Trenton, NJ – Governor Chris Christie today issued the following statement on the devastation in Puerto Rico caused by Hurricane Maria:

"Hurricane Maria has caused devastation to all of Puerto Rico. Today, New Jerseyans send our thoughts and prayers as the tragic toll this storm has taken on our fellow Americans is fully understood. We extend our condolences to those who lost loved ones in this hurricane and encourage our citizens to help in any way possible. We are confident we will be able to help this island that is, in so many ways, connected to the Garden State. New Jersey is prepared to assist officials in Puerto Rico with any resources they may need."
