(a) The speed limit for any State highway undergoing construction, major repairs or reconstruction shall during such period be deemed to have been modified whenever, based on an engineering and traffic investigation, regulatory speed limit signs bearing the modified maximum limit have been erected by the Commissioner of Transportation or his agent.

(b) Such modified speed limits shall supersede any existing or statutory regulations.

(c) Such modified speed limits shall cease to be effective when the period of constructions, major repairs or reconstruction have been completed and the official signs have been removed. At that time, the speed limit shall revert to the speed limit in existence prior to the posting of the modified speed limit.
