3. Not dependent upon the collection of the payment.

(b) If a participating provider wishes to designate a business agent to perform management, clerical and/or other services related to the claims payment process, approval is required from the New Jersey Medicaid or NJ KidCare program.

(c) In order to obtain approval the provider/agent shall submit a copy of the signed agreement and power-of-attorney, if any, between the provider and the agent which shall contain a detailed statement of the powers and duties of the agent (including the power to sign Medicaid or NJ KidCare claims on behalf of the provider and the compensation arrangement) to Provider Enrollment, New Jersey Medicaid or NJ KidCare program.

#### Case Notes

## SUBCHAPTER 8. PAYMENT FOR SERVICES PROVIDED

### 10:49-8.1 Fiscal Agent

The State of New Jersey uses a fiscal agent for the processing of Medicaid claims, the pricing of charity care claims, and payment to providers.

Amended by R.1997 d.520, effective January 5, 1998.

See: 29 N.J.R. 1006(a), 30 N.J.R. 232(a).

Inserted language referencing Medicaid claims, charity care claims, and provider payments.

### 10:49-8.2 Claims payment and pricing

(a) The Fiscal Agent will process claims daily and produce provider payments and associated Remittance Advice (RA) statements once each week. The RA is the provider's account statement and reflects the status of all claims currently entered into the Medicaid Management Information System. Provider payments in the form of checks and electronic funds transfers will be released following approval by the New Jersey Medicaid program. For charity care claims pricing information, see N.J.A.C. 10:52-10 and 10A.

1. The Remittance Advice (RA) is the major vehicle for communicating to the provider the status of all Medicaid claims received by the fiscal agent. All of the provider's claims are processed and supporting records are updated during each payment cycle. RA statements are generated as a result of a payment cycle. All claims processed (entered into the Medicaid Management Information System) fall into one of three classifications: paid; in process; or denied.

i. A claim that is correctly completed for a covered service provided to a Medicaid beneficiary by an approved provider will be paid. The claim will appear on the RA Claims Status page, or pages, along with all other claims for which a provider is being paid in that payment cycle. If the amount differs from the billed charges, an explanation will appear on the RA.

ii. In process claims are those claims held for review by the Fiscal Agent. The review will result in a claim being paid, denied, or additional information being requested. If additional information is required, a Claim Correction Form (CCF) will be forwarded to the provider. (Additional billing information is provided in the Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual).

iii. Reasons for denial of a claim will be provided on the RA in the form of an error/edit code.

(1) Messages explaining all codes reflected on the Remittance Advice will be printed on a separate page.

(b) A unique 13 digit Internal Control Number (ICN) is assigned to each Medicaid claim received by the Fiscal Agent. The ICN is reflected on the RA and can be used to track the status of a claim. For more information about the ICN, see Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual.

(c) For each claim processed in a payment cycle, the ICN, beneficiary name, dates of service and other claim information is printed on the RA. On the line immediately below this information, a code is printed representing a denial reason, and other information that might be useful to the provider and payment reduction reasons, if any. Messages explaining all codes found on the RA will be found on a separate page following the status listing of all claims. For more information about Remittance Advice see the Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual.

(d) Claims may be paid beyond 12 months of the date of receipt with Federal financial participation (FFP) in the following situations:

1. When the claim invoice or retroactive adjustment is paid to a provider reimbursed under a retrospective payment system;

2. For a Medicare/Medicaid claim or Medicare/NJ KidCare claim, timely filed, payment may be made for services within six months after the program or provider receives notice of the Medicare claim disposition for a timely filed Medicare/Medicaid or Medicare/NJ KidCare claim;

3. For claims from providers under investigation for fraud or abuse; or

4. For claims associated with administrative or legal actions pursuant to a hearing action or agency corrective action mandate, whether for an eligible individual or for all those eligibles affected in a similar manner.

