The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school's test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
- For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
- [Download the data](#) used in these reports.
- Want to give us feedback? Take our feedback survey: [surveylink](#)
- Questions about the reports? Contact us at reportcard@doe.nj.gov

Footnotes

1. An "*" indicates that data is not displayed to protect student privacy; "N" indicates no data is available to display.
2. ** ESSA accountability targets are only included if data is available for at least 20 students.

Note: Additional footnotes may exist within the reports specific to certain data tables. In those instances, the footnotes will be displayed below the applicable table.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Ungraded students are students who are "on roll" but are educated in ungraded classrooms.

Grade	2014-15	2015-16	2016-17
PK	22	29	37
KG	43	49	48
1	48	51	49
2	44	55	51
3	51	54	57
4	91	71	84
5	74	94	74
Ungraded	19	19	8
Total	392	422	408

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2014-15	2015-16	2016-17
Female	46%	46%	45%
Male	54%	54%	55%
Economically Disadvantaged Students	4%	4%	2%
Students with Disabilities	19%	15%	21%
English Learners	1%	1%	0%
Homeless Students			0%
Students in Foster Care			0%
Military-Connected Students			0%
Migrant Students			0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group.

Racial and Ethnic Group	% of Students
White	77.2%
Asian	8.8%
Hispanic	3.7%
Black or African American	2.9%
American Indian or Alaska Native	0.0%
Native Hawaiian or Pacific Islander	0.0%
Two or More Races	7.4%

PreK and K - Full Day and Half Day

This table shows the full day and half day enrollment for Pre-Kindergarten (PK) and Kindergarten (KG) students in this school.

Grade	2014-15	2015-16	2016-17
PK - Half Day	26	27	30
PK - Full Day	2	2	7
KG - Half Day	43	0	0
KG - Full Day	0	49	48

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

Home Language	% of Students
English	92.9%
Spanish	1.2%
Other	5.5%

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act* (ESSA) accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2016-17 Annual Target	Met 2016-17 Annual Target

Mathematics Assessment - Performance by Grade: Grade 5

This table shows participation and performance on the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by end of course exam. This table shows by school and student group the number of valid test scores and the mean scale score for the school, district, and state. It also shows the percentage of students at each performance level and the percentage of students who met or exceeded expectations (Level 4 or 5) for the school and the state.

Student Group	Valid Scores	Mean Scale Score	District Mean Scale Score	State Mean Scale Score	% Level 1: Did Not Yet Meet Expectations	% Level 2: Partially Met Expectations	% Level 3: Approached Expectations	% Level 4: Met Expectations	% Level 5: Exceeded Expectations	% of Testers Met/ Exceeded Expectations	State % of Testers Met / Exceeded Expectation

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:
<http://www.state.nj.us/education/njsmart/performance/>

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This table also shows whether the school and each student group met the *ESSA* accountability target of 40 for the 2016-17 school year.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Target of 40	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Target of 40
Schoolwide	48	51	50	Met Target	48	48	50	Met Target

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	4.10	8.40	Met Target
White	4.50	8.40	Met Target
Hispanic	N	**	**
Black or African American	N	**	**
Asian, Native Hawaiian, or Pacific Islander	6.90	8.40	Met Target
American Indian or Alaska Native	N	**	**
Two or More Races	0	8.40	Met Target
Economically Disadvantaged Students	N	**	**
Students with Disabilities	9.50	8.40	Not Met
English Learners	N	**	**

** ESSA accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	8:35AM
Typical End Time	3:35PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	6 Hrs. 10 Mins.
Shared Time - Instructional Time	*

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	0
Vandalism	0
Weapons	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	0
Incidents Per 100 Students Enrolled	0.00

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	0.0%
Out-of-School Suspensions	0.0%
Any Suspension	0.0%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1.3:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	42	120,724
Average years experience in public schools	16.0	11.8
Average years experience in district	13.6	10.5
Teachers in district for 4 or more years	88%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	10:1	10:1
Administrators	408:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	94.9	17.5%
Mathematics Proficiency	87.1	17.5%
English Language Arts Growth	33.8	25.0%
Mathematics Growth	28.7	25.0%
Chronic Absenteeism	68.4	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		57.7
Summative Rating: Percentile rank of Summative Score		62.3
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	English Language Arts Student Growth	Mathematics Student Growth	At Risk for Consistently Underperforming Student Group

 <p>Courses, Curriculum, Instruction:</p>	<p>We engage students with best practices including a reading and writing workshop within a balanced literacy approach. Our mathematics instruction emphasizes the development of students' understanding of concepts and problem-solving skills with the goal of developing mathematical thinkers and problem solvers. Science is taught through an inquiry model which encourages children to pose questions while providing them with tools and experiences necessary to guide them through their own investigation.</p>
 <p>Clubs and Activities:</p>	<p>The mission of the HV After School Enrichment Program is to provide meaningful programming for elementary age children. We use a holistic approach to child development that involves enrichment of the mind, body and spirit through academic, physical and social development. We have strategically collaborated with the STEAM Works Studio Princeton, Central NJ Engineering, Magic Glass Arts, Young Rembrandts, Fyre Code, Mad Science and community members to provide engaging opportunities.</p>
 <p>Before and After School Programs:</p>	<p>The Hopewell Valley Regional School District partners with the Hopewell Valley YMCA to provide safe and engaging before and after care programs for families. The YMCA offers child care, enrichment sports opportunities and programming in the mornings, afternoons and on days when school is not in session. For more information, visit http://www.hvymca.org/child-care-development</p>

 <div>Student Supports and Services:</div>	We understand and respect the individual learning differences that each student possesses and strive to provide instruction to meet these diverse needs. Our highly qualified staff provide a range of services from targeted interventions in reading and math to special education and ELL programs.
 <div>Student Health and Wellness:</div>	Our curriculum promotes an articulated sequence of experiences which cultivate the intellect, foster social competence, and promote physical growth enabling students to progress to an optimal level of performance. Our Health and Family Life Lessons ensure that all students are provided with tools to make healthy choices.
 <div>Parent and Community Involvement:</div>	The PTO at Bear Tavern is an essential partner in our work to support and enrich our students. They provide engaging activities, assemblies and trips for our students as well as supportive volunteers. For more information go to: https://beartavernpto.shutterfly.com/ In addition to our PTO, we work collaboratively with the Trout In the Classroom Program (NJ Fish and Wildlife Dept.), TCNJ, Rider University and other local organizations.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

<div>Climate Surveys:</div>	<p>Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Administrators, Teachers</p> <p>As part of our continuing efforts to improve the quality of our school district, we provide an opportunity to give direct feedback to the board and district administration by participating in a school climate survey. This survey is distributed each spring to staff, parents, and students to gauge the effectiveness of our schools. Every response is read and shared with our district and school administration and the full results are posted online 30 days after the survey closes.</p>

Other Information:

We value the whole child at Bear Tavern. In addition to our core academic programs, students are offered Physical Education, Art, Music, Spanish and Media/Technology classes. Students are afforded opportunities to create, explore and perform through our special area classes and to participate in countless after school clubs ranging from knitting and chess to running and yoga. In addition, our active PTO supports numerous programs, such as International Night, Science Night, Circus Night, Field Day, Van Gogh Night and more. Learning takes place well beyond the classroom and building walls at Bear Tavern. Our STEM program, our School-Wide “Exploring the World Through Water Project” (our school participates in the Trout in the Classroom Project and also has a 55 gallon Amazon-Themed fish tank, enabling students to compare, contrast and learn in an authentic atmosphere), numerous service learning opportunities and our use of technology allow us to collaborate, connect with, learn from and even shape the world around us. A primary focus of Bear Tavern Elementary School continues to be volunteer service. Students, parents and staff are learning the importance of community service through participation in a variety of projects. Activities are geared not just toward raising money, but toward the goal of giving the most valuable gift, that of time. Our PTO works hard to ensure that the parents and staff are connected in this common goal of community service by devoting significant time and resources to a variety of projects. This year, each grade level has a focus and will collect materials and funds as well as share information about various organizations topics. Each grade will participate in a school-wide Day of Service in January in concert with Christine’s Hope for Kids in which they will create tangible items to provide to those in need related to their chosen focus.

