PREAMBLE

This Agreement made between the State of New Jersey, hereinafter referred to as the "State" and the Communications Workers of America, Primary Level Supervisors, hereinafter referred to as the "Union", covering employees in the Primary Level Supervisors Unit, has as its purpose the improvement and promotion of harmonious employee relations between the State and its employees represented by the Union, the establishment of equitable and peaceful procedures for the amicable resolution of all disputes and grievances, and the determination of the wages, hours of work and other terms and conditions of employment.

Now, therefore, in consideration of the mutual promises of this Agreement, the parties agree as follows:

ARTICLE I

RECOGNITION OF RIGHTS AND DEFINITIONS

A. Recognition of Union and Unit

1. The State by the Office of Employee Relations in the Governor's Office hereby recognizes the Union as the exclusive representative for collective negotiations for wages, hours of work and other terms and conditions of employment for all its employees in the state-wide Primary Level Supervisors Unit. The State will not negotiate with nor grant rights afforded under terms or provisions of this Agreement to any other employee organization in connection with the employees in this unit.

2. a. Included are all full-time permanent, classified, unclassified and provisional employees and all permanent full-time ten (10) month employees (classified, unclassified and provisionals) and permanent part-time employees (classified, unclassified and provisionals) who are employed a minimum of twenty (20) hours per week and who are included in the classifications listed in Appendix III.

b. Whenever new classifications of employees are created, the State shall assign to such classification a unit designation, if appropriate. The State will notify the Union in writing of such designation to or elimination of title from this negotiations unit thirty (30) days prior to the effective date of amending such listing. If requested in writing, the State will discuss any such designation with the Union. In the event the parties can not reach agreement following such discussions, the dispute may only be submitted to the Public Employment Relations Commission for resolution consistent with its rules and regulations.

3. Excluded are:

- a. Managerial Executives
- b. Non-Primary Level Supervisors
- c. Confidential employees
- d. Policemen
- e. Craft and (non-primary level supervisory) Professional employees
- f. Classifications designated within other recognized and appropriate units
- g. Classifications within the Department of Higher Education except those

in the State College System and at the Department Central Office which are included.

h. All other employees of the State of New Jersey.

B. Management Rights

1. The State, its several Departments and subordinate functions retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

2. Except as specifically abridged, limited or modified by the terms of this Agreement between the State and the Union, all such rights, powers, authority, prerogatives of management and responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

C. Definitions

1. All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

2. The term "holiday" means any day so designated under Article XIX or a day especially designated by the Governor.

3. The term "work unit" refers to a group of employees whose activities are closely related and whose conditions of work are governed by a single element of managerial activity. "Organizational Unit" is an institution or a functional activity of one of the departments of State government as from time to time may be designated by the State. Each employee will be informed by his appropriate departmental authorities of the work unit and organizational unit in which he is employed.

4. An unfair practice is any action of either party so defined in Amendments to Chapter 303, Laws of 1968.

D. Special Circumstances

1. Employees who are within the classifications included in this unit but appointed under the CETA Program or other comparably funded employment programs, are considered to be subject to all provisions of this Agreement as provisional employees except that the Federal legislation and regulations concerning this program and any agreement between the State and any local government prime sponsor which is involved shall be in effect and modify the provisions of this Agreement which would otherwise be operable.

2. Any grievance as to whether or not the provisions of the Agreement conflict with Federal legislation or regulations or any agreement with a local government prime sponsor shall be considered to be governed under A.2. of the Grievance Procedure or if relating to any matter within Paragraph C, Section 1., of the Grievance Procedure, then directly to the Civil Service Department.

ARTICLE II

POLICY AGREEMENTS

A. Non-Discrimination

The State and the Union agree there shall be no discrimination against any employee because of age, sex, marital status, race, color, religion, national origin,

physical handicap, political affiliation or Union membership, or legal Union activity permitted herein.

B. Dues Deduction and Membership Information

1. Dues Deduction

a. The State agrees to deduct from the regular paycheck of any employee dues of the Union provided the employee submits an authorization for dues deductions in writing and in proper form to the responsible payroll clerk. On receipt of the form, the payroll clerk shall forward it within two (2) working days to the centralized payroll section, Department of the Treasury. Dues deduction will be reflected in the paycheck for the current pay period, provided the form is received in centralized payroll at least seven (7) calendar days prior to the end of the pay period otherwise to be reflected in the next pay period. If violations of these time frames are brought to the attention of the State, the State will review the matter and solve the problem prospectively forthwith.

b. Dues deductions for any employee in this negotiating unit shall be limited to the Union. Employees shall be eligible to withdraw such authorization only as of July 1 of each year provided the notice of withdrawal is filed timely after May 15 with the responsible payroll clerk.

c. Dues so deducted by the State shall be transmitted to the Secretary/Treasurer of the Union together with a listing of the employees included.

d. The Union shall certify to the State the amount of Union dues and shall notify the State of any change in dues structure thirty (30) days in advance of the requested date of such change. The change shall be reflected in payroll deduction at the earliest time after receipt of the request.

e. Whenever an employee's dues deduction is discontinued, the Union shall be provided with the State's reason for the discontinuation on a quarterly basis.

2. Representation Fee (Agency Shop)

a. Subject to the conditions set forth in the paragraphs below, all eligible nonmember employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative until June 30, 1989. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

It is understood that the implementation and/or continuation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible employees in the negotiating unit are dues paying members of the Union.

In each year of the Contract on January 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

If the agency fee is discontinued, an assessment shall be made on each quarterly date; i.e., January 1, April 1, July 1 or October 1, to determine if the minimum percentage is exceeded. If the minimum percentage is exceeded the agency fee plan shall be reinstated, with proper notice to affected employees.

b. Amount of Fee

Prior to the beginning of each contract year, the Union will notify the State in writing of the amount of regular membership dues, initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with B.I.d. above.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

c. Deduction and Transmission of Fee

After verification by the State that an employee must pay the representation fee, the State will deduct the fee for all eligible employees in accordance with this article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The State shall deduct the representation fee as soon as possible after the tenth day following reentry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals reemployed in this unit from a reemployment list, for employees returning from leave without pay, and for previous employee members who become eligible for the representation fee because of non-member status.

The State shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

d. Demand and Return System

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union.

The Union shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the Union.

The Union shall submit a copy of the Union review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system.

If the employee is dissatisfied with the Union's decision, he may appeal to a three-member board established by the Governor.

e. State Held Harmless

The Union hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arise from an agreement to deduct made by the State in accordance with this provision. Neither the State nor the employee shall be responsible for any back payment of the representation fee for any cause upon the entry or reentry of the employee into the Union from an excluded position or another unit. The term excluded position shall include but not be limited to confidential, managerial and exempted positions.

If violations of any time frame occur regarding representation fee deduction, and they are brought to the attention of the State, the State shall review the matter and solve the problem on a prospective basis.

f. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

3. Membership Information

The State agrees to provide to the designated representative of the Union on a semi-annual basis a complete up-to-date listing of all employees covered by this Agreement together with their addresses and job titles as they appear on the records of the State. Such list shall also include the coded payroll location and dues deduction status of each employee. The Union shall disclose such information only to its officials and representatives whose duties require access to such information.

C. Policy Agreements, Strikes and Lockouts

1. During the term of this Agreement, the Union agrees not to engage in or support any strike, work stoppage, slowdown, or other similar action by employees covered by this Agreement.

2. No lockout of employees shall be instituted or supported by the State during the term of this Agreement.

3. The Union recognizes its responsibility as exclusive collective negotiations agent and agrees to represent all employees in the unit without discrimination.

4. These agreements are not intended to limit the freedom of speech or demonstration of the Union or its members.

5. It is agreed that the State and the Union shall refrain from the commitment of any unfair practice and it is further agreed that the requirements of negotiability as set forth in Chapter 303, Laws of 1968 and as amended, shall guide the conduct of the parties during the terms of this Agreement.

6. The State and the Union agree that the working environment should be characterized by mutual respect for the common dignity to which all individuals are entitled.

D. Administration of Agreement

1. A committee consisting of State and Union representatives may meet for the purpose of reviewing the administration of the Agreement and to discuss problems which may arise therefrom.

2. Said committee meetings shall be scheduled some time during the second week of March, June, September and December. For the purpose of this Agreement, these meetings are not intended to bypass the grievance procedure nor to be considered collective negotiation meetings but rather are intended as a means of fostering good and sound employment relations through communications between the parties.

3. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such meeting.

4. A maximum of five (5) employee representatives of the Union, exclusive of Union staff or Attorney representative, may attend such quarterly meeting and, if held during regular work hours, they shall be granted time to attend without loss of pay.

5. Status of Pending Civil Service Matters

During the meeting the Union may in addition present up to four (4) specific matters of particular importance pending before Civil Service which the State will investigate and respond to the Union with regard to the current status of such pending matters. Such response will be made within a reasonable period of time.

ARTICLE III

CIVIL SERVICE RULES

The administrative and procedural provisions and controls of Civil Service Laws and the Rules and Regulations promulgated thereunder, are to be observed in the administration of this Agreement, except and to the extent that this Agreement pertains to subjects not therein contained or where this Agreement is contrary to, or in conflict with such provisions and controls. Where the terms of this Agreement specifically indicate an understanding contrary to, or in conflict with any such provisions and controls, the parties agree, if necessary under law, to jointly seek modification or amendment of the particular rule or statute to be then consistent with the terms of the Agreement by appeal to the Civil Service Commission or the Legislature. Nothing herein shall be construed to deny any individual employee his rights under Civil Service Laws or Regulations.

ARTICLE IV

GRIEVANCE PROCEDURE

A. A "Grievance" is:

1. A claimed breach, misinterpretation or improper application of the terms of this Agreement (contractual grievance); or

2. A claimed violation, misinterpretation or misapplication of rules or regulations, existing policies, orders, letters of memoranda or agreement, administrative decisions, or laws, applicable to the agency or department which employs the grievant which establish terms and conditions of employment and which are not included in A.I. above (non-contractual grievance).

B. Purpose and Employee and/or Union Rights

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of the Agreement, or other conditions of employment by providing the exclusive vehicle set forth in this Article for the settlement of employee grievances, except that a grievant may request that the Civil Service Commission agree to review any matter as defined in A.2. above which by the terms of this grievance procedure may not be processed beyond Step Two, provided that such matter is within the jurisdiction of the Civil Service Commission. Nothing herein can be construed to require the Commission to review such matter but any declination will be made in writing to the grievant and to the Union if a request to Civil Service is made by the grievant.

2. It is agreed that the individual employee is entitled to use this grievance procedure and to be represented by the Union upon his request in accordance with the provisions hereof. He shall not be coerced, intimidated or suffer any reprisal as a direct or indirect result of such use.

3. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration or to represent an employee before Civil Service. The Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

4. No grievance settlement reached under the terms of the Agreement shall add to, subtract from or modify any terms of this Agreement.

5. Where an individual grievant initiates an A.I. grievance, such grievance shall only be processed through Union representation.

6. The State will upon request, make available to the Union information in its possession to which the Union is entitled, to properly represent the grievant.

C. Scope of Grievance

1. Unless specifically provided for elsewhere in this Agreement, where the grievance involves an alleged violation of individual rights specified in Civil Service law and rules for which a specific appeal to Civil Service is available, the individual must present his complaint to Civil Service directly, provided however, where allegations of violations of other employee rights which derive from this Agreement occur, it is intended that the provisions of this grievance procedure are to be utilized.

2. A claim of improper and unjust discipline against an employee shall be processed in accordance with Article V of this Agreement.

3. The inclusion of or reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement.

D. General Rules and Procedures

1. Any member of the collective negotiating unit may orally present and discuss his complaint with his immediate supervisor on an informal basis.

2. Where the subject of a grievance, or its emergent nature, suggests it is appropriate, and where the parties mutually agree, which agreement shall not be unreasonably withheld, such grievance may be initiated at or moved to any step of the procedure without hearing at a lower step.

3. a. Where a grievance directly concerns and is shared by more than one (1) grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants. The initiation of such group grievance may be by appropriate Union representative(s) or one (1) of the grievants or both. A group grievance will only be processed by the Union and one (1) of the grievants designated by the Union. Nothing herein shall be construed as requiring the Union to process the group grievance.

b. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the State to consolidate such grievances for hearing as a group grievance provided the time limitations expressed elsewhere herein are understood to remain unaffected and the Union shall be notified of this action.

c. Where a group grievance affecting employees in one (1) or more departments results from the application of an order or policy imposed by a level higher than the departments affected and results in an alleged violation of this Agreement, the Union may submit such grievance in writing to the Office of Employee Relations instead of initiating it at another level as though such submission were being filed at Step Two and with all procedural conditions set forth herein pertaining, except that the ten (10) days for hearing shall be twenty-five (25) days. A refusal to hear the grievance by the Office of Employee Relations shall not affect the timeliness of the filing.

