SUBCHAPTER 11. FINANCIAL STANDARDS AND REPORTING

8:38-11.1 Minimum net worth

(a) In order to obtain a certificate of authority, an HMO shall have a minimum net worth, determined on a SAP

basis, of at least \$1,500,000 in cash or cash equivalents, as adjusted annually by the CPI, together with such other guarantees and assets as the Commissioner and Commissioner of Banking and Insurance may determine appropriate to assure the solvency of the HMO, based on its business plan, beginning on July 1, 1997.

(b) Except as (d) below applies, in order to maintain its certificate of authority, an HMO shall maintain at all times a minimum net worth, determined on a SAP basis, equal to the greater of:

1. \$1,000,000 adjusted annually by the CPI, beginning on July 1, 1997;

2. Two percent of the annual premium revenues as reported by the HMO on its most recent annual financial statement filed with the Commissioner and Commissioner of Banking and Insurance for the first \$150,000,000 of premium reported and one percent of the annual premium in excess of the first \$150,000,000 of premium reported;

3. An amount equal to the sum of three months of uncovered health care expenditures, as reported on the financial statement filed most recently with the Commissioner and Commissioner of Banking and Insurance; or

4. An amount equal to the sum of eight percent of the annual health care expenditures (not including those expenditures paid on a capitated basis to a provider and those made on a managed hospital payment basis), as reported on the four quarterly financial statements most recently filed with the Commissioner and Commissioner of Banking and Insurance, plus four percent of the annual hospital expenditures paid on a managed hospital payment basis, as reported in the four quarterly financial statements most recently filed with the Commissioner and Commissioner of Banking and Insurance. If an HMO is issued an initial certificate of authority on or after July 1, 1997, its minimum net worth shall be phased in over a 48 month period, running from the date that its new certificate of authority is effective, as follows:

i. Twenty-five percent of the amount required in (b)4 above, or the greater of (b)1, 2 or 3 above, whichever is greatest, until the end of the 23rd month following the month in which its new certificate of authority was effective;

ii. Fifty percent of the amount required in (b)4 above, or the greater of (b)1, 2 or 3 above, whichever is greatest from months 24 through 35;

iii. Seventy-five percent of the amount required in (b)4 above, or the greater of (b)1, 2 or 3 above, whichever is greatest, from months 36 through 47; and

iv. One hundred percent of the amount required in (b)4 above beginning in the 48th month following the month in which its new certificate of authority was effective.

(c) In order to maintain its certificate of authority, a minimum of 60 percent of an HMO's admitted assets shall be cash, cash equivalents, investments as set forth at N.J.S.A. 17B:20-1a, or other forms of investments acceptable to the Commissioner considering the amount of the HMO's assets and the proportion of admitted assets to the HMO's minimum net worth requirement.

(d) Every HMO shall submit a capital and surplus (minimum net worth) guarantee on a form established and available from the Department of Banking and Insurance, executed by an affiliate or parent of the HMO that is not in an unsafe or unsound financial condition, consistent with N.J.A.C. 11:2-27, Determination of Insurers in a Hazardous Financial Condition, incorporated herein by reference, except that an HMO that has no such parent or affiliate available to execute a capital and surplus guarantee shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that other additional financial resources are available to the HMO to maintain the HMO's minimum net worth requirement. All guarantors shall satisfy the following requirements:

1. The guarantor shall have liquid assets, letters of credit or a similar instrument available to support the guarantee in a manner and amount acceptable to the Commissioner of Banking and Insurance.

2. If the guarantor is publicly held, the HMO shall submit the guarantor's quarterly and annual Securities and Exchange Commission (SEC) filing no later than 15 days after such filing has been made with the SEC. If not publicly held, the HMO shall submit the guarantor's unaudited quarterly financial statement no later than 45 days after the end of the calendar quarter.

3. All guarantors shall meet the following requirements:

i. The guarantor shall be a United States corporation actively engaged in business for a period of not less than five years;

ii. The guarantor shall have a satisfactory evaluation from Dun and Bradstreet, Standard and Poor's, Duff and Phelps or Moody's for at least three years;

iii. The guarantor shall have a net worth of at least \$25 million; and

iv. If the guarantor fails to meet any of the requirements in (d)3i through iii above, a letter of credit or other form of financial security acceptable to the Commissioner shall be required.

