

(b) The Commissioner shall transfer a Delaware Bay commercial or non-commercial gill net permit to the son or daughter of the holder of the commercial or non-commercial permit provided that:

1. The Division of Fish, Game and Wildlife receives a written request at the address set forth in N.J.A.C. 7:25-18.9(a) signed by the holder of a Delaware Bay commercial or non-commercial gill net permit requesting transfer of the holder's permit to a designated son or daughter;

2. For the transfer of a Delaware Bay commercial gill net permit, the written request required under (b)1 above shall be accompanied by documentation that establishes that the designated son or daughter has three years of commercial fishing experience; and

3. The number and type of commercial or non-commercial permits transferred shall be the same number and type issued to the holder.

New Rule, R.1991 d.278, effective June 3, 1991.  
See: 22 N.J.R. 1311(a), 23 N.J.R. 1792(a).

**7:25-18.12 Commercial fishing seasons and quotas**

(a) The following provisions are applicable to the commercial harvest of weakfish:

1. A person shall not possess or land in any one day more than 150 pounds of weakfish harvested by the gear specified below except during the respective open season specified below or as modified by the Commissioner pursuant to (f) below.

<u>Gear</u>	<u>Open Season</u>
Otter trawl	January 1 through July 31 and October 13 through December 31
Pound net	January 1 through June 6 and July 1 through December 31
Gill net	January 1 through May 20, September 3 through October 19 and October 27 through December 31

2. A person shall not possess or land by the gear specified in (a)1 above any weakfish less than 13 inches in length except as provided elsewhere in this subchapter.

3. A dealer shall not accept more than 150 pounds of weakfish landed in New Jersey taken by the respective gear specified in (a)1 above except during the respective open season specified above or as modified by the Commissioner pursuant to (f) below.

(b) The following provisions are applicable to the commercial harvest of bluefish:

1. A person shall not sell any bluefish unless they possess a Federal bluefish permit.

2. New Jersey's annual allocation of bluefish as determined by the National Marine Fisheries Service shall be allocated according to gear type as follows:

- i. Gill Net: 60.9 percent;
- ii. Pound Net: 14.9 percent;
- iii. Otter Trawl: 14.7 percent;
- iv. Purse Seine: 7.5 percent; and
- v. Hook and Line: 1.8 percent.

3. A person shall not land nor sell any bluefish taken by the gear type specified in (b)2 above except during the respective open season specified below or as modified by the Commissioner pursuant to (e) below.

<u>Gear</u>	<u>Open Season</u>
Gill Net	January 1 through November 6
Pound Net	January 1 through December 31
Otter Trawl	January 1 through December 7
Hook and Line	June 16 through August 7

4. A dealer shall not accept any bluefish landed in New Jersey taken by the respective gear specified in (b)2 above except during the respective open season specified in (b)3 above or as modified by the Commissioner pursuant to (e) below.

5. As specified in (b)2 above, the annual bluefish quota for the purse seine fishery shall be 7.5 percent of New Jersey's annual commercial bluefish quota as allocated by the National Marine Fisheries Service. No purse seine vessel shall land and no dealer shall accept any bluefish landed in New Jersey that have been harvested by purse seine in excess of the annual purse seine quota or after the purse seine season has been closed. If the annual purse seine quota is exceeded in any one calendar year, the overharvest shall be deducted from the purse seine quota in the next subsequent calendar year(s).

6. A person angling with a handline or with rod and line shall not possess more than the possession limit for bluefish set forth at N.J.A.C. 7:25-18.1(c) except during the open commercial hook and line season and provided that the angler is in possession of a valid National Marine Fisheries Service commercial bluefish permit in the angler's name.

7. The Commissioner, or his or her designee, may close the season for the respective gear in (b)3 above upon four days public notice of the projected date the quota for the respective gear shall be landed. Such notice shall be sent by first class mail to all commercial docks and commercial fishing organizations on the mailing list of the Division of Fish, Game and Wildlife.

(c) The following provisions are applicable to the commercial harvest of tautog:

1. The possession of more than 100 pounds of tautog on board a vessel or landed from a vessel shall constitute a directed fishery for tautog.

2. A vessel shall not land more than 100 pounds of tautog in New Jersey on any one trip, after January 1,

1997 unless said vessel is in possession of its valid New Jersey Tautog Permit to participate in a directed fishery for tautog. The permit shall be issued in the name of the vessel and the owner, and for the specific gear type(s) used to qualify for the permit.

i. Applicants for a New Jersey Tautog Permit shall complete an application provided by the Department including information on name, address, vessel name, vessel documentation or registration number, gear and landings criteria as specified at (c)2ii below;

ii. To be eligible for a New Jersey Tautog permit, the vessel's owner shall meet the following criteria:

(1) The vessel shall have landed and sold at least 1,000 pounds of tautog in New Jersey in each of two years during the period 1982 through 1993;

(2) Documented proof of landings shall consist of one or more of the following:

(A) Weigh-out slips totaling the weight harvested;

(B) A notarized statement, from the applicant and the purchaser(s), attesting to the weight harvested (records must be verifiable based upon inspection of the purchaser's business records);

(C) Other documentation similar to that in (c)2ii(2)(A) or (B) above may be accepted at the discretion of the Commissioner after his or her review.