4. In the event that the grievance has not been satisfactorily resolved on an informal basis, then an appeal may be made on the grievance form specified below.

5. All grievances shall be presented in writing to the designated representative of each of the parties against whom it is made on "Grievance Forms" to be provided by the State. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure. The form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the Agreement, if any, which the grievant claims have been violated. The grievance form must be completed in its entirety. A group grievance initiated by employees and/or the Union may be presented on the above form, or in another format provided that the grievance is fully set forth in writing and contains all the information called for by said form. Reasonable supplies of grievance forms shall be available at local offices of the State to employees or representatives of the Union.

6. Should the grievant elect to process his non-contractual grievance without Union representation, he shall so indicate on the grievance form at Step One. The Union shall be sent a copy of such grievance upon receipt of the form by the personnel office of the involved appointing authority. In exception to D.7., below,

the appointing authority shall be required to send to the Union a copy of the final disposition of grievances presented without Union representation upon request of the Union.

7. The Union shall be given a copy of the final disposition of all grievances. A copy of the decision of the State at each step shall be provided to the grievant and to the Union representative involved.

8. The Union may undertake to amend the grievance during the initial step at which such grievance is filed. It is understood that such amendment is only for the purpose of clarification and shall not be utilized to change the nature of the grievance or to include additional issues.

9. Grievance resolutions or decisions at Steps One and Two shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made in writing by the Office of Employee Relations and the authorized representative of the Union.

10. If a grievance is appealed to the Second Step and a determination is made by the Department Head or his designee that a resolution of the grievance is not within the authority of the department, the grievance may be forwarded to the Office of Employee Relations wherein a determination shall be made relative to the appropriate disposition of such grievance.

a. In the event the Department Head or his designee determines that the grievance is not within the authority of the department, and decides not to hear the grievance, the Union only may submit such grievance to the Office of Employee Relations within ten (10) days from the receipt of such departmental decision. Should the department decide to hold a hearing and in the course of such hearing the department determines that a resolution of the grievance is not within its authority, the Union only may submit the grievance to the Office of Employee Relations within ten (10) days from the receipt of such determination. A determination by the Union not to pursue the grievance shall be final.

b. Within twenty (20) days from the receipt of the grievance, the Office of Employee Relations, or its designee will respond relative to the appropriate disposition of the grievance. Such disposition may involve:

- (1) Assignment of the matter to a designated Department or Agency,
- (2) Hearing of the grievance by the Office of Employee Relations,
- (3) A determination by the Office of Employee Relations without hearing,
- (4) Redirection to the Department in which the grievance was initiated requiring a substantive answer to the grievance or,
- (5) Other disposition determined by the Office of Employee Relations to be appropriate.

If the Office of Employee Relations determines a hearing is necessary, such hearing will be scheduled within twenty (20) days from the receipt of the grievance. Decisions shall be rendered as provided in section E.3. If the grievance involves non-contractual matter as defined in A.2. the decisions of the Office of Employee Relations, or its designee, shall be final. If the grievance involves a matter as defined in A.1. above, such grievance may be appealed to Step Three-

Arbitration, provided all of the conditions and time limits detailed in Step Three are met. Time limits referred to in Step Three are applicable to the circumstances in 10.b., 1-5, above. Where the Union makes no timely and appropriate request to utilize this procedure, it is understood the conditions concerning the arbitration procedure (Step Three) shall be unchanged.

11. For purposes of this Article, a "shop steward" is an employee in the active employ of the State serving as the recognized union representative in the grievance district. A "Union staff representative" or "local Union officer" shall be a person in the active employ of the Union and not the State.

12. When an employee formally elects to undertake the resolution of a contractual grievance through any available procedure established by an agency of proper authority outside of those provided herein, such election shall constitute an absolute waiver of the option to appeal the grievance to arbitration unless the parties mutually agree otherwise.

E. Grievance Time Limits and Management Responses

1. A grievance must be filed initially within thirty (30) calendar days from any date on which the act which is the subject of the grievance occurred or thirty (30) calendar days from the date on which the grievant should reasonably have known of its occurrence. Other references to days in this Article are working days of the party to which they apply.

2. Hearings or meetings shall be scheduled as set forth below and decisions after a scheduled hearing shall be rendered in writing within established time limits as set forth herein. A decision will be considered timely if rendered within the following time limits or within ten (10) days after the conclusion of a scheduled hearing or grievance meeting at Step One and twenty (20) days after the conclusion of a scheduled hearing or grievance meeting at Step Two, whichever is later.

a. at Step One within seven (7) days of the receipt of the grievance;

b. at Step Two, within ten (10) days of the receipt of the appeal from the Step One decision.

3. Should a grievance not be satisfactorily resolved, or should the employer not respond within the prescribed time periods, either after initial receipt of the grievance or after a scheduled hearing or grievance meeting, the grievance may be appealed within seven (7) working days to the next step. The lack of response by the State within the prescribed time periods, unless time limits have been extended by mutual agreement, should be construed as a negative response.

4. When a grievance appeal is to be filed, the State representative at the last hearing or meeting shall inform the grievant of the name and position of the next higher level of management to whom the appeal should be presented.

5. Time limits under this Article may be changed by mutual agreement and request for extensions of time limits will not be unreasonably withheld.

6. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

7. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the thirty (30) days provided in E.I. above

except that payroll errors and related matters shall be corrected to the date of error.

8. Meetings and/or hearings shall be scheduled by the Department after consultation with the Union as to availability of mutually convenient dates within the time limits set forth herein. Accommodation of a short period beyond these limits may be made for sufficient reason.

9. All management decisions shall include a written explanation of the reason for the decision.

F. Time Off for Grievance Investigation

1. When a grievance has been formally submitted in writing and the Union represents the grievant, and where the Union Steward requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Steward will be granted permission and reasonable time, to a limit of one (1) hour, to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Steward and of any involved employee are adequately covered, and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and upon request could be extended beyond the one (1) hour limit for specified reasons, if in the judgment of the supervisor, the circumstances warrant an exception to this limit. Where a Union Steward serves a mutually agreed upon grievance district encompassing two (2) or more geographically separate work locations, and where the circumstances require it, a supervisor may authorize a maximum of two (2) hours for any appropriate investigation of grievances.

2. Such time release shall not be construed to include preparation of paperwork record keeping, conferences among Union Officials nor preparation for presentation at a grievance hearing or meeting.

G. Time Off

1. An employee and his designated employee representative shall be allowed time off without loss of pay:

a. as may be required for appearance at a hearing or meeting of the employee's grievance scheduled during work hours;

b. for necessary travel time during working hours.

If the hearing or meeting extends beyond the employee's normal working hours, compensatory time equal to the additional time spent at the hearing or meeting shall be granted but such time shall not be considered time worked for the computation of overtime.

2. Where the employee or the Union requests employee witnesses, permission for a reasonable number of witnesses required during the grievance proceedings will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance and travel time as required if during his normal scheduled working hours.

3. At Steps One and beyond in the grievance procedure, witnesses may be heard and pertinent records received in accordance with Paragraph H., below.

H. Grievance Steps and Parties Therein

1. It is understood by the parties that the grievant shall receive at least one (1) hearing on the grievance prior to Step Three unless the grievance is satisfactorily resolved.

2. It is understood that a grievance meeting shall be attended by only a designated supervisor and management representative for the State, and the grievant (or one grievant representative if a group grievance has been filed) and a shop steward or appropriate union representative (pursuant to paragraph H.3.) for the Union. A reasonable number of resource people shall be allowed to attend a grievance meeting if mutually agreed to by the parties. A resource person is an individual in the active employ of the State who possesses direct information important to the clarification of the matter and shall be treated in accordance with G.2., above, for purposes of time off.

3. Step One

In the event the matter is not resolved informally, the grievant may submit his grievance in writing to the office or individual designated by the State to process the matter. Management shall schedule a grievance meeting unless the parties mutually agree to conduct a hearing and such agreement shall not be unreasonably withheld. The grievant may be represented by the Union's Steward who is an employee, if the individual designated by the State to conduct the scheduled hearing or grievance meeting is serving in a title included in a negotiating unit. The grievant may be represented by the steward, and/or the Union's designated local officer and/or local Union staff representative who is not an employee, if the individual designated by the State to conduct the scheduled hearing is not serving in a title included in a negotiating unit. The grievant may be represented by the steward, or the Union's designated local officer or local Union staff representative who is not an employee, if the individual designated by the State to conduct the scheduled grievance meeting is not serving in a title included in a negotiating unit. In a hearing, one person shall act as spokesperson for the grievant and one person shall act as spokesperson for management.

4. Step Two

a. If the grievant is not satisfied with the disposition of the grievance at Step One, he may appeal to the Department Head or his designee. The appeal shall be accompanied by the decisions, if any, at the preceding levels and any written record that has been made a part of the earlier proceeding. The grievant may be represented by the Steward and/or the designated Union representative and/or the designated local Union officer. One person shall act as spokesperson for the grievant and one person shall act as spokesperson for management. Either party may make a verbatim record through a certified shorthand reporter. Such record is to be made at the expense of the party who makes it. However, if both parties want a copy of the transcript, the cost of the transcript and the reporter shall be shared equally.

b. If the decision involves a non-contractual grievance as defined in A.2., the decision of the Department Head or his designee shall be final except that

the provisions of B.1 pertaining to Civil Service Commission review shall not be denied.

5. The Union representative shall have the right directly to examine or cross-examine witnesses who appear at any step of this procedure.

6. Step Three - Arbitration

a. In the event that the grievance has not been satisfactorily resolved at Step Two, and the grievance involves an alleged violation of the Agreement as described in the definition of a grievance in A.1 above, then arbitration may be brought only by the Union, through its designee within thirty (30) calendar days from the day the Union received the Step Two decision or from the date on which the Step Two decision was due, by mailing a written request for arbitration to the Public Employment Relations Commission and sending a copy to the Office of Employee Relations. In the event the Union deems it necessary to use an additional period beyond the thirty (30) days provided herein the time to appeal may be extended by the Union to not more than twenty (20) additional calendar days. Should the Union use any of these additional days, it is understood that the time used in computing the extent of the State's liability shall not exceed twenty (20) days from the day the Union received the Step Two decision or from the date on which the Step Two decision was due. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions at this Step shall be made in writing. The request for arbitration shall contain the names of the department or agency and employee involved, a copy of the grievance form and the Step Two decision, if available.

b. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of not less than five (5) arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected on a case-by-case basis under the selection procedure of the Public Employment Relations Commission until such time as the parties agree upon a panel.

c. The arbitrator shall conduct a hearing to determine the facts and render a decision in writing to the parties. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement or laws of the State, or any written policy of the State or subdivision thereof not inconsistent with this Agreement, or to determine any dispute involving the exercise of a management function which is within the authority of the State as set forth in Article I.C., Management Rights, and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not essential in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay

remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. The fees and expenses of the arbitrator shall be divided equally between the parties. Any other cost of this proceeding including the cost of recording shall be borne by the party incurring the cost.

d. The arbitrator shall hold the hearing at a time and place convenient to the parties within thirty (30) calendar days of his acceptance to act as arbitrator and shall issue his decision within thirty (30) days after the close of the hearing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

e. Whenever a grievance which is to be resolved at Step Three, Arbitration, is based on a provision of this Agreement in which the power or authority of the arbitrator is specifically limited to an advisory award, that limit shall be observed and all the provisions of paragraphs b, c and d above shall be operable except that the award and opinion shall be advisory and not binding on the parties. However, absent a particular exception the provisions of the grievance procedure above shall be operable.

ARTICLE V

DISCIPLINE

A. The terms of this Article apply to permanent classified employees. Other employees shall be covered only as specifically provided.

B. Discipline of an employee shall be imposed only for just cause. Discipline under this Article means official written reprimand, fine, suspension without pay, reduction in grade or dismissal from service. Dismissal from service or reduction in grade based upon a layoff or other operational judgment of the State shall not be construed to be discipline.

C. Disciplinary action may be initiated for any of the reasons specified in Civil Service Rules or for any circumstance amounting to sufficient cause.

D. The burden of proof in disciplinary procedures shall be upon the State, except as otherwise provided in J.2.

E. General Procedures

1. Where an appointing authority or his designee imposes or intends to impose discipline, written notice of such discipline shall be given to the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline.

2. The name of any employee who is notified of suspension, fine, or dismissal or intended suspension, fine, or dismissal, shall be transmitted to the Union representative as soon as is feasible but not to exceed seventy-two (72) hours after such notice.

