

## MVC Prepares for Service Interruptions

Sunday, October 28, 2012      Tags: [Hurricane Sandy](#)

**Trenton, NJ** – Motor Vehicle Commission (MVC) customers are advised that all agencies, inspection stations and driver testing centers will be closed on Monday, October 29 due to Hurricane Sandy. The MVC has also cancelled all scheduled driver tests (written/road), scheduled driver conferences and scheduled specialty vehicle inspections for October 29, 30 and 31. The MVC will reschedule these services for a future date.

Additionally, MVC Chairman and Chief Administrator Raymond P. Martinez has issued an Administrative Order 2012-03 authorizing a 30-day extension for all driver's licenses, vehicle registrations and inspection due to expire on October 31. Martinez has also authorized Administrative Order 2012-04, which waives International Registration Plan (IRP) and International Fuel Tax Agreement (IFTA) requirements during a state of emergency declared by the Governor of New Jersey. This temporary waiver will aid commercial motor carriers in delivering essential services and emergency relief supplies in a timely matter to areas that may be affected by Hurricane Sandy.

Both administrative orders are posted to the MVC's website.

For additional information related to the impacts of Hurricane Sandy on MVC operations, please visit [www.njmvc.gov](http://www.njmvc.gov) before, during and after the storm.
