Governor Stresses Quality of Life, Sustainability Goals and Annual Report Added to State's Commitment

Governor Christie Whitman tomorrow will continue her commitment to improving the quality of life for all New Jerseyans by endorsing goals to help the state achieve a viable future. The Governor will sign an executive order requiring an annual report on state progress in promoting sustainability.

The Governor will address attendees at the Sustainability State Leadership Conference sponsored by NJ Future, a nonprofit group seeking to promote and increase the state's efforts to strike a balance between the economic, social and environmental needs of NJ.