3. Any appeal relating to the involved disciplinary matter must be filed by the employee within fourteen (14) calendar days of delivery of notice of discipline. The

Department or Agency Head, or his designee, who was not personally involved in the facts of the dispute, will convene a hearing within twenty (20) calendar days after receipt of such disciplinary appeal and shall render a written decision within twenty (20) calendar days after the completion of the hearing. The Union may file exceptions, however such filing does not change the time limits for appeals as described herein. The employee may be represented at the hearing by the Steward and/or a Union representative not in the active employ of the State however, only one (1) person shall serve as the spokesperson for the employee and one (1) person shall serve as spokesperson for the State.

4. Cooling Off Period

The Union recognizes the State's right and obligation to impose and implement disciplinary suspensions and the parties agree that prior to implementation of suspensions of not more than five (5) days as a matter of general practice and intent and, where in the judgment of the State such suspension is not directed at the immediate need to maintain safety, order or effective direction of work assignments, such suspensions will not be implemented until after a three (3) day period of notification within which time, the Union, representing the involved employee, may undertake informal discussion with an appropriate level of management. Reasonable advance notice will be given to the employee.

F. 1. Major disciplinary penalties are:

- a. Suspension or fine of more than five (5) days at one time;
- b. Suspensions or fines more than three (3) times in one calendar year or suspensions or fines which in the aggregate are more than fifteen (15) days pay in one calendar year;

G. Procedures for Major Discipline

Permanent classified employees (including provisional or probationary employees with permanent status), may only appeal major disciplinary penalties to the Civil Service Commission, pursuant to Civil Service Rules. Such appeal must be received by the Civil Service Commission within twenty (20) days after the date of receipt of the decision rendered in paragraph E.3. The Civil Service Law and the Rules and Regulations promulgated thereunder shall govern the disposition of such a request or petition.

H. Procedures for Minor Discipline

1. All permanent classified employees may elect to utilize this procedure.

2. Official written reprimands shall not be appealable beyond the departmental hearing. Nothing herein shall preclude Civil Service from reviewing minor discipline matters, if timely presented, in accordance with its discretionary jurisdiction.

3. There is hereby established, a Joint Union/Management Panel consisting of two (2) individuals selected by the State and two (2) individuals selected by the Union and a third party neutral mutually selected by the parties. The purpose of this panel is to review appeals from Departmental determinations of disciplinary suspensions of one (1) through five (5) days, and fines of up to five (5) days pay.

4. In order that a disciplinary appeal be considered by the panel, the involved employee must file a written notice of appeal with the Department or Agency Head or designee who issued the decision upholding the disciplinary action. Such notice must be filed within ten (10) days of the receipt of such decision. The Department or Agency Head or designee will promptly forward a copy of such notice to the Office of Employee Relations and the appropriate local Union, together with a copy of the decision and any other documents which have been made part of the record.

5. Within fifteen (15) days of receipt of the Notice of Appeal, a Union staff representative shall notify the Office of Employee Relations in writing, if it wishes to have the case reviewed by the panel.

6. The panel shall meet once each month provided there are at least eight (8) cases to be considered. If, in any month there is no meeting because there are fewer than eight (8) cases on the agenda, there will be a meeting the following month if there are any cases to be heard. The parties may mutually agree to schedule additional meetings if necessary. The agenda of each monthly meeting shall consist of all cases as to which the Union has requested panel consideration provided that the notification is received at least fourteen (14) calendar days prior to the scheduled date of the panel meeting.

7. The panel considerations shall be based upon the Department or Agency Head or designee's decision and any documents that have been made a part of the record. The State and Union panel members shall discuss each case on the agenda and with the assistance of the neutral panel member, attempt to jointly resolve the appeal. Where the State and Union panel members agree, the appeal shall be dismissed or upheld, or the involved penalty may be modified. Where the State and Union panel members do not agree as to the disposition of the appeal, the neutral panel member will determine whether the case raises issues which may warrant submission to arbitration. In the event the neutral determines that the case does not raise issues which may warrant submission to arbitration, such determination shall be final and the case closed.

8. The neutral shall maintain a written record of the disposition of each case which shall be signed by each panel member. Unless mutually agreed to the contrary, the written disposition of each case shall be made at the panel meeting at which it is considered, and a copy shall be provided to each panel member.

9. In the event the neutral determines that a case raises issues which may warrant submission to arbitration, the Union may elect to appeal to disciplinary arbitration as provided herein. The neutral panel member may not serve as the arbitrator for any matter which has been submitted to the panel.

10. The fees of the neutral panel member shall be shared equally by the parties.

11. Only minor disciplinary cases determined by the neutral panel member to warrant submission to arbitration, may be appealed to arbitration.

I. Arbitration

1. An appeal to disciplinary arbitration may be brought only by a designated Union official, by mailing a written request for disciplinary arbitration by certified or registered mail to the Director of the Office of Employee Relations, which must be postmarked within eighteen (18) calendar days from the decision rendered in paragraph H.9. A request for disciplinary arbitration shall contain the name of the department or agency and the employee involved, a copy of the original appeal, the notice of discipline and any written decisions rendered concerning the matter.

2. a. The sole determination to be made by the arbitrator shall be the guilt or innocence of the employee and he shall, therefore, sustain the penalty imposed or vacate it by his opinion, however, the arbitration decision rendered shall be complete. He shall neither add to, subtract from, nor modify any of the provisions of this Agreement by any award.

b. The arbitrator's opinion shall contain a short statement of the nature of the proceedings, the positions of the parties and specific findings and conclusions based on the facts. In addition, the arbitrator's order shall discuss any of the testimony, evidence or position of the parties which merit special analysis or explanation.

3. The fees and expenses of the arbitrator and the recording of the procedure shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

4. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of not less than five (5) disciplinary arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected, on a case-by-case basis under the selection procedure of the Public Employment Relations Commission until such time as the parties agree upon a panel. The disciplinary arbitrator shall hold a hearing at a place convenient to the parties as soon as possible after the request for arbitration but not later than thirty (30) days after the arbitrator accepts the case.

J. Unclassified and Provisional Employee Discipline Procedures

1. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional employees who have been employed in such capacity for a minimum of six (6) months. Upon request of the employee, the employee may be represented by the Steward, or a non-State employee representative of the Union as follows:

In all disciplinary matters, except dismissal from service, such employees shall be entitled to utilize the provisions of this Article through the departmental hearing level.

2. In the event an unclassified or provisional employee is dismissed from State employment without receiving specific written reasons and such dismissal is not

related to fiscal problems or programmatic changes and in the judgment of the State such dismissal is not of a nature whereby the employee must be immediately removed from the work location, the State shall provide the employee with at least ten (10) calendar days notice in advance of the dismissal.

Unless there are exceptional circumstances, when such employees are dismissed from State employment due to misconduct, management shall serve the employee with the specific written reasons relating to the misconduct. The employee may request and shall be granted a hearing by the department or agency head or his designee, whose decision shall be final. Time limits in E.3. shall apply. The burden of proof for unclassified employees shall be on the employee.

3. It is understood that nothing herein shall be construed as limiting the State from exercising its inherent discretion to terminate unclassified employees who serve at the pleasure of the department or agency head, without stating the reasons therefore. Dismissal related to job performance shall not fall within the purview of this article. Grievances concerning the interpretation of this article shall be processed in accordance with Article IV as non-contractual (A.2.) grievances.

4. In no event shall the provisions of this Article apply where the employee is being removed as a result of the certification of a Civil Service eligible list.

K. General Provisions

1. In the event a formal charge of misconduct is made by the State against an employee and if s/he so requests, s/he shall be entitled to a representative of the Union only as a witness or as an advisor during any subsequent interrogation of the employee concerning such charge. No recording of such procedure shall be made without notification to the employee. The employee and/or the Union, if present, may request and receive a copy of such recording, if made. There shall be no presumption of guilt.

Where an employee is interrogated during the course of a formal investigation and when there is a reasonable likelihood that the individual being questioned may have formal charges preferred against her/him, the nature of those contemplated charges shall be made known to the employee who shall then, if s/he requests, be entitled to a representative of the Union, only as a witness or as an advisor, during subsequent interrogation concerning the charge provided that the interrogation process shall not be delayed and/or the requirement to expedite any official duty not be impaired.

2. Before a permanent classified employee is suspended without pay pending dismissal s/he shall promptly be given an opportunity for an informal discussion at which the employee will be informed of the charges made and a synopsis of the evidence on which the State intends to rely. The employee shall have an opportunity to respond and/or refute.

3. Where criminal charges are initiated, the right of the employee to representation by his attorney shall not be denied.

4. An employee shall not be disciplined for acts which occurred more than one (1) year prior to the service of the notice of discipline, except those which would

constitute a crime. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed.

5. Nothing in this Article or Agreement shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any grievance proceeding.

It is understood that the State shall be solely responsible for the administration of the plan and the determination of policies, conditions and regulations governing its implementation and use.

The parties acknowledge the existence and continuation during the term of this Agreement of the State Compensation Plan which incorporates in particular, but without specific limit, the following basic concepts:

1. A system of position classifications with appropriate position descriptions. Copies of current position descriptions will be made available to the Union.

2. A salary range with specific minimum and maximum rates and intermediate merit incremental steps therein for each position.

3. Regulations governing the administration of the plan including the Performance Assessment Review System.

4. The authority, method and procedures to effect modification as such are required. However, if the State makes major changes in the Compensation Plan or changes which have a negative effect on the earnings of employees it is understood that the impact of these changes will be negotiated with the Union and such negotiations shall commence within thirty (30) days of the date upon which the Union requests negotiations of the matter.

5. No employee covered by this Agreement shall suffer a reduction in rate of pay as a result of a reduction of salary range for the job class in which he is employed and any such change in salary range shall be negotiated with the Union prior to implementation. This is not intended to reduce the right of appeal of any individual.

H. Cooperative Effort

The parties to the Agreement understand that the public services provided to the citizenry of the State of New Jersey require a continuing cooperative effort particularly during this period of severe fiscal constraints. They hereby pledge themselves to achieve the highest level of service by jointly endorsing a concept of intensive productivity improvement which may assist in realizing that objective.

ARTICLE VII

POSITION CLASSIFICATION REVIEW - CLASSIFIED SERVICE

A. The Union may request a reevaluation of a position (job classification), on the basis of job content change and relationship to other titles. The State will review such a request and will reevaluate the position and provide an opportunity for the Union to present its views. The determination of the State shall be properly presented to the Union and reduced to writing if requested.

B. Implementation of any resulting reclassification of position shall be made consistent with present normal Civil Service procedures and its Rules and Regulations.

C. This provision shall not be abused.

ARTICLE VIII

POSITION CLASSIFICATION AND REEVALUATION REVIEW FOR UNCLASSIFIED EMPLOYEES

The Union may present a reasonable number of requests for position classification or reevaluation review to the departmental personnel office for consideration. If, subsequent to review, the department finds such request to be meritorious the department may, on its own initiative, pursue the matter before the proper authorities.

ARTICLE IX

HOURS AND OVERTIME

A. Hours of Work

1. The number of hours in the workweek for each job classification within the unit shall be consistent with its present designation in the State Compensation Plan.

2. Hours of work for "NL" employees may be adjusted by the responsible agency official in keeping with existing regulations and procedures.

3. Where practicable the normal workweek shall consist of five (5) consecutive work days.

4. For fixed workweek employees, when schedule changes are made the maximum possible notice, which shall not be less than five (5) working days except for unforeseen circumstances, shall be given to the affected employee.

5. For fixed workweek employees, when such employees' shift is changed, adequate advance notice which normally will be at least five (5) working days and which shall not be less than forty-eight (48) hours, except in the case of an emergency, will be given to the affected employee.

B. Rest Period

1. The work schedule shall provide for a fifteen (15) minute rest period during each one-half (½) shift.

2. For the purpose of this provision a shift shall constitute the employee's normally scheduled work day. For example, an employee working from 9 a.m. to 5 p.m. will be entitled to a rest period in the forenoon and in the afternoon as determined by the appointing authority.

3. The normal schedule shall include a provision for an unpaid lunch period during the mid-portion of the work day. There shall be a minimum of one-half (½) hour provided for the lunch period. This is not intended to suggest that existing lunch periods of longer than one-half (½) hour must be changed.

C. Overtime

1. Employees covered by this Agreement will be compensated at the rate of time and one-half (1½) for the overtime hours accrued in excess of the normal hours of the established workweek. These compensation credits shall be taken in compensatory time or in cash.

2. When a work shift extends from one (1) day to the next it is considered to be on the day in which the larger portion of the hours are scheduled and all hours of the scheduled shift are considered to be on that day.