The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school’s test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
 - For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
 - [Download the data](#) used in these reports.
-
- Want to give us feedback? Take our feedback survey: [surveylink](#)
 - Questions about the reports? Contact us at reportcard@doe.nj.gov

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Ungraded students are students who are "on roll" but are educated in ungraded classrooms.

Grade	2014-15	2015-16	2016-17
PK	15	19	32
KG	37	60	62
1	74	52	61
2	75	84	59
3	75	74	85
4	60	74	70
5	60	62	74
Ungraded	23	20	11
Total	419	445	454

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2014-15	2015-16	2016-17
Female	46%	47%	48%
Male	54%	54%	52%
Economically Disadvantaged Students	2%	5%	3%
Students with Disabilities	18%	17%	20%
English Learners	1%	1%	0%
Homeless Students			0%
Students in Foster Care			0%
Military-Connected Students			0%
Migrant Students			0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group.

Racial and Ethnic Group	% of Students
White	83.0%
Hispanic	5.3%
Asian	3.3%
Black or African American	2.4%
American Indian or Alaska Native	0.0%
Native Hawaiian or Pacific Islander	0.0%
Two or More Races	5.9%

PreK and K - Full Day and Half Day

This table shows the full day and half day enrollment for Pre-Kindergarten (PK) and Kindergarten (KG) students in this school.

Grade	2014-15	2015-16	2016-17
PK - Half Day	19	18	24
PK - Full Day	2	1	8
KG - Half Day	38	0	0
KG - Full Day	0	60	62

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

Home Language	% of Students
English	97.1%
Spanish	1.5%
Other	1.3%

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act* (ESSA) accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2016-17 Annual Target	Met 2016-17 Annual Target

Mathematics Assessment - Performance by Grade: Grade 4

This table shows participation and performance on the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by end of course exam. This table shows by school and student group the number of valid test scores and the mean scale score for the school, district, and state. It also shows the percentage of students at each performance level and the percentage of students who met or exceeded expectations (Level 4 or 5) for the school and the state.

Student Group	Valid Scores	Mean Scale Score	District Mean Scale Score	State Mean Scale Score	% Level 1: Did Not Yet Meet Expectations	% Level 2: Partially Met Expectations	% Level 3: Approached Expectations	% Level 4: Met Expectations	% Level 5: Exceeded Expectations	% of Testers Met/ Exceeded Expectations	State % of Testers Met / Exceeded Expectation

This section shows performance on the NJASK science test which measures students' ability to recall information and to solve problems by applying science concepts. The assessment is given to students in grades 4 and 8 and has three proficiency categories. Students performing at "Proficient" and "Advanced Proficient" have demonstrated readiness for the next grade-level/course.

NJASK Science Assessment Performance: Grade 4

This table shows the percentage of students in each proficiency category for the NJASK science test for the school and each student group and also provides a comparison to the statewide percentages.

Student Group	% Advanced Proficient	% Proficient	% Partially Proficient

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:
<http://www.state.nj.us/education/njsmart/performance/>

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This table also shows whether the school and each student group met the *ESSA* accountability target of 40 for the 2016-17 school year.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Target of 40	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Target of 40
Schoolwide	45	51	50	Met Target	36.5	48	50	Not Met

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	4.60	8.40	Met Target
White	4.90	8.40	Met Target
Hispanic	4.50	8.40	Met Target
Black or African American	N	**	**
Asian, Native Hawaiian, or Pacific Islander	N	**	**
American Indian or Alaska Native	N	**	**
Two or More Races	0	8.40	Met Target
Economically Disadvantaged Students	N	**	**
Students with Disabilities	11.10	8.40	Not Met
English Learners	N	**	**

** ESSA accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

Chronic Absenteeism by Grade

This graph shows the percentage of students in the school and across the state who were chronically absent for each grade level. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	8:35AM
Typical End Time	3:35PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	6 Hrs. 10 Mins.
Shared Time - Instructional Time	*

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	5
Vandalism	0
Weapons	1
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	5
Incidents Per 100 Students Enrolled	1.10

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	0.2%
Out-of-School Suspensions	0.2%
Any Suspension	0.2%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1.4:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	45	120,724
Average years experience in public schools	13.6	11.8
Average years experience in district	11.9	10.5
Teachers in district for 4 or more years	87%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	10:1	10:1
Administrators	454:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	67.9	17.5%
Mathematics Proficiency	67.7	17.5%
English Language Arts Growth	24.7	25.0%
Mathematics Growth	7.0	25.0%
Chronic Absenteeism	74.9	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		42.9
Summative Rating: Percentile rank of Summative Score		38.8
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	English Language Arts Student Growth	Mathematics Student Growth	At Risk for Consistently Underperforming Student Group

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Highlights:	<ul style="list-style-type: none"> • Hopewell Elementary offers rigorous and differentiated learning experiences that celebrate the whole child. • Technology, including our 1:1 Chromebook initiative in grades 2-5, plays an integral role in educating our students. • Our commitment to service learning, Farm to School and sustainability is unparalleled.
 Mission, Vision, Theme:	We teach more than subjects; we teach children. Our mission is to provide a comprehensive, rigorous, personalized and caring educational experience. We strike a balance between working hard and having fun. Students are recognized as individuals with unique intellectual and social abilities. We cultivate these abilities through a rich and varied educational experience. Children are appreciated not only as readers, writers and mathematicians, but also as musicians, volunteers and leaders.
 Awards, Recognition, Accomplishments:	We are a recipient of a BASF Science Education Grant of \$5,000 to expand our vertical gardening initiative. We are a recipient of a \$1,000 grant, compliments of Whole Kids Foundation, to support our organic lunch initiative. We are certified silver by the Greater Mercer Safe Routes to School Recognition Program and received a grant to purchase a new bicycle rack.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words.  <div> <div>Courses, Curriculum, Instruction:</div> </div>	<p>We engage students with best practices including a reading and writing workshop within a balanced literacy approach. Our mathematics instruction emphasizes the development of students' understanding of concepts and problem-solving skills with the goal of developing mathematical thinkers and problem solvers. Science is taught through an inquiry model which encourages children to pose questions while providing them with tools and experiences necessary to guide them through their own investigation.</p>
 <div> <div>Clubs and Activities:</div> </div>	<p>Before school, we offer vocal ensemble, Orff ensemble, art enrichment, chess club and student council. After school, students may take advantage of newspaper club and garden club.</p>
 <div> <div>Before and After School Programs:</div> </div>	<p>Our district offers various tuition-based enrichment classes after school including STEM, coding, cooking, yoga, art and more. The Hopewell Valley Regional School District partners with the Hopewell Valley YMCA to provide safe and engaging before and after care programs for families. The YMCA offers child care, enrichment sports opportunities and programming in the mornings, afternoons and on days when school is not in session.</p>

If there are questions about the information provided in the narrative section, please contact your school directly.

