APPENDIX A

SUBCHAPTER 1. GENERAL PROVISIONS

10:55-1.1 Introduction

(a) This chapter of the manual N.J.A.C. 10:55 outlines the rules of the New Jersey Medicaid and NJ KidCare programs relevant to the provision of prosthetic and orthotic services to Medicaid and NJ KidCare fee-for-service beneficiaries. It also lists the specific requirements which must be followed in order to be approved and to participate as a New Jersey Medicaid and NJ KidCare provider of prosthetic and orthotic services.

(b) The Prosthetic and Orthotic Services Manual N.J.A.C. 10:55 does not include rules for the provision to Medicaid and NJ KidCare beneficiaries of dentures, artificial eyes, or hearing aids. These services are covered in the New Jersey Medicaid program's Dental Services Manual N.J.A.C. 10:56, Vision Care Services Manual N.J.A.C. 10:62, and the Hearing Aid Services Manual N.J.A.C. 10:64, respectively.

(c) Unless otherwise stated, the rules of this chapter apply to Medicaid and NJ KidCare-Plan A fee-for-service beneficiaries. Prosthetic and orthotic services provided to Medicaid and NJ KidCare beneficiaries enrolled in a managed care organization (MCO) are governed and administered by that MCO.

1. NJ KidCare Plan B, C, and D beneficiaries are required to be enrolled in managed care organizations. (See N.J.A.C. 10:79)

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (a), inserted a reference to NJ KidCare Programs and substituted a reference to Medicaid and NJ KidCare fee-for-service beneficiaries for a reference to Medicaid recipients in the first sentence, and substituted a reference to Medicaid and NJ KidCare providers for a reference to providers in the second sentence; in (b), substituted a reference to Medicaid and NJ KidCare beneficiaries for a reference to Medicaid recipients; and added (c).

Case Notes

In re Horst Oertel, 167 N.J.Super. 557, 558, n. 1 (App.Div.1979). "Orthotic appliances" defined.

**10:55-1.2 Definitions**

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise.

“Accredited” means those facilities that have met the standards of qualification as established by the American Board of Certification in Orthotics and Prosthetics, Incorporated, 1650 King Street, Suite 500, Alexandria, VA 22314-2747.

“Certified” means those individuals that have met the standards of qualification and the requirements as established by the American Board of Certification in Orthotics and Prosthetics, Incorporated (see address above).

“Custom-made” means a device or appliance fabricated (constructed and/or assembled) in an approved facility (see N.J.A.C. 10:55-1.3) and designed to fit and perform a useful function solely for that individual for whom it was ordered.

“Facility” means the work area of operation of the prosthetist, orthotist or pedorthist.

“Orthotic appliances” means a device or brace prescribed by a physician or other practitioner, within the scope of his or her practice as defined by State law, for the purpose of providing support, increased function, and overcoming physical impairment or defects.

1. A brace includes rigid and semi-rigid devices used for the purpose of supporting a weak or deformed body member or restricting or eliminating motion in a diseased or injured part of the body.

“Orthotist” means one certified by the American Board of Certification in Orthotics and Prosthetics, Incorporated in the profession of measuring, designing, fabricating and fitting of orthotic devices.

“Pedorthist” means one certified by the American Board of Certification in Orthotics and Prosthetics, Incorporated in the profession of designing, manufacturing, fitting and modification of footwear and related appliances or certified by the Board for Certification in Pedorthics, 7150 Columbia Gateway Drive, Suite G, Columbia, MD 21046-1151, if the practice is limited as described in N.J.A.C. 10:55-1.3(a)2ii(1).

“Practitioner” means a physician or other medical care individual licensed or certified under State law to practice his or her profession.

“Prosthetic appliances” means functional replacement, corrective, or supportive devices prescribed by a physician or other licensed practitioner within the scope of his or her practice as defined by State law to:

1. Artificially replace a missing portion of the body; or

2. Prevent or correct physical deformity or malfunction; or
3. Support a weak or deformed portion of the body.

“Prosthetist” means one certified by the American Board of Certification in Orthotics and Prosthetics, Incorporated in the profession of making of artificial parts to replace a missing body part or to augment the performance of a natural function externally.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).  
Rewrote “Pedorthist”.

