

13:70-29.6 Also eligible list

If the entries in an overnight race exceed the acceptable number, as many as six of those that have not been drawn shall also be listed on the entry sheet as "also eligible" to start. After any horses in the body of the race have been excused at scratch time, a new drawing shall be taken from horses on the also-eligible list, and their order of post position shall be determined by the sequence in which they are drawn. The owner or trainer of any horse on the also-eligible list who does not wish to start shall so notify the racing secretary prior to scratch time on the day of the race.

13:70-29.7 Dissemination of racing information

The Racing Commission may in its discretion agree not to make available and direct the track associations not to make available to outside sources, information such as the name of jockeys, scratches, substitute races, track conditions, whether races are to be run on the turf or regular course, morning line information, equipment changes, weight and any other information it may deem advisable, in order to curtail the illegal activities of bookmakers and to prevent other states from using the results of races run in New Jersey as part of such other state's off-track betting scheme.

13:70-29.8 Odds board

Each association must maintain an approximate odds board for the purpose of informing the public of the actual wagering on each horse as disclosed by an accurate take-off of the straight pool at the time such odds are posted, and also a final line or flash after the close of wagering, which shall show the final odds on each horse before the finish of the race. (No quotation or line shall exceed a total of 129 percent.)

As amended, R.1979 d.274, effective July 18, 1979.
See: 11 N.J.R. 296(b), 11 N.J.R. 401(b).

13:70-29.9 Lines

A copy of the opening line and all additional lines of odds, with percentages figured, as well as amounts of money wagered in the straight pool on each horse at the time each additional line of odds is posted, including the final line, shall be furnished and delivered by the association, immediately following each race, to the supervisor of mutuels duly appointed by the Racing Commission, as its representative in the mutuel department, under authority of the racing law.

13:70-29.10 Payoff prices

(a) The mutuel manager is held responsible for correctness of all pay-off prices posted on the board.

(b) Before the mutuel department of any race track posts the pay-off prices of any pool for any race, the mutuel manager shall require each of the (calculating sheets) computer print-out sheets of such race to be proven by the (calculator) computer and the winners verified. Such proof

shall show pay, breaks, commission, and added together shall show they equal total pool.

(c) All pay-slips are to be checked in (calculating sheet) computer print-out sheet as to winners and prices before being issued to cashiers, and all board prices are to be rechecked with the (calculator) computer print-out sheet before they are released to the public.

13:70-29.12 Ticket sales

No ticket may be sold after the totalisator has been locked or wagering has ceased.

13:70-29.13 Ticket claims

(a) Any claim by a person that a wrong ticket has been delivered to him must be made before leaving the mutuel ticket window.

(b) No claim shall be considered thereafter and no claim shall be considered for tickets thrown away, lost, changed, destroyed or mutilated beyond identification.

(c) Payment of wagers will be made only on presentation of appropriate pari-mutuel tickets.

Case Notes

Race track patron could not receive payment for a winning horse race ticket that was allegedly stolen even if he could prove he purchased it. *Ryan v. New Jersey Racing Com'n*, 336 N.J.Super. 237 (A.D. 2001).

13:70-29.14 Emergencies

Should any emergency arise in connection with the operation of the pari-mutuel department not covered by these rules and an immediate decision is necessary, the manager of the pari-mutuel department shall make a good faith effort to contact and consult with the supervisor of mutuels prior to making the decision, and render a full report to the Racing Commission.

As amended, R.1981 d.183, effective June 21, 1982.
See: 14 N.J.R. 91(a), 14 N.J.R. 661(a).
Substantially amended.

13:70-29.15 Advice; horses competing

The manager of the pari-mutuel department shall be properly and timely advised by the stewards, prior to the beginning of wagering on each race, of the horses that will compete in the race.

13:70-29.16 Post time schedule

Post time of each race shall be set by the manager of the pari-mutuel department, and shall not be changed after being posted on the odds-board without permission of the stewards.

13:70-29.17 Entry defined

When two or more horses run in a race, and are coupled because of common ties, they are called an "entry" and a wager on one of them shall be a wager on all of them.