3. The possession of 100 pounds or less of tautog on board a vessel or landed from a vessel for the purpose of sale shall constitute a non-directed fishery for tautog.

4. A harvester or vessel shall not land tautog for the purpose of sale or sell any tautog after March 1, 1998 unless such harvester or vessel is in the possession of a valid New Jersey Tautog Permit or a valid New Jersey Non-Directed Fishery Tautog Permit.

5. A New Jersey Non-Directed Fishery Tautog Permit shall be issued in the name of the vessel and the owner, and for the specific gear type(s) used to qualify for the permit.

i. Applicants for a New Jersey Non-Directed Fishery Tautog Permit shall complete an application provided by the Department including information on name, address, vessel name, vessel documentation or registration number, gear and landings criteria as specified at (c)5ii below;

ii. To be eligible for a New Jersey Non-Directed Fishery Tautog Permit, the vessel's owner shall meet the following criteria:

(1) The vessel or owner shall have landed and sold at least 100 pounds of tautog in New Jersey in each of two years during the period 1982 through 1997. Documented proof of landings shall consist of one or more of the following:

(A) Weigh-out slips totaling the weight harvested;

(B) A notarized statement, from the applicant and the purchaser(s), attesting to the weight harvested (records must be verifiable based upon inspection of the purchaser's business records); or

(C) Other documentation similar to that in (c)5ii(1)(A) or (B) above may be accepted at the discretion of the Commissioner after his or her review.

6. The New Jersey Tautog Permit or the New Jersey Non-Directed Fishery Tautog Permit shall be on board the vessel to which it is issued at all times. The applicable permit is valid upon issuance and in subsequent years unless revoked as part of a penalty action. The applicable permit is issued to a specific vessel in the name of the owner. The vessel, when engaged in a tautog fishery, may only have on board the gear type(s) listed on that vessel's permit.

7. The owner of a vessel permitted pursuant to this subsection may transfer his or her tautog permit, upon application to the Department, as follows:

i. To his or her replacement vessel, provided the replacement vessel is of equal or less gross registered tonnage and vessel registered length. The vessel being replaced shall no longer be eligible for a tautog permit; or

ii. Along with the sale of his or her vessel to a new owner. The owner selling the vessel shall no longer be eligible for a tautog permit based on the harvesting history of the vessel being sold.

8. Transfer of a permit to a new vessel shall be limited to the same gear type(s) of the originally permitted vessel.

9. No permit shall be transferred without the prior approval of the Department.

10. A vessel possessing a permit to commercially harvest tautog by angling or hook and line or spearfishing and when operating under the permit shall be subject to the following:

i. Crew size shall be limited to no more than five persons, including the captain; and

ii. The vessel shall not carry any passengers for hire. When carrying passengers for hire, the tautog permit is not valid and the possession limits and seasonal restrictions as specified in N.J.A.C. 7:25-18.1 apply.

11. The annual tautog harvest quota for New Jersey shall be 61,680 pounds or as modified by the Commissioner pursuant to (e) below. All landings of tautog in New Jersey shall be applied to the New Jersey annual tautog quota.

i. The commercial season for tautog shall be from January 1 through December 31.

ii. The Commissioner, or his or her designee, shall close the season for the commercial tautog fishery upon four days public notice of the projected date the annual quota shall be caught. Public notice shall include letters by first class mail to all New Jersey Tautog Permit and New Jersey Non-Directed Fishery Tautog Permit holders.

iii. Once the season has been closed for the commercial tautog fishery, no vessel shall land any tautog in New Jersey and no dealer shall accept any tautog landed in New Jersey.

iv. If the Commissioner, or his or her designee, closes the season prematurely because of unanticipated environmental events resulting in the quota not being landed by the projected date and at least one month remains in the current season, then the Commissioner, or his or her designee, may reopen the season for a specified period of time upon four days public notice. Public notice shall be made as specified in (c)11ii above.

v. If the quota for any year is exceeded, the amount over harvested will be deducted from the following year's annual quota.

vi. Beginning in 1997, the Department shall notify the holders of New Jersey Tautog Permits and New Jersey Non-Directed Fishery Tautog Permits of the season allocations no later than January 31 of the year to which the allocation applies. Notification shall be by first class mail to permit holders.

vii. All New Jersey Tautog Permit and New Jersey Non-Directed Fishery Tautog Permit holders shall be required to complete monthly reports supplied by the Department. The monthly report shall be signed by the permittee attesting to the validity of the information and be submitted so it is received by the Department no later than five working days following the end of the reported month at the following address:

Tautog Program  
Nacote Creek Research Station  
PO Box 418  
Port Republic, NJ 08241-0418

(1) The monthly report shall include, but not be limited to, the following information: name, permit number, total amount (in pounds) of tautog taken, dates caught, time at sea, duration of fishing time, area fished, crew size, landing port, date sold, buyer.