**Case Notes**

In re Horst Oertel, 167 N.J.Super. 557, 558, n. 1 (App.Div.1979).

“Orthotic appliances” defined.

**10:55-1.3 Requirements for approval as a provider of prosthetic and orthotic services**

(a) In order to be a fully approved New Jersey Medicaid and NJ KidCare fee-for-service provider of prosthetic and orthotic services, the applicant shall:

1. Submit a completed application (see N.J.A.C. 10:49-3.2) together with a copy of the facility and personnel accreditation/certification by the American Board for Certification in Orthotics and Prosthetics. (The applicant may be applying for either orthotics or prosthetics or both) and;
2. Meet the following criteria:
  - i. Appliances shall be fabricated in the facility and not sent out to another facility;
  - ii. The facility shall employ personnel (owner and/or employee(s)) certified in the field of speciality of the appliance(s) being produced by that facility.

(1) Exception: If the provider or facility limits the scope of practice to shoe orthotics, custom molded shoes, and shoe modifications, accreditation/certification by the Board for Certification in Pedorthics may be accepted in lieu of accreditation/certification by the American Board for Certification in Orthotics and Prosthetics.

iii. Facilities and their qualified personnel shall maintain current accreditation/certification by the American Board for Certification in Orthotics and Prosthetics, Incorporated or the Board for Certification in Pedorthics, as appropriate.

(b) In order to be granted “provisional” approval by the New Jersey Medicaid and NJ KidCare fee-for-service programs, facilities and/or personnel whose application for accreditation/certification is pending with the American Board for Certification in Orthotics and Prosthetics, Incorporated, the applicant shall:

1. Submit a letter requesting “provisional” provider status together with a copy of the American Board for Certification in Orthotics and Prosthetics, Incorporated accreditation/certification acceptance letter and;

2. Meet the following criteria:

i. Appliances shall be fabricated in the facility and not sent out to another facility;

ii. The facility may be noncertified and may employ certified or noncertified personnel (owner and/or employee(s)).

3. “Provisional” status shall be approved for a period of one year commencing with the date of the letter of acceptance by the American Board for Certification in Orthotics and Prosthetics, Incorporated or the Board for Certification in Pedorthics, as appropriate, and shall expire, without further notification, if certification has not been obtained.

(c) If a certified facility loses its certified prosthetist(s), orthotist(s) and/or pedorthist(s), the fiscal agent shall be notified within five working days of the loss. A grace period of 180 days from the date of such loss shall be granted for demonstrating recertification before provider eligibility is terminated. In the interval between the loss and recertification of personnel, the minimum requirement for continuing acceptable Medicaid and NJ KidCare fee-for-service provider eligibility is that fabricated appliances must be fabricated by personnel whose board eligibility is established.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

Substituted references to Medicaid and NJ KidCare fee-for-service providers for references to providers and inserted references to the Board of Certification in Pedorthics throughout; and in (b), substituted a reference to Medicaid and NJ KidCare fee-for-service programs for a reference to programs in the introductory paragraph.

**10:55-1.4 Requirements for program participation as prosthetic and orthotic services provider**

(a) An approved Medicaid and NJ KidCare fee-for-service provider of prosthetic and orthotic services shall be responsible for the following:

1. Assuring that an appliance furnished by the approved facility conforms to the prescriber’s prescription and the description of the appliance as set forth in the accepted nomenclature by the American Board for Certification in Orthotics and Prosthetics, Incorporated; fitting the appliance properly to the extent that the beneficiary’s condition(s) permits; and providing maximum efficiency and comfort consistent with the condition(s) of the beneficiary for whom the appliance is prescribed;

2. Assuming liability for defective materials over which the provider has (or should have had) control;

3. Agreeing to accept return of an appliance when the prescribing physician, after appropriate evaluation of the appliance(s), determines that the appliance(s) does not

conform to the prescription and description of the appliance set forth in the accepted nomenclature by the American Board for Certification in Orthotics and Prosthetics, Incorporated; and/or does not fit properly, and/or is not of acceptable quality, and/or does not provide maximum efficiency and comfort consistent with the condition of the beneficiary for whom it is prescribed, and refabricating the appliance; and