13:70-29.18 Field defined

When the individual horses competing in a race exceed the numbering capacity of the tote, the highest numbered horse within the capacity of the tote and all horses of a higher number shall be grouped together and called the "field" and a wager on one of them shall be a wager on all of them.

13:70-29.19 Elimination of wagering

(a) With the approval of the Racing Commission, or its designee, race tracks will be permitted to eliminate place and show wagering on any particular horse or entry in any race. Among the factors to be considered will be the quality of the horse or horses for which the elimination of wagering is sought compared to the quality of the other horses in the race. The request to eliminate place or show wagering shall be made prior to the printing of the program. Once the program is printed, elimination of wagering will not be permitted unless the following occurs:

1. If less than six wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate show wagering on that race.
2. If less than five wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate both place and show wagering on that race.
3. If two or less wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate wagering on that race.

(b) The decision to eliminate wagering in (a)1 through 3 above shall be made prior to the opening of mutuel windows for that day's business unless there is a change in the number of wagering interests qualified to start. If a change in the number of wagering interests qualified to start occurs after wagering has begun, the decision to eliminate wagering shall be made immediately at the time the number of wagering interests qualified to start changes.

(c) New Jersey race tracks may adjust the pari-mutuel pools to eliminate certain forms of wagering on all interstate simulcasts consistent with the pari-mutuel decisions made by the sending track associations in conformance with that state's rules and regulations. Notice of the decision to make adjustments shall be provided to the Racing Commission or its designee prior to accepting wagers on the event.

(d) In all cases where wagering is eliminated, race tracks shall inform the public through notification in the program, advertisements, public address system or any other means available.

Prohibits place and show wagering on particular horses.

13:70-29.20 Cease wagering

Wagering shall cease not later than off-time.

13:70-29.21 Ticket-issuing machines closed

(a) If, for any reason, the pari-mutuel ticket issuing machines are closed during the wagering on a race before off-time, they shall remain closed until after the race.

(b) Wagering shall cease on that race, and the payoff for that race shall be computed on the sums then wagered in each pool.

(c) In the event the machines are inadvertently closed through some human error, said machines shall be opened only by permission of the stewards.

As amended, R.1976 d.125, effective April 22, 1976.

See: 8 N.J.R. 47(b), 8 N.J.R. 308(a).

13:70-29.22 Name and numbers of horses in gate

If a horse or horses are locked in the gate, the stewards shall promptly notify the manager of the pari-mutuel department of the name and number of said horse or horses.

13:70-29.23 Written notice of official placement

At the end of each race, the placing judges shall advise the manager of the parimutuel department in writing of the official placement of the horses; and no payoff shall be made until the receipt of such written notice.

13:70-29.24 Basis of payoffs

Whenever the totalisator falls mechanically, or whenever there is a difference in any pool or pools between the sum total of the wagers on the individual horses as compared with the grand total shown by the totalisator, the association shall compute the pay-off to the public on the basis of the larger of the two amounts (i.e., the sum total of the wagers on the individual horses or the grand total as shown by the totalisator.)

As amended, R.1979 d.274, effective July 18, 1979.

See: 11 N.J.R. 296(b), 11 N.J.R. 401(b).

13:70-29.25 Recapitulation of sales

All monies remaining undistributed following the calculation of all pools shall be paid to the State.

As amended, R.1979 d.274, effective July 18, 1979.
See: 11 N.J.R. 296(b), 11 N.J.R. 401(b).

(f) In each of the subsections (c), (d), (e), of this Section the profits per dollar wagered is the resultant. The sums wagered on the horses placed first, second and third must be returned; therefore add to the quotient the dollar taken out of the "net pool" in subsection (b) of this Section. The result is the pay-off price for each dollar wagered on horses placed first, second and third in the show pool.

13:70-29.46 Calculating the pay-off in dead heats

(a) In the case of a dead heat in the straight pool, the pay-off price shall be figured as in a place pool.

(b) In the case of a dead heat for second in the place pool, the winner of the race receives its half share of the profits in that pool; and each of the two horses that dead heat for second receive one-half of the remaining half of the profits.

(c) In the case of a dead heat for third or "show" in the show pool, the first and second horses each receive a normal one-third of the profits in that pool; and the two horses that dead heat for third each receive one-half of the remaining third of the profits.