 <div>Student Supports and Services:</div>	We understand and respect the individual learning differences that each student possesses and strive to provide instruction to meet the diverse needs, including children who benefit from support or enrichment. Supports include targeted interventions in reading and mathematics, to special education within a smaller pull out environment or in-class model with two teachers. Our exceptionally able (gifted and talented) teachers provide enrichment.
 <div>Student Health and Wellness:</div>	Each fall, we host a Farm to School event to celebrate connections between our school and local food. It also reinforces our commitment to educating children about making good choices. Local farmers and chefs lead interactive demonstrations and tastings in and around our garden area. We offer an organic, homemade lunch to our students and staff. We launched a vertical gardening program; vegetables and herbs harvested are used in the preparation of lunch in the cafeteria.
 <div>Parent and Community Involvement:</div>	We value our partnership with parents and wouldn't be half the school we are without their involvement. Parents are often found in our classrooms volunteering. Each year, we host Take Your Parents to Lunch Day; most parents join us to enjoy lunch their child(ren) al fresco near our garden area. Parents are integral to the success of our annual Field Day which includes dozens of outdoor activities, including a rock climbing wall, along with a visit from the fire department and a food truck.

<div>Climate Surveys:</div>	<p>Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Administrators, Teachers</p> <p>As part of our continuing efforts to improve the quality of our school district, we provide an opportunity to give direct feedback to the board and district administration by participating in a school climate survey. This survey is distributed each spring to staff, parents, and students to gauge the effectiveness of our schools. Every response is read and shared with our district and school administration and the full results are posted online 30 days after the survey closes.</p>

Other Information:

Technology supports a 21st century learning environment. Students regularly use technology throughout the day in all disciplines as a learning tool with classmates, to conduct research and demonstrate understanding. We have a one-to-one Chromebook environment in grades 2-5; children in kindergarten and 1st grade use Chromebooks and ipads in their classrooms. Additionally, All K-5 classrooms are equipped with document cameras which have been funded by our PTO. Interactive projectors are installed in all our instructional spaces. Our students love to code Ozobots, Spheros and Osmos. We recognize the importance of giving back on an ongoing basis. We support a different organization at each grade level with curricular ties as part of our service learning initiative. The Hopewell Elementary Service Learning Team conducts our monthly “Fill that Truck” food drive for the East Trenton Center. We hold an annual Day of Service prior to Dr. Martin Luther King Jr. Day. Each year, dozens of students, staff members and parents cut their hair to support Locks of Love at a school-wide event in the spring. We proudly host Enrichment Clusters every spring. This initiative is connected with our efforts to nurture the whole child by meeting students' academic, social, and emotional needs. All students at HES, preschool - grade 5, have an opportunity to select one enrichment cluster which meets for four sessions. We offer more than 30 clusters, including mountain biking, STEM, coding, baking, yoga, basket weaving, geocaching, and dancing. We are a closely-knit community, a family. Each month, we host a whole-school meeting for all preschool through 5th graders, staff members and interested parents, for the purpose of greeting one another, participating in community building activities, and celebrating our successes and one another. HES exemplifies the district's commitment to maximize each child's potential within a caring and positive learning environment.

The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school's test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
- For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
- [Download the data](#) used in these reports.
- Want to give us feedback? Take our feedback survey: [surveylink](#)
- Questions about the reports? Contact us at reportcard@doe.nj.gov

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Ungraded students are students who are "on roll" but are educated in ungraded classrooms.

Grade	2014-15	2015-16	2016-17
9	304	297	271
10	316	301	291
11	296	314	297
12	316	299	320
Ungraded	7	9	5
Total	1239	1220	1184

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2014-15	2015-16	2016-17
Female	49%	48%	48%
Male	51%	52%	52%
Economically Disadvantaged Students	3%	4%	3%
Students with Disabilities	11%	12%	13%
English Learners	0%	0%	0%
Homeless Students			0%
Students in Foster Care			0%
Military-Connected Students			0%
Migrant Students			0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group.

Racial and Ethnic Group	% of Students
White	81.5%
Asian	10.7%
Black or African American	3.7%
Hispanic	2.5%
American Indian or Alaska Native	0.0%
Native Hawaiian or Pacific Islander	0.0%
Two or More Races	1.5%

Enrollment Trends by Full and Shared Time

This table shows the number of full and shared time students. The full time equivalent is the number of full time students plus half the number of shared time students.

Enrollment Status	2016-17
Full Time Students	1171
Shared Time Students	24
Full Time Equivalent	1183

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

Home Language	% of Students
English	96.4%
Other	3.9%

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

This section shows whether students have gained the knowledge and skills identified in the Biology section of the Science Core Curriculum Standards as measured by the End of Course Biology test. The assessment has three proficiency categories. Students performing at "Proficient" and "Advanced Proficient" have demonstrated readiness for the next grade-level/course.

Biology Assessment - Performance

This table shows the percentage of students in each proficiency category for the school and each student group and also provides a comparison to the statewide percentages.

Student Group	% Advanced Proficient	% Proficient	% Partially Proficient
Statewide	16%	42%	42%
Schoolwide	24%	52%	24%
White	23%	53%	24%

This section contains information about participation and performance on college entrance examinations. For more information about how participation and performance on the PSAT, SAT, and ACT tests are calculated and how these calculations account for recent changes to the SAT test, please see our [Reference Guide](#).

PSAT/SAT/ACT - Participation

This table shows the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exams in 2016-17. This table also shows the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

Test	% of Students in School	% of Students in State
Percentage of students taking the PSAT	98.2%	89.4%
Percentage of students taking the SAT	94.2%	70.0%
Percentage of students taking the ACT	60.7%	28.3%

PSAT/SAT/ACT - Performance

This table shows the average test score, based on highest scoring test, for the PSAT, SAT, and ACT tests by subject area for students in the school and across the state. This table also shows the percentage of students at or above College Readiness Benchmarks for each test. Students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

Test	School Average Score	State Average Score	College Readiness Benchmarks	School - % of Students scoring at or above Benchmark	State - % of Students scoring at or above Benchmark
PSAT - Reading and Writing	548	481	Varies By Grade	87%	67%
PSAT - Math	534	483	Varies By Grade	68%	49%
SAT - Reading and Writing	631	551	480	97%	77%

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. Among those behaviors are participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of students out of all 11th and 12th grade students in the school and across the state, who enrolled in one or more AP or IB course, the percentage that took one or more AP or IB exam, and the percentage of students taking one or more exams who received at least one score of at least 3 on AP exams or 4 on IB exams.

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one **dual enrollment** course in the school and across the state. **Dual enrollment** courses allow high school students to enroll in college courses for credit prior to their high school graduation.

AP/ IB Courses Offered

This table shows the students enrolled in AP/IB courses and the corresponding exams that were taken. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with scores of at least 3 on AP exams or 4 on IB exams. In the last two rows, students taking multiple exams are counted more than once.

