

1. Child not living with parents due to institutionalization: If a physician has certified that the child's duration of stay in a Title XIX facility (or a combination of such facilities) is expected to be 30 consecutive days or more, such child shall be considered to be not living with his/her parents at the time of such certification. In such circumstances, only the child's own countable resources shall be applied to the resource maximum for an individual.

2. Parental resource maximums (including stepparents):

i. One parent: The total value of countable resources in excess of the source limit for an individual (see N.J.A.C. 10:71-4.5) shall be applied toward the eligible child's resource maximum.

ii. Two parents: The total value of countable resources in excess of the resource limit for a couple (see N.J.A.C. 10:71-4.5) shall be applied toward the eligible child's resource maximum.

3. More than one eligible child: If there is more than one eligible child in the household, the total value of countable resources in excess of the appropriate parental maximum shall be equally divided among such children. In cases of this nature, no part of the value of such resources shall be allocated to ineligible children residing in the household.

(f) Deeming resources of an alien's sponsor: When the sponsor of an alien is subject to deeming provisions (see N.J.A.C. 10:71-5.7) any countable resources of the sponsor in excess of the appropriate resource limit (the resource limit for an individual or the resource limit for a couple if the sponsor resides with his or her spouse) shall be considered to be resources of the alien in addition to whatever resources the alien has.

#### 10:71-4.8 Institutional eligibility; resources of a couple

(a) In the determination of resource eligibility for an individual requiring long-term care, the county welfare agency shall establish the combined countable resources of a couple as of the first period of continuous institutionalization beginning on or after September 30, 1989. This determination shall be made upon request for a resource assessment in accordance with N.J.A.C. 10:71-4.9 or at the time of application for Medicaid benefits. The total countable resources of the couple shall include all resources owned by either member of the couple individually or together. The county welfare agency shall establish a share of the resources to be attributed to the community spouse in accordance with this section. (No community spouse's share of resources may be established if the institutionalized individual's current continuous period of institutionalization began at any time before September 30, 1989.)

1. The community spouse's share of the couple's combined countable resources is based on the couple's countable resources as of the first moment of the first day of the month of the current period of institutionalization beginning on or after September 30, 1989 and shall not exceed \$113,640, as indexed annually in accordance with 42 U.S.C. §1396r-5(g) and published as a notice in the

New Jersey Register, and unless authorized in (a)4 or 5 below. The community spouse's share of the couple's resources shall be the greater of:

i. \$22,728, as indexed annually in accordance with 42 U.S.C. §1396r-5(g) and published as a notice in the New Jersey Register; or

ii. One half of the couple's combined countable resources.

2. In determining the resource eligibility of the institutionalized spouse, the community spouse's share of the resources is subtracted from couple's total combined resources as of the first moment of the first day of the month of application for Medicaid. If the remaining resources are less than or equal to \$2,000, the institutionalized spouse is resource eligible. If the remaining resources exceed \$2,000, eligibility may not be established.

i. In the case of an individual whose eligibility for institutional care is determined in accordance with the rules applicable for New Jersey Care (see N.J.A.C. 10:72), resource eligibility will exist when the couple's combined resources, less the community spouse's share of the resources, are equal to or less than \$4,000.

3. To the extent that the community spouse's share of the combined resources are not already owned by the community spouse, the ownership of the community spouse's share of the resources must be transferred to the community spouse within 90 days of a determination of eligibility for institutional Medicaid services. The CWA may extend the transfer period if individual circumstances warrant a longer period to affect the transfer. Resources not transferred by the end of the 90-day period (or extension) shall be counted in the determination of eligibility for the institutionalized individual.

i. Eligibility for the institutionalized individual shall be established pending the actual transfer of the resources if he or she attests, in writing, that he or she intends to transfer the community spouse's share of the resources to the community spouse.

4. If a court of competent jurisdiction has ordered that resources be transferred to the community spouse in an amount higher than that authorized in (a)1 above, the higher court-ordered amount shall be recognized as the community spouse's share. Any resource transferred under such a court order shall not be subject to the resource transfer penalty described at N.J.A.C. 10:71-4.10.