3. All holiday hours and hours of leave not worked for which an employee is compensated shall be regarded as hours worked for the computation of overtime in the workweek.

4. Hours worked on a holiday are not considered hours worked for the computation of regular overtime in the workweek but shall be compensated at time and one-half (1½) in addition to the holiday credit.

5. "Scheduled overtime" means overtime assigned prior to the day on which it is to be worked. Ordinarily scheduled overtime is planned and assigned in advance.

6. "Non-scheduled overtime" means assigned overtime made on the day on which it is to be worked.

7. "Incidental overtime" is a period of assigned non-scheduled overtime work of less than fifteen (15) minutes.

8. Overtime shall be scheduled and distributed by seniority on a rotational basis by occupational classifications within each functional work unit without discrimination provided it does not impair operations. Employees within their functional work unit who are qualified and capable of performing the work without additional training shall be called upon to perform such overtime work. To the extent that it is practical and reasonable to foresee, the State shall give the employee as much advance notice as possible relative to the scheduling of overtime work.

9. It is agreed that overtime work shall be shared by all employees in an occupational classification within any work unit without discrimination. The opportunity to work overtime shall be extended to each employee on a rotational basis provided the employee is capable of performing the work.

10. Each employee is expected to be available for a reasonable amount of overtime work. An employee who refuses an overtime or on-call assignment with a reasonable excuse will not be subjected to disciplinary action.

11. a. On a semi-annual basis commencing with the implementation of this provision, the distribution of overtime shall be evaluated and assignments of overtime made thereafter shall reflect the approximate equalization of overtime for each employee in the work unit by job classification.

b. For the purpose of determining approximate equalization of overtime, any overtime assignment offered, whether worked or not worked will be considered as if it were worked.

c. To the extent that a disproportionate distribution of overtime exists because of special ability or inability to perform the work assignments, those hours will not be considered in the semi-annual equalization. This provision will not be abused.

12. A list showing the rotational order and the overtime call status of each employee and a record of the total overtime worked and refused by each employee shall be maintained in the work unit. Such records shall be made available for inspection on request to Union officers, stewards and employees concerned.

13. The State will give advance notice of all scheduled overtime to each employee concerned. Such scheduled overtime will be assigned minimally in units of one (1) hour and in hourly or half hourly increments thereafter when such overtime is to be performed contiguous to the employee's scheduled work shift. When overtime is scheduled not contiguous to the employee's work shift, it will be assigned minimally in units of two (2) hours and in hourly or half hourly increments thereafter.

14. An employee who is assigned non-scheduled overtime in excess of fifteen (15) minutes will be guaranteed a minimum of one (1) hour's work and will be assigned overtime thereafter in one-half (½) hour increments. An employee who is called in for non-scheduled overtime shall be guaranteed a minimum of two (2)

hours of compensation whether or not the two (2) hours are worked except when the end of the call-in period coincides with the beginning of his regularly scheduled shift.

15. Where incidental overtime assignments are made, records of such time worked shall be kept and accumulated at straight time in exception of the provisions of C.I. Such accumulations may be scheduled on an hour-for-hour basis as compensatory time.

16. Cash paid overtime will be reflected in regular biweekly payroll checks. The State will make a good faith effort to try to issue cash paid overtime payments in biweekly checks which reflect cash paid overtime earned during the preceding overtime reporting period.

D. Policy on Lateness

1. a. Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has a reasonable excuse and is less than fifteen (15) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined except where there is evidence of repetition or neglect. A record of such lateness shall be maintained and may be charged against any compensatory time accrual or vacation balances. An employee may choose to use either of these balances or alternatively to be reduced in salary.

b. Lateness beyond the fifteen (15) minute period above shall be treated on a discretionary basis. However, this provision is not intended to mean that all lateness or each incidence of lateness beyond fifteen (15) minutes shall incur disciplinary action or loss of opportunity to complete a work shift or reduction of salary.

2. Lateness or absence due to weather conditions

a. When an employee is unable to get to his assigned work because of weather conditions, his absence may be compensated if he has a sufficient compensatory time balance or if none is available a charge may be made against vacation balance or administrative leave balance if requested by the employee. Such absence will alternatively be without pay.

b. Employees late for duty due to delays caused by weather conditions and who made a reasonable effort to report on time may be given credit for such late time at the discretion of the appointing authority.

E. Other Benefits

Employees who are required to work beyond their regular quitting time to the next shift, shall receive a fifteen (15) minute rest period when the period of scheduled work beyond their regular shift exceeds two (2) hours. Such employees may also be entitled to meal allowances as provided by the regulations of the State.

F. Policy on Unexcused Absence

Absence without notice and approval for five (5) days or failure to return from any leave of absence shall be considered a resignation.

ARTICLE X

COMPENSATORY TIME BALANCES

A. When employees accumulate compensatory time balances, the appointing authority will provide administrative procedures to assure the employee that such compensatory balances will not be taken away but will be scheduled as time off or alternatively paid in cash.

B. Employee requests for use of compensatory time balances shall be honored. Priorities in honoring requests for use of compensatory time balances will be given to employees:

1. Where an emergency exists;
2. Where scheduled one (1) month in advance;
3. Where shorter notice of request is made.

Requests for use of such time under 2 and 3 will be honored except where emergency conditions exist or where the dates requested conflict with holiday or vacation schedules.

C. Ordinarily, a maximum of sixty (60) hours of compensatory time may be carried by an employee. Where the balance exceeds sixty (60) hours, the employee and the supervisor will meet to amicably schedule such compensatory time off.

D. 1. An employee may be required to take compensatory time off in keeping with the needs within the unit.

2. An employee may request the use of this compensatory time off which shall be scheduled with the immediate supervisor in keeping with the needs within the work unit.

3. Whenever compensatory time off is to be scheduled, reasonable advance notice for the request or requirement will be given.

ARTICLE XI

ANNIVERSARY DATES

A. The first full pay period following an employee's original date of hire shall constitute his anniversary date unless the employee's actual date of hire coincides with the first day of the pay period in which case that pay period shall serve as the employee's anniversary date. In the event a personnel action occurs which, pursuant to Civil Service Rules and Regulations, would result in a change of the employee's anniversary date, Civil Service shall establish the next appropriate pay period as the new anniversary date.

B. Employees hired prior to the effective date of this Article shall continue in their currently assigned quarterly anniversary dates. However, if subsequent to the effective date of this article, a personnel action affecting an employee hired prior to the effective date of this Article occurs which, pursuant to Civil Service Rules and Regulations, would result in a change of the employee's anniversary date, such date shall be assigned to the next appropriate pay period as established by Civil Service.

ARTICLE XII

OUT-OF-TITLE WORK - CLASSIFIED SERVICE

A. The State and the Union agree that employees should be assigned work appropriate to and within their job classification.

B. The practice of regularly assigning out-of-title work to employees shall be discontinued. Instances of out-of-title work identified by the Union and formally brought to the attention of the State shall be corrected immediately or by phasing out such assignments at the earliest time which shall in any case be no later than three (3) months from the time of notification by the Union subsequent to notifying the appropriate managerial official. Any dispute as to whether the work is within the job classification of the employee(s) involved shall be resolved by Union or employee appeal to Civil Service where the matter will be heard within twenty-one (21) days and a decision rendered within ten (10) days of that hearing. Any dispute concerning the phasing out period will be resolved through the grievance procedure.

C. Where out-of-title work assignments are made for longer than thirty (30) days, permanent (classified) employees in the work unit from the next lower promotional title in the series, deemed capable of performing the work, and where available, shall be given the opportunity to assume such higher out-of-title work in the work unit and shall have the right to refuse such assignments based on job classification seniority. Where such assignments are readily identifiable by the State, the eligible employees concerned shall be notified and a copy of the notification shall be given to the Union.

Instances of out-of-title work identified jointly by the Union and the department shall be corrected by phasing out such work assignments at the earliest time which shall in no case be later than three (3) months from the time such out-of-title work is identified. If, subsequent to the departmental review, a dispute with respect to out-of-title work continues, the parties may agree to jointly refer the matter to the Department of Civil Service which may in its discretion undertake an investigation in preparation of a response.

E. When an employee is given an opportunity on a trial or provisional basis to qualify for promotion by serving in a new classification, his permanency in his regular permanent job classification shall be continued during such trial or provisional period and he shall have the opportunity to return to such permanent classification in the event the promotional opportunity shall not become permanent provided there is no discharge action for cause.

Where a provisional or permanent promotion or a reassignment is consummated as a result of the job posting procedure, the appointing authority will post the name of the individual appointed on the bulletin board. In the event a provisional promotion is made, the appointing authority will notify Civil Service of such action so that Civil Service can activate its process leading to permanent appointment.

4. The Union may inquire as to the status (provisional or permanent) of a position incumbent and such inquiry will be answered by the appointing authority involved.

B. Announcements

Unless a good reason to the contrary exists, announcements which describe available educational programs or State scholarships, shall be posted prominently at approximately the same time in order that interested employees may have an

equivalent opportunity to be informed and apply for such educational programs and State scholarships. Copies of these items will be sent to the Union.

ARTICLE XVI

I. Sections A through H below shall apply only to employees in the classified service covered by this Agreement.

A. 1. The State will maintain a performance assessment review system for all employees, except those on trainee status, covered by this Agreement. The system will include a formal process whereby the employee and his designated supervisor mutually formulate performance and improvement goals and work standards appropriate to the job performed, which shall be a basis for measuring the employee's performance during a rating period.

2. During the normal probationary period of four (4) months, the employee will be informed of the standards of performance to be achieved and will be advised of the specific deficiencies in his progress, immediately in writing, at the end of the second and third months. Should the State extend the probationary period to a maximum of six (6) months, the employee will be similarly advised at the end of the fifth month.

B. 1. There shall be a formal written evaluation and rating of each employee completed annually which shall be the basis for granting a normal merit increment to eligible employees. More frequent evaluations may be made where circumstances such as promotion, assignment change, transfer, change of supervisor or other reason may warrant. In such cases the annual rating shall be a function of all such evaluations.

2. Employees who are eligible and whose performance is above the "Significantly Below Standard" level shall be granted a normal merit increment.

3. It is understood that work load should be a relevant consideration in determining an employee's overall performance evaluation.

C. Performance Evaluation Conference

At least every six (6) months the employer shall have a conference with the employee in connection with performance evaluation and improvement goals and work standards. Ratings and conferences ordinarily shall be given by or conducted by the immediate supervisor. A written record of such conference shall be provided to the employees within three (3) weeks of the conference.

c. Grievances which evolve from the inability of the employee and designated supervisor to reach agreement on performance and improvement goals and work standards be treated as an A.2 grievance.

2. Where a normal merit increment has not been earned due to a "Significantly Below Standard" rating and the performance of the employee improves to the point which warrants granting of the normal merit increment, such increment may be granted effective on any payroll period following 90 days from the anniversary date.

3. The normal anniversary date of such employee shall not be affected by this action.

4. Where a normal merit increment has been denied, the performance ratings concerned with the issue of restoration, as provided in D.2. shall not be grievable.

E. The required signature of the employee on the annual evaluation form, or on any other related form, shall be acknowledgment but shall not be construed to mean agreement with the content unless such agreement is stated thereon by the employee.

F. Orientation Material

The State will use a variety of communications media, which may include booklets, pamphlets, publications, letters and announcements, to keep employees informed on the current status of the Performance Assessment Review System. All new employees at the time of hire shall receive an orientation booklet

describing the objectives of the evaluation system. Such material will be distributed to employees through their appropriate personnel function. Additional copies of such communications shall be supplied to the Union at its request.

G. In the event of a proposed modification or change in part or all of the Performance Assessment Review System, the State agrees to discuss such changes with the Union prior to its introduction and/or adoption.

H. Employees receiving ratings above that of "Significantly Below Standard" shall be granted an increment.

II. Sections A through B below shall apply only to employees in the unclassified service covered by this Agreement.

A. The performance evaluation systems for unclassified employees covered by this Agreement that are operative on the effective date of this Agreement shall remain operative for the duration of the Agreement provided that if a department changes its system, the employees affected will be given reasonable notice to prevent any hardship and the department will either adopt the system described in this Article under Section I, A. through H. above, or if another system is to be adopted, the change shall be subject to negotiations if requested by the Union.

B. Where grievances pertaining to performance evaluation and/or denial of normal merit increment based upon the above mentioned departmental policies are pursued to Step Three, Arbitration, the award of the arbitrator shall be advisory and non-binding as provided in Article IV, Grievance Procedure, Step 3, Paragraph e.

F. Sick Leave

1. All employees covered by this Agreement and eligible for sick leave with pay shall be entitled to the use of sick leave as provided herein.

2. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident or exposure to contagious disease. 6. When an employee is on vacation and requires sick leave for any portion of that vacation leave, he must immediately request the use of accumulated sick leave, in accordance with State regulations, through the designated authority. Such requests may be made by telephone, telegram or letter but, if by phone, should be confirmed by telegram or letter to clearly establish time of request. 10. Unused Sick Leave - Retirement

a. A permanent employee who enters retirement pursuant to the provisions of a State administered or approved retirement system and has to his credit any earned and unused accumulated sick leave shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave.

b. The supplemental compensation to be paid shall be computed at the rate of one-half (½) of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such supplemental compensation payment shall exceed \$12,000.00 (effective September 25, 1986, \$15,000). This supplemental compensation shall be paid in a lump sum after the effective date of retirement or as may be elected by the employee deferred for one (1) year.

G. Vacation Leave - Classified Service Program

1. All classified employees covered by this Agreement and eligible for vacation leave with pay shall be entitled to the use of vacation leave as provided herein:

a. One (1) working day of vacation for each month of employment during the first calendar year of employment.

b. Twelve (12) working days of vacation from one (1) to five (5) years of service.

c. Fifteen (15) working days of vacation from six (6) to twelve (12) years of service.

d. Twenty (20) working days of vacation from thirteen (13) to twenty (20) years of service.

e. Twenty-five (25) working days of vacation after the twentieth (20) year of service.

It is understood that the current program to schedule vacation time in effect at each institution or agency will be continued. Conflicts concerning the choice of dates when scheduling vacations will be resolved within the work unit on the basis of State seniority. Specific requests for vacation utilization which do not conflict with operational considerations shall not be unreasonably denied.

2. a. Vacation leave is credited in advance at the beginning of the calendar year in anticipation of continued employment for the full year and may be used on that basis and in accordance with established State policy. Vacation allowance must be taken during the current calendar year at such time as permitted or directed by the Department Head unless the Department Head determines it cannot be taken because of pressure of work; except that an employee may request a maximum of one (1) year of earned vacation allowance be carried forward into the next succeeding year. The request shall be made in writing to the appropriate appointing authority and may be approved for good reason and providing the employee and his supervisor have scheduled the use of such vacation allowance. Such approval and scheduling shall not be unreasonably withheld.

b. Where an employee has an earned vacation balance which has not been previously scheduled as of October 1, the supervisor will meet with the employee to determine a schedule of such vacation time so that no accrued vacation time will be lost.

3. Upon separation from the State or upon retirement, an employee shall be entitled to vacation allowance for the current year prorated upon the number of

months worked in the calendar year in which the separation or retirement becomes effective and any vacation leave which may have been carried over from the preceding calendar year.

4. If a permanent employee dies having vacation credits, a sum of money equal to the compensation figured on his salary rate at the time of death shall be calculated and paid to his estate.

5. In the event the State of New Jersey enacts legislation granting additional vacation benefits to employees of the State, such additional vacation benefit will be made available to members of the Unit prorated as of the first full month following the effective date of such legislation.

6. When the vacation allowance for an employee changes based on his years of service during any calendar year, the additional annual allowance will be given for the entire year.

H. Continued Benefits

During any leave of absence with pay employee fringe benefits shall be continued and leave allowances shall continue to accrue for any employee affected.

ARTICLE XXV

VACATION LEAVE AND ADMINISTRATIVE LEAVE FOR UNCLASSIFIED EMPLOYEES

A. In accordance with applicable rules, regulations, and policies, employees serving in the unclassified service shall have an option of selecting a policy of vacation leave and administrative leave as prescribed by the State for employees in the classified service or the policy of vacation leave and administrative leave for unclassified employees as determined to be appropriate by the Department Head. This option may be exercised not more than once on forms furnished by the respective employee's Personnel Officer. The department policy in effect on the date of the signing of the Agreement shall not be changed without prior notice to and negotiations with the Union. The provisions of this paragraph shall not apply to employees whose work schedules are governed by the academic calendar.

B. A program to schedule vacation time at each institution or agency will be established by the appropriate management official. Conflicts concerning the choice of dates when scheduling vacation will be resolved within the work unit on the basis of State seniority. For purposes of this Article, an unclassified employee shall begin to accumulate State seniority from the date of initial hire with the State of New Jersey until there is a break in service. This provision does not apply to ten (10) month employees whose work schedules are governed by an academic calendar.

ARTICLE XXVI

LEAVES OF ABSENCE WITHOUT PAY

A. All employees covered by this Agreement, upon written application setting forth the reason, may be granted a leave of absence without pay for a maximum period of one (1) year by the appointing authority with the approval of the

Department of Civil Service. Further leave in exceptional situations may be granted by the appointing authority with the approval of the Department of Civil Service, where it is in the public interest.

B. The appointing authority shall request approval from the Department of Civil Service for a leave of absence without pay up to a maximum period of one (1) year for an employee elected or appointed to a full-time position with the Union. Such leave may be renewed on an annual basis as the term of office of such position requires to a total period not exceeding six (6) years. Each such renewal is subject to approval by the Department of Civil Service.

C. The granting of a request for leave of absence without pay will not be unreasonably withheld.

ARTICLE XXVII

UNION RIGHTS AND REPRESENTATIVES

A. Access to Premises

1. Union officials and duly authorized Union representatives, whose names and identification have been previously submitted to and acknowledged by the State, shall be admitted to the premises of the State on Union business. Requests for such visits shall be directed with reasonable advance notice to State officials who shall be designated by the State and shall include the purpose of the visit, proposed time and date and specific work areas involved. Permission for such visits shall not be unreasonably withheld. Provided that requests have been made pursuant to this paragraph, such Union Officials shall have the opportunity to consult with employees in the unit before the start of the work shift, during lunch or breaks, or after completion of the work shift. The State will designate appropriate places for such meetings at its facilities. Access to the premises as set forth in this paragraph shall not be given by the State to any employee organization other than to the Union set forth herein or to any officer or representative of such other employee organization for the purpose of communicating with employees in this unit.

2. The Union shall be allowed to conduct normal business meetings on State properties, provided that space is available during hours when the facilities are open; requests are made and approved at least one (1) week in advance of the proposed date of use and that liability for the damages, care and maintenance, and any costs which are attendant thereto are borne by the Union. Employees may attend such meetings only during off duty hours. Less notice may be acceptable to the State.

3. The above is not intended to restrict Union Officials and Representatives from exercising their ordinary right as citizens as regards access to the public premises of the State.

B. Leave of Absence for Union Activity

1. The State agrees to provide leaves of absence with pay for designees of the Union to attend Union activities. A total of 725 days of such leave of absence may be used during the period July 1, 1986 through June 30, 1987, and 725 days of such leaves of absence during the period July 1, 1987 through June 30, 1988; and 725

days of such leaves of absence during the period July 1, 1988 through June 30, 1989.

2. a. This leave is to be used for participation in regularly scheduled meetings or conventions of labor organizations with which the Union is affiliated and for training programs or other Union activity for which appropriate approval by the State is required and which approval shall not be unreasonably withheld.

b. Application for the use of such leave on behalf of the designees of the Union shall be made in writing or orally eighteen (18) days in advance or lesser period if appropriate by the Union President or other duly authorized representative to the Office of Employee Relations.

3. Leaves will be granted individuals authorized by the President or other duly authorized representative. Authorized leaves granted to an individual shall not exceed a maximum of twenty (20) days in a year period and seven (7) days of paid leave for any single activity for any individual employee except where special approval of an exception may be granted by the State.

4. Any leave not utilized in a yearly period shall not be accumulated except where a written request of the Union for carry-over of such leave for a particular purpose is made not later than thirty (30) days prior to the end of the year period. This request may be approved in whole or in part by the State.

5. In addition, the State agrees to provide leave of absence without pay for designees of the Union to attend Union activities approved by the State. A total of 725 days of such leave of absence without pay may be used during the period July 1, 1986 to June 30, 1987; and 725 days during the year July 1, 1987 to June 30, 1988; and 725 days during the period July 1, 1988 through June 30, 1989.

6. This additional leave of absence without pay is to be used under the same conditions and restrictions expressed in connection with leaves of absence with pay.

7. The time provided herein is in addition to time provided elsewhere in this Agreement for negotiations meetings and contract administration meetings.

C. Bulletin Boards

1. In central locations and in work areas where there are large numbers of employees covered by this Agreement, the State will make space available on existing bulletin boards which space will be for the exclusive use of the Union. The space provided on each bulletin board will minimally approximate 30" by 30" or an equivalent. If the Union desires bulletin boards at other locations, then it may request permission to provide its own bulletin boards. Approval of such requests shall conform to State standards and will not be unreasonably withheld by the State.

2. Appropriate material on such bulletin boards shall be posted and removed by representatives of the Union. The material shall not contain anything profane, obscene or defamatory of the State or its representatives and employees, nor anything constituting election campaign material. Materials which violate provisions of this Article shall not be posted. Material to be posted will consist of the following:

a. Union elections and results thereof;

b. Union appointments;

c. Union meetings;

d. Social and recreational events of the Union;

e. Reports of official Union business and achievements.

3. The Union will be permitted to post notices on designated bulletin boards where available in field locations not within institutions or offices of the State provided such postings are consistent with the conditions agreed to above. Requests for permission for such postings shall be granted by the departmental or appropriate subordinate level of management.

4. The State may, upon request of the Union undertake to make specific postings of authorized materials on behalf of the Union.

5. The State will provide space in central locations and areas frequented by employees in the unit where Union newspapers, circulars and literature may be placed so that employees may pick up copies during non-work time provided that such material for distribution is consistent with Item 2 of this provision. It is further agreed that the Union will assure that all undistributed literature is removed from the distribution points after a reasonable time.

D. Representation Lists

1. The Union agrees to furnish the State with complete written lists of Union representatives including Shop Stewards or alternates and their appropriate and mutually agreed upon grievance districts. The Union further agrees to inform the State through the Office of Employee Relations of any changes and to keep such lists current and correct at all times.

2. The State will appoint appropriate representatives of management at each location who will respond to the Union in Grievance Procedure or other designated functions. The State will provide a list of such management representatives to the Union.

E. Union Stewards

The Union has the sole right and discretion to designate Stewards or alternates and specify their respective responsibilities and authority to act for the Union. The parties agree that the privileges afforded to Stewards, elsewhere provided, are applicable to a reasonable number of Stewards reasonably acceptable to the State. Should conflict arise in the administration of this clause, the parties agree to resolve the conflict(s) through further discussion.

F. Union Privileges

1. Where the State has a newsletter or house organ which is published periodically for the information of employees, announcements of Union meetings of unit representatives or affairs may be included if requested by the unit representative.

2. Where the Union has mail to be delivered to its officers or other representatives, the inter-office mail system will be made available to deliver such mail within any institution or building provided that priority is retained for the business of the State.

3. Where there are public address systems in the work areas, the unit representative may submit notices of meetings or other unit matters which will be

announced except where the broadcast system is open to the public or to persons in the care and custody of the State, where such announcements may be inappropriate.

4. When telephone messages for unit representatives are received by the employer, the message will be delivered to the representative at the earliest possible time.

5. The President of a local may request use of available space for storage of papers and files of the local council or chapter pertaining to State employees. Provisions of such space shall not be unreasonably withheld, when available; however, the provision of space shall not take priority over essential operational uses and the State shall incur no responsibility for the security or safety of any Union materials nor any liability for loss or damages which may occur. Further, the Union may be permitted to furnish file cabinets or other equipment related to the commitment above under the same conditions. The permission to utilize the facilities of the State may be withdrawn at any time, but will not be unreasonably withdrawn.

6. When a managerial or consultant investigating or implementing committee seeks views of employees affected, the Union shall be notified and one of the employees who will be allowed to speak shall be a person selected by the Union. Where such an investigation procedure is undertaken without the solicitation of views of employees, the Union may present a written statement of its views to the investigating agent.

7. Regulations or documents specified in this Agreement shall be available for reference at the Personnel Office of the employee seeking the information.

G. Informational Postcards

The Union will make available to the Departments self-addressed stamped postcards. The postcard will contain space for the following information: employee name, employee address, job title, hiring date, department which hired employee, employee's work location, and the payroll number where the employee works.

Upon receipt of such cards from the Union, the department's personnel office(s) will distribute the card to new hires when the new hire comes in to fill out the necessary paperwork needed to initiate the payroll processes. The card can be filled out by the new hire. Cards filled out by the new hire will be forwarded to the Union via the mail.

