**Employer:** Linitos Construction of Newfield, N.J.

**Work Location:** American Dream Mall in East Rutherford, N.J.

**Workers Affected:** 3

NJDOL has issued 177 stop-work orders since these powers were expanded in July 2019.

Stop-work orders are initiated by NJDOL to halt work being performed in a manner that exploits workers, or is otherwise noncompliant with state laws and regulations. An employer may appeal a stop-work order, in which case NJDOL has seven days to schedule a hearing. A hearing has been scheduled for October 17, 2024.

NJDOL continues to monitor locations where stop-work orders have been issued, and can assess civil penalties of \$5,000 per day against an employer conducting business in violation of the order. The stop-work order may be lifted if and when any remaining back wages and penalties have been paid and all related issues have been resolved.

NJDOL and its partners at the New Jersey Department of Community Affairs and the New Jersey Department of Education [sent direct letters](#) reminding local governments and boards of education of their responsibilities under the [New Jersey Prevailing Wage Act](#).

NJDOL maintains a [record of registered public works contractors](#) that should be consulted by any government agency or entity before hiring for a public works project. Doing so can help avoid unnecessary project delays and extra costs to businesses, schools, government entities and taxpayers. The list contains thousands of businesses, and is searchable by name, address, registration date, and certificate number.

In addition, registered public works contractors are required to participate in Registered Apprenticeship programs, which ensures that public funds contribute to the training of New Jersey workers in the construction sector.