AP/IB Course	Students Enrolled	Students Tested

This section contains information about participation in approved **Career and Technical Education (CTE)** programs and **Structured Learning Experiences**. For more information about CTE in New Jersey, please visit <http://www.nj.gov/education/cte/>.

Career and Technical Education Participation

The chart below shows the percentage of students within the school and state who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time CTE programs in a county vocational school district are included in both the county vocational school and their sending school.

CTE Participants

(completed only one course in an approved CTE program)

CTE Concentrators

(completed two or more courses in a single approved CTE program and/or completed the entire CTE program)

Structured Learning Experiences Participation

The graph below displays the percentage of students within the school and state who participated in Structured Learning Experiences (SLEs). SLEs can include work-based learning programs, internships, apprenticeships, and service learning experiences and can be paid or unpaid.

Structured Learning Experiences

Industry-Valued Credentials Earned

This table shows the number of students that earned at least one industry-valued credential and the number of credentials earned in each Career Cluster® and overall for the 2016-17 school year. Students earning credentials in more than one Career Cluster are counted in multiple rows. Students earning multiple credentials in one Career Cluster are counted more than once in the Industry credentials total.

Career Cluster	Students with at least one credential earned	Industry credentials earned
Total non-duplicated number of students**	0	
Total number of credentials earned in all clusters		0

**Students may earn credentials in more than one Career Cluster

This section contains information about students enrolling in colleges and universities after graduation from high school. Postsecondary enrollment information is collected from the National Student Clearinghouse, which collects data from at least 95% of higher education institutions nationwide.

Postsecondary Enrollment Rates: Fall

This table shows the enrollment rates of Class of 2017 high school graduates into 2-year or 4-year institutions the fall after high school graduation. The following columns show the percentage of these enrolled students by 2-year or 4-year institution.

Postsecondary Enrollment Rates: 16 month

This table shows the enrollment rates of Class of 2016 high school graduates into 2-year or 4-year institutions 16 months after high school graduation for the school and each student group. The following columns show the percentage of these enrolled students by 2-year or 4-year institution, public or private institution, or in-state or out-of-state institution.

Student Group	% Enrolled in Any Institution	% Enrolled in 2-Year Institution	% Enrolled in 4-Year Institution
Statewide	71.1%	29.5%	70.5%
Schoolwide	84.9%	10%	90%
White	86.9%	11.4%	88.6%
Hispanic	*	0%	*
Black or African American	69.2%	0%	100%
Asian, Native Hawaiian, or Pacific Islander	90.3%	3.6%	96.4%

This section shows information about student absences which provides important information about a school’s culture and climate. In addition, research shows that student absences impact a child’s ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	12.40	14.30	Met Target
White	12.60	14.30	Met Target
Hispanic	22.60	14.30	Not Met
Black or African American	17.80	14.30	Not Met
Asian, Native Hawaiian, or Pacific Islander	5.50	14.30	Met Target
American Indian or Alaska Native	N	**	**
Two or More Races	N	**	**
Economically Disadvantaged Students	27.50	14.30	Not Met
Students with Disabilities	29.30	14.30	Not Met
English Learners	N	**	**

** ESSA accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	7:45AM
Typical End Time	2:45PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	5 Hrs. 51 Mins.
Shared Time - Instructional Time	2 Hrs. 52 Mins.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	4
Vandalism	2
Weapons	0
Substances	22
Harassment, Intimidation, Bullying (HIB)	1
Total Unique Incidents	29
Incidents Per 100 Students Enrolled	2.45

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	1.7%
Out-of-School Suspensions	3.3%
Any Suspension	4.2%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school’s technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school’s LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district’s schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts’ [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	112	120,724
Average years experience in public schools	13.3	11.8
Average years experience in district	10.7	10.5
Teachers in district for 4 or more years	80%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	11:1	10:1
Administrators	169:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by the teachers and administrators at this school. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Master's Degree

Doctoral Degree

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to the district in 2015-16 that were still assigned to the district in 2016-17. Staff who are not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2015-16 Teachers: Same district 2016-17	92%	89%
2015-16 Administrators: Same district 2016-17	91%	88%

Faculty Attendance

This table shows the percentage of days that school faculty members were present during the school year. Approved professional days, personal days, staff training days, bereavement days, jury duty, and absences due to extended illness are not counted against days present, and faculty members on long-term leave or disability are excluded from this calculation.

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	41.4	17.5%
Mathematics Proficiency	73.5	17.5%
Graduation - 4-Year	70.7	25.0%
Graduation - 5-Year	63.8	25.0%
Chronic Absenteeism	35.6	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		59.1
Summative Rating: Percentile rank of Summative Score		61.7
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No
Requires Comprehensive Support: 4-year Graduation Rate less than or equal to 67%		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group’s performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	Graduation Rate - 4-Year	Graduation Rate - 5-Year	At Risk for Consistently Underperforming Student Group

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Highlights:	<ul style="list-style-type: none"> • Offer 21 Advanced Placement courses, honors-level opportunities in all academic subject areas • Award-winning marching band and Performing Arts Academy • Focus on project-based learning through technology with all students utilizing 1:1 personal Chromebooks
 Mission, Vision, Theme:	<p>Hopewell Valley Central High School is distinguished by the strong commitment to our community and staff toward providing outstanding educational opportunities to our students. This commitment has helped HVCHS place consistently among the top-rated schools in New Jersey. We have directed our focus on project-based learning through technology to prepare our students for the changing global economic landscape.</p>
 Awards, Recognition, Accomplishments:	<p>The class of 2017 had four National Merit Finalists and 13 National Merit Commended Scholars. On Advanced Placement exams, HVCHS students took 656 exams with more than 87% receiving a score of 3 or better. HVCHS was recognized by the College Board on their 7th Annual AP District Honor Roll. In 2017, SAT subject tests were taken in five areas. HVCHS students performed exceptionally well on all tests with the highest average scores of 712 in Math Level 2, 696 in Physics and 723 in US History.</p>

If there are questions about the information provided in the narrative section, please contact your school directly.

 <p>Courses, Curriculum, Instruction:</p>	<p>Our rich curriculum includes 21 Advanced Placement courses, honors-level opportunities in all academic subject areas, a work-study program with field experiences, shared-time opportunities at county vocational-technical schools and the local community college, in-depth study in five world languages, and a complete program in the visual and performing arts. A dual-credit partnership with Syracuse University allows students to receive college credits while taking courses at HVCHS.</p>
 <p>Sports and Athletics:</p>	<p>Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Cross-Country (Boys & Girls), Diving (Boys & Girls), Field Hockey (Girls), Football (Boys), Golf (Boys & Girls), Ice Hockey (Boys), Lacrosse (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Swimming (Boys & Girls), Tennis (Boys & Girls), Track and Field - Spring (Boys & Girls), Track and Field - Winter (Boys & Girls), Volleyball (Boys & Girls), Wrestling (Boys)</p> <p>In 2017, both the HVCHS boys and girls soccer won state sectional titles. For the first time in history, our girls soccer team won the Mercer County Championship. Boys indoor track won the Central Jersey Group III Relays, and wrestling won their 10th straight Mercer County Title.</p>
 <p>Clubs and Activities:</p>	<p>A wide range of clubs and activities are available to students, both curricular and extra-curricular, which include numerous volunteer opportunities. HVCHS offers a Performing Arts Academy to students to showcase their talents. Competitions are open to students who participate in DECA, FBLA, the Thespian Society, Robotics, Model UN, HOSA, Jazz Band, Choral members, and those involved with the NJ Center for Civic Education.</p>
 <p>Before and After School Programs:</p>	<p>For over 10 years, HVCHS has partnered with Kenya to provide a cultural exchange experience for our students and theirs. Our Global Diversity Day exposes the school and the surrounding community to the culture of Kenya, including meeting with the Kenyan Ambassador. Each of our World Language programs provide exchange opportunities with host families and cultural immersion. Several times per year, HVCHS partners with our Senior Citizen center to expose the seniors to our Arts programs.</p>