4. Warranting against defective material and workmanship (except for parts normally worn from natural use) for a period of one year from date of delivery to and acceptance by the beneficiary. If it is found that either the material or the workmanship is defective, the provider shall be allowed a reasonable opportunity to make such adjustment and/or corrections or replacement without additional charge to the Medicaid and NJ KidCare program, or the beneficiary.

i. The warranty shall not apply to an appliance corrected/altered as a result of a change in the beneficiary’s physical condition (anatomical change).

ii. The warranty shall not apply to a misused appliance or an appliance altered by other than the original provider.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (a), substituted references to beneficiaries for references to recipients throughout, substituted a reference to Medicaid and NJ KidCare fee-for-service providers for a reference to providers in the introductory paragraph, and substituted a reference to Medicaid and NJ KidCare programs for a reference to programs in the introductory paragraph of 4.

**10:55-1.5 Prior authorization for prosthetic and orthotic appliances**

(a) This section specifies the services that require prior authorization and the procedures to follow. Prior authorization shall be required for:

1. Any prosthetic appliance (except for preparatory (temporary) upper and lower prostheses) for which the provider’s charge is \$1,000.00 or more;

2. Any orthotic appliance for which the provider’s charge is \$500.00 or more; or

3. Replacement of parts of an appliance when the cost exceeds \$250, except in an emergency (see (d) below);

i. Prior authorization shall not be required for replacement of parts which involve solely the mechanical aspects of an appliance and for which the charge is \$250.00 or less.

4. Labor (hourly rate) charges for repair of items or appliances totalling more than \$250.00 shall be prior authorized by the Medicaid District Office (MDO). (See codes L4200 and L7500 (Repair), at N.J.A.C. 10:55-2.)

i. Total labor (hourly rate) charges for repair of items or appliances, not under warranty, are reimbursable for up to \$250.00.

5. Any foot and ankle orthotic appliance;
6. Any orthopedic footwear; or
7. Custom molded shoes.

(b) If prior authorization is required, the provider shall not provide those items or services until the authorization is received.

(c) To request prior authorization for prosthetic and orthotic services, the provider shall submit form FD-357 (Request for Prior Authorization for Prosthetic and Orthotic Services, see Appendix A), together with a prescription, as specified in N.J.A.C. 10:55-1.6, to the appropriate Medicaid District Office (MDO) (see N.J.A.C. 10:49 Appendix-Form #17 for address) or to the Central Office of Medicaid, Office of Medical Affairs and Provider Relations, Division of Medical Assistance and Health Services, Mail Code #15, PO Box 712, Trenton, New Jersey 08625-0712.

1. Prior authorization for all orthopedic footwear and foot orthotics shall be obtained from the Central Office of Medicaid, Office of Medical Affairs and Provider Relations, except for all components of orthopedic footwear attached to a bar or brace (including the bar, brace, and/or shoe), which must be obtained from the appropriate MDO.

i. When requesting prior authorization for custom molded shoes, the provider shall submit a FD-357 form together with a copy of the prescription and a cost estimate which shall include a detailed cost breakdown of the basic shoe plus any additional charges for materials and/or services.

2. The fiscal agent will inform the provider that the authorization request is approved, denied, or suspended. If approved, the letter to the provider will indicate the authorization number that must be recorded at Item 23B on the HCFA-1500 claim form.

(d) The Medicaid District Office shall grant authorization by telephone when an emergency condition exists, as defined in (d)1, below, and N.J.A.C. 10:49-6.1.

1. When an orthotic or prosthetic appliance or device becomes non-functional due to mechanical failure and must be repaired immediately for the beneficiary to continue normal functional behavior, the situation shall be considered an emergency. Emergencies include, but are not limited to, mechanical breakdown, fitting problems due to anatomical change, skin breakdown, irritation and/or ulcer, pressure pain, or an ill fitting socket.

Amended by R.1998 d.410, effective August 3, 1998.

See: 30 N.J.R. 512(a), 30 N.J.R. 2919(a).

In (c), updated the address.

Amended by R.2000 d.134, effective April 3, 2000.

See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (c)2, changed claim form reference; and in (d)1, substituted a reference to beneficiaries for a reference to recipients.

