

Logan Township Elementary School

(15-2750-040)

Grades Offered: 02-05

2018-2019

Report Key:

- * Data is not displayed in order to protect student privacy
- ** Accountability calculations require 20 or more students
- N** No Data is available to display
- † This indicates a table specific note, see note below table

How to use this report:

- **Learn more** about this school by exploring all sections of this report
- **Start conversations** with school community members and ask questions
- **Engage** with your school communities to identify where schools are doing well and where they can improve

Navigating through the reports:

- Save or print this report by clicking the disk icon at the top of the page to download a PDF
- Search for specific text or words in the report by using the search box at the top left of the page
- Use the menu bar along the top of the page or the table of contents on the left of the page to move between sections of the report
- Click the Next and Previous buttons at the bottom of the page or the arrows as the top left of the screen to move between pages of the report

Other Resources:

- Review the [Summary Report](#) or the [district-level report](#) for this school
- Read the [Reference Guide](#), [Frequently Asked Questions](#), or [Data Privacy Rules](#) for more detailed information about the data in the report
- [Download the data](#) in the reports for all schools in the state
- Provide feedback on the reports by taking our [feedback survey](#)
- Contact us at reportcard@doe.nj.gov with any questions about the reports

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Any students enrolled outside of the grades offered will be included in the total enrollment.

Grade	2016-17	2017-18	2018-19
2	91	88	87
3	100	92	93
4	72	100	98
5	97	75	101
Total	360	355	379

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years.

Student Group	2016-17	2017-18	2018-19
Female	47.8%	47.9%	49.3%
Male	52.2%	52.1%	50.7%
Economically Disadvantaged Students	16.4%	15.8%	18.7%
Students with Disabilities	12.2%	14.4%	15.3%
English Learners	0.6%	0.6%	1.8%
Homeless Students	0.0%	0.0%	0.5%
Students in Foster Care	1.1%	1.1%	0.3%
Military-Connected Students	0.0%	0.0%	0.0%
Migrant Students	0.0%	0.0%	0.0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group for the past three school years.

Racial and Ethnic Group	2016-17	2017-18	2018-19
White	71.7%	71.5%	68.9%
Hispanic	8.6%	10.1%	10.6%
Black or African American	10.6%	9.6%	10.6%
Asian	1.9%	1.7%	2.9%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%
American Indian or Alaska Native	0.0%	0.0%	0.3%
Two or More Races	7.2%	7.0%	6.9%

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown, and students with other home languages are included in the Other Languages total.

Home Language	% of Students
English	95.3%
Spanish	2.6%
Other Languages	2.1%

Student Growth Trends and Progress

These graphs illustrate trends in student growth over the last three years. Student growth is measured by median student growth percentile. The table below tells us how student growth over the last three years compares to the state standard of 40-59.5 and to the statewide median.

ELA Median Student Growth Percentile

Math Median Student Growth Percentile

Performance Measure	2016-17 ELA	2017-18 ELA	2018-19 ELA	2016-17 Math	2017-18 Math	2018-19 Math
Median Student Growth Percentile	55	51	40	71	66.5	67.5
Met Standard (40-59.5)?	Met Standard	Met Standard	Met Standard	Exceeds Standard	Exceeds Standard	Exceeds Standard
Statewide: Median Student Growth Percentile	50	50	50	50	50	50

- ** Accountability calculations require 20 or more students
- N No Data is available to display
- † This indicates a table specific note, see note below table

Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)
Schoolwide	40	43	50	Met Standard	67.5	54	50	Exceeds Standard
White	37	44	50	Not Met	67	52	52	Exceeds Standard
Hispanic	44	49	49	**	71	59	47	**
Black or African American	43	40	45	Met Standard	65	52	43	Exceeds Standard
Asian, Native Hawaiian, or Pacific Islander	*	70.5	59	**	*	*	60	**

English Language Arts and Mathematics Performance Trends

These graphs show trends in the Proficiency Rate for Federal Accountability over the last three years. The data includes the results of students taking both the statewide assessment (NJSLA for 2018-19 and PARCC for 2016-17 and 2017-18) and the DLM alternate assessment. The Proficiency Rate for Federal Accountability measures the percentage of students that met or exceeded expectations on the assessments (NJSLA/PARCC or DLM) with an adjustment made if the participation rate is below 95% to ensure reporting on at least 95% of students. NJSLA/PARCC results include only students in grades 3 through 10. Students that were enrolled for less than half a school year are excluded from performance results. The table below provides participation rates, proficiency rates, annual targets and status in meeting the targets, and statewide proficiency rates.

ELA Proficiency Rate for Federal Accountability

Math Proficiency Rate for Federal Accountability

Performance Measure	2016-17 ELA	2017-18 ELA	2018-19 ELA	2016-17 Math	2017-18 Math	2018-19 Math
Participation Rate	95.6%	97.4%	98.6%	95.6%	97.4%	98.6%
Proficiency Rate for Federal Accountability	74.7%	74.7%	64.8%	80.8%	80.1%	82.9%
Annual Target	69.4%	69.9%	70.5%	76.2%	76.4%	76.6%
Met Annual Target?	Met Target	Met Target	Not Met	Met Goal	Met Goal	Met Goal
Statewide Proficiency Rate for Federal Accountability	54.9%	56.7%	57.9%	43.5%	45.0%	44.5%

English Language Arts Assessment - Participation and Performance

This table shows performance on statewide assessments for English Language Arts both overall and by student group. It includes the results of students taking both the NJSLA and DLM assessments. NJSLA results include only students in grades 3 through 10. Students that were enrolled for less than half a school year are excluded from performance results. A student is considered to have met or exceeded expectations if he/she scores at Level 4 or 5 on the NJSLA assessment or at Level 3 or 4 on the DLM assessment.

This table shows both the percentage of students that met or exceeded expectations and a proficiency rate used for federal accountability. The proficiency rate for federal accountability will be lower if the participation rate is below 95%. This table also shows progress towards meeting the state's long term goal of 80% proficiency by 2030. Annual targets are specific to each subgroup, school, and district and represent the expected proficiency needed to stay on track to meet the state's long term goal. Student groups where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see our [accountability resources](#).