(e) In determining net worth, a debt shall not be considered fully subordinated unless the subordination clause states that:

1. Principal and/or interest shall be paid to the lender only from free and divisible surplus as verified by the audited financial statement of the HMO;

2. Upon the dissolution or liquidation of the HMO, no payment shall be made with respect to the surplus note or other note made with that lender unless and until all other liabilities of the HMO have been paid in full; and

3. Written approval shall be obtained from the Commissioner of Banking and Insurance prior to any full or partial repayment of any principal or interest under the note.

(f) Any debt incurred by a note meeting the requirements of (e) above and which is otherwise acceptable to the Commissioner of Banking and Insurance shall not be considered a liability, but shall be reported as equity by the HMO.

(g) The interest expenses relating to the repayment of any fully subordinated debt shall be a covered expenditure.

(h) Every HMO shall be subject to the standards and corrective actions set forth at N.J.A.C. 11:2-27, Determination of Insurers in a Hazardous Financial Condition, which shall be in addition to the requirements of N.J.A.C. 8:38-11.6(f).

(i) No HMO shall enter into transactions for loans or other transfers of funds from or to the HMO without providing at least 30 days prior written notice of the transaction to the Commissioner and the Commissioner of Banking and Insurance.

1. The Commissioner of Banking and Insurance may disapprove the transaction if, in the Commissioner's opinion, the transaction will adversely affect the HMO and cause it to be in a hazardous financial condition, in accordance with N.J.A.C. 11:2-27.

2. The Commissioner or the Commissioner of Banking and Insurance may disapprove the transaction pending receipt of additional information from the HMO.

3. The disapproval shall specify in writing the reasons for the disapproval.

i. If the disapproval includes a request for additional information, the disapproval shall include the date by which the additional information is due from the HMO.

ii. An HMO shall have no less than five business days in which to respond to a disapproval with a request for more information.

4. If the Commissioner or Commissioner of Banking and Insurance does not disapprove of the transaction within 30 days of the date that the written notice is received by the Department of Banking and Insurance, the transaction shall be deemed approved.

i. With respect to filings for which additional information has been requested, if the Commissioner or the Commissioner of Banking and Insurance does not disapprove the transaction within 30 days following receipt by the Department of Banking and Insurance of the additional information as requested, the transaction shall be deemed approved.

(j) No HMO shall pay out dividends without the prior written approval of the Commissioner of Banking and Insurance. The Commissioner of Banking and Insurance may disapprove the payment of the dividend if payment will adversely impact the HMO, adversely impact compliance with other provisions of this chapter, or cause it to be in a hazardous financial condition in accordance with N.J.A.C. 11:2-27.

(b) In order to maintain a certificate of authority, every HMO shall annually adjust the deposit specified in (a) above to equal 20 percent of its minimum net worth, except that such deposit shall be no less than \$300,000 and no more than \$1,000,000 (as the minimum and maximum amounts are adjusted by the CPI).

(c) The deposit required by (a) above, adjusted in accordance with (b) above, shall be subject to the following:

1. The deposit shall be and remain an admitted asset of the HMO for purposes of determining net worth of the HMO.

2. The Commissioner of Banking and Insurance shall use the deposit for administrative costs directly attributable to the rehabilitation, conservation or liquidation of the HMO.

3. All interest and other investment income derived from the deposit made shall be paid to the HMO annually upon written request.

4. An HMO may withdraw the deposit, or any part thereof, after making a substitute deposit of cash, securities, or other instruments permissible under N.J.A.C. 11:2-32, of equal amount and value.

(d) Every HMO shall, except as (d)4iii below may apply, maintain a deposit with the Commissioner of Banking and Insurance. The deposit shall be made in accordance with N.J.A.C. 11:2-32 except that the HMO may request permission from the Commissioner to use a custodian other than the custodian appointed pursuant to N.J.A.C. 11:2-32.3(a). ii. Recalculation of the deposit amount shall occur no more frequently than annually.

2. The deposit and the accumulated investment income thereof shall be and remain an admitted asset of the HMO for purposes of determining net worth of the HMO.

3. The Commissioner of Banking and Insurance shall use this deposit of the HMO for costs of rehabilitation and/or liquidation of the HMO.

4. An HMO may withdraw its deposit or any part thereof, subject to the prior written approval of the Commissioner of Banking and Insurance, if:

1. Such plan shall assure the continuation of services and benefits to all members for the duration of the contract period for which premiums or other consideration has been paid and for any applicable grace period.

2. Such plan shall assure the continuation of services and benefits under the HMO contract to members who, on the date of the declaration of insolvency, are confined in an inpatient facility until their discharge from the facility, or their contractual benefits are otherwise exhausted, whichever occurs first.
