Governor Lends Support to Local Projects; Also to Address Second Annual Womens' Leadership Conference in Princeton

Governor Christie Whitman tomorrow will make three check presentations - to two senior citizen centers (Keyport Senior Center and Washington Township Senior Center) and to the Ocean Grove Historical Society for the Neptune Performing Arts Center. The Keyport Senior Center will use the funds to help buy new windows at its facility and the check presented to the Washington Township Senior Center will help move forward its expansion project.

Gov. Whitman will also participate in a groundbreaking ceremony at Camp Evans in Wall Township, the future site of North Wall Little League's new baseball fields. Camp Evans is a federal property that is being donated to Wall Township.

Later in the afternoon, the Governor will address 200 attendees at the Second Annual Womens' Leadership Conference hosted by Paine Webber. The three-day event provides an opportunity for professional women in leadership roles at Paine Webber to establish a sense of community, enhance their professional education and address workplace gender issues.
