

Governor Phil Murphy

Statement from Governor Murphy on the U.S. Supreme Court's decision in New York State Rifle & Pistol Association Inc. v. Bruen

06/23/2022

"Based on a deeply flawed constitutional methodology, a right-wing majority on the United States Supreme Court has just said that states can no longer decide for ourselves how best to limit the proliferation of firearms in the public sphere. Let there be no mistake – this dangerous decision will make America a less safe country.

"But let me be equally clear that, here in New Jersey, we will do everything in our power to protect our residents. Anticipating this decision, my Administration has been closely reviewing options we believe are still available to us regarding who can carry concealed weapons and where they can carry them. We are carefully reviewing the Court's language and will work to ensure that our gun safety laws are as strong as possible while remaining consistent with this tragic ruling."