ARTICLE XXVIII

ACCESS TO PERSONNEL FILE

A. Upon request and with reasonable notice, an employee shall have the opportunity to review and examine pertinent documents including those related to performance evaluation and conduct in his personnel history file or in any permanent supplementary personnel file. The State shall honor the request of such employee for copies of documents in the file. The State shall have the right to have such review and examination take place in the presence of an appropriate official of the agency or department in question. The employee may file a written response of reasonable length to any memoranda or documents which are

derogatory or adverse to him. Such response will be included in the relevant permanent personnel history file or permanent supplementary personnel file and will be attached to and retained with the document in question. If any material, derogatory or adverse to the employee is placed in the file in question, a copy of such material shall be sent to the employee.

B. No document of anonymous origin shall be used against any employee.

C. Copies of any written documents specifically related to discipline or the work performance of an employee which are relied upon by the State during any disciplinary proceedings, grievance hearing, or in any final evaluation report rendered under the PARS Program will be given to the employee upon his request.

D. A copy of specific written material which is derogatory or adverse to an employee and is in the possession of the State or its representatives, and which has not been previously transmitted to the employee, shall be provided to the employee when such written material is to be relied upon in any adverse personnel action resulting in disciplinary proceedings, or in any evaluation report rendered under the PARS program, and a reasonable time provided for response.

ARTICLE XXIX

SENIORITY

I. Definition

A. State seniority is the accumulated period of service of a permanent employee of the State.

B. Job classification seniority is the accumulated period of service of a permanent employee of the State in a particular job classification.

II. Permanent Employee

A. Employees shall be considered to have State seniority upon successful completion of the probationary period (working test period) for any permanent position, effective on the first day worked following such successful completion but computed from the date of initial hire. Such State seniority is accumable unless there is or has been a break in service as set forth below.

B. Employees shall be considered to have job classification seniority upon successful completion of the probationary period (working test period), for the job classification effective on the first day worked following such successful completion but computed from the date of initial hire or promotion to the particular job classification. Such job classification seniority in the job classification to which the employee is assigned is accumable unless there is or has been a break as set forth below or where the employee is appointed to another job classification.

C. A break in continuous service occurs when an employee resigns, is discharged for cause, retires or is laid off; however, employee State and job classification seniority accrued prior to layoff shall be continued upon recall and reemployment and the provision of Article XXX shall apply.

D. In the case where an employee is promoted but does not successfully complete the probationary period (working test period), he may be returned to his previous job classification in his most recent location or his then current location if

practicable, without loss of job classification seniority and such job classification seniority shall be construed to have continued accumulation in the permanent position provided the positions are in the same or appropriately related job class series as determined by Civil Service.

E. The State agrees to supply current seniority lists to the Union on a semi-annual basis.

F. This Article shall not apply to the computation or application of seniority in determination of individual rights administered by Civil Service, such as layoff and promotional rights. In such circumstances, seniority determinations and applications shall be determined by Civil Service. The terms and conditions of seniority pertaining to layoff and promotions are fully set forth in statutes and in the Civil Service Regulations and are intended to be observed in the administration of this Agreement. The provisions above are not intended to vary the application of the seniority provisions under rule or law as they pertain to layoff and promotional matters.

III. Provisional and Probationary Employees

A. Provisional and probationary employees (serving working test period), who have accrued State and job classification seniority under Section I above in another permanent position shall be considered to have the State and job classification seniority previously accumulated and shall continue to accumulate such State and job classification seniority as long as such previous permanent status is maintained, subject to any break in service and provided that with reference to job classification seniority the continuation of accumulation is predicated on the determination of Civil Service that the positions are in the same or appropriately related job class series.

B. Except as provided in paragraph A. above, provisional and probationary employees (serving working test period) shall be considered to be without seniority in their provisional or probationary job classification. The absence of seniority shall not be construed to diminish the assignability of any employees to overtime or emergency work.

C. Provisional appointments will not be made except in the case of an emergency as provided in N.J.S.A. 11:10-3 and 11:11-2. Where an examination is required, such will be scheduled at the earliest possible time.

ARTICLE XXX

LAYOFF AND RECALL - CLASSIFIED SERVICE

A. When it is necessary to lay off employees, the Union shall be notified at once and as far in advance as possible of the notice referred to in D. below and be supplied with relevant data concerning the layoff and procedures discussed and the conditions outlined below and the established protections administered by the Department of Civil Service shall be observed. The State shall provide the Union with seniority lists and grids for directly affected employees in advance of the final option selection interviews at the time these materials are received by the affected department.

B. In the event of a layoff, the Union shall be allowed to have one (1) representative not in the active employ of the State attend the preliminary layoff conference for all affected unit employees when conducted by the department and one (1) representative not in the active employ of the State attend the individual employee's final options selection interview. It is understood that the purpose of the Union representative's attendance at the meetings is to observe and advise employees with respect to questions arising out of the process, however, the representative shall not disrupt or delay the proceeding in any way. A shop steward may attend such meeting without pay in order to act as representative in lieu of the non-employee Union representative if acceptable to the State.

C. Permanent employees within a department will not be laid off before any emergency appointments, temporary appointments to temporary extra positions, provisional appointments to permanent positions or employees serving in working test period within the classification affected.

D. The State will provide a minimum of forty-five (45) calendar days notice of layoff to any permanent employee to be affected.

E. Job classification seniority shall be a determining factor to be considered when identifying which permanent employees are to be laid off.

F. Whenever possible, the State will try to identify all employment opportunities and to avoid layoff by transferring, reassigning or offering to demote employees to available vacancies within the authority of the appointing authorities concerned.

G. Permanent employees affected by layoff requirements may exercise bumping rights within their job classification or to equated or lower rated job classifications as provided.

H. Employees finally determined to be laid off and who leave the payroll shall be given ten (10) working days notice. This provision is subject to the Department of Civil Service adjusting its rules and regulations as are required to accommodate this program.

I. The name of the permanent employee who is laid off shall be placed on a special reemployment list. Persons on such a list will be given preferential consideration over any other type of applicant for appointment to the job classification or equated job classification and no new employee shall be hired until all employees on layoff status desiring to return to work shall have been recalled, provided such employees on layoff status are capable of returning to work. The employee must provide the employer with any address change while waiting for recall.

J. Permanent employees will be recalled to work in the reverse order in which they were laid off by the appointing authority, subject to the limitation that those permanent employees who were laid off first for reason of an unsatisfactory performance rating shall be placed on a special reemployment list in accordance with their seniority credits. Notice of recall will be made in writing by mail to the employee's home address of record.

K. 1. An employee who is recalled must respond within five (5) calendar days of the date of receipt of the notice of certification for recall or within ten (10) days of the date of mailing or be considered to have abandoned his recall rights.

2. An employee recalled to his former or equated job classification must report for reinstatement or be considered to have abandoned his recall rights.

3. An employee recalled to a job classification with a lower salary rate than his previous job classification may refuse such position and remain eligible for recall.

4. An employee who is demoted in accordance with the regulations of Civil Service during a layoff shall be continued on a previously established promotional list during its existence.

L. An employee on layoff accrues no additional sick leave or vacation credits. When an employee is recalled from layoff and reinstated, he is considered to have continuous service credit for computation of future earned vacations.

M. Except for the commitments concerning "notice", "layoff and procedures discussed" and the supply of "relevant data" set forth in paragraph A. and except for paragraph F., it is recognized that the provisions of paragraph A. through K. above are illustrative portions of the layoff and recall rights established under Civil Service Statutes and Regulations and that the overall system is administered by the Department of Civil Service. The Union reserves the right under applicable law to challenge changes to any of the foregoing.

N. 1. The State will discuss with the Union any decision to subcontract work based on solely fiscal reasons when it is apparent that employees will be laid off as a direct result of the subcontracting.

2. If, during the term of this Contract, the State contracts out or subcontracts work normally performed by employees covered by this Contract and such action results in layoff or demotion, employees affected will be given every priority available to continue their employment within their classification or any other position available for which they are qualified, prior to layoff or demotion. Any employee thus affected will be protected by the layoff and recall provisions of the Contract and by any relevant laws, rules and regulations.

ARTICLE XXXI

LAYOFF AND RECALL FOR UNCLASSIFIED AND PROVISIONAL EMPLOYEES

A. In the event management determines that a department-wide layoff due to financial exigencies or programmatic changes must take place which will affect unclassified or provisional employees the following procedure shall be observed:

1. The Union shall be notified of the layoff as far in advance as possible.

2. Affected employees shall be given a generalized notice of layoff at least twelve (12) working days for non-teaching personnel, and at least seventeen (17) working days for teachers, prior to the reduction in force.

3. Employees serving in the same job classifications within the work unit affected who, in the judgment of management, have performed unsatisfactorily; or are lacking with respect to having achieved or maintained necessary and/or expected certifications, degrees, or like qualifications; or are lacking the abilities and/or skills necessary to perform current or future work assignments shall at the option of management be laid off first. Due consideration shall be given to the concepts of affirmative action.

4. Where, in the judgment of management, the elements set forth in paragraph 3. above do not distinguish employees affected by the reduction in force such employees serving in the same job classification within the work unit shall be laid off in inverse order of job classification seniority. For purposes of this article, an employee shall begin to accrue job classification seniority as of six (6) months subsequent to the effective date of the employee's initial appointment to the particular job classification to which he is assigned. Employees who are appointed to a new job title (due to promotion, for example) subsequent to having served the initial six (6) month period shall begin to accrue job classification seniority three (3) months subsequent to the effective date of the employee's appointment to such new job title, provided that there has been no break in service. An employee's job classification seniority accrued prior to a layoff shall be continued and again begin to accrue immediately upon the employee's return to full employment status in the same job title in which he had been serving prior to the layoff. Job classification seniority shall continue to accumulate until there is a break in service. Employees on unpaid leaves of absence or layoff shall not accrue job classification seniority during the leave or during the period of layoff. Employees who are reinstated due to improper application of this Article shall not suffer any loss of seniority accrual.

5. Nothing herein shall convey any bumping rights to employees covered by this article. Failure to comply with any element of this article shall not result in delaying the effectuation of the layoff, and any errors identified with respect to the application of this procedure shall be corrected on a prospective basis only. Back pay shall not be awarded.

6. The various appointing authorities shall create and maintain a recall list by title composed of those employees who were laid off. The list shall continue in existence for nine (9) months following the date of layoff except for teaching personnel covered by this article in which case the list shall continue until the beginning of the next full academic year immediately following the expiration date of the recall list. Employees who are fully qualified, possessing credentials deemed necessary, whose performance has been satisfactory and who are capable of performing the work to be assigned shall be recalled in inverse order of layoff. The appointing authority shall not be required to recall employees who were laid off pursuant to paragraph 3. of this article, however, such employees may be recalled at the option of the appointing authority when the list of eligible employees is exhausted.

B. Procedure

The appointing authority shall simultaneously notify by regular mail or phone at least three (3) eligible employees of a vacancy in their particular title and a copy of such notice shall be forwarded to the Union. The most senior employee affirmatively and timely responding to the notice shall fill the position. The employee must respond within five (5) working days of the receipt of the notice or within ten (10) working days after the mailing. The letter of recall shall specify the latest date by which the employee may timely contact the appointing authority. Employees who do not respond in a timely manner may be permanently removed from the list. Each employee shall be responsible for keeping the appointing authority advised of their current address and phone number. The

employee must report to work within a reasonably prompt period of time which in no case shall exceed twenty (20) calendar days. Failure to report within the time frame set forth above may result in forfeiture of the position to which the employee had been recalled and elimination from the recall list.

ARTICLE XXXII

LIABILITY CLAIMS INDEMNIFICATION

A. Employees covered by this Agreement shall be entitled to defense and indemnification as provided in N.J.S.A. 59:10-1 et seq. and N.J.S.A. 59:10A-1 et seq.

B. For informational purposes only, the following paragraphs generally describe the provisions presently contained in the aforesaid statutes.

1. Defense of Employees

a. Except as provided in paragraph 2. below, the Attorney General shall, upon a request of an employee provide for the defense of any action brought against the employee on account of an act or omission in the scope of his employment. The Attorney General's duty to defend shall extend to a cross-action, counterclaim or cross-complaint against an employee.

b. The Attorney General may refuse to provide for the defense of an action referred to in paragraph 1. above if he determines that:

1. the act or omission was not within the scope of employment; or
2. the act or failure to act was because of actual fraud, willful misconduct or actual malice; or
3. The defense of the action or proceeding by the Attorney General would create a conflict of interest between the State and the employee.

c. In any other action or proceeding, including criminal proceedings, the Attorney General may provide for the defense of an employee if he concludes that such representation is in the best interest of the State.

d. Whenever the Attorney General provides for the defense of an employee, the Attorney General may assume exclusive control over the representation of such employee and such employee shall cooperate fully with the Attorney General's defense.

e. The Attorney General may provide for a defense by an attorney from his own staff or by employing other counsel for this purpose or by asserting the State's right under any appropriate insurance policy which requires the insurer to provide the defense.