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Staff and Professional Learning:	<p>Our staff is engaged in on-going Professional Learning Communities working with their colleagues to improve student achievement. The District focus is on improving our Cultural Competency, Mindfulness, and Blended Learning. Our professional development opportunities are planned with an emphasis on these concepts throughout the year.</p>
 Postsecondary Information:	<p>HVCHS college acceptance is 93%. Students also attend the military and technical schools. There is strong college planning curriculum beginning in freshman year and college planning programs are offered to parents including financial aid planning. HVCHS students take the PSAT during the school day to help prepare for the SAT for which fee waivers are available.</p>
 Student Supports and Services:	<p>Recitation periods, and teacher availability, provide extra assistance to students all day. National Honor Society provides peer tutoring. We have a strong 504 and I&RS committee, focused on creating meaningful plans designed to assist students who are experiencing learning, behavior, or health difficulties. We have an emerging ELL program, and our special education services allow for the least restrictive environment while supporting students.</p>
 Student Health and Wellness:	<p>We offer a comprehensive health and physical education program. Units consist of outdoor adventure ed, fitness, various sports and cooperative type activities. Health consists of nutrition, human sexuality and emotional health. We also offer teen pep which is a sexual health program that utilizes peer-to-peer education to increase students' knowledge, attitudes, skills, and behaviors associated with healthy decision-making.</p>
 Parent and Community Involvement:	<p>A strong CHS PTO, along with the special education PTO, support the schools and students. HVCHS's Parents Advisory Council guide building administration and serve as a think-tank for school improvement. Community groups include HVHCHY, the Municipal Alliance, and the YMCA. In connection with the district, these create a robust parent education program. All student information can be accessed through our OnCourse Parent Portal.</p>

Climate Surveys:

Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Teachers

As part of our continuing efforts to improve the quality of our school district, we provide an opportunity to give direct feedback to the board and district administration by participating in a school climate survey. This survey is distributed each spring to staff, parents, and students to gauge the effectiveness of our schools. Every response is read and shared with our district and school administration and the full results are posted online 30 days after the survey closes.

Facilities:

Hopewell Valley Central High School is currently undergoing construction passed through a bond referendum to improve our roofs, HVAC system, fire alarms and intercoms, renovation of main entrance and office reconfiguration along with the kitchen and cafeteria, restrooms, lighting and ceilings, and the addition of arts and wellness space.

The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school’s test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
- For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
- [Download the data](#) used in these reports.

- Want to give us feedback? Take our feedback survey: [surveylink](#)
- Questions about the reports? Contact us at reportcard@doe.nj.gov

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2014-15	2015-16	2016-17
Female	46%	47%	49%
Male	54%	53%	51%
Economically Disadvantaged Students	4%	7%	5%
Students with Disabilities	16%	12%	14%
English Learners	1%	2%	4%
Homeless Students			0%
Students in Foster Care			0%
Military-Connected Students			0%
Migrant Students			0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group.

Racial and Ethnic Group	% of Students
White	50.0%
Asian	36.6%
Hispanic	5.5%
Black or African American	3.1%
American Indian or Alaska Native	0.0%
Native Hawaiian or Pacific Islander	0.0%
Two or More Races	4.8%

PreK and K - Full Day and Half Day

This table shows the full day and half day enrollment for Pre-Kindergarten (PK) and Kindergarten (KG) students in this school.

Grade	2014-15	2015-16	2016-17
KG - Half Day	63	0	0
KG - Full Day	0	59	62

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

Home Language	% of Students
English	77.5%
Chinese	9.1%
Hindi	2.4%
Spanish	2.2%
Japanese	1.4%
Other	7.3%

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act* (ESSA) accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2016-17 Annual Target	Met 2016-17 Annual Target

This section shows performance on the NJASK science test which measures students' ability to recall information and to solve problems by applying science concepts. The assessment is given to students in grades 4 and 8 and has three proficiency categories. Students performing at "Proficient" and "Advanced Proficient" have demonstrated readiness for the next grade-level/course.

NJASK Science Assessment Performance: Grade 4

This table shows the percentage of students in each proficiency category for the NJASK science test for the school and each student group and also provides a comparison to the statewide percentages.

Student Group	% Advanced Proficient	% Proficient	% Partially Proficient
Statewide	45%	40%	14%
Schoolwide	73%	23%	5%

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:
<http://www.state.nj.us/education/njsmart/performance/>

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This table also shows whether the school and each student group met the *ESSA* accountability target of 40 for the 2016-17 school year.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Target of 40	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Target of 40
Schoolwide	55	51	50	Met Target	67	48	50	Exceeds Target
White	49	49	50	Met Target	69	45	52	Exceeds Target
Hispanic	*	54	49	**	*	64	47	**
Black or African American	*	40	45	**	*	28	43	**

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	2.20	8.40	Met Target
White	1.90	8.40	Met Target
Hispanic	4.30	8.40	Met Target
Black or African American	N	**	**
Asian, Native Hawaiian, or Pacific Islander	1.30	8.40	Met Target
American Indian or Alaska Native	N	**	**
Two or More Races	5.00	8.40	Met Target
Economically Disadvantaged Students	9.50	8.40	Not Met
Students with Disabilities	3.60	8.40	Met Target
English Learners	N	**	**

** ESSA accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

Chronic Absenteeism by Grade

This graph shows the percentage of students in the school and across the state who were chronically absent for each grade level. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	8:35AM
Typical End Time	3:35PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	6 Hrs. 10 Mins.
Shared Time - Instructional Time	*

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	0
Vandalism	0
Weapons	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	0
Incidents Per 100 Students Enrolled	0.00

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	0.2%
Out-of-School Suspensions	0.2%
Any Suspension	0.5%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1.4:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	44	120,724
Average years experience in public schools	16.3	11.8
Average years experience in district	12.5	10.5
Teachers in district for 4 or more years	84%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	10:1	10:1
Administrators	139:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	89.5	17.5%
Mathematics Proficiency	89.7	17.5%
English Language Arts Growth	62.2	25.0%
Mathematics Growth	90.8	25.0%
Chronic Absenteeism	89.8	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		83.1
Summative Rating: Percentile rank of Summative Score		93.6
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	English Language Arts Student Growth	Mathematics Student Growth	At Risk for Consistently Underperforming Student Group

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	<ul style="list-style-type: none"> • Stony Brook Elementary students, count on being known by name, listened to, & recognized for their talents. • Our learning environment enables children to acquire skills & concepts contributing to their total development. • We recognize and embrace the notion that, “You are never too small to make a big difference”.
Mission, Vision, Theme:	<p>Our mission at Stony Brook Elementary is to seek Truth, appreciate Beauty & demonstrate Goodness. It is expected that everyone act: REASONABLY - RESPECTFULLY - RESPONSIBLY</p>
Awards, Recognition, Accomplishments:	<p>Recognized as a Kindness Certified School, we embrace the notion that, “You are never too small to make a big difference”. To that end we have created several opportunities for our students to make contributions by reaching from our neighborhood across the globe. We have donated food & clothing to local charities, provided school supplies to children in Kenya, honored our veterans, celebrated our flag and did our very best to share with & include each other daily.</p>

