SUBCHAPTER 1. ADMISSION REQUIREMENTS
FOR FOREIGN AND ALIEN LIFE AND
HEALTH INSURERS

11:2-1.1 Purpose

This subchapter establishes the procedures, requirements and standards which govern the application of foreign and alien insurers engaged in the business of life and health insurance for a certificate of authority to transact the business of insurance in this State.

11:2-1.2 Scope

This subchapter applies to all foreign and alien insurers that apply for a certificate of authority to transact the business of life and health insurance in this State. The filing requirements contained in this subchapter shall not apply to the continuation, renewal or timely reinstatement of existing certificates of authority except where the Commissioner, pursuant to law, shall otherwise require.

11:2-1.3 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Commissioner" means the Commissioner of the Department of Banking and Insurance of this State.

"Committee on Admissions" means the advisory committee within the Department appointed by the Commissioner to aid in the review of applications for admission to transact the business of insurance in this State and to render to the Commissioner recommendations as to the disposition of such applications.

"Department" means the Department of Banking and Insurance of this State.

"IRIS" means the NAIC Insurance Regulatory Information System.

"NAIC" means National Association of Insurance Commissioners.

Amended by R.2001 d.6, effective January 2, 2001.
See: 32 N.J.R. 3530(a), 33 N.J.R. 85(a).
Amended "Commissioner" and "Department".

11:2-1.4 General eligibility requirements

(a) In order for a foreign or alien insurer to be admitted as a life and health insurer in this State, the requirements in this section shall be satisfied in addition to any other requirements in this subchapter or any other provision of law.

1. The applicant shall satisfy the Commissioner that its condition or methods of operation are not such as would render its operation hazardous to the public or its policyholders in this State. In determining whether a hazardous financial condition exists, the factors identified in N.J.A.C. 11:2-27.3 shall be considered. A hazardous financial condition shall exist when those factors indicate, either singly or in combination of two or more, that the financial condition of any applicant which has applied to transact, or is already transacting the business of insurance in any jurisdiction, is considered by the Commissioner to be hazardous to the policyholders, stockholders, claimants, creditors, or the general public. The Commissioner shall further consider any other fact or circumstance that indicates that an insurer's operations may be hazardous.

2. The applicant shall satisfy at least the minimum capital and surplus requirements of a similar domestic insurer of this State for all lines of insurance that it is authorized to write pursuant to the certificate of authority issued by its place of domicile, whether or not the applicant desires to transact any of those lines of insurance in this State, subject to the following:

i. In determining whether an applicant meets the minimum capital and surplus requirements, the following shall be deducted from unassigned funds:

(1) The statement value of any and all special deposits not held for the protection of all policyholders;

(2) Reserves and losses reinsured with companies not authorized in New Jersey, accredited as reinsurers in New Jersey, or otherwise in compliance with N.J.S.A. 17:51B-1 et seq., net of any offsets;

(3) The statement value for the portion of assets held in excess of investment limitations for life and health insurers pursuant to N.J.S.A. 17B:20-1 et seq.;

(4) Reserve shortfalls caused by the company holding reserves weaker than those mandated by N.J.S.A. 17B:19, or such other standards provided by administrative rule, actuarial guidelines, or determined necessary by actuarial analysis;

(5) The excess of the statement value over the market value of bonds held by the applicant; and

(6) Off balance sheet guarantees and contingent liabilities for which the company has not previously established a liability in an appropriate amount.

ii. Capital and surplus requirements may be reduced to the level required for the kinds of insurance actually being marketed if the applicant:

(1) Does not transact one or more of the kinds of insurance contained in the certificate of authority issued by its state or country of domicile; and

(2) Submits a resolution by its board of directors stating that it will refrain from transacting the kind(s) of insurance permitted by the certificate of authority issued by its state or country of domicile.

3. An applicant which has total adjusted capital of less than its company action level risk-based capital or which has otherwise triggered a company action level event, as these terms are defined in N.J.A.C. 11:2-39, as of December 31 of the preceding calendar year, shall not be considered for admission until the applicant's status has improved.

4. The applicant shall be deemed to have its application deferred if any one of the following conditions exist:

i. An applicant which has failed four or more IRIS tests shall have its application deferred until it has demonstrated to the Commissioner and its place of domicile that the IRIS test results are not indicative of a financial condition that may be hazardous to the policyholders, stockholders, claimants, creditors or the general public; or

ii. An applicant which has failed to file with the NAIC an annual statement for the prior year shall have its application deferred until it has filed with the NAIC such annual statement.

5. The applicant shall satisfy the following seasoning requirements:

i. Subject to the provisions of this subchapter, no applicant shall be considered for a certificate of authority to transact the business of insurance in this State unless the Commissioner has been furnished with evidence that the applicant has been authorized by its state or country of domicile to engage in the kind(s) of insurance business for which the applicant seeks a certificate of authority, and has in fact been actively, continuously and successfully engaged in such business, without a change in control, for a period of at least five years prior to the date of the application for the New Jersey certificate of authority.

ii. An applicant qualified under (a)5i above shall demonstrate that:

(1) During any three of the last five years, including therein the two most recent years of business operations, it generated a net gain from operations, after Federal taxes, as reported in the annual statement;

(e) Pursuant to N.J.S.A. 56:12-5, an insurer need not request an opinion as to compliance with the Plain Language Law for policy forms identical to those which have already been certified for some other insurer or rating organization.

(f) Any insurance policy, Buyer's Guide and Coverage Selection Form whose language is revised for any reason, including compliance with the Plain Language Law, must be approved by the Commissioner pursuant to insurance laws and regulations before it can be issued:

1. The Commissioner's opinion as to compliance with the Plain Language Law is distinct from his or her approval of a policy, Buyer's Guide and Coverage Selection Form pursuant to insurance laws and regulations.

2. Filings for review and approval of policies, Buyer's Guides and Coverage Selection Forms pursuant to insurance laws and regulations should be prepared in accordance with existing filing procedures.

3. Ordinarily, a request for an opinion as to a policy's, Buyer's Guide's or Coverage Selection Form's compliance with the Plain Language Law and a filing for approval pursuant to insurance laws and regulations should be submitted to the Commissioner at the same time and in the same package.

4. If an insurer has already received approval of a policy, Buyer's Guide and Coverage Selection Form pursuant to insurance laws and regulations, and believes that the policy, Buyer's Guide and Coverage Selection Form complies with the Plain Language Law without further revision, it may resubmit it for the sole purpose of requesting an opinion as to compliance with the Plain Language Law. In completing the Request for Opinion Form (Exhibit A), an insurer should provide information necessary to confirm the previous approval of the policy, Buyer's Guide and Coverage Selection Form pursuant to insurance laws and regulations.

Amended by R.1991 d.4, effective January 7, 1991.

See: 22 N.J.R. 1673(a), 23 N.J.R. 103(a).

Added references to Buyer's Guide and Coverage Selection Form.

Case Notes

Homeowners' policy did not have to be submitted to commissioner for approval; insurer used approved policy form that had received plain language certification. *Bromfeld v. Harleysville Ins. Companies*, 298 N.J.Super. 62, 688 A.2d 1114 (A.D.1997).

11:2-18.6 Enforcement

The Commissioner may seek injunctive relief to enforce this subchapter. The court may authorize reasonable attorney's fees and costs in such a proceeding.

11:2-18.7 Separability

If any provision of this subchapter, or its application to any person or circumstances, is held invalid, the remainder

of this subchapter and its application to other persons or circumstances shall be affected.