This information shall be provided for any trip in which tautog are landed.

(2) If no trips for tautog were taken and no tautog were landed during the month, a report to that effect shall be required.

12. Any person violating the provisions of this section shall be subject to the penalties prescribed in N.J.S.A. 23:2B-14 in addition to the following:

i. Failure to submit the required documentation to the application shall result in the denial of the permit.

ii. Falsification or misrepresentation of any information on the application including documentation provided to verify the amount of tautog landed as specified in (c)2ii(2) above shall result in the denial or revocation of the permit in addition to any civil or criminal penalties prescribed by law.

iii. Failure to comply with the provisions of (c)11iii above, landing tautog after the season has been closed, or (c)11vii above, failure to submit accurate and timely monthly reports, shall result in the suspension or revocation of the vessel's tautog permit according to the following schedule:

(1) First Offense: 60 days suspension

(2) Second Offense: 120 days suspension

(3) Third Offense: permanent revocation

iv. Prior to revocation of the permit, the permittee shall have the opportunity to request a hearing pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq. and 52:14F-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1.

(d) The following provisions are applicable to the commercial harvest of sharks:

1. A person shall not possess more than two sharks per vessel nor shall a person sell or attempt to sell more than two sharks without a valid annual vessel permit for sharks issued by the National Marine Fisheries Service.

2. A dealer shall not purchase or receive a shark without a valid annual dealer permit for sharks issued by the National Marine Fisheries Service.

3. A person shall not sell and a dealer shall not receive any large coastal shark, any small coastal shark, or any pelagic shark, as identified in N.J.A.C. 7:25-18.1(a), after the effective date that the quota for that group of sharks has been reached or is projected to be reached by the National Marine Fisheries Service, for the remainder of that semi-annual period.

(e) For the purpose of this section, "land" shall mean to begin offloading fish, to offload fish or to enter port with fish.

(f) The Commissioner, with the approval of the New Jersey Marine Fisheries Council, may modify quotas and/or seasons specified in this section, by notice in order to maintain and/or to come into compliance with any fishery management plan approved by the Atlantic States Marine Fisheries Commission pursuant to 16 U.S.C. § 5104(b). The Department shall publish notice of any such modification in the Division's commercial regulation publication and the New Jersey Register.

### 7:25-18.13 Striped bass bonus program

(a) Pursuant to N.J.S.A. 23:5-45.1(c), the possession of one "bonus sized" striped bass, measuring not less than 28 inches in length, will be allowed in addition to the possession limit allowed under N.J.S.A. 23:5-45.1(a), pursuant to (b) through (o) below.

(b) Any person intending to take one striped bass measuring not less than 28 inches in length in addition to his or her striped bass possession limit as specified at N.J.S.A. 23:5-45.1 shall apply to the Division for "fish possession cards." Applications may be obtained from the following:

1. Division of Fish, Game and Wildlife

Striped Bass Bonus Fish Program

Nacote Creek Research Station

PO Box 418

Port Republic, NJ 08241-0418

2. Fish checking stations, as authorized by the Division and identified by public notice in the New Jersey Register.

(c) The application form shall be completed to include the name, address and telephone number of the applicant.

(d) Applications for fish possession cards will be accepted for participation in the bonus fish program and processed in order of receipt by the Division.

(e) Successful applicants will receive two, color-coded, non-transferable fish possession cards. One card shall be filled out completely and the month and day numbers perforated immediately upon retention of bonus fish. A finite number of cards shall be available to participating party and charter boat captains.

(f) Fish possession cards shall be valid in the calendar year for which they were issued except during those periods in which the Department has closed the State's waters to harvesting as provided at (l) below. All fish possession cards not utilized during the calendar year shall be returned to the address at (b) above by January 15 of the next subsequent calendar year.

(g) Successful applicants may keep and submit annual records of their striped bass fishing activity as requested on forms furnished by the Division. Such records shall include the name, address, and card number(s) of the fishermen, the days and hours fished, the lengths of striped bass caught, the location of fishing activity and the type of fishing. Party and charter boat captains shall be required to maintain and submit logbooks developed by the Division.

(h) A person shall not have in his or her possession at any time more than three striped bass, of which two shall be not less than the size provided for in N.J.S.A. 23:5-45.1 and the other shall be not less than 28 inches in length and said person shall have a properly completed and legal fish possession card, as provided for at (e) above.

(i) Any striped bass taken under this section may be transported to an authorized fish checking station by the person who caught the fish on the day so taken. A person shall not present for registration or permit to be registered in his or her name a striped bass which he or she did not catch. Any person who legally takes a striped bass under this section and who cannot arrive at a fish checking station shall immediately mail his her bonus card to the address presented at (b) above.