(d) Where two or more horses racing for one interest or field horses participate in dead heats, each horse of the entry of field is entitled to his proportionate share of the profits in the pool in which the dead heat occurs and the other pools affected. For example: where two horses of an entry or field "dead heat" for straight, the straight and place prices are calculated as straight pools, and the entry is entitled to two-thirds of the profits of the show pool.

(e) Where two or more horses of an entry or field figure in a dead heat, or multiple dead heats in one race, each horse of the entry or field participating gets his proportionate award of the profits in whatever pool, or pools, are affected by the dead heat or dead heats. The sum of the total profits, in each pool, for the entry or field is then used as a dividend to calculate the pay-off price for said entry or field in that pool.

13:70-29.47 Exacta

(a) No exacta wagering shall be conducted without permission of the New Jersey Racing Commission. The races in which exacta type pari-mutuel wagering will be permitted shall be only those designated by the Commission and separate pools shall be established therefor.

(b) In order to win an exacta, it is necessary for the purchaser of an exacta ticket to select the winning horse and the horse finishing second in the race in which exacta type wagering is permitted. If either of the selections made by the purchaser fails to finish in the position designated by the purchaser when purchasing the exacta ticket, then the contract is void except as hereinafter provided.

(c) Should there be a dead heat for the first place in an exacta race, holders of tickets on those two horses involved, and only those two horses, will share in the exacta pay-off. Should there be a dead heat to place, both horses involved shall share in the pool with the winner of the exacta race.

(d) If no ticket is sold combining the two winners of the exacta, the pool shall then be apportioned equally between those having tickets including the winner of the race and those having tickets including the horse finishing second in the race in the same manner in which a place pool is calculated.

(e) In the event any horse or horses in the exacta should be excused by the racing official after the horses shall have left the paddock for the post, or after the betting on the exacta has been closed, or should any horse or horses in the exacta be prevented from racing because of failure of the arm or arms of the starting gate to open, the money wagered on any horse or horses so excused or prevented from racing shall be deducted from the exacta pool and refunded to the purchaser or purchasers of tickets on the horse or horses so excused from racing.

(f) Entries shall be allowed in an exacta race. "Fields" are permitted in an exacta race. If two or more horses in an exacta race are listed as "field" on the same totalisator ticket, there shall be no refunds, unless all the horses so listed are excused before off-time.

(g) In exacta races with a coupled entry or mutuel field, the numbers of the first two horses in order of finish as made official shall constitute the winning exacta combination except that where two or more of these horses are part of the same coupled entry or mutuel field, only the best finishing position attained by the coupled entry or mutuel field shall be considered for exacta payoff purposes and the next best finishing horse or horses, not part of the same coupled entry or mutuel field, shall be determined to comprise the winning exacta combination. Should any horse not part of any coupled entry or mutuel field finish in a dead heat for second place with a horse that is part of the same coupled entry or mutuel field as the first-place finishing horse, the winning exacta combination shall consist of the first-place coupled entry or mutual field with said dead heated horse.

See: 11 N.J.R. 296(b), 11 N.J.R. 401(b).

Amended by R.1995 d.659, effective December 18, 1995.

See: 27 N.J.R. 3762(b), 27 N.J.R. 5032(b).

13:70-29.48 Daily double

(a) No more than two daily doubles shall be permitted during any single race day. All other forms of this type of wagering are prohibited.

(b) Before off-time of the second half of the daily double there shall be posted on the public board, readable from the

stands, the pay-off of each combination coupled with the winner of the first half of the daily double.

(c) In the event of a dead heat for the straight pool in the first half of the daily double, in the event of a consolation pool, it shall not be deemed necessary to compute and post the actual pay-off prices on all the various combinations of the daily double before the running of the second half of the double. However, an effort should be made to compute the double prices and to announce them to the public over a loudspeaker system prior to the running of the second half of the double.

(d) The daily double is not a parlay. All tickets on the daily double will be calculated in an entirely separate pool.

(e) The principle of a daily double is in effect a contract by the purchaser of a daily double ticket to pick (select) the winners of each of the two races specified for the daily double.