Mathematics Assessment – Performance Trends

This graph shows the percentage of students who met or exceeded expectations on each grade level or end-of-course exam on the statewide assessment for Mathematics for the past three years. 2018-19 data is from the New Jersey Student Learning Assessment (NJSLA) and 2016-17 and 2017-18 data is from the PARCC assessment.

† 2018-19 results for Algebra I, Geometry, and Algebra II do not include students in grade 11, but 2016-17 and 2017-18 results do include students in grade 11. Therefore, trend data for these assessments may not be comparable.

DLM Alternate Assessment - Participation

This table shows the number of students taking the Dynamic Learning Maps (DLM) alternate assessment, which tests academic progress in English Language Arts (ELA) and Mathematics for students with different types of significant cognitive disabilities.

Grade	ELA: # Students Tested	Math: # Students Tested
3	N	N
4	*	*
5	*	*

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. A student's expected growth is based on the student's initial year proficiency level and student growth expectations are increased by equal intervals each year so that the student meets the proficiency cut score of 4.5 within five years. The table shows the annual target for the percentage of students making expected growth and whether that target was met.

Student Group	Percent of English Learners Making Expected Growth to Proficiency	2018-19 Target	Met Target?
Schoolwide/English Learners	*	*	*

† Target was met within one standard deviation

English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

Years in District	# Students Tested	% Students with Overall Score Below 4.5	% Students with Overall Score of 4.5 and above

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grades 5, 8, and 11 will take the NJSLA-Science assessment. Students receive a score of Level 1, 2, 3, or 4 where levels 3 and 4 represent proficiency. Visit the [NJSLA-Science website](#) for more information about NJSLA-S. These results do not include students that took the Dynamic Learning Maps (DLM) Science assessment, visit the [assessment reports page](#) for DLM results.

NJSLA Science Assessment: Grade 5 Summary

This table shows how students performed this year on the NJSLA Science assessment. Students scoring at Level 3 or 4 are considered proficient.

NJSLA Science Assessment: Grade 5

This table shows how students performed this year on the NJSLA Science assessment, both overall and by student group. Students scoring at Level 3 or 4 are considered proficient.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations. Students with fewer than 45 days in membership are excluded from attendance calculations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of Students Chronically Absent	Percent of Students Chronically Absent	State Average	Met State Average?
Schoolwide	15	3.9	7.7	Met
White	11	4.2	7.7	Met
Hispanic	1	2.5	7.7	Met

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), starting in 2017-18, which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. Comparing current data to data from 2016-17 and earlier could lead to inaccurate conclusions in many reporting categories.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	7
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	4
Total Unique Incidents	11
Incidents Per 100 Students Enrolled	2.90

Police Notifications

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	3
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	1	1
Religion	0	0	0
Ancestry	0	0	0
Gender	0	0	0
Sexual Orientation	0	0	0
Disability	1	1	2
Other	0	3	3
No Identified Nature	3		3

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	*	*
Out-of-School Suspensions	*	*
Any Suspension	12	3.2%
Removal to other education program	*	*
Expulsion	0	0.0%
Arrest	0	0.0%

School Days Missed
due to Out-of-School

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:15 AM
Typical End Time	3:05 PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	5 Hrs 50 Mins
Shared Time - Instructional Time	5 Hrs. 50 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3 through 10 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3 through 10. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio

Key terms for staff data:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Teachers – Experience

This table shows information about the experience of teachers assigned to this school and across the state. No teachers in New Jersey are teaching under emergency or provisional credentials as defined the United States Department of Education.

Category	Teachers in School	Teachers in State
Total Number of teachers	46	118,214
Average years experience in public schools	14.7	12.1
Average years experience in district	12.4	10.8
Percentage of Teachers with 4 or more years experience in the district	89.1%	75.3%

Administrators – Experience (District Level)

This table shows information about the experience of administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	7	9,530
Average years experience in public schools	18.9	16.0
Average years experience in district	8.4	12.0
Percentage of Administrators with 4 or more years experience in the district	85.7%	76.9%

Student and Staff Ratios

This table shows ratios of students and staff members in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Ratio	School Ratio	District Ratio
Students to Teachers	8:1	10:1
Students to Administrators	76:1	125:1
Teachers to Administrators	9:1	13:1
Students to Librarians/Media Specialists		N
Students to Nurses		291:1
Students to Counselors		218:1

Key terms for staff data:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by teachers and administrators. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Master's Degree

Doctoral Degree

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to this district in 2017-18 that were still assigned to this district in 2018-19. Staff who were not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2017-18 Teachers: Same district 2018-19	92.3%	90.5%
2017-18 Administrators: Same district 2018-19	100.0%	87.9%

Faculty Attendance

This table shows the percentage of days that faculty members were present during the school year. Approved professional days, personal days, staff training days, bereavement days, jury duty, and absences due to extended illness are not counted against days present, and faculty members on long-term leave or disability are excluded from this calculation.

School Year	% Days Present
2018-19	97.6%

Per-Pupil Expenditures by Source

The link below produces a table summarizing the most recently available expenses for regular and special education students taught at schools in the district. The amounts shown include expenditures for instruction, support services, administration, operations and maintenance, and extra-curricular activities.

For more information regarding this table please refer to the guidance for school level reporting, which is available on the [NJDOE webpage ESSA School Level Reporting Information](#). More in-depth information about district and charter school spending can be found in the [User Friendly Budget](#) and the [Comprehensive Annual Financial Report \(CAFR\) and Auditor Management Reports \(AMRs\)](#).

Please be aware that the total district expenditures represented in these reports are taken from audited district financial data, but the subsequent allocation of these resources to specific schools is not audited or otherwise verified by the New Jersey Department of Education. If you have specific questions about the assignment (or lack of assignment) of school-level amounts, please contact the district for additional information.

[Link to District Summary of 2018-19 School-Level Per Pupil Expenditures by Source.](#)

An option to [download all school-level summaries by district](#) in one spreadsheet is also available. However, because districts have flexibility in how certain costs are allocated to individual schools, school-level costs should not be compared between schools in different districts.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA).

Every three years (last identification in 2019, next identification in 2022), NJDOE will identify schools in the following three federal categories:

Comprehensive Support and Improvement - Overall Low Performing: Schools with a summative score in the bottom 5% of Title I schools.

