## OVER-THE-COUNTER PERMITS

### I. STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

### II. RIPARIAN (609) - 292 - 2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to water-front construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.

### III. SEWER EXTENSIONS (609) - 292 - 3846

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallorage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, P.O. Box CN029, Trenton, NJ 08625.

## MASTER PERMIT INFORMATION APPLICATION

DEP has developed a Master Permit Information Application which, upon completion, will indicate all the DEP permits required for the project. Forms may be obtained by contacting the Office of Business Advocacy (See inside cover for details).

June 13--DEP SETS MEETINGS ON RARITAN WATER QUALITY--Three informal meetings have been set by DEP to describe a draft analysis of water quality in the upper Raritan River basin, and recommendations for pollution control. Embracing parts of Somerset, Morris, Union and Hunterdon counties, the document reports generally high water quality. Meetings, all at 8 p.m., are June 19, Sentry Savings and Loan Co., Route 24, Chester (Morris County); June 20, North Hunterdon Regional High School, Route 31, Clinton Township (Hunterdon County), and June 21, Somerset County 4-H Center, 310 Milltown Road, Bridgewater Township.

June 14--SULFUR OIL PROFITS GO BACK TO CUSTOMERS--DEP announced that Metropolitan Petroleum Company, Inc., of New York City, has agreed to return \$125,000 to North Jersey customers. The money represents excess profits generated in March when the company was permitted to sell high-sulfur fuel to customers for one week, due to a feared shortage of low-sulfur fuel. Herbert Wortreich, chief of DEP's Bureau of Air Pollution Control, said the authorization to sell the high-sulfur fuel, which does not meet air pollution standards, stipulated that extra profits be returned. The refund will be made at the rate of .98 cents per gallon.

June 14--DEP APPROVES \$19 MILLION IN SEWERAGE GRANTS--Four sewerage grant applications in Mercer, Atlantic and Hunterdon counties, totaling over \$19 million, have been approved by DEP. They are: Ewing-Lawrence Sewerage Authority, Mercer County, \$12.6 million to enlarge the treatment plant to 16-million-gallons-per day, from 10 million gallons; Galloway Township Municipal Utilities Authority, Atlantic County, \$5.4 million for sewers, force main and pumping station to eliminate area septic tanks; Flemington Borough, Hunterdon County, \$743,572 to rehabilitate sanitary sewerage system, and Readington-Lebanon Sewerage Authority, Hunterdon County, \$424,912 to design a wastewater treatment system. With federal approval, the U.S. Environmental Protection Agency will pay 75 percent of the grant money. The state will pay eight percent and the applicants, 17 percent.

June 15--PINELANDS BOARD REJECTS MAJOR SUBDIVISIONS--King's Grant, with 3,700 units, and Barton's Run, with 955 units, both in Evesham Township, Burlington County, failed to receive exemptions from temporary Pinelands building restrictions at a meeting of the Pinelands Review Board. They were among 17 exemptions which were denied. Six were approved, including a branch bank building, a medical office building and a sewer extension. To date, the review board has granted exemptions for 2,445 single-family lots and denied exemptions for a total of 12,095 lots.