2. Indemnification

a. If the Attorney General provides for the defense of an employee, the State shall provide indemnification for the employee. Nothing in this section authorizes the State to pay for punitive or exemplary damages or damages resulting from the commission of a crime.

b. If the Attorney General refuses to provide for the defense of a State employee, the employee shall be entitled to indemnification if he establishes that the act or omission upon which the claim or judgment was based occurred within the scope of his employment as an employee of the State and the State fails to

establish that he acted or failed to act because of actual fraud, actual malice or willful misconduct. If the employee establishes that he was entitled to a defense, the State shall pay or reimburse him for any bona fide settlement agreements entered into by the employee, and shall pay or reimburse him for any judgments entered against the employee, and shall pay or reimburse him for all costs of defending the action, including reasonable counsel fees and expenses, together with costs of appeal, if any.

Nothing in this section authorizes the State to pay for punitive or exemplary damages or damages resulting from the commission of a crime.

c. An employee shall not be entitled to indemnification unless within ten (10) calendar days of the time he is served with any summons, complaint, process, notice, demand or pleading, he delivers the original or a copy thereof to the Attorney General or his designee. Upon such delivery the Attorney General may assume exclusive control of the employee's representation and such employee shall cooperate fully with the Attorney General's defense.

C. The provisions of this Article shall not be subject to the Grievance Procedure as set forth in Article IV.

ARTICLE XXXIII

TRAVEL REGULATIONS

A. Transportation Allowance

1. Whenever an individual employee is authorized and required to use his privately owned vehicle or as a condition of his employment uses such vehicle, the State will be responsible for indemnification pursuant to appropriate legislation for such sanctioned use and shall reimburse the employees at the applicable rate provided by law for each mile of such use. Authorization for such use is predicated on the individual maintaining basic automobile insurance as specified in the New Jersey Travel Regulations and current registration and licensure.

2. During such authorized use of his privately owned vehicle, the State requires each individual accepting such authorization to maintain insurance for personal liability in the minimum amounts of \$25,000 for each person and \$50,000 for each accident and \$10,000 property damage for each accident. The State will provide insurance coverage where such privately owned vehicles are used in the authorized business of the State covering the excess over the valid and collectible private insurance in the amount of \$150,000 for each person and \$500,000 for each accident for personal liability and \$50,000 property damage for each accident unless and until legislation is passed which requires the State to indemnify and hold harmless their employees for personal injuries and property damage caused by the negligence of said employees while operating their privately owned vehicles on the authorized business of the State.

3. The requirement to utilize a privately owned vehicle shall not be imposed where it causes undue hardship on the employee.

B. Reimbursement

1. Employees shall be reimbursed for travel expenses while on the authorized business of the State in keeping with the conditions set forth in the Travel Regulations of the State.

2. a. Expenses incurred for necessary parking and tolls directly related to the authorized use of a vehicle on official State business are allowed and reimbursable by the State. All such expenses require documentation and may require advanced authorization. An exception to the requirement of documentation of an expense may be authorized for such circumstances where receipts for payments are not available; for example, the payment of parking meter expenses.

b. Vouchers, inclusive of required supplemental documentation, shall be submitted on a monthly basis when travel expenses are incurred. Such vouchers presented for reimbursement on or prior to the last day of the month shall be processed promptly through local authorization procedures and, if approved, submitted to the Division of Budget and Accounting to assure receipt prior to the tenth (10) day of the following month.

3. Payment where warranted under the Travel Regulations shall be made promptly providing the voucher is complete and accurate and received within the time schedule outlined herein.

4. In exception to these conditions, whenever an employee accumulates authorized expenses of one hundred dollars (\$100.00) or more, that employee may exercise an option to submit an appropriate voucher with documentation for payment without regard to the ordinary monthly schedule. Further, where authorized monthly expenses are less than ten dollars (\$10.00), the State may exercise an option to accumulate such expenses to include other monthly periods until there is an amount in excess of ten dollars (\$10.00) but such accumulation shall not be continued beyond three (3) successive months.

C. An employee who is authorized to use a privately owned vehicle for State business may elect not to transport other employees of the State except that this election must be communicated in advance of any travel assignment thus providing sufficient time notice for planning purposes.

D. When the State requires an employee to be medically examined by a State designated doctor or medical facility, travel expenses, not inconsistent with the Travel Regulations of the State, shall be paid in the same manner and under the same conditions as other travel expenses. An employee attending such examination shall do so without loss of pay for necessary time of such attendance and necessary travel time appropriate thereto if during normal working time.

E. 1. In order to provide continuity of scheduled work by an employee who is regularly authorized to use a privately owned vehicle for State business and in the event such vehicle is damaged or otherwise inoperable and undergoing major repairs such employee may request temporary use of a State owned vehicle from those vehicles in the motor pool servicing the particular function. The request if endorsed by the appropriate supervisor shall be presented to the State official in charge of those vehicles for approval and authorization. Such vehicles may be assigned for up to three (3) days and such period may be extended if required.

2. All such use of State vehicles must conform to the regulations pertaining thereto.

3. Employees authorized to utilize State owned vehicles shall obtain gasoline and related services and products at State facilities.

4. Employees may request the issuance of State credit cards when circumstances seem to warrant. Such requests if endorsed by appropriate management and approved by the State official at the local motor pool will be forwarded to the Central Motor Pool for authorization. The issuance of credit cards shall be within conditions and criteria established by the supervisor of the Central Motor Pool.

F. Grievances concerning these matters shall be considered non-contractual.

ARTICLE XXXIV

SAFETY

A. The State shall continue to make reasonable provisions for the safety and health of its employees during the hours of their employment. The State will discharge its responsibility for the development and enforcement of occupational safety and health standards to provide a safe and healthful environment. The State will set up necessary job safety and health programs for all employees covered by this Agreement and shall provide a reasonably safe and healthful place of employment for all employees.

B. The parties agree to cooperate in maintaining and improving safe working conditions and health protection for the employees consistent with established safety standards and in the promotion of safety, safe working habits and good housekeeping throughout the work environment. Where reasonably possible each employee will comply with all safety rules and regulations.

C. Employee complaints of unsafe or unhealthful conditions shall be reported to the immediate supervisor and shall be promptly investigated. Corrective action shall be initiated as soon as practicable to remedy the condition within safety guidelines.

D. Employees shall not be required to work under conditions of work which are unsafe or unhealthful. An employee whose work is temporarily eliminated as a result of the foregoing may be promptly assigned on an interim basis to other comparable work for which the employee is qualified to perform.

E. If an employee incurs an on-the-job injury during regular hours of employment requiring professional medical attention, the State will expedite such medical treatment by calling for an ambulance, if required, or providing transportation to a recognized medical facility when the injured employee can be moved.

F. 1. a. The State and the Union shall establish a Joint Safety and Health Committee for the purpose of discussing safety and health problems, hazards and/or programs in an effort to develop recommendations concerning improvements or modifications of conditions regarding health and safety. It is appropriate for the committee to handle issues of a State-wide and local nature. The committee shall be attended by one (1) unit member appointed by the Union and representatives from the State and the appropriate operating department(s).

At the request of either party, the committee shall be scheduled to meet at a mutually convenient time and place four times a year. In emergent situations, additional meetings may be convened upon the mutual agreement of the parties. Where there is a mutual agreement to do so, special safety meetings may be scheduled at work locations. None of these meetings are intended to bypass the grievance procedure nor be considered collective negotiations sessions. Any program instituted as the result of any meeting shall be considered experimental and not constitute a binding practice unless the parties specifically agree in writing.

b. The party requesting the meeting shall submit a written agenda of the suggested topic(s) to be discussed at least fifteen (15) work days prior to convening the meeting except where an emergent situation warrants a waiver of this period. There must be mutual agreement upon topics to be placed on the agenda for the meeting.

c. There shall be established as part of the Statewide Health and Safety Committee, a VDT sub-committee consisting of up to four representatives from the State and up to four representatives from the Union. The sub-committee may meet on a quarterly basis to be determined jointly or more frequently if mutually agreed to by the parties.

This program shall expire on June 30, 1989 unless extended in whole or in part by mutual agreement between the State and the Union.

2. The State and the Union shall establish a limited experimental joint Health and Safety Committee to meet at the departmental level. This committee shall consist of representatives from the State and/or the participating department, one (1) unit employee representative selected by the Union from the appropriate participating department and one (1) non-employee Union representative. Employee representatives shall be released only for the purpose of attending his/her department's scheduled meeting. The purpose of the Joint Committee meetings is to provide the Union with an opportunity to raise and discuss important local safety and health matters such as asbestos, VDT/CRT's, HVAC and other appropriate matters, and to make recommendations concerning improvements or modifications of conditions regarding health and safety. This experimental program shall commence thirty (30) days subsequent to the signing of this Agreement and may be continued upon the mutual agreement of the parties in July of each year of the Contract. Upon mutual agreement such program may be extended in whole or in part. Committee meetings shall be scheduled at the request of the Union but in no case more often than bi-monthly. The Union shall submit a written agenda of the suggested topics to be discussed not less than five (5) working days prior to convening the meeting. There must be mutual agreement upon topics to be placed on the agenda for the meeting. The participating departments are the Departments of Transportation, Health, and Labor.

3. Where reasonably possible, all committee meetings shall take place during working hours and employees shall suffer no loss of pay as a result of attendance at such meetings.

4. This provision shall not be construed as conveying any additional liabilities upon either party with respect to health or safety.

G. 1. References to safety are intended to include a concept of reasonable personal security and protections which shall be maintained to assure employees against physical harm.

2. It is understood that references to safety and health hazards and conditions of work referred to in this Article are not intended to include those hazards and risks which are an ordinary characteristic of the work or are reasonably associated with the performance of an employee's responsibilities and duties. However, this is not intended to eliminate the State's general obligations for the safety and health of such employees as set forth in other provisions of this Article.

ARTICLE XXXV

CLAIMS ADJUSTMENT

Where a loss or damage to personal property is sustained as a result of an action taken in the performance of the assigned duty of an employee, such loss will be adjusted. A claim for such loss must be filed within thirty (30) days of the time when the loss occurred. The claim must be filled out on the forms provided, including the requested adjustment, and submitted to the State for this action. The State shall provide the forms and any instructions which may be necessary for the completion or processing of the forms.

ARTICLE XXXVI

TUITION AID AND EMPLOYEE TRAINING

A. Tuition Aid Program

1. Where a department or appointing authority of the State has established a tuition aid program, the Union shall be provided with a published description of the program, if available. Applications for tuition aid and determinations concerning the approval and conditions for payment shall be in accordance with the Civil Service Rules (N.J.A.C. 4:2-20.6).

2. Employees of a State College who take approved courses at the College where they are employed under the program outlined in Appendix II shall have tuition waived upon enrollment.

Waiver of tuition is predicated on satisfactory completion of such courses and other conditions set forth in the program description in Appendix II.

B. Employee Training

1. The State shall continue to offer training programs of proven worth which are aimed at skills development and improvement in order to afford employees greater opportunity for performance improvement and promotional growth. Such offering may be regulated or limited by availability of funds or other factors.

2. When in-service or out-service training programs are available to a group of employees, the selection of the employee(s) to be trained shall be predicated on the needs of the State, the potential of an employee to benefit by the training and to contribute to the operational program in which he or she is employed, and with due regard to a principle of fair opportunity for all eligible employees within the group.

ARTICLE XXXVII

EMERGENCY WORK (NEW PROGRAM)

A. Unit employees shall be eligible for the special emergency rates or the employee's regular overtime rate, when entitled to overtime under the Fair Labor Standards Act, whichever is greater, if called in to work under the following specific circumstances:

2. The work involved must be for emergency maintenance, replacement or repair of equipment or mechanical devices which are vital to the operation of an institution, agency or other function of the State; and
3. Such work must be necessitated by damage or failure resulting from storm, flood, explosion, sudden unexpected catastrophe or like causes; and
4. Such conditions must constitute unreasonable safety hazard to the public employees, other persons or property of the State.

B. It is clearly understood that all of the foregoing elements or criteria must be met for an employee to be entitled to payment at the emergency rate. The following special project pay rates shall apply:

1. Employees who are engaged in manual or unskilled work as by use of shovels, picks, axes, choppers, etc., the rate of \$11.74 per hour is authorized and known as a Group VI Emergency Rate (Code 6).
2. Employees who perform semi-skilled work including the operation of mechanized equipment such as trucks, plows, light-graders, back-hoes, etc., a rate of \$15.02 per hour is authorized and known as a Group V Emergency Rate (Code 5).