Comprehensive Support and Improvement - Low Graduation Rate: High schools with a four-year graduation rate of 67% or less

Targeted Support and Improvement - Low Performing Student Group: Schools with one or more student group with a summative score that would be in the bottom 5% of Title I schools

Annually, NJDOE will identify schools in the following federal category:

Targeted Support and Improvement - Consistently Underperforming Student Group: Schools with one or more students group that missed annual targets or standards for all indicators for two years in a row

For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

ESSA Accountability Status

The table below provides the school's federal school status for the 2020-21 school year, the category (or reason) for identification, the year the school is eligible to exit status, and, if applicable, the student groups identified for support.

Status for 2020-21 School Year	Not in Status
Category of Identification	n/a
Year Eligible to Exit Status	n/a
Student Group Status: White	
Student Group Status: Hispanic	
Student Group Status: Black or African American	
Student Group Status: Asian, Native Hawaiian, or Pacific Islander	
Student Group Status: American Indian or Alaska Native	
Student Group Status: Two or More Races	
Student Group Status: Economically Disadvantaged Students	
Student Group Status: Students with Disabilities	
Student Group Status: English Learners	

† This flag is used if a school is identified for Comprehensive Support and Improvement, but one or more student groups met criteria for Targeted Support and Improvement.

ESSA Accountability Progress

The table below shows performance on each of New Jersey's ESSA accountability indicators for the last three years. ELA and Math Proficiency represent the percentage of students that met or exceeded expectations on statewide assessments (NJSLA/PARCC or DLM). ELA and Math Growth represent the median student growth percentile. Four- and five-year graduation rates represent the adjusted cohort graduation rates. Progress toward English Language Proficiency, which was first available in 2017-18, shows the percentage of English Learners that demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Chronic absenteeism represents the percentage of students that were absent for 10% or more of the days enrolled during the school year.

ESSA Accountability Indicator	2016-17	2017-18	2018-19
ELA Proficiency	74.7%	74.7%	64.8%
Math Proficiency	80.8%	80.1%	82.9%
ELA Growth	55	51	40
Math Growth	71	66	68
4-Year Graduation Rate†	N	N	N
5-Year Graduation Rate†	N	N	N
Progress toward English Language Proficiency		*	*
Chronic Absenteeism	2.2%	3.1%	3.9%

† This table shows 2018-19 graduation data for reference, but 2017-18 graduation data is used for accountability calculations for 2018-19.

Accountability Indicator Scores and Summative Ratings - 2018-19 School Year

New Jersey developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement every three years. During the three-year federal status period, schools receive additional resources and support. NJDOE will next identify schools for Comprehensive Support and Improvement in 2022.

This year accountability indicator scores and summative ratings are not used to identify schools for Comprehensive Support and Improvement, so these data are not included in the School Performance Reports. Review the previous two pages to see a school's current status, in the ESSA Accountability Status table, and to monitor a school's school progress on each accountability indicator over the last three years using the new ESSA Accountability Progress table.

Accountability Summary by Student Group - 2018-19 School Year

This table shows whether student groups in this school met annual ESSA accountability targets and standards for each indicator. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16 or the first year data was available. The standard for student growth is a median student growth percentile of 40-59.5. The target for chronic absenteeism is the statewide chronic absenteeism rate based on students enrolled in the grades served by the school. For more details on accountability targets, see these [accountability resources](#).

The accountability system will not be used to identify schools for Targeted Support and Improvement – Low Performing Student Group for 2018-19, so student group summative scores are not included in this table this year.

Student Group	ELA Proficiency: Met Annual Target	Math Proficiency: Met Annual Target	ELA Student Growth: Met Standard	Math Student Growth: Met Standard	Progress Towards English Language Proficiency: Met Annual Target	Chronic Absenteeism: Met State Average	Requires Targeted Support: Consistently Underperforming Student Group - 2017-18

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Highlights:

- Curriculum includes enVision Math 2.0, ELA with Being a Writer and Reader and Words in Action, and Science Dimensions
- 1:1 Chromebook Initiative for technology integration in all subject areas
- Positive Behavior Support In Schools Initiative promoting Safety, Kindness, Respect and Responsibility

Mission, Vision, Theme:

In LTSD, we strive for excellence in education through equitable access by creating a safe, supportive, & positive learning environment. We celebrate & promote diversity to enhance our school community. We recognize that every child is capable of learning. We encourage students to take educational risks by providing thought-provoking & engaging opportunities. These core values will empower our students to become life-long learners & productive citizens in an ever-changing global society.

Awards, Recognition, Accomplishments:

According to NJSLA results for 2019, Logan Elementary School continues to perform above the State's level of proficiency in both ELA and Math.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Courses, Curriculum, Instruction:

The LTSD curriculum is rigorous, designed to meet the needs of all students, and is aligned with the NJ Student Learning Standards. Small group instruction and the workshop model are the primary instructional models implemented in ELA and math classes. Strong emphasis is placed on the Balanced Literacy approach incorporating programs such as: Being a Reader and Writer, Words in Action, Phonics First & Leveled Literacy. Our mathematics resource is enVision Math 2.0.

Clubs and Activities:

Instrumental music lessons, band, and choir are offered to all 4th and 5th graders. The following after school clubs are provided: Art Club, Board Games, Girls Can Be Superheros, Drama Club, Excel Club for ELA & Math, Intramural Sports, Kickball, Math Enrichment, World Music Club, ST Math/Study Island, and Fact Fluency. Junior Student Council promotes two community service projects each year.

Staff and Professional Learning:

LES staff is offered a number of professional learning opportunities throughout the year with a heavy emphasis on creating equity for all students. Engaging activities are used to help staff investigate areas of hidden bias in our world. Staff had the opportunity to participate in a series of mindfulness workshops which provided teachers with strategies to enhance their classrooms and the social and emotional well-being of the students. In addition, through PLCs subject area colleagues are working toward aligning their assessments to the scales used to gauge student achievement so that there are clear, rigorous standards for all.

