Travel Assessment

A tool to help you know the requirements to board a flight to the United States.

[Get Started](#)

On March 10, 2023, CDC [removed](#) the requirement for air passengers from China, Hong Kong or Macau to show a negative COVID-19 test or documentation of recovery before boarding a flight to the United States.

Travel Requirements for Non-U.S. Citizen, Non-U.S. Immigrants

You **must** be [fully vaccinated](#) with the primary series of an [accepted COVID-19 vaccine](#) to travel to the United States by plane. Only limited exceptions apply. For more information, see [Requirement for Proof of COVID-19 Vaccination for Air Passengers](#).

Mask Recommendation

As a result of a court order, effective immediately and as of April 18, 2022, CDC's January 29, 2021 [Order](#) requiring masks on public transportation conveyances and at transportation hubs is no longer in effect. Therefore, CDC will not enforce the Order. CDC continues to [recommend](#) that people wear masks in indoor public transportation settings at this time.

[How to Protect Yourself and Others](#)

Can I travel if ...?

I am sick with or [tested positive](#) for COVID-19 and am recommended to [isolate](#).

- Do NOT travel.
- Follow recommendations for [isolation](#).

I have ended isolation but still need to continue wearing my mask per [CDC's guidance](#).

- Do not travel on public transportation such as airplanes, buses, and trains if you will not be able to wear a high-quality mask or respirator when around others indoors for the full duration of your trip.
- If you travel, wear a high-quality [mask](#) or respirator the entire time you are around others indoors.
- Traveling by private vehicle (if possible) can lower the chances of spreading COVID-19 to others.

I was exposed to a person with COVID-19 in the past 10 days.

- Follow [CDC guidance](#), including getting tested at least 5 full days after your last exposure.
- Do not travel on public transportation such as airplanes, buses, and trains if you will not be able to wear a high-quality mask or respirator when around others indoors for the full duration of your trip.
- If you travel, wear a high-quality [mask](#) or respirator the entire time you are around others indoors.
- Traveling by private vehicle (if possible) can lower the chances of spreading COVID-19 to others.

If Your COVID-19 Test is Positive

This poster is available to download and can be used as a resource for airport testing sites. The poster reminds travelers of actions they should take if their COVID-19 test is positive.
