## RESOURCES FOR PROFESSIONALS

### Substance Abuse and Mental Health Administration (SAMHSA)

The Substance Abuse and Mental Health Administration, SAMHSA, is an agency within the U.S. Department of Health and Human Services. SAMHSA leads public health efforts to advance the behavioral health of the nation. The mission of SAMHSA is to reduce the impact of substance abuse and mental illness on America's communities. SAMHSA provides funding to the states to support behavioral health treatment and services.