 <p>Student Supports and Services:</p>	<p>LES strives to ensure all students' academic, social and emotional needs are being met through a host of support services. These programs include: ELL, ELA and Math Intervention, Gifted and Talented, and Special Education. Two part-time school counselors provide individual, small group, and whole class instruction and/or counseling to support social/emotional development of students. RTI and I&RS processes are in place.</p>
 <p>Student Health and Wellness:</p>	<p>Wellness policies promote health and physical well-being. Students have the opportunity to purchase breakfast before starting classes each day. This meal is served in a central location to the building while lunch is served in a traditional cafeteria. All students have a PE period two times per week and participate in daily recess activities. Health education topics are incorporated through the PE classes.</p>
 <p>Parent and Community Involvement:</p>	<p>The Home and School League supports the district in many ways. They provide funding for school wide activities, volunteer in the school, and host school community events. SEPAC meets regularly and provides support for parents/guardians of students with IEP and/or 504 plans. LES hosts a family literacy and math night each year and invites parents to participate in PBSIS events and Veterans Day celebrations. Parents gain access to students' academic records through the ALMA Parent Portal.</p>

Facilities:

LES is fortunate to have all classrooms equipped with a SmartBoard/Promethean Board and adequate wireless bandwidth to support the use of Google Apps for Education. Security features restrict access into the instructional portion of the building without direct permission from the main office. All instructional areas of the building are now air-conditioned and most lighting is motion activated to save on utilities.

Technology and STEM:

LES has a one-to-one Chromebook initiative in grades 2-5. Students participate in various digital programs including: ST Math, EnVisions, and other personalized digital programs. Students in grades 2-5 are enrolled in technology class each week and are also offered STEM opportunities. During these classes, students learn the Google Suite and are provided with coding opportunities.

Other Information

In addition to a rigorous academic curriculum, students participate in weekly classes in the special areas of art, music, physical education, and technology. These 50-minute classes promote active engagement in lessons and projects that enable the students to delve deeper and further develop their understanding of these content areas. Another area of excellence includes the district's many years of experience in teaching World Languages. Our World Language-certified teachers offer students Spanish and Italian. Students in grades K-2 receive Italian instruction and students in grades 3-5 are exposed to Spanish instruction. When students reach the Middle School, they revisit both languages and in eighth grade select a preference for one of the languages. Another focal point of the school's program is S.T.E.M. (Science, Technology, Engineering and Math) education. During the year, students in grades 3-5 have S.T.E.M. and technology classes. Both classes focus on independent thinking, problem solving, and creativity, by integrating science, technology, engineering and math to design, build and test a device, theory, or product. Character Education is embedded in our curriculum using the Second Step program in grades 2-5 and is supported with our Positive Behavior Support in Schools (PBSIS) program. PBSIS has proven to be an effective method for enhancing students' social-behavioral skills and creating a more positive school climate. In Logan Township Elementary School, We "PAWS" to be... Safe, Responsible, Respectful and Kind.

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Any students enrolled outside of the grades offered will be included in the total enrollment.

Grade	2016-17	2017-18	2018-19
6	74	82	72
7	88	79	82
8	89	86	82
Total	251	247	236

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years.

Student Group	2016-17	2017-18	2018-19
Female	48.6%	46.2%	45.8%
Male	51.4%	53.8%	54.2%
Economically Disadvantaged Students	16.7%	15.0%	15.7%
Students with Disabilities	13.1%	15.8%	13.6%
English Learners	0.0%	0.0%	0.0%
Homeless Students	0.8%	0.4%	0.4%
Students in Foster Care	0.0%	0.4%	0.0%
Military-Connected Students	0.0%	0.0%	0.0%
Migrant Students	0.0%	0.0%	0.0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group for the past three school years.

Racial and Ethnic Group	2016-17	2017-18	2018-19
White	71.3%	70.0%	72.9%
Hispanic	8.4%	8.5%	7.6%
Black or African American	10.8%	8.5%	7.6%
Asian	2.8%	4.5%	4.2%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%
American Indian or Alaska Native	0.0%	0.0%	0.0%
Two or More Races	6.8%	8.5%	7.6%

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown, and students with other home languages are included in the Other Languages total.

Home Language	% of Students
English	94.5%
Turkish	1.3%
Spanish	1.3%
Other Languages	3.0%

Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)
Schoolwide	46	43	50	Met Standard	33.5	54	50	Not Met

- † This indicates a table specific note, see note below table

Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth by Performance Level

These graphs show the percentage of students by 2017-18 statewide assessment performance level that fall into each of the three levels of growth based on their 2018-19 statewide assessment growth.

Student Growth by Grade

These graphs show the median Student Growth Percentile for students in each grade.

English Language Arts and Mathematics Performance Trends

These graphs show trends in the Proficiency Rate for Federal Accountability over the last three years. The data includes the results of students taking both the statewide assessment (NJSLA for 2018-19 and PARCC for 2016-17 and 2017-18) and the DLM alternate assessment. The Proficiency Rate for Federal Accountability measures the percentage of students that met or exceeded expectations on the assessments (NJSLA/PARCC or DLM) with an adjustment made if the participation rate is below 95% to ensure reporting on at least 95% of students. NJSLA/PARCC results include only students in grades 3 through 10. Students that were enrolled for less than half a school year are excluded from performance results. The table below provides participation rates, proficiency rates, annual targets and status in meeting the targets, and statewide proficiency rates.

ELA Proficiency Rate for Federal Accountability

Math Proficiency Rate for Federal Accountability

Performance Measure	2016-17 ELA	2017-18 ELA	2018-19 ELA	2016-17 Math	2017-18 Math	2018-19 Math
Participation Rate	97.6%	97.2%	98.3%	98.0%	97.2%	98.3%
Proficiency Rate for Federal Accountability	73.6%	74.3%	70.2%	53.2%	62.1%	63.0%

English Language Arts Assessment - Participation and Performance

This table shows performance on statewide assessments for English Language Arts both overall and by student group. It includes the results of students taking both the NJSLA and DLM assessments. NJSLA results include only students in grades 3 through 10. Students that were enrolled for less than half a school year are excluded from performance results. A student is considered to have met or exceeded expectations if he/she scores at Level 4 or 5 on the NJSLA assessment or at Level 3 or 4 on the DLM assessment.

This table shows both the percentage of students that met or exceeded expectations and a proficiency rate used for federal accountability. The proficiency rate for federal accountability will be lower if the participation rate is below 95%. This table also shows progress towards meeting the state's long term goal of 80% proficiency by 2030. Annual targets are specific to each subgroup, school, and district and represent the expected proficiency needed to stay on track to meet the state's long term goal. Student groups where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see our [accountability resources](#).

DLM Alternate Assessment - Participation

This table shows the number of students taking the Dynamic Learning Maps (DLM) alternate assessment, which tests academic progress in English Language Arts (ELA) and Mathematics for students with different types of significant cognitive disabilities.