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 <div> <div>Courses, Curriculum, Instruction:</div> </div>	<p>We engage students with best practices including a reading and writing workshop within a balanced literacy approach. Our mathematics instruction emphasizes the development of students' understanding of concepts and problem-solving skills with the goal of developing mathematical thinkers and problem solvers. Science is taught through an inquiry model which encourages children to pose questions while providing the tools and experiences necessary to guide them through their own investigation.</p>
 <div> <div>Clubs and Activities:</div> </div>	<p>The mission of the HV After School Enrichment Program is to provide meaningful programming for elementary age children. We use a holistic approach to child development that involves enrichment of the mind, body and spirit through academic, physical and social development. We have strategically collaborated with the STEAM Works Studio Princeton, Central NJ Engineering, Magic Glass Arts, Young Rembrandts, Fyre Code, Mad Science and community members to provide engaging opportunities</p>
 <div> <div>Before and After School Programs:</div> </div>	<p>The Hopewell Valley Regional School District partners with the Hopewell Valley YMCA to provide safe and engaging before and after care programs for families. The YMCA offers child care, enrichment sports opportunities and programming in the mornings, afternoons and on days when school is not in session. For more information, visit http://www.hvymca.org/child-care-development</p>

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Student Supports and Services:	We understand and respect the individual learning differences that each student possesses and strive to provide instruction to meet these diverse needs. Our highly qualified staff provide a range of services from targeted interventions in reading and math to special education and ELL programs.
 Student Health and Wellness:	Our curriculum promotes an articulated sequence of experiences which cultivate the intellect, foster social competence, and promote physical growth enabling students to progress to an optimal level of performance. To support our students in making healthy choices, we have become a CATCH School (Coordinated Approach to Child Health).
 Parent and Community Involvement:	Together, the parents and teachers promote an atmosphere that reflects a genuine love for children and respect for learning. We believe that it is our responsibility to develop students who know how to learn and who desire to become lifelong learners. In partnership with the community, we seek to provide our children with a comprehensive educational experience so that they can use their talents and abilities to improve the quality of life within the school community, locally and around the world.

The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school's test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
- For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
- [Download the data](#) used in these reports.
- Want to give us feedback? Take our feedback survey: [surveylink](#)
- Questions about the reports? Contact us at reportcard@doe.nj.gov

Footnotes

1. An "*" indicates that data is not displayed to protect student privacy; "N" indicates no data is available to display.
2. ** ESSA accountability targets are only included if data is available for at least 20 students.

Note: Additional footnotes may exist within the reports specific to certain data tables. In those instances, the footnotes will be displayed below the applicable table.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Ungraded students are students who are "on roll" but are educated in ungraded classrooms.

Grade	2014-15	2015-16	2016-17
6	278	282	269
7	267	281	284
8	303	275	282
Ungraded	4	9	13
Total	852	847	848

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2014-15	2015-16	2016-17
Female	48%	48%	47%
Male	52%	52%	53%
Economically Disadvantaged Students	3%	5%	5%
Students with Disabilities	13%	15%	17%
English Learners	0%	1%	0%
Homeless Students			0%
Students in Foster Care			0%
Military-Connected Students			0%
Migrant Students			0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group.

Racial and Ethnic Group	% of Students
White	77.0%
Asian	11.4%
Hispanic	4.4%
Black or African American	2.1%
Native Hawaiian or Pacific Islander	0.4%
American Indian or Alaska Native	0.0%
Two or More Races	4.7%

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

Home Language	% of Students
English	92.1%
Spanish	1.9%
Telugu	1.1%
Chinese	1.1%
Other	3.7%

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2016-17 Annual Target	Met 2016-17 Annual Target

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:
<http://www.state.nj.us/education/njsmart/performance/>

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This table also shows whether the school and each student group met the *ESSA* accountability target of 40 for the 2016-17 school year.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Target of 40	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Target of 40
Schoolwide	49	51	50	Met Target	42	48	50	Met Target
White	47	49	50	Met Target	41	45	52	Met Target
Hispanic	59	54	49	Met Target	64	64	47	Exceeds Target
Black or African American	42	40	45	**	*	28	43	**
Asian, Native Hawaiian, or Pacific Islander	51	55	60	Met Target	51.5	62	59	Met Target
American Indian or Alaska Native	N	N	N	N	N	N	N	N
Two or More Races	54	61.5	51	Met Target	*	54.5	52	**
Economically Disadvantaged	42	50	47	Met Target	38.5	45	46	Not Met
Students with Disabilities	37	41	41	Not Met	32.5	39.5	43	Not Met
English Learners	N	N	N	N	*	*	51	**

This section shows the types of courses that students were enrolled in by grade level for the 2016-17 school year. You can find more information about [New Jersey Student Learning Standards](#) on our website and more details about the data in this section in our [Reference Guide](#).

Mathematics - Course Participation

This table shows the number of students by grade that were enrolled in **Mathematics** courses by subject area. Students are counted more than once if they are enrolled in more than one math course. Students counted in the other math category may be enrolled in grade level math courses, intervention courses, or other advanced math courses.

Grade	Algebra I	Geometry	Grade Level and Other Math
6	0	0	277
7	194	2	93
8	186	78	22
Schoolwide	380	80	392

World Languages - Course Participation

This table shows the number of students by grade that were enrolled in **World Languages** courses by language. Students are counted more than once if they are enrolled in more than one language course. The bottom row of the table shows students enrolled in a level 3 or higher language course (such as French III or IV).

Grade	Spanish	French	Italian	Latin	German	Chinese	Other Languages

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	5.40	8.70	Met Target
White	4.80	8.70	Met Target
Hispanic	16.70	8.70	Not Met
Black or African American	N	**	**
Asian, Native Hawaiian, or Pacific Islander	2.00	8.70	Met Target
American Indian or Alaska Native	N	**	**
Two or More Races	7.50	8.70	Met Target
Economically Disadvantaged Students	23.70	8.70	Not Met
Students with Disabilities	13.40	8.70	Not Met
English Learners	N	**	**

** ESSA accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	7:45AM
Typical End Time	2:45PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	5 Hrs. 51 Mins.
Shared Time - Instructional Time	*

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	4.0%
Out-of-School Suspensions	1.7%
Any Suspension	5.7%

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	3
Vandalism	0
Weapons	1
Substances	2
Harassment, Intimidation, Bullying (HIB)	9
Total Unique Incidents	15
Incidents Per 100 Students Enrolled	1.77

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1.0:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	92	120,724
Average years experience in public schools	15.1	11.8
Average years experience in district	13.4	10.5
Teachers in district for 4 or more years	90%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	9:1	10:1
Administrators	141:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by the teachers and administrators at this school. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Master's Degree

Doctoral Degree

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to the district in 2015-16 that were still assigned to the district in 2016-17. Staff who are not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2015-16 Teachers: Same district 2016-17	92%	89%
2015-16 Administrators: Same district 2016-17	91%	88%

Faculty Attendance

This table shows the percentage of days that school faculty members were present during the school year. Approved professional days, personal days, staff training days, bereavement days, jury duty, and absences due to extended illness are not counted against days present, and faculty members on long-term leave or disability are excluded from this calculation.

