### NOTICE

TO MUNICIPAL ISSUING AUTHORITIES AND ALL MUNICIPAL RETAIL LICENSEES:-

All licenses, except Seasonal Robail Consumption Licenses, expire June 30th, 1934.

The statute provides that all licenses shall be for a term of one (1) year beginning July 1st of each year. Each licensee, therefore, must, prior to July 1st, file a new application. The same procedure is necessary as was required to obtain the present license.

It is highly advisable that all applicants for liquor licenses apply for renewals at earliest moment. The same procedure must be followed as was necessary originally except that advertisement, investigation and hearings must precede and not follow issuance of the license. All this requires time. For instance, the hearing on objections which may come in from the newspaper advertisement cannot be held until after the publication is completed. Dilatory applicants to whom the new licenses have not actually been issued by June 30th will have to stop selling.

The rules for and the required form of publication are en-

Temporary licenses are no longer permissible, so it will be necessary to complete advertisement, investigation, hearing (when necessary), and all other requisites in advance of issuance of license. Federal Special Tax Stamps expire June 30th. New ones must be procured.

It is advisable that publication of Notice of Intention start immediately. A surprisingly large number of irregularities have developed in connection with such publication. Applicants should take certain that the advertisement is accurate in all respects and complies with the rules.

The full amount of the annual fee must accompany the appliation in the form of cash or certified check, or bank cashier's sheek, or money order. Installment payments are not permissible.

In many instances municipal license fees have been changed, r are being changed, effective July 1st. The local board or issuing uthority should be consulted immediately in this matter, as well as n respect to anything pertaining to the application which is not lear.

Licensees who do not contemplate filing application for enewal are advised that all licenses, with the one exception hereinefore stated, expire on June 30th; that if license is not renewed, he sale of alcoholic beverages must case; that application may be ade direct to the Commissioner for a Special Permit in order to discose of stock on hand after that date; that to operate without a icense is a violation of the law; that the law will be enforced.

For instance, the Mayor and Common Council, or Board of Public Works, etc. except in those cases where the governing board or body has created a unicipal board pursuant to Sec. 5 of the Control Act, in which latter ase such local excise board becomes the Issuing Authority. In Cape ay and Ocean Counties, the issuing authority is the Judge of the ourt of Common Pleas. In said Counties, the notice shall state that bjections must be addressed to said Judge (not the municipal clerk) and must also state such other matters as may be required by said udges respectively.
- 3. "Type of License" in the above form means the name or kind of icense applied for, which must be strictly according to the statuory language. For instance, Plenary Retail Consumption, etc.
- 4. Where applicant is a corporation, the names and residences of ll officers and all directors who have no other named office, and he names and residences of all stockholders holding one (1%) or more er centum of any of the stock of said corporation, must be stated n the advertisement as part of "Name of Applicant".
- 5. Where applicant is a partnership, the name of the partnership nd the names and residences of all partners must be stated in the dvertisement as part of "Name of Applicant".
- 6. The notice of intention, fully filled out as above, shall be ublished once a week, for two (2) weeks successively, in a newspaper rinted in the English language, published and circulated in the muncipality in which the licensed premises are located. If, however, nere shall be no such newspaper, then such notice shall be published n a newspaper printed in the English language, published and circuated in the county in which the licensed premises are located.
- 7. Not later than the first insertion of advertisement the appliant shall in writing request the Issuing Authority to fix a date or hearing whereupon it becomes the immediate duty of each Issuing

Authority to fix such date, and the hour, and place, and thereafter if any written objection, duly signed by a bona fide objector to the issuance of such license, is lodged, afford a hearing to all parties and immediately notify the applicant of the date, hour and place thereof. No hearing need be held if no such objection shall be lodged, or if the Issuing Authority on its own motion shall, after the requisite statutory investigation, have determined not to issue a license to such applicant.

- 8. The date fixed for such hearing shall be not less than two (2) days after the second insertion shall have been published, and should not be more than seven (7) days. For good cause each/Issuing Authority in the exercise of sound and fair discretion may, subject to appeal to the State Commissioner by the applicant, if he proves that he is aggrieved by the delay, fix a date for hearing later than said seven (7) days or may adjourn the hearing. This provision is made to include those cases where the issuing authorities are morally convinced but have not had time to gather the proof believed obtainable to demonstrate that the application should be denicd.
- 9. Each Municipal Clerk shall, immediately upon receipt of a written objection, acknowledge it and inform the objector of the date, hour and place fixed for hearing, and invite/the objector to be present with his witnesses and counsel, and thereupon forthwith transmit to the Issuing Authority of the particular municipality the objection and everything pertaining thereto. In Cape May and Ocean Counties, the Judge of the Court of Common Pleas shall so acknowledge, inform and invite the objector.
