**13:69J-1.2B Permission to conduct business prior to issuance of a casino service industry enterprise license**

(a) Notwithstanding any other provision contained in this chapter:

1. The Division may, upon the joint petition of a casino licensee or applicant and an applicant for a casino service industry enterprise license filed pursuant to N.J.S.A. 5:12-92a, permit an applicant for a casino service industry enterprise license to transact business with a casino licensee or applicant prior to the licensure of the casino service industry enterprise license applicant if:

- i. A completed application for the appropriate casino service industry enterprise license has been filed by the applicant;

- ii. The applicant for a casino service industry enterprise license files a certification from a designee of the applicant for casino service industry enterprise licensure stating that neither the casino service industry enterprise license applicant, nor any of its qualifiers, are disqualified under any of the criteria set forth in N.J.S.A. 5:12-86;

- iii. The petitioner shows good cause for granting the petition; and

- iv. The applicant for a casino service industry enterprise license agrees, within 30 business days of transacting business, to supply to the Division, in writing, a detailed explanation of any business transacted with a casino licensee or applicant. Any applicant for a casino service industry enterprise license and any casino licensee or applicant involved in a transaction, shall maintain and make available for inspection, upon demand by the Division, any records regarding the business transacted.

2. The Division may, upon the petition of an applicant for a casino service industry enterprise license that intends to engage in the manufacture, sale, distribution, testing or

repair of slot machines, permit such applicant to conduct a business transaction with persons other than a casino licensee or applicant, provided that the requirements of (a) i through iii above are satisfied.

(b) Permission to conduct business pursuant to (a) above shall be for an initial period of up to six months. Upon a showing of good cause by the applicant, the Division may extend such relief for additional periods, in the Director's discretion, until licensure of the applicant is decided. Notwithstanding the foregoing, the Division may reconsider the granting of any approval issued pursuant to this section at any time.

### **13:69J-1.2C Licensing of vendors doing non-gaming business**

(a) Pursuant to N.J.S.A. 5:12-92c(2), the Division may require any vendor to apply for a casino service industry enterprise license if such application is deemed to be consistent with the public interest and policies of the Act.

(b) The Division shall give written notice to such vendor of the requirement to file for a casino service industry enterprise license. Receipt of this written notice by a vendor shall immediately trigger the requirements of N.J.S.A. 5:12-92a and b, including the need for the issuance of transactional waivers to continue to conduct any further business.

(c) An application filed pursuant to (a) above, and any subsequent licensure that may result after investigation by the Division, shall conform to the standards of N.J.S.A. 5:12-92a and b, including the need for the issuance of transactional waivers, and shall include the filing fee for the filing of such application.

(d) Any vendor required to apply for a casino service industry enterprise license pursuant to (a) above shall have the affirmative burden to establish its qualification by clear and convincing evidence.

(e) The Division retains jurisdiction to determine suitability for licensure even if the applicant terminates its relationship(s) with a casino licensee or applicant.

(f) Any vendor required by the Division to file an application shall do so no later than 60 days after receipt of the Division's notice; provided, however, that the Division may, upon written request from the vendor and for good cause shown, grant an additional 30 days within which to file the required application. Failure to file a completed application within this time period shall be grounds for prohibiting a vendor from conducting any business with a casino licensee and will result in the issuance of a prohibitory order which will be served on the vendor and the casino licensee.

(g) No waiver of all or any portion of the application filing time period mandated by (f) above shall be granted by the Division on the ground of economic hardship or loss to the unlicensed casino service industry in question.

(h) Any vendor prohibited from providing goods or services or conducting business on the basis of its failure to properly file an application may resume providing goods or services or conducting business thirty days following the proper filing of a casino service industry license application, provided that the vendor has:

1. Been issued a transactional waiver by the Division;
2. Paid the appropriate filing fee; and
3. Paid an additional late filing fee of \$500.00.

### **13:69J-1.3 Standards for qualifications**

(b) Any applicant or individual, as set forth in (a) above, shall have the affirmative burden to establish its qualification(s) by clear and convincing evidence.