#### 10:55-1.6 Prescription policies

(a) A personally signed and dated order (prescription) by the prescriber shall be required for the following:

1. Prosthetic and orthotic appliances;
2. Repair and replacement of parts for custom-made prosthetic and orthotic appliances; and
3. Orthopedic footwear.

(b) The prescription shall include the following:

1. Beneficiary's name, age, address, Medicaid or NJ KidCare Identification Number and Patient Person Number;
2. Relevant diagnosis supporting need for custom-made prosthetic and orthotic appliances; and
3. A detailed breakdown of the appliance ordered, written according to the accepted New Jersey prosthetic and orthotic nomenclature as set forth in the accepted nomenclature by the American Board for Certification in Orthotics and Prosthetics, Incorporated. A prescription written: "leg brace," "artificial limb," or "orthopedic shoes," for example, shall not be acceptable.

Amended by R.2000 d.134, effective April 3, 2000.

See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

Rewrote (b)1.

#### 10:55-1.7 Policy on footwear

(a) For purposes of the New Jersey Medicaid and NJ KidCare programs policies, "an orthopedic shoe" means footwear, with or without accompanying appliances, used to prevent or correct gross deformities of the feet, which is properly fitted as to length and width, and consists of the following basic parts:

1. Correct straight last line;
2. Heels with sufficient bearing surface;
3. Toe with ample room for function;
4. Sole of sufficient weight for foot protection;
5. Rigid shank;
6. Properly fitting upper;
7. Smooth and protective lining; and
8. Snug fitting heel counter.

(b) Orthopedic footwear shall be reimbursable under the following conditions:

1. When attached to a brace or bar; and/or
2. When part of the normal (customary, usual) post-operative or postfracture treatment program; and/or

3. When used to correct or adapt to gross foot deformities.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (a), substituted a reference to Medicaid and NJ KidCare program policies for a reference to program policies in the introductory paragraph.

### 10:55-1.8 Reimbursement for prosthetic and orthotic appliances

(a) This section outlines the Program's policy of reimbursement for prosthetic and orthotic services and specifies the procedure for submitting a claim to request payment.

(b) Providers of prosthetic and orthotic appliances shall be reimbursed on a fee-for-service basis not to exceed the maximum fee schedule allowance in N.J.A.C. 10:55-2. Generally, the reimbursement policy for the purchase or repair of any appliance or footwear is in accordance with the lower of the Medicaid and NJ KidCare maximum fee allowance or the provider's usual and customary charge. In certain instances, a maximum fee allowance can not easily be established because of the variety of items that can be provided under the same HCPCS. In those instances, the notation "B.R.," by report, is listed in the fee schedule. In those cases, Medicaid and NJ KidCare fee-for-service reimbursement will be established by the Division after a review of the additional material submitted by the provider.

1. An additional labor charge shall only be paid for repair-related activities after warranty or prescription change. Such a charge shall not be reimbursed for a new item or appliance.

2. If it is necessary for the provider to visit the beneficiary at home or another setting to measure, fit or deliver an appliance, the following conditions shall apply:

i. The provider shall be reimbursed for travel time when the distance exceeds five miles one way. If more than one beneficiary is seen during the visit, travel time allowance shall only be billed for the initial beneficiary, in accordance with procedure code X3680, Travel time, N.J.A.C. 10:55-2.

ii. A maximum of three "home visits" shall be allowed, unless there is adequate documentation, including a prescription, justifying the need for additional visits.

(c) To request reimbursement for a service provided, the provider shall submit a HCFA-1500 claim form using HCPCS procedure code(s) to identify the item or service provided. Instructions for submitting claims for payment are provided in the Fiscal Agent Billing Supplement following this chapter N.J.A.C. 10:55.

1. HCPCS procedure codes are listed in N.J.A.C. 10:55-2—HCPCS, the HCFA (Health Care Financing Administration's) Common Procedure Coding System).

2. Instructions for the completion of claim forms and other forms are provided in the Fiscal Agent Billing Supplement following N.J.A.C. 10:55-2.

i. Requirements for the timely submission of claims are listed in the Administration Chapter of this manual (N.J.A.C. 10:49-7.2).

3. A provider shall submit a copy of the prescription along with the claim form to the fiscal agent, when the charge for repair and/or replacement of parts is less than \$250.00.