Amended by R.1997 d.354, effective September 2, 1997.  
See: 29 N.J.R. 2512(a), 29 N.J.R. 3856(a).

In (a)1 and (a)1ii, substituted "in process" for "suspended"; in (a)1i and (c), substituted "beneficiary" for "recipient"; in (a)1iii, substituted "an error/edit code" for "a code"; and in (c), deleted "suspense reasons," following "a denial reason," inserted "other information that might be useful to the provider and", and deleted reference that only a claim status paid as a bill will not have a code.

Amended by R.1997 d.520, effective January 5, 1998.  
See: 29 N.J.R. 1006(a), 30 N.J.R. 232(a).

In (a), inserted reference to charity care claims pricing.  
Amended by R.2001 d.329, effective September 17, 2001.  
See: 33 N.J.R. 1889(a), 33 N.J.R. 3334(a).

Added (d).

#### Case Notes

Delay between claim receipt and claim processing was that of agency, not that of provider and did not warrant denial of Medicaid reimbursement for untimeliness. *Bergen Pines County v. Division of Medical Assistance*, 95 N.J.A.R.2d (DMA) 30.

Resubmission of an incorrectly filed Medicare claim is permissible. *Leader Nursing and Rehabilitation Center v. DMAHS*, 94 N.J.A.R.2d (DMA) 4.

#### 10:49-8.3 Adjustments following payment of claims

(a) If a claim is incorrectly paid and the provider receives an overpayment or underpayment, the provider shall notify the Fiscal Agent in writing. (For the procedure to follow, see Fiscal Agent Billing Supplement, MMIS Claim Adjustment Request Form, (FD-999(9/91) following the second chapter of each Provider Services Manual).

(b) On occasion, a claim will be paid that should not have been paid. If a claim is paid in error, the provider shall notify the Fiscal Agent by requesting that the claim be voided. (For the procedure to follow, see the Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual.)

(c) Any adjustment made by Medicare will not cross over to Medicaid. If Medicare makes an adjustment that results in an overpayment or underpayment by Medicaid, the provider shall notify the Fiscal Agent. (For the procedure to

follow, see the Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual).

Amended by R.1997 d.354, effective September 2, 1997.  
See: 29 N.J.R. 2512(a), 29 N.J.R. 3856(a).

In (a), substituted "MMIS Claim Adjustment Request Form" for "Adjustment/Void Request Form" and inserted "(FD-999(9/91))".

#### Case Notes

Nursing home's controller personally liable for Medicare overpayments. *Division of Medical Assistance and Health Services v. Klein*, 92 N.J.A.R.2d (DMA) 16.

#### 10:49-8.4 Claims payment by direct deposit (electronic funds transfer or EFT)

(a) Through electronic funds transfer, a provider has the option of receiving claims payment automatically as a direct deposit to his or her checking account.

1. To enroll in the EFT payment program, the provider must complete an EFT Enrollment Request/Authorization form. A voided check displaying the provider's account number must accompany the complete authorization form. The enrollment form must be signed by the provider or an authorized official such as the business manager, owner, or facility administrator. Any change to the EFT information (for example, a change of account number, ownership, or authorized official) requires the completion of a new EFT Enrollment Request/Authorization form. (For detailed instructions about enrollment in the EFT payment program, see the Fiscal Agent Billing Supplement following the second chapter of each Provider Services Manual.)

Amended by R.1997 d.354, effective September 2, 1997.  
See: 29 N.J.R. 2512(a), 29 N.J.R. 3856(a).

#### 10:49-8.5 Outstanding checks

(a) After Medicaid checks are outstanding for a period of six months, a follow-up letter shall be sent to the payee. This procedure shall only apply to checks of \$5.00 or more.

(b) All Medicaid checks remaining outstanding after 12 months shall be cancelled in monthly lots rather than check by check. Listings of cancelled checks shall be in sufficient detail to identify providers and amounts of payment. These records shall be retained for audit.