5. If, in accordance with N.J.A.C. 10:71-5.7(d), additional resources have been authorized to be set aside for the community spouse in order to provide for a sufficient income maintenance level, such additional resources are not subject to the limitation in this section on the community spouse's share of the couple's combined resources. Any resource transferred to the community spouse under this provision shall not be subject to the resource transfer provision described at N.J.A.C. 10:71-4.10.

6. For purposes of this section, an institutionalized individual does not include any individual who is not likely to remain in a Title XIX facility for a period of 30 consecutive days. If a physician has not certified that the individual's stay in the facility is expected to be a period of 30 or more consecutive days, that individual's Medicaid eligibility will be determined as if he or she continued to reside in the community until he or she has been in a Title XIX facility (or a combination of Title XIX facilities) for a period of 30 consecutive days.

7. For purposes of this section, a continuous period of institutionalization means 30 consecutive days of institutional care in a medical institution, and/or Medicaid funded home and community-based waiver services. Continuity is broken by absences from the institution for 30 consecutive days or the non-receipt of home or community based services for 30 consecutive days.

8. For purposes of determining the community spouse's share of the couple's resources only, countable resources of a couple shall include all resources not subject to exclusion under N.J.A.C. 10:71-4.4, except that one automobile shall be excluded without regard to the dollar limits set forth at N.J.A.C. 10:71-4.4(b)2 and personal effects and household goods shall be excluded without regard to the dollar limits set forth at N.J.A.C. 10:71-4.4(b)3.

9. In determining retroactive eligibility (the three-month period immediately preceding the month of application) based on the first Medicaid application in a continuous period of institutionalization, the community spouse's share of the resources shall be deducted from the couple's combined total resources. If the institutionalized individual subsequently files another Medicaid application for the same continuous period of institutionalization, retroactive eligibility will be based on all resources actually owned by the institutionalized individual.

#### Case Notes

Income subject to transfer from an institutionalized spouse was not limited to the income he was earning as of the date when the couple's resources were allocated for purposes of determining Medicaid Only eligibility. The other spouse's minimum monthly maintenance needs allowance deficit could be made up with the Social Security disability income the institutionalized spouse was reasonably expected to earn thereafter. *N.E. v. New Jersey Div. of Med. Assistance & Health Servs.*, 399 N.J. Super. 566, 945 A.2d 109, 2008 N.J. Super. LEXIS 78 (App.Div. 2008).

Claimant was not eligible for Medicaid Only Benefits for nursing home costs because, as of the first day of the month of the current period of institutionalization, his resources exceeded the maximum amount permitted by N.J.A.C. 10:71-4.5(c). *N.E. v. New Jersey Div. of Med. Assistance & Health Servs.*, 399 N.J. Super. 566, 945 A.2d 109, 2008 N.J. Super. LEXIS 78 (App.Div. 2008).

Medicaid eligibility when one spouse is institutionalized and the other is living in the community is determined by reference to total assets owned by the couple at time of application, and amount of exempt assets attributable to community spouse that was previously established at time of institutionalization, plus \$2,000 of assets attributable to institutionalized spouse, constitute the asset cap that cannot be exceeded at the time of application, unless that cap was increased to reflect a rise in the consumer price index. *A.K. v. Div. of Med. Assistance*, 350 N.J. Super. 175, 794 A.2d 835.

Federal Medicaid statute requiring that state's methodology for determining resource eligibility of medically needy person be no more restrictive than for categorically needy person required exclusion of husband's individual retirement account from computation of wife's resources for purposes of determining eligibility. *Mistrick v Division of Medical Assistance and Health Services*, 299 N.J. Super. 76, 690 A.2d 651 (A.D.1997).

Individual Retirement account (IRA) in husband's name is includable resource for purposes of determining a wife's Medicaid eligibility when wife enters a nursing home but husband remains in the community, de-

Division of Medical Assistance & Health Services*, 154 N.J. 158, 712 A.2d 188 (N.J. 1998).

