To His Excellency
William T. Cahill
Governor of the State of New Jersey

Dear Sir:

The Board of Trustees of the Public Employees Retirement System is pleased to present its 19th Annual Report in compliance with the provisions of N.J.S.A. 43:15A-21.

Respectfully submitted,

CHARLES E. WAGNER
Chairman

Annual Report

There were a number of important pieces of legislation enacted in the 1972-73 period covered by this report. The most important, Chapter 129, P.L. 1973, altered the early retirement benefit provision so that early retirement is now possible after 25 years of service as early as age 55 with no reduction for the years that the member lacks of attaining age 60, the normal service retirement age. A 3 percent reduction per annum applies to those retiring before age 55 where such members meet the 25 year service credit requirement.

There were a number of other bills which were enacted. Chapter 166, P.L. 1972, changed the definition of veteran of the Vietnam Conflict, eliminating from the service requirement the need for military service to have been rendered overseas. Chapter 26, P.L. 1973, provides that the membership of the board of trustees shall consist of two trustees appointed by the Governor, the State Treasurer, three member trustees elected from among employees of the State, one trustee elected from among employees of counties, and two trustees elected from among employees of municipalities.

Chapter 41, P.L. 1973, amended the law enforcement officer definition of the act to include certain sheriff officers for the specific benefit and contribution schedules provided for such individuals in hazardous work.