(c) A casino service industry enterprise license shall be denied to any applicant who is disqualified on the basis of the criteria contained in N.J.S.A. 5:12-86.

### **13:69J-1.3A (Reserved)**

### **13:69J-1.3B Filing of Resubmission Form every five years**

The entity shall demonstrate that it continues to meet the requirements for licensure pursuant to N.J.S.A. 5:12-92a and b and, in furtherance thereof, shall submit, every five years after initial licensure, such information and documentation as the Division may require, including, but not limited to, the information required pursuant to N.J.A.C. 13:69A-5.11A.

### **13:69J-1.4 through 13:69J-1.5 (Reserved)**

### **13:69J-1.6 Competition**

The Division shall have the power and the duty to regulate, control and prevent economic concentration in casino operations and in casino service industry enterprises so as to encourage and preserve competition.

### **13:69J-1.7 Investigations; supplementary information**

The Division may, within its discretion, make such inquiry or investigation concerning any applicant, licensee, vendor registrant or any person involved with an applicant, licensee or vendor registrant as it may deem appropriate either at the time of the initial application and licensure or registration or at any time thereafter. It shall be the continuing duty of all applicants, licensees and vendor registrants to provide full cooperation to the Division in the conduct of such inquiry or investigation and to provide any supplementary information requested by the Division.

**13:69J-1.8 Voiding of license**

(a) A change in any item that was a condition of the original license or of a license resubmission must be approved by the Division. A change in ownership shall invalidate any approval previously given by the Division, unless, in the Division's discretion, such change is deemed to be consistent with the public interest and policies of the Act.

(b) Regardless of whether a license is invalidated pursuant to (a) above, the proposed new owner shall be required to submit an application for licensure and evidence that he or she is qualified for licensure.

**13:69J-1.9 Recordkeeping**

(a) All casino service industry enterprise licensees shall maintain in a place secure from theft, loss or destruction, adequate records of business operations which shall be made available to the Division upon request. The records shall include:

1. All correspondence with the Division and other governmental agencies on the local, state and Federal level;
2. All correspondence concerning the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility;
3. Copies of all promotional material and advertising;
4. A personnel file on each employee of the licensee, including sales representatives;
5. Financial records of all transactions concerning the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility.

(b) The records listed in (a) above shall be held for at least five years. Notwithstanding the foregoing, to the extent there is a conflict between the provisions of this section and N.J.A.C. 13:69D-1.8 with regard to the records of a gaming related casino service industry enterprise which is functioning as a slot system operator pursuant to the provisions of N.J.S.A. 5:12-82c(7) and N.J.A.C. 13:69D-1.39A, the record retention requirements and procedures set forth at N.J.A.C. 13:69D-1.8 shall control.

**13:69J-1.10 through 13:69J-1.13 (Reserved)****13:69J-1.14 Persons required to be qualified**

(a) Except as otherwise provided in (b) below and N.J.A.C. 13:69J-1.14B, no casino service industry enterprise license shall be issued or considered for resubmission, unless the individual qualifications of each of the following persons shall have first been established in accordance with all provisions, including those cited, of the Act and the rules of the Division. The Division shall apply the following provisions to both corporate and non-corporate applicants or licensees or, if that is not possible, the Division will in its discretion apply

comparable standards to non-corporate applicants and licensees.

1. In the case of casino service industry enterprise licenses issued in accordance with N.J.S.A. 5:12-92a(1) and (2):

- i. The applicant or licensee;

- iii. Each natural person who directly or indirectly holds any beneficial or ownership interest of five percent or more of the applicant or licensee;
- iv. Each person who directly or indirectly holds any beneficial or ownership interest of five percent or more of a holding company or intermediary company of the applicant or licensee;

(b) Notwithstanding (a) above, any of the following persons may request in writing that the Division waive their obligation to qualify as part of a casino service industry enterprise license issuance by making the appropriate showing required in (b)1 through 3 below.

