July 9, 2026

**TO:** Honorable Members of the New Jersey State Legislature  
**FROM:** Robert A. Briant, Jr., Chairperson, New Jersey Infrastructure Bank  
**SUBJECT:** NJ Environmental Infrastructure Financing Program (NJ Water Bank) State Fiscal Year 2026  
First Amended Interim Environmental Financing Program **Project Priority List (PPL)** for Short-Term Financing

---

**Overview** – The New Jersey Infrastructure Bank (“I-Bank”) is pleased to present to the New Jersey State Legislature, the quarterly amended Project Priority List (“PPL”) for the New Jersey Environmental Infrastructure Financing Program (“Water Bank”). The I-Bank’s Enabling Act, P.L. 1985, C. 334, as amended (“Enabling Act”) authorizes the I-Bank to amend the PPL four times during the State fiscal year (“SFY”).

This first amended PPL is a compilation of all projects seeking financing and consists of **901 environmental infrastructure projects** (“Projects”) at a **total estimated cost of \$10.96 billion**<sup>1</sup>. This list for SFY2026 includes 105 additional projects which applied for financing since submission of the original PPL in January 2025.

**Background** – Since issuing its first loan in 1987, the I-Bank has partnered with the Department of Environmental Protection (“DEP”) to jointly fund and manage the Water Bank, which provides efficient, low-cost financing for Projects. The Water Bank leverages federal and State Revolving Funds (“SRF”), offered at a zero-percent interest, with funds provided by the I-Bank, sourced through publicly issued AAA rated bonds and through the federal Water Infrastructure Financing and Innovation Act of 2014 “WIFIA” program, to provide the lowest possible interest rate loans to constituent water systems for the construction and long-term funding of Projects.

**Short-Term Loan Priority List** – As a partner to the DEP in the Water Bank, the I-Bank issues short-term loans to facilitate the engineering, design, and construction processes. The Enabling Act requires that any Project receiving short-term financing must be included on the interim financing PPL submitted to the Legislature and must be sponsored by an eligible borrower.

**Project List** – As is customary, the SFY2026 Priority List is presented as two project lists:

- Appendix A – Clean Water projects, and
- Appendix B – Drinking Water projects.

The Appendices present the list of Projects in both alphabetical and prioritization rank order pursuant to the Water Bank’s Project prioritization methodology as established by the DEP Commissioner. The detailed ranking methodologies for Clean Water and Drinking Water Projects were set forth in the Water Bank’s Federal FY2025 Clean Water/Drinking Water Intended Use Plan and the SFY2026 January Report submitted by the DEP. Both publications are available at: <https://www.njib.gov/nj/Water+Bank+Program+Publications.26>.

---

<sup>1</sup> The Water Bank anticipates approximately \$1.22B to be reimbursed by the Federal Emergency Management Agency (“FEMA”). Those projects which are expected to receive FEMA funding, are identified on the PPL with an asterisk.

**APPENDIX A - Clean Water**