School Year	% Days Present
2016-17	98%

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	65.0	17.5%
Mathematics Proficiency	56.2	17.5%
English Language Arts Growth	43.2	25.0%
Mathematics Growth	26.4	25.0%
Chronic Absenteeism	42.0	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		44.9
Summative Rating: Percentile rank of Summative Score		41.5
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	English Language Arts Student Growth	Mathematics Student Growth	At Risk for Consistently Underperforming Student Group

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Highlights:	<ul style="list-style-type: none"> • Team teaching is the centerpiece of our academic programming. • Our school has a 1:1 learning environment, as each student has a Chromebook. • Curriculum includes advanced level mathematics, Next Gen Science Standards and the Workshop Model.
 Mission, Vision, Theme:	<p>Our school theme is "Be the Change." It is our goal is that by the end of the 8th grade, Timberlane students will enter the world as self-motivated learners, resourceful problem solvers, and compassionate individuals. They will be able to adapt to change, collaborate with peers, and make good decisions that reflect open-mindedness and sound critical thinking.</p>

 Courses, Curriculum, Instruction:	<p>Team teaching is the centerpiece of our academic programming. Each grade level is divided into three core content teams, comprised of four teachers - English / Language Arts, Mathematics, Science, and Social Studies. These small learning communities give students a strong sense of belonging and allows each team to form close ties with their teachers.</p>
 Sports and Athletics:	<p>Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Cross-Country (Boys & Girls), Field Hockey (Girls), Lacrosse (Boys), Soccer (Boys & Girls), Softball (Girls), Track and Field - Spring (Boys & Girls), Volleyball (Girls), Wrestling (Boys)</p> <p>Students may participate in interscholastic sports. Athletic choices vary based on grade level. Sixth grade students may become involved in cross-country, track and field, cheerleading and wrestling. Seventh and eighth grade students may participate in cross-country, track, wrestling, cheer-leading, soccer, lacrosse, basketball, cheerleading, wrestling, baseball, softball,volleyball and field hockey.</p>
 Clubs and Activities:	<p>Our after school offerings are extensive and provide students with opportunities to develop new friendships and skills. Activities include art, computer coding, robotics and organic gardening, as well as Math and Science Olympiads. These activities offer an opportunity to explore new interests and develop strengths. We also offer opportunities in peer leadership, student council, drama, choir, jazz band, STEAM Club, creative writing and yearbook.</p>

If there are questions about the information provided in the narrative section, please contact your school directly.

 Staff and Professional Learning:	<p>At Timberlane Middle School, we embrace Professional Learning Communities (PLCs). Throughout the building, we have both grade level and departmental PLCs, where teachers meet regularly, share expertise, and work collaboratively to improve teaching skills and the academic performance of students.</p>
 Student Supports and Services:	<p>To support students and help them achieve, we have three grade-level counselors, a child study team (psychologist, social worker and LD/TC), a full-time school nurse, and a student assistance counselor. We focus social / emotional learning on the "Six Pillars of Character", which are infused daily into the middle school program. FLEX time is a period that ends every school day and provides students an opportunity to receive remediation in their studies from their content area teachers.</p>
 Student Health and Wellness:	<p>We are dedicated to the health and wellness of our students. Physical education classes meet daily, with a rotation of health every ten days. Our student assistant counselor focuses on healthy behaviors and prevention of harmful choices. During homeroom each morning, the school engages in a moment of mindfulness, in an effort to increase attention, emotional regulation and learning readiness.</p>
 Parent and Community Involvement:	<p>Timberlane has a strong Parent Teacher Organization, designed to strengthen, enhance and encourage the educational and social environments. The PTO seeks to build strong and effective relationships between home, school and community to ensure the best possible academic, intellectual, cultural, physical and social education for our children that will ensure scholastic excellence, personal growth, sense of community, and lifelong success.</p>

Climate Surveys:

Is a Climate Survey Used: Yes; Who is surveyed: Parents, Administrators, Teachers

Each spring the superintendent conducts a climate survey, surveying parents, teachers and administration.

Facilities:

We are in the middle of a district referendum which will impact the middle school next summer with additional spaces receiving air conditioning (cafeteria). Our media center will also be renovated into an innovative learning space in the summer of 2018. We are in the process of transitioning our computer labs into flexible learning spaces due to the fact that we are now a 1:1 school with students receiving chromebooks.

Other Information:

At Timberlane Middle school we work hard to empowering our student to “Be the Change.” It is our goal to equip students with skills they need to be productive, compassionate citizens of the world. Our course offerings and after-school enrichment programs cultivate creativity, collaboration, analytical and independent thinking skills. Through our community service projects, students engage in philanthropic activities that promote compassion, care, and social responsibility. We encourage members of the Timberlane Family to make a positive impact in their school and in the community. We provide a strong core program in the four major areas of language arts, social studies, mathematics, and science. Students may accelerate in mathematics with most students completing algebra by the end of 8th grade and 20 percent of students completing geometry. The Next Generation Science Standards reflect a focus on scientific practices, crosscutting concepts, and inquiry based pedagogy. Students with exceptional abilities in language arts may participate in an honors program. Students may also take an advanced program in art and drama. Programs are available for students with special needs, including basic skills in math and language arts. Middle school students need exposure to a variety of learning experiences as well as opportunities to develop skills necessary for academic growth. Our students can explore a variety of visual and performing arts, STEM, family and consumer science. Timberlane is also committed to building global literacy. Spanish, French, German and Mandarin are offered to our students. Timberlane is proud to provide a superior education to young adolescents in an environment that supports and encourages their overall development. We maintain a close partnership with parents and welcome inquiries from families interested in learning more about our school.

The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school’s test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Other Resources:

- Review the [Parent Summary Report](#) or the [district-level report](#) for this school.
- For more detailed information about the data in these reports, where it comes from, and how to use it: [Reference Guide](#) or [Interpretive Video](#).
- [Download the data](#) used in these reports.

- Want to give us feedback? Take our feedback survey: [surveylink](#)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

English Language Arts/Literacy Assessment - Performance by Grade: Grade 5

This table shows participation and performance on the English Language Arts/Literacy (ELA/L) section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by grade level exam. This table shows by school and student group the number of valid test scores and the mean scale score for the school, district, and state. It also shows the percentage of students at each performance level and the percentage of students who met or exceeded expectations (Level 4 or 5) for the school and the state.