Grade	ELA: # Students Tested	Math: # Students Tested
6	*	*
7	*	*
8	*	*

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. A student's expected growth is based on the student's initial year proficiency level and student growth expectations are increased by equal intervals each year so that the student meets the proficiency cut score of 4.5 within five years. The table shows the annual target for the percentage of students making expected growth and whether that target was met.

Student Group	Percent of English Learners Making Expected Growth to Proficiency	2018-19 Target	Met Target?
Schoolwide/English Learners	N	N	N

† Target was met within one standard deviation

English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

Years in District	# Students Tested	% Students with Overall Score Below 4.5	% Students with Overall Score of 4.5 and above
0-2	N	N	N
3-4	N	N	N
5 or more	N	N	N

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grades 5, 8, and 11 will take the NJSLA-Science assessment. Students receive a score of Level 1, 2, 3, or 4 where levels 3 and 4 represent proficiency. Visit the [NJSLA-Science website](#) for more information about NJSLA-S. These results do not include students that took the Dynamic Learning Maps (DLM) Science assessment, visit the [assessment reports page](#) for DLM results.

NJSLA Science Assessment: Grade 8 Summary

This table shows how students performed this year on the NJSLA Science assessment. Students scoring at Level 3 or 4 are considered proficient.

NJSLA Science Assessment: Grade 8

This table shows how students performed this year on the NJSLA Science assessment, both overall and by student group. Students scoring at Level 3 or 4 are considered proficient.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations. Students with fewer than 45 days in membership are excluded from attendance calculations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of Students Chronically Absent	Percent of Students Chronically Absent	State Average	Met State Average?
Schoolwide	11	4.6	9.1	Met
White	8	4.6	9.1	Met
Hispanic	1	5.3	**	**
Black or African American	0	0	**	**
Asian, Native Hawaiian, or Pacific	1	10.0	**	**

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), starting in 2017-18, which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. Comparing current data to data from 2016-17 and earlier could lead to inaccurate conclusions in many reporting categories.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	3
Weapons	0
Vandalism	1
Substances	0
Harassment, Intimidation, Bullying (HIB)	5
Total Unique Incidents	9
Incidents Per 100 Students Enrolled	3.81

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	2	2
Religion	0	0	0
Ancestry	0	0	0
Gender	0	1	1
Sexual Orientation	0	0	0
Disability	0	0	0
Other	1	2	3
No Identified Nature	1		1

Police Notifications

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	0
Weapons	0
Vandalism	1
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	18	7.6%
Out-of-School Suspensions	12	5.1%
Any Suspension	25	10.6%
Removal to other education program	0	0.0%
Expulsion	0	0.0%
Arrest	0	0.0%

School Days Missed due to Out-of-School Suspensions

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:15 AM
Typical End Time	3:05 PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	6 Hrs 15 Mins
Shared Time - Instructional Time	6 Hrs. 15 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3 through 10 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3 through 10. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio

Key terms for staff data:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Teachers – Experience

This table shows information about the experience of teachers assigned to this school and across the state. No teachers in New Jersey are teaching under emergency or provisional credentials as defined the United States Department of Education.

Category	Teachers in School	Teachers in State
Total Number of teachers	33	118,214
Average years experience in public schools	13.5	12.1
Average years experience in district	11.5	10.8
Percentage of Teachers with 4 or more years experience in the district	69.7%	75.3%

Administrators – Experience (District Level)

This table shows information about the experience of administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	7	9,530
Average years experience in public schools	18.9	16.0
Average years experience in district	8.4	12.0
Percentage of Administrators with 4 or more years experience in the district	85.7%	76.9%

Student and Staff Ratios

This table shows ratios of students and staff members in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Ratio	School Ratio	District Ratio
Students to Teachers	7:1	10:1
Students to Administrators	47:1	125:1
Teachers to Administrators	7:1	13:1
Students to Librarians/Media Specialists		N
Students to Nurses		291:1

Per-Pupil Expenditures by Source

The link below produces a table summarizing the most recently available expenses for regular and special education students taught at schools in the district. The amounts shown include expenditures for instruction, support services, administration, operations and maintenance, and extra-curricular activities.

For more information regarding this table please refer to the guidance for school level reporting, which is available on the [NJDOE webpage ESSA School Level Reporting Information](#). More in-depth information about district and charter school spending can be found in the [User Friendly Budget](#) and the [Comprehensive Annual Financial Report \(CAFR\) and Auditor Management Reports \(AMRs\)](#).

Please be aware that the total district expenditures represented in these reports are taken from audited district financial data, but the subsequent allocation of these resources to specific schools is not audited or otherwise verified by the New Jersey Department of Education. If you have specific questions about the assignment (or lack of assignment) of school-level amounts, please contact the district for additional information.

[Link to District Summary of 2018-19 School-Level Per Pupil Expenditures by Source.](#)

An option to [download all school-level summaries by district](#) in one spreadsheet is also available. However, because districts have flexibility in how certain costs are allocated to individual schools, school-level costs should not be compared between schools in different districts.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA).

Every three years (last identification in 2019, next identification in 2022), NJDOE will identify schools in the following three federal categories:

Comprehensive Support and Improvement - Overall Low Performing: Schools with a summative score in the bottom 5% of Title I schools.

Comprehensive Support and Improvement - Low Graduation Rate: High schools with a four-year graduation rate of 67% or less

Targeted Support and Improvement - Low Performing Student Group: Schools with one or more student group with a summative score that would be in the bottom 5% of Title I schools

Annually, NJDOE will identify schools in the following federal category:

Targeted Support and Improvement - Consistently Underperforming Student Group: Schools with one or more students group that missed annual targets or standards for all indicators for two years in a row

For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

ESSA Accountability Status

The table below provides the school's federal school status for the 2020-21 school year, the category (or reason) for identification, the year the school is eligible to exit status, and, if applicable, the student groups identified for support.

Status for 2020-21 School Year	Not in Status
Category of Identification	n/a
Year Eligible to Exit Status	n/a
Student Group Status: White	
Student Group Status: Hispanic	
Student Group Status: Black or African American	
Student Group Status: Asian, Native Hawaiian, or Pacific Islander	
Student Group Status: American Indian or Alaska Native	
Student Group Status: Two or More Races	
Student Group Status: Economically Disadvantaged Students	
Student Group Status: Students with Disabilities	
Student Group Status: English Learners	

† This flag is used if a school is identified for Comprehensive Support and Improvement, but one or more student groups met criteria for Targeted Support and Improvement.

ESSA Accountability Progress

The table below shows performance on each of New Jersey's ESSA accountability indicators for the last three years. ELA and Math Proficiency represent the percentage of students that met or exceeded expectations on statewide assessments (NJSLA/PARCC or DLM). ELA and Math Growth represent the median student growth percentile. Four- and five-year graduation rates represent the adjusted cohort graduation rates. Progress toward English Language Proficiency, which was first available in 2017-18, shows the percentage of English Learners that demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Chronic absenteeism represents the percentage of students that were absent for 10% or more of the days enrolled during the school year.

ESSA Accountability Indicator	2016-17	2017-18	2018-19
ELA Proficiency	73.6%	74.3%	70.2%
Math Proficiency	53.2%	62.1%	63.0%
ELA Growth	61	51	46
Math Growth	40	38	34
4-Year Graduation Rate†	N	N	N
5-Year Graduation Rate†	N	N	N
Progress toward English Language Proficiency		*	N
Chronic Absenteeism	5.1%	3.6%	4.6%

† This table shows 2018-19 graduation data for reference, but 2017-18 graduation data is used for accountability calculations for 2018-19.

Accountability Indicator Scores and Summative Ratings - 2018-19 School Year

New Jersey developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement every three years. During the three-year federal status period, schools receive additional resources and support. NJDOE will next identify schools for Comprehensive Support and Improvement in 2022.

This year accountability indicator scores and summative ratings are not used to identify schools for Comprehensive Support and Improvement, so these data are not included in the School Performance Reports. Review the previous two pages to see a school's current status, in the ESSA Accountability Status table, and to monitor a school's school progress on each accountability indicator over the last three years using the new ESSA Accountability Progress table.

Accountability Summary by Student Group - 2018-19 School Year

This table shows whether student groups in this school met annual ESSA accountability targets and standards for each indicator. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16 or the first year data was available. The standard for student growth is a median student growth percentile of 40-59.5. The target for chronic absenteeism is the statewide chronic absenteeism rate based on students enrolled in the grades served by the school. For more details on accountability targets, see these [accountability resources](#).

The accountability system will not be used to identify schools for Targeted Support and Improvement – Low Performing Student Group for 2018-19, so student group summative scores are not included in this table this year.

Student Group	ELA Proficiency: Met Annual Target	Math Proficiency: Met Annual Target	ELA Student Growth: Met Standard	Math Student Growth: Met Standard	Progress Towards English Language Proficiency: Met Annual Target	Chronic Absenteeism: Met State Average	Requires Targeted Support: Consistently Underperforming Student Group - 2017-18

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Highlights:

- Rigorous academic curriculum using Big Ideas for Math, Reader's & Writer's Workshop, TeachTCl for Social Studies & StemScopes for Science
- Over 65 students involved in pre-engineering or world language classes before and after school
- Positive Behavior Support in Schools (PBSIS) and Stand Up, Say No anti-bullying curriculum

Mission, Vision, Theme:

In LTSD, we strive for excellence in education through equitable access by creating a safe, supportive, & positive learning environment. We celebrate & promote diversity to enhance our school community. We recognize that every child is capable of learning. We encourage students to take educational risks by providing thought-provoking & engaging opportunities. These core values will empower our students to become life-long learners & productive citizens in an ever-changing global society.

Awards, Recognition, Accomplishments:

Our staff and students have worked diligently to achieve some of the highest standardized scores in both ELA and Mathematics in the South Jersey area. We are very proud of this accomplishment. In addition, our middle school student council has earned the prestigious Standards of Excellence award from NJ Association of Student Councils along with being named an Honor School and Community Smiles winner.

 <p>Courses, Curriculum, Instruction:</p>	<p>Logan Middle School heterogeneously groups students in all classes except mathematics in grades 7 and 8 where pre-algebra and Algebra are offered. Almost all textbooks are online including mathematics (Big Ideas), science (Stemscopes), and Social Studies (Teach TCI) making the home-school connection stronger than ever before. G&T classes are offered in multiple areas with choice offered as much as possible.</p>
 <p>Clubs and Activities:</p>	<p>After school clubs and activities are a strong part of the LMS culture. Band and choir opportunities are offered 3 days a week with concerts twice a year. In addition, from December to early April, all students have the opportunity to try out for the school play in both on and off stage capacities. Weekly after school offerings exist in areas such as Student Council, fitness, student voice, art, academic assistance, and intra-mural sports. In an effort to support our initiative of equity for all, we continue to offer a GSA club for middle school students. These offerings allow all students to feel included at Logan Middle School.</p>

If there are questions about the information provided in the narrative section, please contact the school or district directly.

Before and After School Programs:

Logan Middle School offers a pre-engineering course for 7th graders with a section before school and after school. These students work all year to develop the skills necessary to allow them to design a kayak that they take to a local lake to use. In 8th grade, students may take a pre-engineering or world language class before school. Both Italian 1 and Spanish 1 are offered with many students moving on to take the second level course in high school as freshman. These courses serve over 85 students daily.

Staff and Professional Learning:

LMS staff is offered a number of professional learning opportunities throughout the year with a heavy emphasis on creating equity for all students. Engaging activities are used to help staff investigate areas of hidden bias in our world. In addition, subject area peers are working toward aligning their assessments to the scales used to gauge student achievement so that there are clear, rigorous standards for all.

 <p>Student Supports and Services:</p>	<p>LMS has the advantage of having a full time school counselor available to our students throughout the day. In addition to seeing students individually and in small groups to foster strong social-emotional growth, this staff member heads the I&RS team to develop plans for students who are at-risk. Two intererventionists support at-risk students in ELA and Math. A full time CST is available for consultation as well and a G&T Teacher provides instruction for high achieving students.</p>
 <p>Student Health and Wellness:</p>	<p>The health and wellness of all students is a priority at Logan Middle School. Students have the opportunity to purchase breakfast before starting classes each day. This meal is served in a central location to the building while lunch is served in a traditional cafeteria. All middle school students have a PE period multiple times per week and participate in a wide variety of activities including team sports, physical fitness, and yoga. One period a week is dedicated to health education with a substantial list of topics at each grade level. These classes are taught by certified Health and PE teachers. In addition, our full-time school counselor heads our school's PBSIS team who works diligently to create a positive environment for all members of our school community. The school counselor is also available to all students in both group and individual settings to address the wide range of socio-emotional issues facing today's youth.</p>
 <p>Parent and Community Involvement:</p>	<p>Our school is supported by a generous Home and School League which raises funds for various school events including special assemblies and field trips. A very active Special Education Parent Advisory Committee (SEPAC) has emerged in recent years as well. In addition, all parents have the necessary access to keep abreast of school happenings via the school website, regular email blasts, Twitter, and School Messenger sutomated phone calls. The ALMA parent portal allows access to student's grades and allows for all progress reports and report cards to be sent home electronically.</p>

Other Information

Logan Middle School (LMS) has experienced a great deal of student success due to our laser-like focus on protecting instructional time and excellent professional learning opportunities for our teachers. All students receive 125 minutes of English Language Arts instruction per day. This block includes the components of Reader's and Writer's Workshop & Word Study with the express intent of engaging students in a variety of genres allowing students to respond to a wide range of texts presenting various ideas and perspectives. Math instruction occurs in a 75 minute block with heterogeneous classes in grade 6 working toward the rigorous grade level goals using Big Ideas. The majority of 7th & 8th grade students work toward grade level goals using Big Ideas as well, while other 7th & 8th graders, who meet rigorous criteria, have the opportunity to take pre-algebra or algebra. Science & Social Studies classes are both 75 minutes in length and operate on a semester schedule. All students also have a PE block each day with multiple days of PE and one day of health. Sixth and seventh grade students' special area block rotates through Art, Music, 2 STEM classes and World Language (36 days each for 50 minutes at a time). In eighth grade, there are many more options. Eighth grade students self select two semester-based classes that meet their individual strengths and goals. All of these special area classes demonstrate Logan's commitment to educating the whole child. The use of technology is a pre-requisite for any career in the 21st Century and beyond. LMS is committed to enabling students to be prepared for full participation in this environment. All students in LMS have a chromebook available for their personal use throughout the entire instructional day. These devices afford students the opportunity to research the most current information in a safe, monitored environment, allowing them to solidify their 21st Century skills

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Any students enrolled outside of the grades offered will be included in the total enrollment.

Grade	2016-17	2017-18	2018-19
PK	61	64	94
KG	85	89	72
1	86	83	91
Total	232	236	257

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years.

Student Group	2016-17	2017-18	2018-19
Female	47.8%	46.2%	47.9%
Male	52.2%	53.8%	52.1%
Economically Disadvantaged Students	22.4%	17.4%	17.9%
Students with Disabilities	12.9%	15.7%	16.0%
English Learners	0.0%	0.0%	0.0%
Homeless Students	0.9%	0.8%	0.4%
Students in Foster Care	1.3%	0.8%	0.4%
Military-Connected Students	0.0%	0.0%	0.0%
Migrant Students	0.0%	0.0%	0.0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group for the past three school years.

Racial and Ethnic Group	2016-17	2017-18	2018-19
White	73.7%	78.4%	74.7%
Hispanic	7.8%	6.8%	9.7%
Black or African American	7.3%	5.1%	6.6%
Asian	3.4%	4.2%	2.7%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%
American Indian or Alaska Native	0.0%	0.0%	0.4%
Two or More Races	7.8%	5.5%	5.8%

Enrollment Trends by Full/Half Day PK and KG

This table shows number of students in full day and half day Pre-Kindergarten (PK) and Kindergarten (KG) for the past three school years.

Grade	2016-17	2017-18	2018-19
PK - Half Day	61	11	1
PK - Full Day	0	53	93
KG - Half Day	0	0	0
KG - Full Day	85	89	72

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown, and students with other home languages are included in the Other Languages total.

Home Language	% of Students
English	95.3%
Spanish	2.3%
Other Languages	2.3%

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language Proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

Student Group	Percent of English Learners Making Expected Growth to Proficiency	2017-18 Target	Met Target?
Schoolwide/English Learners	N	N	N

English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

Years in District	# Students Tested	% Students with Overall Score Below 4.5	% Students with Overall Score of 4.5 and above

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations. Students with fewer than 45 days in membership are excluded from attendance calculations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of Students Chronically Absent	Percent of Students Chronically Absent	State Average	Met State Average?
Schoolwide	5	3.1	11.4	Met
White	4	3.2	11.4	Met
Hispanic	1	7.1	**	**
Black or African American	*	*	**	**

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations. Students with fewer than 45 days in membership are excluded from attendance calculations.

Chronic Absenteeism by Grade

This graph shows the percentage of students by grade level who were chronically absent during the school year.

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), starting in 2017-18, which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. Comparing current data to data from 2016-17 and earlier could lead to inaccurate conclusions in many reporting categories.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	N
Weapons	N
Vandalism	N
Substances	N
Harassment, Intimidation, Bullying (HIB)	N
Total Unique Incidents	N
Incidents Per 100 Students Enrolled	N

Police Notifications

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	N
Weapons	N
Vandalism	N
Substances	N
Harassment, Intimidation, Bullying (HIB)	N
Other Incidents Leading to Removal	N

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	N	N	N
Religion	N	N	N
Ancestry	N	N	N
Gender	N	N	N
Sexual Orientation	N	N	N
Disability	N	N	N
Other	N	N	N
No Identified Nature	N		N

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	N	N
Out-of-School Suspensions	N	N
Any Suspension	N	N
Removal to other education program	N	N
Expulsion	N	N
Arrest	N	N

School Days Missed due to Out-of-School Suspensions
N

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:40 AM
Typical End Time	3:30 PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	5 Hrs 45 Mins
Shared Time - Instructional Time	5 Hrs. 45 Mins.

Key terms for staff data:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Teachers – Experience

This table shows information about the experience of teachers assigned to this school and across the state. No teachers in New Jersey are teaching under emergency or provisional credentials as defined the United States Department of Education.

Category	Teachers in School	Teachers in State
Total Number of teachers	26	118,214
Average years experience in public schools	9.7	12.1
Average years experience in district	7.3	10.8
Percentage of Teachers with 4 or more years experience in the district	73.1%	75.3%

Administrators – Experience (District Level)

This table shows information about the experience of administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	7	9,530
Average years experience in public schools	18.9	16.0
Average years experience in district	8.4	12.0
Percentage of Administrators with 4 or more years experience in the district	85.7%	76.9%

Student and Staff Ratios

This table shows ratios of students and staff members in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Ratio	School Ratio	District Ratio
Students to Teachers	10:1	10:1
Students to Administrators	51:1	125:1
Teachers to Administrators	5:1	13:1
Students to Librarians/Media Specialists		N
Students to Nurses		291:1
Students to Counselors		218:1
Students to Child Study Team Members		291:1

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by teachers and administrators. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Master's Degree

Doctoral Degree

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to this district in 2017-18 that were still assigned to this district in 2018-19. Staff who were not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2017-18 Teachers: Same district 2018-19	92.3%	90.5%
2017-18 Administrators: Same district 2018-19	100.0%	87.9%

Faculty Attendance

This table shows the percentage of days that faculty members were present during the school year. Approved professional days, personal days, staff training days, bereavement days, jury duty, and absences due to extended illness are not counted against days present, and faculty members on long-term leave or disability are excluded from this calculation.

School Year	% Days Present

Per-Pupil Expenditures by Source

The link below produces a table summarizing the most recently available expenses for regular and special education students taught at schools in the district. The amounts shown include expenditures for instruction, support services, administration, operations and maintenance, and extra-curricular activities.

For more information regarding this table please refer to the guidance for school level reporting, which is available on the [NJDOE webpage ESSA School Level Reporting Information](#). More in-depth information about district and charter school spending can be found in the [User Friendly Budget](#) and the [Comprehensive Annual Financial Report \(CAFR\) and Auditor Management Reports \(AMRs\)](#).

Please be aware that the total district expenditures represented in these reports are taken from audited district financial data, but the subsequent allocation of these resources to specific schools is not audited or otherwise verified by the New Jersey Department of Education. If you have specific questions about the assignment (or lack of assignment) of school-level amounts, please contact the district for additional information.

[Link to District Summary of 2018-19 School-Level Per Pupil Expenditures by Source.](#)

An option to [download all school-level summaries by district](#) in one spreadsheet is also available. However, because districts have flexibility in how certain costs are allocated to individual schools, school-level costs should not be compared between schools in different districts.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Highlights:

- Positive Behavior Support in Schools is a school wide system which focus on consistent expectations for all students.
- Center Square School provides a free full day quality Prekindergarten and utilizes the state approved HighScope Curriculum.
- Students are provided with daily small group/differentiated instruction in Literacy, Writing, Mathematics and Science.

Mission, Vision, Theme:

In LTSD, we strive for excellence in education through equitable access by creating a safe, supportive, & positive learning environment. We celebrate & promote diversity to enhance our school community. We recognize that every child is capable of learning. We encourage students to take educational risks by providing thought-provoking & engaging opportunities. These core values will empower our students to become life-long learners & productive citizens in an ever-changing global society.

Awards, Recognition, Accomplishments:

Center Square School has been recognized as a Showcase School by the New Jersey Positive Behavior Support in Schools Organization(NJPBSIS). NJPBSIS is a collaboration between the New Jersey Department of Education Offices of Special Education and The Boggs Center, Rutgers Robert Wood Johnson Medical School.

 <p>Courses, Curriculum, Instruction:</p>	<p>CSS utilizes the New Jersey Student Learning Standards for all subject areas in K and 1st Grade. The Being a Reader & Writer Program, Envisions Mathematics Program and Science Dimensions Program are used in K and 1st Grade. There is a focus on daily small group and differentiated instruction in all subject areas. Our full day Prekindergarten program uses the New Jersey Preschool Teaching and Learning Standards and HighScope Curriculum which emphasizes active participatory learning.</p>
 <p>Clubs and Activities:</p>	<p>Center Square School offers afterschool clubs for K and 1st Grade students beginning in the month of January. The afterschool clubs include: Technology, Art, Cooking and Sports. The students are excited to participate in the afterschool clubs and this provides another opportunity for students to interact with peers and staff.</p>

 <p>Student Supports and Services:</p>	<p>At CSS, identified students in K and 1st receive Basic Skills Instruction in Reading and Math by Interventionists. ELL students receive support through the ELL Teacher. CSS utilizes Intervention & Referral Services for K and 1st Grade students and the Preschool Intervention and Referral Team (PIRT) for Prekindergarten students who need additional support.</p>
 <p>Student Health and Wellness:</p>	<p>LTSD has a Wellness & Nutrition Policy which includes guidelines for snacks & celebration foods that are provided from home. Foods with sugar as its first ingredient are not allowed. Fruits & vegetables, as well as low fat, low-sugar snacks are preferred. All K & 1st Grade students receive Physical Education/Health 2 days in a Day 1-5 Cycle & participate in recess on a daily basis. Our Prekindergarten students receive 2 daily outside play times. CSS has a daily breakfast/lunch program.</p>
 <p>Parent and Community Involvement:</p>	<p>CSS has an active Home & School League which engages in fundraising for various activities. CSS has a volunteer organization that provides support to teachers in and outside of the classroom. CSS has a full time school counselor who provides individual & group counseling for students as well as parent workshops. CSS offers a multicultural night which allows parents & students the opportunity to learn about other languages and countries. We have an active partnership with the local library.</p>

Other Information

CSS is a Prek-1st Grade building. CSS recognizes the importance of diversity. The students in K and 1st Grade have a weekly Italian Language lesson. The Italian lessons focus on the culture and customs of Italy. Kindergarten and First Grade students are exposed to the following special areas: Art, Music, Technology and Physical Education. All classrooms are equipped with Smartboards or Promethean Boards. Each K and 1st Grade classroom has 6 chromebooks and 6 ipads. PBIS is an essential component of CSS. PBIS is instrumental in creating a positive school climate and school focuses on teaching students to be: Safe, Kind, Respectful, Responsible, The Best We Can Be! Students are recognized for meeting the expectations in various environments through receiving verbal praise, "PAWS" tickets, selecting a prize from the treasure box and school wide activities. All staff members are encouraged to distribute "PAWS" tickets to students. The CSS community which includes students, parents, teachers, administration and township citizens proudly share in the achievement and development of all of our students.
