### Transcript From January 9, 2013 Press Conference:

**Governor Christie:** For the next year our mission as a people has got to be to rebuild this Shore, rebuild our state, get people back in their homes and their businesses and restore this place to whatever the new normal is going to be, but back to something close to what we had on October 28th, 2012. So, that's going to be my mission for the next year. That's what I'm going to be working on every day that you give me the chance to be Governor. So, I'm thrilled to be back here. I'm thrilled to see the place cleaned up, and I guarantee you, as I told you when I came here the day after the storm, I will be here on Memorial Day. Mary Pat and I will both be in Belmar on Memorial Day.