1. If the person is required to qualify as an officer, the person shall be required to demonstrate that he or she is not significantly involved in and has no authority over the conduct of business with a casino licensee. Such request shall include, at a minimum, the following:

- i. A description of his or her title, duties and responsibilities with the applicant, licensee or with any affiliate thereof;

Such request shall include the certification required pursuant to N.J.A.C. 13:69A-5.6B(b).

3. If the person is required to qualify as an owner of the applicant or licensee or of a holding or intermediary company of the applicant or licensee, the person shall be required to demonstrate their inability to control such applicant, licensee or holding or intermediary company. For a publicly traded corporation, any person who owns or beneficially holds five percent or more of the equity securities of such corporation shall be presumed to have the ability to control such corporation, unless such presumption is rebutted by clear and convincing evidence.

(c) Notwithstanding (a) and (b) above, the Division may require a casino service industry enterprise applicant or licensee to establish the qualifications of any person if the Division determines that the qualification of such person would further the policies of the Act. In making such determination, the Division shall consider, without limitation, the following:

1. Title, duties and responsibilities;
2. Terms of compensation;
3. Ownership interest;
4. Prior status as a qualifier;
5. Ability to appoint a member of the board of directors;
6. Commonality of interest with other owners of the applicant or licensee, or holding or intermediary company thereof;
7. Business relationship with the applicant or licensee; and
8. Criminal conduct or associations.

(d) In addition to the persons required to qualify pursuant to (a) above, each applicant for a junket enterprise license may be required, upon directive from the Division, to establish the qualifications of any junket representative affiliated with that junket enterprise, regardless of whether such junket representative deals directly with a casino licensee.

1. The Division may require a junket representative affiliated with a junket enterprise licensee or applicant to establish his or her qualifications at any time.

2. Any junket enterprise required to establish the qualifications of a junket representative pursuant to this subsection may be required, subject to the provisions of N.J.A.C. 13:69A-8.6, to pursue a determination as to the qualifications of the junket representative regardless of whether the employment relationship with the junket representative has been terminated.

3. Any person required to establish his or her qualifications as a junket representative pursuant to this subsection may be required to pursue a determination as to his or her qualifications as a junket representative regardless of whether the employment relationship with the junket enterprise has been terminated.

**13:69J-1.14A Notification of changes in qualifiers of gaming-related casino service industry licensees or applicants and holding companies**

(a) Each casino service industry enterprise licensee or applicant required to be licensed in accordance with N.J.S.A. 5:12-92a(1) and (2) and N.J.A.C. 13:69J-1.2 shall notify the Division, in writing, within five business days, of the following:

2. The identity of any person required to be qualified pursuant to N.J.A.C. 13:69J-1.14(a)1iii or iv on the basis of a newly acquired ownership interest; or
3. The identity of any person whose obligation to qualify was waived pursuant to N.J.A.C. 13:69J-1.14(b)2 or 3 if that person subsequently attains an ownership interest that is:

(b) For each new qualifier identified pursuant to (a)1 or 2 above, the following forms, as applicable, shall be filed with the Division within 30 days of the mailing of the required notice; provided, however, that the Division may, upon written request from the licensee or applicant and for good cause shown, grant an additional 30 days within which to file the required forms:

1. A complete application for qualification as set forth in N.J.A.C. 13:69A-7.1A(a)1iv for each new natural person qualifier; or

2. A complete Business Entity Disclosure Form—Casino Service Industry Enterprise, as set forth in N.J.A.C. 13:69A-5.15 for each new entity qualifier.

(c) For each person identified pursuant to (a)3 above, a new petition for a waiver of qualification pursuant to N.J.A.C. 13:69J-1.14(b)2 or 3 shall be filed with the Division within 30 days of the mailing of the required notice.

(d) If a casino service industry enterprise licensee fails to file the notices and forms required by this section, the Division may, without the need for a hearing, administratively prohibit such casino service industry enterprise licensee from conducting business with a casino licensee or an applicant.

