# Welcome to the NJDOE Homeroom

## Important Information PLEASE READ!

Homeroom Administrator Account information (form that was faxed to the NJDOE) only provides access to the Homeroom Administration System. To access any of the Data Collection Systems you need to have your district's Homeroom Administrator create a user account for those systems.

Do not bookmark links to any of the systems in Homeroom. The systems get archived yearly, therefore the bookmark will take the user to the previous year's system. Before entering data into a new system delete cache from your browser.

To ensure highest security standards, The NJ DOE will be updating security standards effective May 11, 2018. This process may require you to upgrade to a modern browser version that supports TLSv1.2 or later.