Resources of a Medicaid applicant's ex-wife that were acquired during the couple's 23-year separation but prior to their Pennsylvania divorce could not be considered as available to the applicant for the purpose of determining the countable resources of the couple pursuant to N.J.A.C. 10:71-4.8; the applicant's rights to those resources were determined by Pennsylvania law, and a valid Pennsylvania divorce decree was issued indicating that the applicant had no legal rights to those resources. *S.P. v. #### 10:71-4.9 Resource assessment

(a) At the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989), the institutionalized spouse or the community spouse (or a representative of either spouse) may request an assessment of the couple's total countable resources. The purpose of the assessment is to establish the community spouse's share of the couple's total countable resources (see N.J.A.C. 10:71-4.8(a)).

(b) The county welfare agency shall, upon a request for a resource assessment, advise the requesting parties of the

documentation and verification necessary to make the assessment. When the necessary documentation and verification is not submitted to the county welfare agency in a timely manner, the requesting parties shall be advised that the resource assessment cannot be completed. Upon receipt of all relevant documentation of resources from the couple the county welfare agency shall establish the total countable resources of the couple. The county welfare agency shall notify both members of the couple of the total value assigned to their combined countable resources and the community spouse's share of those resources. A copy of the notice shall be retained at the county welfare agency.

1. The county shall complete the resource assessment and notify the requesting parties of its results within 45 calendar days of the request unless third-party verification has not been received by the county welfare agency or the requesting parties request a delay.

(c) At the time of providing the couple with a copy of the resource assessment, the county welfare agency shall advise the couple that there is no immediate right to a fair hearing on the county's resource assessment, but that there will be an opportunity to appeal the findings of the assessment when and if the institutionalized spouse applies for Medicaid.

#### 10:71-4.10 Transfer of assets

(a) The provisions of this section shall apply, effective June 18, 2001, only to persons who are receiving an institutional level of services, including individuals who are receiving services under a 42 U.S.C. §1915(c) home and community care waiver under Medicaid, or who are seeking that level of service, and who have transferred assets on or after August 11, 1993. An individual shall be ineligible for institutional level services through the Medicaid program if he or she (or his or her spouse) has disposed of assets at less than fair market value at any time during or after the 60-month period immediately before:

1. In the case of an individual who is already eligible for Medicaid benefits, the date the individual becomes an institutionalized individual; or

2. In the case of an individual not already eligible for Medicaid benefits, the date the individual applies for Medicaid as an institutionalized individual.

(b) The following definitions shall apply to the transfer of assets:

1. Individual means:

i. The individual him or herself who is applying for benefits;

ii. The individual's spouse;

iii. A person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse;

iv. Any person including a court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

2. An institutionalized individual, for the purposes of this chapter, is a person who is receiving care in a Medicaid certified nursing facility, intermediate care facility for the mentally retarded (ICFMR), or a licensed special hospital (Class C) or Title XIX psychiatric hospital (if under the age of 21 or age 65 and over). For purposes of this chapter, an institutionalized individual shall also include a person seeking benefits under a home or community care waiver program. An institutionalized individual shall not include a person who is receiving care in an acute care general hospital.

3. Assets shall include all income and resources of the individual and of the individual's spouse. Assets shall also include income and resources which the individual or the individual's spouse is entitled to but does not receive because of action or inaction by the individual or the individual's spouse; or by any person, including a court or administrative body with the legal authority to act in place of or on behalf of the individual or the individual's spouse; or any person, including a court or administrative body, acting at the direction of or upon the request of the individual or the individual's spouse. Examples of actions that would cause income or resources not to be received shall include, but shall not be limited to:

i. Irrevocably waiving pension income;

ii. Waiving the right to receive an inheritance, including spousal elective share pursuant to N.J.S.A. 3B:8-10;

iii. Not accepting or accessing injury settlements;

iv. Tort settlements which are diverted by the defendant into a trust or similar device to be held for the benefit of an individual who is a plaintiff; and

v. Refusal to take legal action to obtain a court ordered payment that is not being paid, such as child support or alimony.

4. Resources, for the purpose of asset transfer, shall include all resources, both included and excluded, in accordance with the provisions of this chapter. For example, the transfer of a home, even if it is serving as the individual's principal place of residence, shall be subject to the transfer of assets provisions.