Student Group	Valid Scores	Mean Scale Score	District Mean Scale Score	State Mean Scale Score	% Level 1: Did Not Yet Meet Expectations	% Level 2: Partially Met Expectations	% Level 3: Approached Expectations	% Level 4: Met Expectations	% Level 5: Exceeded Expectations	% of Testers Met/ Exceeded Expectations	State % of Testers Met / Exceeded Expectation

Mathematics Assessment - Participation and Performance

This table shows information about the Mathematics section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act* (ESSA) accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2016-17 Annual Target	Met 2016-17 Annual Target

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels:

Low Growth: Less than 35

Typical Growth: Between 35 and 65

High Growth: Greater than 65

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:

<http://www.state.nj.us/education/njsmart/performance/>

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This table also shows whether the school and each student group met the *ESSA* accountability target of 40 for the 2016-17 school year.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Target of 40	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Target of 40
Schoolwide	67	51	50	Exceeds Target	59	48	50	Met Target

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target
Schoolwide	2.70	8.40	Met Target
White	2.70	8.40	Met Target
Hispanic	N	**	**
Black or African American	N	**	**
Asian, Native Hawaiian, or Pacific Islander	N	**	**
American Indian or Alaska Native	N	**	**
Two or More Races	N	**	**
Economically Disadvantaged Students	N	**	**
Students with Disabilities	3.80	8.40	Met Target
English Learners	N	**	**

** *ESSA* accountability targets are only included if data is available for at least 20 students.

Days Absent

The graph displays the percentage of K-12 students schoolwide by the number of days they were absent during the school year. An absence is defined as being 'not present' and includes both excused and unexcused absences.

Chronic Absenteeism by Grade

This graph shows the percentage of students in the school and across the state who were chronically absent for each grade level. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	8:35AM
Typical End Time	3:35PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	6 Hrs. 10 Mins.
Shared Time - Instructional Time	*

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	0
Vandalism	0
Weapons	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	1
Total Unique Incidents	1
Incidents Per 100 Students Enrolled	0.34

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	0.0%
Out-of-School Suspensions	0.0%
Any Suspension	0.0%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1.4:1	138.7 kbps	100 kbps	Yes	N	Fiber	N

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2015-2016)	\$286	\$17,339	\$17,625

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	36	120,724
Average years experience in public schools	11.2	11.8
Average years experience in district	9.9	10.5
Teachers in district for 4 or more years	78%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	24	9,506
Average years experience in public schools	18.1	15.9
Average years experience in district	10.3	11.6
Administrators in district for 4 or more years	79%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	8:1	10:1
Administrators	293:1	150:1
Librarian/Media Specialists		901:1
Nurses		601:1
Counselors		328:1
Child Study Team		190:1

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by the teachers and administrators at this school. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Master's Degree

Doctoral Degree

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to the district in 2015-16 that were still assigned to the district in 2016-17. Staff who are not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2015-16 Teachers: Same district 2016-17	92%	89%
2015-16 Administrators: Same district 2016-17	91%	88%

Faculty Attendance

This table shows the percentage of days that school faculty members were present during the school year. Approved professional days, personal days, staff training days, bereavement days, jury duty, and absences due to extended illness are not counted against days present, and faculty members on long-term leave or disability are excluded from this calculation.

School Year	% Days Present
2016-17	97%

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	98.2	17.5%
Mathematics Proficiency	97.2	17.5%
English Language Arts Growth	90.2	25.0%
Mathematics Growth	78.8	25.0%
Chronic Absenteeism	93.5	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		90.5
Summative Rating: Percentile rank of Summative Score		98.9
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

Student Group	Summative Score	Cut-off Score for Targeted Support and Improvement	Requires Targeted Support and Improvement for 2016-17	English Language Arts Proficiency	Mathematics Proficiency	Chronic Absenteeism	English Language Arts Student Growth	Mathematics Student Growth	At Risk for Consistently Underperforming Student Group
Schoolwide	90.5	11.9	No	Met Goal	Met Target	Met Target	Exceeds Target	Met Target	No
White	86.1	11.9	No	Met Goal	Met Target	Met Target	Exceeds Target	Exceeds Target	No
Hispanic	**	**	No	**	**	**	**	**	No
Black or African American	**	**	No	**	**	**	**	**	No
Asian, Native Hawaiian, or Pacific Islander	**	**	No	**	**	**	**	**	No
American Indian or Alaska Native	**	**	No	**	**	**	**	**	No
Two or More Races	**	**	No	**	**	**	**	**	No
Economically Disadvantaged Students	**	**	No	**	**	**	**	**	No
Students with Disabilities	**	**	No	Met Target	Met Target	Met Target	**	**	No
English Learners	**	**	No	**	**	**	**	**	No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Target was met within a confidence interval.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 Highlights:	<ul style="list-style-type: none"> • Toll Gate Grammar School offers a rigorous and differentiated learning experience that celebrates the whole child. • We value and encourage curiosity; thus, our students are encouraged to explore their ideas and their passions. • At Toll Gate, we are creating leaders who will make their mark on the world!
 Mission, Vision, Theme:	<p>Toll Gate Grammar is a community of learners in which adults and students care about each other, support each other, and are champions for each other in times of need, as well as in times of celebration. High expectations for academic achievement, an orderly environment, and playfulness are the keys to opening the door to success. Our school builds a foundation which inspires curiosity and a lifelong love of learning.</p>
 Awards, Recognition, Accomplishments:	<p>In 2013-2014 and 2015-2016, Toll Gate Grammar school was named a Reward School by the NJDOE</p>

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 <div>Courses, Curriculum, Instruction:</div>	<p>We engage students with best practices including a reading and writing workshop within a balanced literacy approach. Our mathematics instruction emphasizes the development of students' understanding of concepts and problem-solving skills with the goal of developing mathematical thinkers and problem solvers. Science is taught through an inquiry model which encourages children to pose questions while providing them with tools and experiences necessary to guide them through their own investigation.</p>
 <div>Clubs and Activities:</div>	<p>The mission of the HV After School Enrichment Program is to provide meaningful programming for elementary age children. We use a holistic approach to child development that involves enrichment of the mind, body and spirit through academic, physical and social development. We have strategically collaborated with the STEAM Works Studio Princeton, Central NJ Engineering, Magic Glass Arts, Young Rembrandts, Fyre Code, Mad Science and community members to provide engaging opportunities.</p>
 <div>Before and After School Programs:</div>	<p>The Hopewell Valley Regional School District partners with the Hopewell Valley YMCA to provide safe and engaging before and after care programs for families. The YMCA offers child care, enrichment sports opportunities and programming in the mornings, afternoons and on days when school is not in session. For more information, visit http://www.hvymca.org/child-care-development</p>

 <div>Student Supports and Services:</div>	We understand and respect the individual learning differences that each student possesses and strive to provide instruction to meet these diverse needs. Our highly qualified staff provides a range of services from targeted interventions in reading and math and special education.
 <div>Student Health and Wellness:</div>	Our curriculum promotes an articulated sequence of experiences which cultivate the intellect, foster social competence, and promote physical growth enabling students to progress to an optimal level of performance.
 <div>Parent and Community Involvement:</div>	Together, the parents and teachers promote an atmosphere that reflects a genuine love for children and respect for learning. We believe that it is our responsibility to develop students who know how to learn and who desire to become lifelong learners. In partnership with the community, we seek to provide our children with a comprehensive educational experience so that they can use their talents and abilities to improve the quality of life within the school community, locally and around the world.

<div>Other Information:</div>	<p>At Toll Gate Grammar School, students take an active role in a variety of projects that support them in developing a sense of responsibility and empathy. In keeping with our commitment to foster citizenship and strong character in our students, Toll Gate provides opportunities for service learning. As such, our school has been affiliated with the Trenton Area Soup Kitchen for more than 30 years. Each year at Thanksgiving, we work as a school community to collect and prepare, on our campus, more than 1,000 meals for those in need. Students experience the spirit of giving and benefit from witnessing our teachers, staff, parents and community members take an active role in this meaningful whole-school project.</p>
