of approximately $164,000,000; and

WHEREAS, The interest, understanding and support of our citizens are vital to the accomplishment of any effective program of reorganization, including particularly the program offered by the Commission on Organization of the Executive Branch of the Government, popularly known by the name of its distinguished Chairman as the Hoover Commission;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim the period from

MAY 11th to MAY 18th, 1950,

as

NATIONAL REORGANIZATION WEEK
IN NEW JERSEY,

and urge our people to observe this period with ceremonies and activities designed to increase interest and knowledge of the possibilities of reorganization and its benefits to the country and our State.

I also urge the Mayors of cities, other public officials, and civic, fraternal and educational institutions, the press and the radio in New Jersey to promote discussion of this subject as fully as possible during this period.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this eleventh day of May, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

WHEREAS, A condition of poverty in many lands slowly grinds freedom under the creeping paralysis of Socialism; and

WHEREAS, Theories foreign to the American Way of Life cast false light upon the virtue of character based upon self-respect earned by honest toil; and

WHEREAS, These American traits were the foundation stones upon which our great country was builded; and

WHEREAS, The press of America, through the National Editorial Association, will make a pilgrimage to Plymouth Rock during its meeting in June, 1950, for the purpose of reliving those inspiring events which played an important part in the early life of our country, and reaffirming their faith in the ideals of liberty and justice upon which this Nation was founded;

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

Two hundred years ago the people of Haddonfield built the Indian King Tavern, at first the social center of the town but soon destined to be the scene of many historic events. It was there that the State Assembly met in 1777 when New Jersey was the center of the Revolution.

Gathered at the Indian King Tavern on September 20, 1777, the State Assembly passed an act requiring the substitution of the word "State" for "Colony" in all public documents of New Jersey, thus affirming the independent existence of the sovereign State of New Jersey, free from an allegiance to the Crown. Other important legislation was enacted during the sessions held at the Indian King Tavern, including the creation of the Council of Safety, a militant organization composed of the new Governor, William Livingston, and twelve other prominent citizens who together directed the work of local defense. It was also at this time that the design of the first Great Seal of the State of New Jersey was accepted.

The Indian King Tavern is now preserved by the State of New Jersey as an historic memorial. It is fitting and proper that this structure, so rich in historic tradition, be commemorated.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, hereby proclaim

JUNE 6th THROUGH JUNE 10th, 1950,

as

INDIAN KING TAVERN DAYS

in commemoration of this historic landmark and urge the people of New Jersey, and particularly of

Camden County, to celebrate these days by appropriate exercises and programs in grateful remembrance of the historic events that took place there and of the important role which the Indian King Tavern played in the lives of the Haddonfield community and of our State.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this second day of June, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fourth.

ALFRED E. DRISCOLL,
Governor.

structure, strength, dignity and long life, that it is most useful commercially and enjoys great freedom from disease, that it is adapted to our New Jersey soils and is compatible with all native shrubs and evergreens, permitting lawn and grass areas to be successfully grown under its canopy, and that the fall color of its foliage places it foremost in our natural landscape scene; and

WHEREAS, It is fitting that a proclamation should issue marking the aforesaid concurring action of the Senate and the General Assembly;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim that, by virtue of the concurrence of the Senate and the General Assembly while sitting as the One Hundred and Seventy-fourth Legislature in Assembly Concurrent Resolution No. 12, the red oak —Quercus borealis maxima(Marsh) Ashe—stands adopted as the State tree of the State of New Jersey.

FOREWORD

The following Table of Contents, with the accompanying Schedules, is prepared pursuant to P. L. 1939, chapter 379, to indicate the changes made in the statute law, since the enactment of the Revised Statutes.

The Table of Contents, itself, indicates the changes made in the general and permanent statute law, during this period, either by amendment or repeal of pre-existing legislation or by the enactment of additional legislation.

The classification and arrangement used in the Table is that of the Revised Statutes amplified so as to include material for which no adequate classification units appear in the Revised Statutes.

Where reference is to an amendment of a section of a pre-existing statute, the reference is to the number of the section of the statute amended, as it is found in the Revised Statutes or in the Pamphlet Laws.

In all cases in which new chapters or other subdivision headings are set up, they are designated in the Table as "new" or "added." Where a chapter or other subdivision heading is designated as "new," it has been set up for convenience in classification by the Law Revision and Bill Drafting Commission. Where it or a section number is designated as "added," it has been set up by statute.

In order that the Table may serve as a table of contents not only of the Pamphlet Laws but also of the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements, the compilation numbers, under which the additional legislation appears in the latter, have been added in parenthesis after the references to the Pamphlet Laws.

In most cases the numbers used are those assigned to the material by the Commission under P. L. 1941, chapter 19

and they are preceded by the letter "C." to distinguish them from Revised Statutes section numbers, thus; "(C. 1:1–2.5)."

Where, as occurs in some instances, material is found under different numbers in the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements, both numbers so used are indicated, thus; "(NJSA 2:27–314.1; RSCS 2:26–204)" and a Schedule (Schedule 4) showing the divergent numbers is appended to the Table.

In cases in which additional legislation has been amended, the amendments are carried under the numbers assigned to the sections of the statutes amended.

It must be borne in mind, however, that in citing any material from the Pamphlet Laws, the year and chapter number of the Pamphlet Laws, in which the material appears must be used, whether or not the compilation numbers are used.

Numerous cross-reference notes have been included in the Table and in them reference is made to the Title and chapter numbers under which the legislation so referred to will be found in the Table, thus; (T. 2, c. 26).

Statutes of a general and permanent character enacted within the period covered which have been repealed and statutes not general and permanent in character are not referred to in the Table but references to them are to be found in Schedule 3 and in Schedules 5 to 7, both inclusive, annexed to the Table.

Acknowledgment is made to John W. Ockford, Counsel, and to H. Arthur Smith, Jr., William M. Lanning, George H. Barlow and Harold K. Smith, Assistants to Counsel, to the Commission, and to the Commission's clerical staff, for their valuable assistance in the preparation of this work.

CHARLES DEF. BESORÉ.
