# Statement by Governor Murphy on Today's Indictment Against U.S. Senator Robert Menendez

09/22/2023

"The allegations in the indictment against Senator Menendez and four other defendants are deeply disturbing. These are serious charges that implicate national security and the integrity of our criminal justice system. Under our legal system, Senator Menendez and the other defendants have not been found guilty and will have the ability to present evidence disputing these charges, and we must respect the process. However, the alleged facts are so serious that they compromise the ability of Senator Menendez to effectively represent the people of our state. Therefore, I am calling for his immediate resignation."