**13:69J-1.14B Temporary qualification at license issuance; pendent qualifiers during term of license; permission to exercise powers and perform duties prior to Division finding of plenary qualification**

(a) Notwithstanding the provisions of N.J.A.C. 13:69J-1.14(a), a casino service industry enterprise license may be issued by the Division without the applicant having first established the plenary qualification of each natural person otherwise required to qualify pursuant to N.J.A.C. 13:69J-1.14(a) or (c) provided that:

1. Any natural person qualifier who has not been found qualified by the Division in accordance with the provisions of N.J.A.C. 13:69J-1.14(a) as of the date of license issuance has been found temporarily qualified in accordance with the provisions of (b) below;

2. The applicant does not have more than three temporary qualifiers as of the date of license issuance; and

3. None of the temporary qualifiers is:

i. The chief executive officer or equivalent;

ii. The chief operating officer or equivalent;

iii. A person who directly or indirectly holds any beneficial interest of five percent or more of the applicant; or

iv. An inside director as defined in N.J.A.C. 13:69J-1.1.

(b) For the purposes of this section, no natural person shall be temporarily qualified by the Division unless it finds that such person:

1. Is required to qualify pursuant to N.J.A.C. 13:69J-1.14(a) or (c) as part of an application for the issuance of a casino service industry enterprise license but has not been found qualified in accordance with N.J.S.A. 5:12-92b due to an ongoing investigation of that qualifier by the Division as of the date the license is issued by the Division;

2. Has filed all application materials required by the Division; and

3. Has been identified by the Division as an individual as to whom it has conducted a preliminary background investigation and does not currently possess any negative information that would affect the ability of such person to establish his or her qualifications.

(c) Notwithstanding the provisions of N.J.A.C. 13:69J-1.14(a), a casino service industry enterprise licensee may retain its license pursuant to N.J.S.A. 5:12-94h(1) without having first established the individual qualifications of each natural person otherwise required to qualify pursuant to N.J.A.C. 13:69J-1.14(a) or (c) provided that each person who is required to qualify pursuant to N.J.A.C. 13:69J-1.14(a) or (c) but has not been the subject of a qualification determination by the Division is a pendent qualifier in accordance with the provisions of (d) below.

(d) For the purposes of this section, a pendent qualifier is any natural person who:

1. Is required to qualify pursuant to N.J.A.C. 13:69J-1.14(a) or (c) as part of a gaming-related casino service industry enterprise license but has not been the subject of a qualification determination by the Division due to his or her obligation to qualify having arisen after the date of the initial license issuance or the previous resubmission;

2. Has had the notices and application materials required by N.J.A.C. 13:69J-1.14A(b) filed with the Division in accordance with the deadlines set forth therein; and

3. Has not been the subject of a Division determination, after appropriate notice and hearing, that reasonable cause exists to believe that such person may not be qualified based on information presented by the Division.

(e) Except as otherwise provided in (f) below, a temporary qualifier or pendent qualifier shall be entitled to exercise the powers and perform the duties of his or her position for a period of 18 months from the date that temporary qualifier or pendent qualifier status is attained pursuant to (b) or (d) above.

(f) The Division shall require the removal of any temporary qualifier or pendent qualifier if the Division determines, after appropriate notice and hearing, that the temporary qualifier or pendent qualifier does not satisfy any applicable requirement of (a) through (d) above or if such person is not found qualified by the deadlines set forth in (e) above. If a casino service industry enterprise licensee, after appropriate notice and hearing, does not remove a temporary qualifier or pendant qualifier from his or her position, the Division may impose the sanctions set forth in N.J.A.C. 13:69J-1.14A(d).

(g) Notwithstanding the deadlines set forth in (e) above, the Division may determine the plenary qualification of any temporary qualifier or pendent qualifier in accordance with the provisions of N.J.A.C. 13:69J-1.14(a) as soon as the Division completes its investigation of the qualifier.

**13:69J-1.15 Advertising**

(a) Any advertisement by an applicant for or holder of a casino service industry enterprise license issued pursuant to N.J.S.A. 5:12-92a and b or by any agent thereof shall be subject to the provisions of N.J.A.C. 13:69C-14 to the same extent as if such advertisement were by a casino licensee or applicant.