(f) If the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double, his contract is void, unless circumstances occur as described in (m), (n), (o) and (p) below. If these conditions do not apply, then irrespective of what happens to the horse selected in the second half of the daily double, there is no refund because the patron has failed to fulfill the first half of the contract which is to pick the winner of the first half of the daily double.

(g) If a horse in the first half of the daily double is excused by the stewards before off-time, all money wagered on any horse or horses so excused shall be deducted from the daily double pool and be refunded to the purchaser or purchasers of tickets on the horse or horses so excused.

(h) In the event a horse is excused in the second half of the daily double after the first race is official, all daily double tickets combining the scratched horse with the actual winner of the first race of the daily double shall be paid a price equivalent to that fraction of the net pool derived by dividing the net pool by the total purchase price of all tickets combining the winner of the first race of the daily double with all horses in the second half of the daily double. The total pay-off of all tickets combining the winner of the first race of the daily double with the scratched horse in the second half of the daily double as determined by the method set forth in this rule shall be deducted from the net daily double pool.

(i) After off-time, there shall be no refund in either of the above cases, provided for in (g) and (h) above.

(j) For the purpose of figuring the daily double, when horses are locked in the gate they shall be considered as having been excused by the stewards; and (g) and (h) above shall be enforced.

(k) If, for any reason, the first race of a daily double is canceled and declared "no race", full and complete refund will be made of the daily double pool. If, for any reason, the second race of a daily double is canceled and declared "no race", the daily double pool shall be distributed to the holders of the daily double tickets on the winner of the first race in the same manner as the straight pool of the first race is distributed, except as to the amount of distribution, which shall be controlled by the amount bet in the daily double pool.

(l) Except for the contingencies stated below the daily double is calculated in the same general manner as the straight pool.

(m) If no ticket is sold combining both winners of the daily double, the net pool shall then be apportioned between those having tickets including the winner of the first race of the daily double and those having tickets including the winner of the last race of the daily double and shall be calculated and distributed as a place pool.

(n) If no ticket is sold including the winner of the first race of the daily double, then the entire net pool will be paid to the holders of tickets which include the winner of the last race of the daily double.

(o) If no ticket is sold including the winner of the last race of the daily double, the entire net pool will be paid to the holders of tickets which include the winner of the first race of the daily double.

(p) If no ticket is sold including a winner of either race of the daily double, then the entire net pool will be paid to the holders of tickets which include the horses finishing second in the two races of the daily double.

(q) If either race of the daily double results in a dead heat, the pay-off will be figured the same as a place pool, that is: First, the regulation commission is deducted, then the total amount wagered on the winning combination is deducted, leaving the profit which is divided equally between holders of the winning combinations.

13:70-29.59 Cancellations

(a) Cancellations of mutuel tickets are prohibited on wagers purchased on the current race once the patron has left the window on all types of wagers where odds or probable payouts are displayed to the public.

(b) Mutuel clerks shall be permitted to cancel current race mutuel tickets during the delay period provided it is the last transaction before the bell sounds signaling the end of wagering. If it is determined by the Executive Director of the Racing Commission or his or her designee that mutuel clerks are abusing this cancellation privilege, they will be subject to fine and/or suspension.

(c) No cancellation of mutuel tickets is permitted after the delay period.

(d) Cancellation of all advance wagers is permitted up until the race immediately preceding the advance wager becomes official.

13:70-29.61 Superfecta

(a) The superfecta (or other approved name) is a form of pari-mutuel wagering where each bettor selects, in order, the first, second, third and fourth placed horses in the

designated superfecta race. The superfecta pool shall be held entirely separate from all other pools, and is not part of a daily double, exacta or other wagering pool.

(b) Superfecta tickets shall be sold in not less than \$1.00 denominations.

(c) Races in which superfecta pools shall be conducted shall be approved by the Commission and shall be clearly designated in the program.

(d) If a horse is scratched or declared a non-starter, no further superfecta tickets may be issued designating such horse and all superfecta tickets previously issued designating such horse shall be refunded and the money deducted from the gross pool.

(e) Where a field in a superfecta race is less than seven at wagering time, said race shall not be run as a superfecta. A late scratch after wagering starts will not affect the superfecta.

