SERVICES

Dear Mr. Porroni:

Enclosed please find a list of position titles that William Paterson University is submitting for exemption from the residency requirement contained within the New Jersey First Act. The enclosed list contains titles that fall into three categories: management, faculty, and professional administrative staff. These titles were identified based upon required specialized expertise, specific skills or extraordinary qualifications in academic, scientific, technical or professional fields, or in administration.

Additionally, William Paterson University competes with fifteen other public and private four-year colleges and universities in this geographic corridor for the same managerial, professorial and professional administrative talent. If the enclosed titles are not exempt from the residency requirement, we will face significant competitive recruitment and retention disadvantages versus other New Jersey public and private colleges and universities, as well as those in neighboring states.

Please feel free to contact me at 973-720-2133 if there are any questions regarding the enclosed list.

Very Truly Yours,

John Polding
Associate Vice President- Human Resources

Encl.
