

We connect New Jersey families - moms, dads, newborns, teens, young adults, and grandparents - with the best health and social resources available in their local community.

Connecting NJ is a network of partners and agencies dedicated to helping New Jersey families thrive.

We provide mothers, fathers, grandparents, and guardians free or affordable access to people, organizations, and other sources of information needed to raise healthy children.

Connecting NJ utilizes a county-based, single point-of-entry system that simplifies and streamlines the referral process for obstetrical and prenatal care providers, community agencies, and families.

Connecting NJ provides referrals to community resources, programs, and services such as:

NJ FamilyCare

[NJ FamilyCare](#), New Jersey’s publicly funded health insurance program that includes coverage for doula care, doctor visits, prescriptions, vision, dental care, mental health and even hospitalization.