C. The emergency rates described in B.1-5., above, shall be adjusted by approximately six (6) percent, which shall become effective in the sixth pay period of fiscal year 1986-1987. The emergency rates in effect at the conclusion of fiscal year 1986-1987 shall be adjusted by approximately five (5) percent in fiscal year 1987-1988 which shall become effective in the sixth pay period of fiscal year 1987-1988. D. The requirement of each employee to respond, if called when such emergency conditions are present, constitutes a condition of State employment. An employee who refuses an assignment because of a reasonable excuse will not be subjected to

disciplinary action. However, any absence or repeated absence or refusal to respond without good and sufficient reason, may be cause for such action.

E. When an employee is called in and reports for an emergency work assignment, he shall be paid for all hours actually worked outside his normally scheduled work shift and shall be entitled to a minimum of two (2) hours pay at the appropriate special project rate whether or not such two (2) hours are actually worked, providing the employee remains available for any work assigned.

F. Lists showing the rotational order of each employee and the total hours worked and refused by each employee shall be maintained in the work unit. Such lists shall be made available for inspection on request to Union Officers.

G. An emergency overtime assignment is subject to all appropriate rules and regulations of the State and the Department.

H. In exception to the requirement that employees be called in outside of regular work shifts, employees assigned to Snow and Ice Control Emergency Overtime will receive the appropriate special project rate after the end of the employee's regular work shift during the time prior to the next regular work shift.

ARTICLE XXXVIII

Such employees shall also be eligible for reimbursement for the cost of glasses, should there be a change in the employee's lens prescription. Reimbursement rates are those established in Article VI, Section D.

B. A full-time VDT operator who is pregnant and experiencing significant discomfort at her work station may request reassignment to other work allowing greater flexibility as to position and posture. Such requests will be given consideration and may be granted in full or in part when there is comparable work available. These accommodations are, as to their degree or continuity, subject to the overriding needs of the employing agency. Grievances concerning the determination to grant or refuse such requests or otherwise directly related to those determinations are non-contractual and processed exclusively under Article IV, A.2., of the Grievance Procedure.

ARTICLE XXXIX

A. Printing of Agreement

has been executed. The cover of the Agreement shall include the seal of the State of New Jersey and the insignia or other appropriate designation of the unit representative.

B. Membership Packets

The Union representative may supply membership packets which contain information for distribution to employees in the unit, including the role of the Union representative, the membership application and a copy of this Agreement as well as other material mutually agreed to by the State and the Union representative. The State agrees to distribute such membership packets to all employees in the unit at the time such employees receive the copies of this Agreement and to new employees during the initial phases of employment which shall not ordinarily exceed twenty (20) days from the date of employment.

A. Maintenance of Benefits

The fringe benefits, which are substantially uniform in their application to employees in the unit, and which are currently provided to those employees, such as the Health Benefits Program, the Life Insurance Program and their like, shall remain in effect without diminution during the term of this Agreement unless modified herein or by subsequent agreement of the parties.

B. Effect of Agreement

Regulatory policies initiated by the various institutions and agencies where these employees are working which have the effect of work rules governing the conditions of employment within the institution or agency and which conflict with any provision of this Agreement shall be considered to be modified consistent with the terms of this Agreement, provided that if the State changes or intends to make changes which have the effect of elimination in part or in whole such terms and conditions of employment, the State will notify the Union and, if requested by the Union within ten (10) days of such notice or of such change or of the date on which the change would reasonably have become known to the employees affected, the State shall within twenty (20) days of such request enter negotiations with the Union on the matter involved, providing the matter is within the scope of issues which are mandatorily negotiable under the Employer-Employee Relations Act as amended and further, if a dispute arises as to the negotiability of such matters,

that the procedures of the Public Employment Relations Commission shall be utilized to resolve such dispute.

C. Complete Agreement

The State and the Union acknowledge this and any Memoranda of Understanding attached hereto to be their complete Agreement inclusive of all negotiable issues whether or not discussed and hereby waive any right to further negotiations except as may otherwise be provided herein or specifically reserved for continued negotiation by particular reference in memorandum of understanding pre-dating the date of signing of the Agreement and except that proposed new rules or modifications of existing rules governing working conditions shall be presented to the Union and negotiated upon the request of the Union as may be required pursuant to Chapter 303 of the Laws of New Jersey, as amended.

ARTICLE XLII

ARTICLE XLIII

A. Legislative Action

1. If any provisions of this Agreement require legislative action, or require adoption or modification of the rules and regulations of the Civil Service Commission to become effective, or require the appropriation of funds for their implementation, it is hereby understood and agreed that such provisions shall become effective only after the necessary legislative action or rule modification is enacted, and that the parties shall jointly seek the enactment of such legislative action or rule modification.

2. In the event that legislation becomes effective during the term of this Agreement which has the effect of improving the wages and fringe benefits otherwise available to eligible employees in this unit, this Agreement shall not be construed as a limitation on their eligibility for such improvements.

B. Savings Clause

1. If any provision of this Agreement shall conflict with any Federal or State law or have the effect of eliminating or making the State ineligible for Federal funding, that specific provision of this Agreement shall be deemed amended or nullified to conform to such law. The other provisions of the Agreement shall not be affected thereby and shall continue in full force and effect. Where a conflict of a provision of this Agreement with Federal or State law would result in the amendment or nullification of the language of this Agreement as provided above,

the modification shall be made only to the extent required to preclude any unlawful provisions.

2. Upon request of either party the State and the Union agree to meet and renegotiate any provision so affected.

MEMORANDUM OF UNDERSTANDING II

A. The inclusion of certain part-time employees within the negotiating unit shall not be construed to expand the coverage of any State program relating to terms and conditions of employment for which such part-time employees were not previously deemed to be eligible, or to include such part-time employees under the coverage of any provision of this Agreement unless the substance of the provision describes a type of program for which such part-time employees were generally eligible prior to inclusion under the Agreement. Where such part-time employees are eligible for State programs or coverage under provisions of this Agreement, appropriate prorations will be made in accord with their part-time status.

B. Disputes concerning whether part-time employees are eligible for coverage under any provision of the Agreement between the parties, or the terms and conditions of the coverage, shall be deemed to be an A.2. (non-contractual) grievance and shall not be eligible for Step Three arbitration.

APPENDIX I

The following provision(s) are set forth herein for informational purposes only. These matters as they apply to individual employees affected shall be grievable within the provisions of the Grievance Procedure in the Agreement as defined in Article IV, Section A.2. except for the provisions below that are underlined which are grievable under Article IV, Section A.1.

TRANSFER AND REASSIGNMENT

A. Transfer

1. Transfer is the movement of an employee from one job assignment to another within his job classification in another organizational unit or department.

2. An employee shall not be transferred without the approval and consent of the appointing authority from and to whose unit the transfer is sought, nor without the consent of the employee, or the approval of the Department of Civil Service, except that:

a. The consent of the employees shall not be required when the employee movement is the result of a transfer or combining of functions of one unit to or with another;

b. When a temporary transfer is made, the consent of the employee shall not be required; but if the employee objects, he shall have the right to have the transfer reviewed by the Department of Civil Service;

c. Any special hardship that may result will be given due consideration;

d. The rights of an employee who has voluntarily transferred shall not be adversely affected except that he shall not retain any rights in the unit from which he has transferred;

e. The rights of an employee who has involuntarily transferred shall not be adversely affected but he shall retain no rights in the unit from which he has been transferred except that if he is on a promotional list, his name shall be retained on the promotional eligible list for the unit from which he has been transferred until he has had an opportunity to take a promotional examination in his new unit and the resultant list has been promulgated. Nothing herein is intended to diminish the rights of employees resulting from a layoff;

f. Transfer shall not affect the accumulation of an employee's State or job classification seniority.

3. Upon any transfer of a permanent employee, all sick leave and vacation balances shall be transferred with the employee, except that:

a. Upon voluntary transfer, all accrued compensatory time will, at the discretion of the State, be transferred with the employee, taken as time off prior to transfer or paid in cash at the employee's current rate of pay.

b. Upon involuntary transfer of a permanent employee, all accrued compensatory time balances shall be transferred with the employee.

c. When accepted for transfer by an organizational unit or department the request for transfer shall not be unreasonably withheld by the organizational unit or department where the individual is employed.

4. An employee may request a transfer through his personnel officer.

B. Reassignment

1. Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit or department.

2. Reassignments of employees may be made in accordance with the fiscal responsibilities of the appointing authority, to improve or maintain operational effectiveness, or to provide employee development and job training or a balance of employee experience in any work area. Where such reassignments are not mutually agreed to, the appointing authority will make reassignments in the inverse order of the job classification seniority of the employees affected, given the above conditions, providing the employees are capable of doing the work and it is agreed that special qualifications of a personal nature or special hardships which may result will be given due consideration.

3. When temporary reassignments (ordinarily of less than six (6) months' duration) are made to achieve any of the objectives in B. 2. above, employees to be affected will be given maximum possible notice. The consideration of seniority otherwise applicable in reassignments will not apply. The utilization of the concept of temporary reassignments will not be used unreasonably.

4. When personnel changes in a work unit provide opportunities for shift or schedule changes, interested employees may apply for desired assignment to the work unit supervisor. Such changes in assignment will be made on the basis of the job classification seniority of employees requesting the change, except that priority is given to the assignment of individual employees as provided in B.2. above.

5. When a vacancy is filled by an employee from outside a work unit, the employee joining that work unit shall be assigned the open position on the shift and work schedule which were appropriate to the opening.

6. a. Where the principles in B. 2. above are observed, requests for voluntary reassignment within the organizational unit or department shall be given consideration.

b. An employee desiring reassignment to any job in his organizational unit or department may submit an application through his supervisor in writing to his Personnel Officer stating the reasons for the request. Employees who are capable of performing the work and who apply for such reassignments will be considered and reassignments will be made on the basis of these requests. Where more than one request for reassignment from qualified employees deemed capable of performing the work in such a job is on record, any assignment(s) will be made on the basis of the job classification seniority of employees having recorded such a request.

7. An employee may have on record no more than two (2) requests for reassignment in 6.b. above.

8. When an employee is granted a voluntary reassignment under provisions of 4, 5 or 6 above, he shall then be eligible for only one (1) additional voluntary reassignment in the succeeding twelve (12)-month period. Consideration will be given to a request for additional reassignment where special circumstances exist.

9. Salary steps, seniority or like substantive rights shall not be adversely affected by reassignment unless specifically set forth herein.

10. Permanent employees shall be given preference for consideration for voluntary reassignment as contrasted to provisional or probationary employees.

C. Special Requests

Requests for transfer or reassignment predicated on extreme personal hardship will be given priority consideration where positions are available which the employee is capable of performing.

D. Reassignment for Union Officers and Stewards

1. The State and the Union recognize that Union Officers and Shop Stewards have in their relationship to their jobs a need for continuity in the assigned shift and jurisdiction which exceeds that of other fellow employees. It is agreed, therefore, that these Union Officers and Stewards will not be routinely reassigned outside of their established jurisdiction.

2. The State and the Union recognize the need to utilize all personnel to meet operational requirements effectively and notwithstanding the commitment in Paragraph 1., above, movement of such Union Officers and Shop Stewards outside of their established jurisdiction may be necessary and appropriate (generally on a temporary basis) in exception to the guidelines agreed to in Paragraph 1.

3. The exception used in Paragraph 2. will not be used unreasonably.

APPENDIX II

STATE COLLEGES TUITION WAIVER PROGRAM

A. The tuition waiver program provides tuition assistance to employees who take approved courses at the college where they are employed on their own time. The intent of the program is to fulfill the needs of the State college sponsoring the aid, State government as a whole and to enhance employee development. Each college shall determine its needs and waive tuition for employees engaged in an approved course of study.

B. Each State College shall prepare a tuition aid plan at the beginning of each fiscal year with consideration given to affirmative action responsibilities. The plan shall specify:

1. Employee eligibility which is limited to full-time, permanent employees in the classified and unclassified services with exceptions granted on a case by case basis by the college;
2. Internal application procedure;
3. Maximum amount of aid available per person not to exceed \$500.00 or the cost of six credits, whichever is greater, per semester or education program;
4. Acceptable academic grades for waiver of tuition;
5. Eligible costs; and
6. A procedure to notify employees of approval or disapproval.

C. Employees who do not satisfactorily complete courses for which tuition waiver had been granted, shall be required to reimburse the College for all waived costs. Until such reimbursement has been made, no further waivers will be available to that employee.

D. 1. It is understood that major programmatic changes shall not be made without negotiating with the Union whenever that obligation would exist.

2. Additional criteria for determining eligibility within the program may be established by the College.