(d) The provider shall verify beneficiary eligibility in accordance with N.J.A.C. 10:49-2. Payment shall not be made for services provided to an ineligible individual, even if the service was prior authorized, except under the following circumstances:

1. If fabrication of an appliance (including repair or replacement of parts on existing appliance) has commenced following authorization but has not been completed during the beneficiary's period of eligibility, reimbursement to the provider shall be allowed.

2. In circumstances involving the beneficiary over which no one may have control, such as moving out-of-State, or in case of death of the beneficiary, reimbursement will be made in an amount consistent with the stage of completion of the appliance consistent with the Program's Maximum Fee Allowance schedule.

i. The provider shall use the date fabrication of the appliance was begun as the date of service when the above situation(s) occur(s).

(e) For any Medicaid or NJ KidCare beneficiary who is covered under Medicare, responsibility for payments by the New Jersey Medicaid or NJ KidCare program for non-hospital based, Medicare Part B services shall be limited to the unsatisfied deductible and/or coinsurance amount to the extent that the combined total of these payments does not exceed the maximum fee allowance for the same or similar service provided by the Medicaid or NJ KidCare program in the absence of other coverage. This limitation shall apply for claims with dates of service on or after July 20, 1998.

Amended by R.2000 d.134, effective April 3, 2000.

See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

Rewrote the section.

## SUBCHAPTER 2. HCFA COMMON PROCEDURE CODING SYSTEM (HCPCS)

### 10:55-2.1 Introduction

(a) The New Jersey Medicaid and NJ KidCare fee-for-service programs have adopted the Health Care Financing Administration's (HCFA) Common Procedure Coding Sys-

tem (HCPCS). The HCPCS procedure codes listed in this subchapter shall be used when filing a claim for prosthetic and/or orthotic services.

1. The responsibility of the prosthetic and orthotic services provider when rendering services and requesting reimbursement is listed in N.J.A.C. 10:55-1 of the Prosthetic and Orthotic Services chapter.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (a), substituted a reference to Medicaid and NJ KidCare fee-for-service programs for a reference to programs in the introductory paragraph.

**10:55-2.2 Elements of HCPCS Coding System**

(a) The list of HCPCS procedure codes in N.J.A.C. 10:55-2.3 and 2.4 is arranged in tabular form with specific information for each code given under columns with the titles "HCPCS Code," "Description," and "Maximum Fee Allowance."

(b) The column titled "MAXIMUM FEE ALLOWANCE" indicates the maximum amount of reimbursement or the following symbol:

1. Where "B.R." (By Report) is listed instead of a dollar amount, it means that additional information will be required in order to properly evaluate the service. In such instances, the provider shall attach a copy of the report to the claim form.

(c) Services and procedures may be modified under certain circumstances. When applicable, the modifying circumstances should be identified by the addition of alphabetic and/or numeric characters at the end of the HCPCS procedure code. The New Jersey Medicaid and NJ KidCare fee-for-service program's recognized modifier codes for prosthetic and orthotic services are as follows:

1. "RP" (Repair and/or Replacement) is used to indicate repair and/or replacement of prosthetic and orthotic devices. The claim shows the HCPCS procedure code for the repairs and/or parts, followed by the "RP" modifier and the charge for the repairs and/or parts.

2. "XE" (Non-Medicare covered service) is used to indicate that a service provided to a Medicare/Medicaid beneficiary is not reimbursable by Medicare.

Amended by R.2000 d.134, effective April 3, 2000.  
See: 31 N.J.R. 3964(a), 32 N.J.R. 1206(a).

In (c), substituted a reference to Medicaid and NJ KidCare fee-for-service programs for a reference to programs in the introductory paragraph, and substituted a reference to beneficiaries for a reference to providers in 2.

The orthotic care of scoliosis differs from other care in that the treatment is more dynamic in nature and uses ongoing continual modification of the orthosis to the patient's changing condition. This coding structure uses the proper names or eponyms of the procedures because they have historic and universal acceptance in the profession. It should be recognized that variations to the basic procedures described by the founders/developers are accepted in various medical and orthotic practices throughout the country. All procedures include model of patient when indicated.
