## OVER-THE-COUNTER PERMITS

### STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625

### RIPARIAN (609) - 292 - 2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to water-front construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.

### SEWER EXTENSIONS (609) - 292 - 0700, or (609) - 292 - 4869

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, syphons, gallonage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. Appointments for over-the-counter processing should be arranged through the Office of Business Advocacy (below). For further information contact:

DEP   RECAP

(Recent press releases in capsule form)

Feb. 27--DEP COORDINATES ENFORCEMENT AREAS--A new DEP Office of Regulation and Enforcement, directed by Donald A. Brown, former assistant director of DEP's Division of Water Resources, has been established to coordinate enforcement of laws and regulations relating to air, water, pesticides, radiation, and solid waste. Brown reports to Paul Arbesman, assistant commissioner for Environmental Management.

\* \* \*

Feb. 27--GREEN ACRES GRANTS IN BERGEN, MONMOUTH--Governor Brendan Byrne announced Green Acres grants totaling \$126,237. They are to Bergen County, \$94,350 to buy a two-acre addition to Riverside County Park in North Arlington, and to Long Branch, Monmouth County, \$31,887 for acquisition of Potter Avenue Park. Both grant awards are dependent upon the outcome of litigation now pending on the use of bond funds.

\* \* \*

Feb. 28--SPECIES ADDED TO STATE ENDANGERED LIST--DEP has added 10 species of wildlife to the New Jersey Endangered Species List, bringing the total to 25 eligible for special protective steps. They are Tremblay's Salamander, Pine Barrens Treefrog, Southern Gray Treefrog, Atlantic Leatherback Turtle, Atlantic Loggerhead Turtle, Atlantic Hawksbill Turtle, Atlantic Ridley Turtle, Timber Rattlesnake, Least Tern and Black Skimmer.

\* \* \*

Feb. 28--OCEAN SLUDGE DUMPING END DUE IN 1981--DEP Commissioner Daniel J. O'Hern reported good progress in phasing out ocean dumping of sludge from sewage treatment plants, a practice for which a federal cessation deadline is the end of 1981. Of 137 New Jersey sewerage authorities with ocean dumping permits in 1976, only 22 are still dumping and nine of them have received grants to finance preparation of plans for alternative disposal modes.

\* \* \*

Feb. 28--PRIORITY LIST FOR 37 GREEN ACRES PROPOSALS--DEP announced priorities for 37 land acquisition grant proposals from municipal and county governments which are expected to exhaust funds available under the 1974 Green Acres program. Evaluations were made with guidelines developed in the Statewide Comprehensive Outdoor Recreation Plan (SCORP) on the basis of the greatest potential in terms of meeting state open space-recreational needs.

\* \* \*

March 1--BOARD TO WEIGH EXEMPTIONS FROM PINELANDS MORATORIUM--DEP announced establishment of an interim Pinelands Development Review Board to act on requests for exemptions from Governor Byrne's Feb. 8 Executive Order No. 71, setting a building moratorium in the Pinelands. Two of the three members are DEP Deputy Commissioner Betty Wilson, chairperson, and Assistant Secretary of Agriculture William Kenny. A representative of the Department of Community Affairs was to

be named. Decisions on exemption applications will be based on recommendations of a staff headed by Sean Reilly, pinelands coordinator in DEP. Decisions, which can be appealed to the Commissioners of Agriculture, Community Affairs and Environmental Protection, will be due within 21 days of filing of exemption applications. Any applicant for a permit in the Pinelands must have a certificate of exemption from the review board. The board will act until the Pinelands Planning Commission becomes functional.

\* \* \*

March 2--PINELANDS MORATORIUM MEETINGS--DEP scheduled two public meetings on the Pinelands Moratorium for March 8, at Glassboro State College, and March 15 at 7:30 p.m. in the Township Courthouse, Washington Street and Hooper Avenue, Dover Township, Ocean County.

\* \* \*

March 2--DEP, ENERGY COMMISSIONERS STUDY FUEL OIL SITUATION--Although there is no general shortage of oil, there appears to be a shortage of types needed to meet federal and state clean air requirements in many east coast states as well as New Jersey. This was the conclusion of Commissioners Daniel J. O'Hern of DEP and Joel Jacobson of the Department of Energy after a meeting with oil industry representatives in the former's office. A public hearing was set by the two departments on March 7 in the State Museum Auditorium, Trenton, to obtain more information. In the interim, DEP would consider making allowances on a case by case basis where low sulfur requirements were involved, O'Hern said.

\* \* \*

March 2--FOUR PINELANDS MORATORIUM EXEMPTIONS ISSUED--The Pinelands Development Review Board at its first meeting agreed to exclude partially-built single-family houses from board review regarding applications for wells. Four well permits were granted under this ruling. They went to Charles Parisi and Mark Lane, both of Stafford Township, and Robert Vecchio and Steven Koch, both of Lacey Township, all Ocean County. Three projects are in the Pinelands Protection Area and one in the Preservation Area. Board members are DEP Deputy Commissioner Betty Wilson, chairperson, and Richard Chumney, Department of Agriculture rural resources division director, and Richard Ginman, Department of Community Affairs director of state and regional planning. Meetings will be held Mondays at 1 p.m. in the Department of Agriculture, it was agreed.