(f) The net superfecta pool shall be distributed to winning wagers in the following precedence, based on the official order of finish:

1. As a single price pool to those whose combination finished in correct sequence as the first four different betting interests; but if there are no such wagers, then:

2. As a single pool to those whose combination included, in correct sequence the first three different betting interests; but if there are no such wagers, then:

3. As a single price pool to those whose combination included, in correct sequence, the first two different betting interests; but if there are no such wagers, then:

4. As a single price pool to those whose combination correctly selected the first place betting interest only: but if there are no such wagers, then:

5. The entire pool of superfecta wagers shall be refunded for that contest.

(g) If less than four different betting interests finish the race and the contest is declared official, payoffs will be made based upon the order of finish of those betting interests completing the race. The balance of any selection beyond the number of different betting interests completing the race shall be ignored.

(h) If there is a dead heat for first involving:

1. Contestants representing four or more different betting interests, all of the wagering combinations selecting the four betting interests which correspond with any of the betting interests involved in the dead heat shall share in a profit split.

2. Contestants representing three different betting interests, all of the wagering combinations selecting the three dead-heated different betting interests, irrespective of order, along with the fourth place different interest shall share in a profit split.

3. Contestants representing two different betting interests, both of the wagering combinations selecting the two dead-heated different betting interests, irrespective of order, along with the third place and fourth place different betting interest shall share in a profit split.

(i) If there is a dead heat for second involving:

1. Contestants representing three or more different betting interests, all of the wagering combinations correctly selecting the winner combined with any of the three different betting interests involved in the dead heat for second shall share in a profit split.

2. Contestants representing two different betting interests, all of the wagering combinations correctly selecting the winner, the two dead-heated different betting interests, irrespective of order, and the fourth place betting interest shall share in a profit split.

(j) If there is a dead heat for third, all wagering combinations correctly selecting the first two finishers, in correct sequence, along with any two of the different betting interests involved in the dead heat for third share in a profit split.

(k) If there is a dead heat for fourth, all wagering combinations correctly selecting the first three different finishers, in correct sequence, along with any of the different betting interests involved in the dead heat for fourth shall share in a profit split.

13:70-29.62 Distribution of funds derived from casino simulcasting in lieu of N.J.S.A. 5:12-203g(2)

(a) Pursuant to N.J.S.A. 5:12-204, the formula contained in N.J.S.A. 5:12-203g(2) is superseded and revised as set forth in this section as to running races, and as set forth in N.J.A.C. 13:71-27.60 as to harness racing. Of that amount remaining after the deduction of the amounts under subsections a, b, c, d, e, f and paragraph g(1) of N.J.S.A. 5:12-203, 43 percent shall be paid to the New Jersey Racing Commission and shall be distributed, in the following year, as provided herein to New Jersey racetracks conducting running races and to New Jersey racetracks conducting harness racing as set forth in N.J.A.C. 13:71-27.60. Such monies shall be used for payment as purse money and for programs designed to aid horsemen and horsemen's organizations as provided in section 46b(1)(d) or 46b(2)(d) of P.L. 1940, c.17 (N.J.S.A. 5:5-66), section 5b(2) of P.L. 1982, c.201 (N.J.S.A. 5:5-98), or section 7f(2)(b) of P.L. 1971, c.137 (N.J.S.A. 5:10-7), in the case of running races. This money shall be distributed to those racetracks conducting running races in accord with the percentages set forth in (b) and (c) below, using the formula set forth in (d) below. Where a New Jersey permitholder conducts both running races and harness races, this section shall be applicable to the permitholders running races and N.J.A.C. 13:71-27.60 shall be applicable to the permitholder's harness races.

(b) Of the monies referred to in (a) above, and pursuant to N.J.A.C. 13:71-27.60, 60 percent of the total shall be distributed to permitholders conducting running races and 40 percent of the total shall be distributed to racetracks conducting harness races for 1998 and 1999.

(c) Following 1999, of the monies referred to in (a) above, and pursuant to N.J.A.C. 13:71-27.60, 50 percent of the total shall be distributed to permitholders conducting running races and 50 percent of the total shall be distributed to racetracks conducting harness races.

(d) The formula upon which the monies referred to in (a) above is to be distributed to the New Jersey racetracks conducting running races, under either (b) or (c) above, whichever is applicable shall be as follows:
