# Citizen's Guide to the Preliminary Draft of the NJ State Plan »

## To the residents of the State of New Jersey

Welcome to our interactive platform, where we present the Preliminary Draft of the New Jersey State Development and Redevelopment Plan (State Plan) in a clear and easy-to-understand format. We have designed this website to ensure that all members of the public can engage with the Plan, explore its goals and objectives, and understand how it will impact the future of New Jersey's communities. Our intention is to make the information accessible to everyone, providing a transparent overview of the State Plan and its benefits to the residents of our state. You can use the menu to view the State Plan Policy Map, navigate through the 10 Goals of the Plan, and learn how the Plan will be finalized and adopted.
